3. DETAILS OF OFFERING

3.1 INTRODUCTION

The SC granted its approval for the Offering on 6 August 2026. The approval of the SC shall not be taken to indicate that the SC recommends the Offering. Investors should rely on their own evaluation to assess the merits and risks of the Offering and their investment in IOIPG REIT. In considering the investment, if investors are in any doubt as to the action to be taken, they should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers immediately. For information concerning risk factors which should be considered by prospective investors, see Section 5 "Risk Factors" of this Prospectus.

Bursa Securities, had on 30 September 2026 approved the admission of IOIPG REIT to the Official List of the Main Market and the listing of and quotation for the 5,500,000,000 Units on the Main Market as well as the listing of and quotation for up to 300,000,000 new Units to be issued as payment of the Management Fees to the Manager. All the Units will be admitted to the Official List of the Main Market and official quotation will commence after receipt of confirmation from Bursa Depository that all the Units have been credited into the CDS Account of the Sponsor, being the nominee of the Vendors (pursuant to the Acquisitions) and the successful applicants and the notices of allotment of the Units have been despatched to the said parties. Admission to the Official List of the Main Market shall not be taken as an indication of the merits of IOIPG REIT, the Units or the Offering.

Pursuant to Section 14(1) of the SICDA, Bursa Securities will prescribe the Units as a prescribed security. Consequently, the Units will be deposited directly with the Bursa Depository. Any dealings in the Units will be carried out in accordance with the Deed, the SICDA and the Rules of Bursa Depository. No Unit certificates will be issued to successful applicants.

Pursuant to the Public Spread Requirement, at least 25.0% of the total number of Units in issue must be held by a minimum number of 1,000 public Unitholders holding not less than 100 Units each upon completion of the Offering and at the point of Listing or such other minimum public unitholding spread requirement as may be approved by Bursa Securities. The Manager expects to achieve the Public Spread Requirement at the point of Listing.

In the event IOIPG REIT does not achieve the Public Spread Requirement pursuant to the Offering, IOIPG REIT may not be allowed to proceed with the Listing. In this event, monies paid in respect of all applications will be returned in full without interest.

3.2 TOTAL UNITS TO BE OFFERED

Note:
(1) Based on the total issued fund size of 5,500,000,000 Units.

There is only one class of units in IOIPG REIT. The Units to be offered, provided that the application monies are paid in full, will rank *pari passu* in all respects with each other and will be entitled to all distributions that may be declared subsequent to the Listing.

3.3 PURPOSE OF THE OFFERING

The purpose of the Offering is as follows:

(i) to provide the Entitled IOIPG Shareholders, the Eligible Persons and other investors with the opportunity to invest in the Subject Properties through their participation in IOIPG REIT to enjoy the stable and recurring cash distribution;

(ii) to obtain a listing of and quotation for the Units on the Main Market to enhance liquidity as compared to the illiquid nature of the underlying Subject Properties;

(iii) to allow IOIPG REIT to gain access to capital markets in order to raise funds for future real estate acquisition; and

(iv) to provide investors an opportunity to benefit from the potential future upside and envisaged growth of IOIPG REIT, which may or may not result in capital gains to the Unitholders in terms of appreciation in the Unit price.

3.4 DETAILS OF THE OFFERING

The Offering entails the offering by the Sponsor of up to 2,200,000,000 Offer Units comprising the following:

(i) Retail Offering of 715,614,537 Offer Units, representing approximately 13.0% of the total issued fund size of 5,500,000,000 Units upon Listing, subject to the Clawback and Reallocation; and

The Institutional Offering of up to 1,484,385,463 Offer Units, representing up to approximately 27.0% of the total issued fund size of 5,500,000,000 Units upon Listing, subject to the Clawback and Reallocation and Over-allotment Option, consists of the following:

(i) 687,500,000 Offer Units, representing 12.5% of the total issued fund size of 5,500,000,000 Units upon Listing to Bumiputera investors approved by the MITI; and

(ii) up to 796,885,463 Offer Units, representing up to approximately 14.5% of the total issued fund size of 5,500,000,000 Units upon Listing to other Malaysian institutional investors and selected investors as well as foreign institutional investors and selected investors outside the United States in reliance on Regulation S,

at the Institutional Price payable in full upon allocation and determined by way of bookbuilding on the Price Determination Date.

3.4.3 Clawback and Reallocation

The Institutional Offering and the Retail Offering will be subject to the following Clawback and Reallocation:

(i) in the event of under-subscription by Bumiputera investors approved by the MITI under the Institutional Offering, such Offer Units will be made available for subscription:

(a) firstly, by Bumiputera Public under the Public Offering via the balloting process;

(b) secondly, by other Malaysian institutional investors under the Institutional Offering and thereafter, to foreign institutional and selected investors under the Institutional Offering; and

(c) thirdly, by the Eligible Persons under the Restricted Pink Form Offering (after the reallocation of Excess Pink Form Units) and/or Entitled IOIPG Shareholders under the Restricted Offering (after the reallocation of Excess Restricted Offer Units) and/or non-Bumiputera Public under the Public Offering,

at the discretion of the Joint Global Coordinators upon consultation with the Manager and the Sponsor;

(ii) subject to **Section 3.4.3(i)** above, the Offer Units may be clawed back from the Institutional Offering and reallocated to the Retail Offering in the event of an over-subscription in the Retail Offering and a corresponding under-subscription in the Institutional Offering, at the discretion of the Joint Global Coordinators upon consultation with the Manager and the Sponsor;

(iii) any Pink Form Units not taken up by the Eligible Persons under the Restricted Pink Form Offering shall be made available for application by the Eligible Persons who have applied for Excess Pink Form Units on top of their pre-determined allocation. It is the intention of the Manager Board and the Sponsor Board to allocate the Excess Pink Form Units, if any, in the following priority:

(a) firstly, allocation on a pro-rata basis to the Eligible Persons based on the number of Excess Pink Form Units applied for; and

(b) secondly, to minimise odd lots.

The Manager Board and the Sponsor Board reserve the right to allocate any Excess Pink Form Units to the Eligible Persons who have made an Excess Pink Form Units Application, in a fair and equitable basis and in such manner as they deem fit and expedient and in the best interest of IOIPG REIT. The Manager and the Sponsor also reserve the right to accept any Excess Pink Form Units Applications, in full or in part, without assigning any reason. Thereafter, any unsubscribed Pink Form Units will be clawed back and reallocated in the following order of priority:

(c) firstly, to the Entitled IOIPG Shareholders under the Restricted Offering (after the reallocation of Excess Restricted Offer Units) and/or Malaysian Public under the Public Offering;

(d) secondly, to Malaysian institutional investors under the Institutional Offering and thereafter, to foreign institutional and selected investors under the Institutional Offering,

at the discretion of the Joint Global Coordinators upon consultation with the Manager and the Sponsor;

(iv) in the event of under-subscription by the non-Bumiputera Public under the Public Offering, such Offer Units may be made available for subscription:

(a) firstly, by Bumiputera Public under the Public Offering via the balloting process;

(b) secondly, by the Eligible Persons under the Restricted Pink Form Offering (after the reallocation of Excess Pink Form Units) and/or Entitled IOIPG Shareholders under the Restricted Offering (after the reallocation of Excess Restricted Offer Units); and

(c) thirdly, by other Malaysian institutional investors under the Institutional Offering and thereafter, to foreign institutional and selected investors under the Institutional Offering,

at the discretion of the Joint Global Coordinators upon consultation with the Manager and the Sponsor;

(v) in the event of under-subscription by the Bumiputera Public under the Public Offering, such Offer Units may be made available for subscription:

(a) firstly, by non-Bumiputera Public under the Public Offering;

(b) secondly, by the Eligible Persons under the Restricted Pink Form Offering (after the reallocation of Excess Pink Form Units) and/or Entitled IOIPG Shareholders under the Restricted Offering (after the reallocation of Excess Restricted Offer Units); and

(c) thirdly, by other Malaysian institutional investors under the Institutional Offering and thereafter, to foreign institutional and selected investors under the Institutional Offering,

at the discretion of the Joint Global Coordinators upon consultation with the Manager and the Sponsor; and

(vi) any Restricted Offer Units not taken up by the Entitled IOIPG Shareholders under the Restricted Offering will be made available for application by the other Entitled IOIPG Shareholders under the Excess Restricted Offer Units Applications. The Manager Board and the Sponsor Board reserve the right to allocate any Excess Restricted Offer Units to the Entitled IOIPG Shareholder who have made an Excess Restriction Offer Units Application, in a fair and equitable basis and in such manner as it deems fit and expedient and in the best interest of IOIPG REIT. It is the intention of the Manager Board and the Sponsor Board to allocate the Excess Restricted Offer Units, if any, in the following priority:

(a) firstly, to minimise odd lots; and

(b) secondly, allocation on a pro-rata basis to the Entitled IOIPG Shareholders based on the number of Excess Restricted Offer Units applied for.

The Manager Board and the Sponsor Board also reserve the right to accept any Excess Restricted Offer Units Applications, in full or in part, without assigning any reason. The Sponsor had procured an irrevocable written undertaking from VCSB vide its Undertaking Letter for the Restricted Offering as set out in **Section 3.5** of this Prospectus.

Thereafter, the Joint Underwriters shall subscribe and/or procure subscription for any remaining Offer Units not taken up under the Public Offering and Restricted Pink Form Offering, based on the terms of the Underwriting Agreement.

The above Clawback and Reallocation shall not apply in the event of an oversubscription or under-subscription in both the Institutional Offering and the Retail Offering or an under-subscription in either the Institutional Offering or the Retail Offering but no oversubscription in the other.

3.4.4 Over-allotment Option

The Over-allotment Option Provider may grant an Over-allotment Option to the Stabilising Manager to undertake any price stabilisation actions. The Stabilising Manager (or person(s) acting on behalf of the Stabilising Manager) may in its absolute discretion, over-allot the Units and subsequently, effect transactions to stabilise or maintain the market price of the Units at levels that might not otherwise prevail in the open market.

Such transactions consist of bids or purchases to peg, fix or maintain the price of the Units. If the Stabilising Manager creates a short position in the Units in connection with the Institutional Offering, the Stabilising Manager may reduce that short position by purchasing the Units in the open market. The Stabilising Manager may also elect to reduce any short positions by exercising all or part of the Over-allotment Option.

If granted, the Over-allotment Option will be exercisable in whole or in part by the Stabilising Manager, on one or more occasions, by giving written notice to the Over-allotment Option Provider at any time, within 30 days from the date of the Listing ("**Stabilising Period**") to purchase from the Over-allotment Option Provider up to an aggregate of 330,000,000 Units, representing up to 15.0% of the total Offer Units, or up to 6.0% of the total Units upon Listing, solely for the purpose of covering over-allotments of the Units (if any).

Subject to there being an over-allotment, the Stabilising Manager will enter into the Unit Lending Agreement with the Over-allotment Option Provider to borrow up to an aggregate of 330,000,000 Units to cover the over-allotments. Any Units that may be borrowed by the Stabilising Manager under the Unit Lending Agreement will be returned by the Stabilising Manager to the Over-allotment Option Provider either through the purchase of the Units in the open market by the Stabilising Manager in the conduct of the stabilisation activities or deemed returned through the exercise of the Over-allotment Option by the Stabilising Manager, or a combination of both. The exercise of the Over-allotment Option will not increase the total number of Units issued and is not intended to constitute an offer for sale of the Units by the Over-allotment Option Provider under the Offering.

Purchases of a security to stabilise the price or to cover the over-allotment may cause the price of the security to be higher than it might be in the absence of these purchases. Such transactions may be effected on the Main Market of Bursa Securities, in compliance with all applicable laws and regulations, including the CMSA and any regulations thereunder. Any purchases of Units by the Stabilising Manager (or person(s) acting on its behalf) will be undertaken at prevailing market prices, subject to the Capital Markets and Services (Price Stabilisation Mechanism) Regulations 2008. In particular, no stabilisation action will be undertaken at a price above the Final Retail Price during the Stabilising Period.

The number of Units that the Stabilising Manager (or person(s) acting on behalf of the Stabilising Manager) may buy to undertake stabilising action, shall not exceed an aggregate of 330,000,000 Units, representing up to 15.0% of the total Offer Units, or up to 6.0% of the total Units upon Listing. However, there is no obligation on the Stabilising Manager (or person(s) acting on behalf of the Stabilising Manager) to undertake such stabilising action. Such stabilising actions may commence on or after the commencement of trading of the Units on the Main Market of Bursa Securities and, if commenced, may be discontinued at any time and cannot be effected after the earlier of (i) the date falling 30 days from the commencement of trading of the Units on the Main Market of Bursa Securities; or (ii) the date when the Stabilising Manager has bought, on the Main Market of Bursa Securities, an aggregate of 330,000,000 Units, representing up to 15.0% of the total Offer Units, or up to 6.0% of the total Units upon Listing to be offered to undertake the stabilising action.

Neither the Manager, the Over-allotment Option Provider nor the Stabilising Manager makes any representation or prediction as to the direction or magnitude of any effect that the transactions described above may have on the price of the Units. In addition, neither the Manager, the Over-allotment Option Provider nor the Stabilising Manager makes any representation that the Stabilising Manager will engage in such transactions, or that such transactions once commenced, will not be discontinued without notice (unless such notice is required by law).

3.4.5 Minimum subscription level

There is no minimum subscription level in terms of the cash to be raised from the Offering.

However, in order to comply with the Public Spread Requirement under the Listing Requirements, the minimum subscription level in terms of the number of Offer Units will be the number of Units required to be held by the public Unitholders to comply with the Public Spread Requirement.

Under paragraph 3.06 of the Listing Requirements, IOIPG REIT is required to have at least 25.0% of the total number of Units in issue to be held by 1,000 public Unitholders, each holding not less than 100 Units at the point of the Listing.

If the Offering is not completed and/or the Manager and the Sponsor decide in its absolute discretion not to proceed with the Listing, monies paid in respect of any application for the Offer Units will be returned to the applicants without interest. For the risk on failure in Listing, please refer to **Section 5.5.14** "Failure in the Listing will result in refund monies without interest" of this Prospectus.

3.5 IRREVOCABLE UNDERTAKING

On 14 September 2026, the Sponsor had procured an irrevocable written undertaking from VCSB to apply and subscribe:

(i) in full for VCSB's Entitlement; and

(ii) by way of the Excess Restricted Offer Units Application, the higher of:

(a) 94,504,081 Restricted Offer Units; or

(b) such number of Restricted Offer Units equivalent to (aa) the total 550,614,537 Restricted Offer Units less (bb) the aggregate number of Restricted Offer Units subscribed for by VCSB under the VCSB's Entitlement and by the other Entitled IOIPG Shareholders, subject to the basis of allocation as set out in **Section 3.4.3(vi)** of this Prospectus, and

in accordance with the terms and conditions of this Prospectus.

For illustrative purposes, based on the 3,616,063,741 IOIPG Shares held by VCSB as at the LPD, the undertaking by VCSB shall entail subscription for the Restricted Offer Units as follows:

	No. of Offer Units	**% of total Units**
VCSB's entitlement based on its shareholding in IOIPG as at the LPD	361,606,374	6.6%
By way of Excess Restricted Offer Units Application	Up to 189,008,163	Up to 3.4%

Accordingly, VCSB has confirmed that it has sufficient financial resources to subscribe for the Restricted Offer Units pursuant to its undertaking.

For illustrative purposes, the direct unitholding of VCSB in IOIPG REIT upon completion of the Listing is set out below:

	Scenario I:		**Scenario II:**	
	Assuming all the Restricted Offer Units are fully subscribed by the Entitled IOIPG Shareholders		**Assuming none of the Entitled IOIPG Shareholders subscribe for the Restricted Offer Units**	
	No. of Units	**% of total Units**	**No. of Units**	**% of total Units**
VCSB	361,606,374	6.6%	550,614,537	10.0%

Please refer to **Section 6.11** of this Prospectus for further details.

3.6 INDICATIVE TIMETABLE

An indicative timetable for the Offering is set out below:

Listing of IOIPG REIT on the Main Market	25 November 2026

The applications for Offer Units will open and close at the times and dates stated above. If there is any material change to this timetable, it will be announced by way of advertisement in a widely circulated Bahasa Malaysia and English newspaper within Malaysia and an announcement will be made on the website of Bursa Securities.

3.7 BASIS OF DETERMINING THE PRICE OF THE OFFER UNITS

3.7.1 Retail Price

The Retail Price of RM0.96 per Offer Unit was determined and agreed upon by the Manager and the Sponsor in consultation with the Joint Principal Advisers, the Joint Global Coordinators, the Joint Bookrunners, the Joint Managing Underwriters and the Joint Underwriters after taking into consideration the following factors:

(i) the financial performance of the Subject Properties;

(ii) the pro forma NAV per Unit upon Listing of approximately RM0.91;

(iii) the projected distribution yields of IOIPG REIT;

(iv) the future prospects of IOIPG REIT; and

(v) the prevailing capital and property market conditions and sentiments.

The Final Retail Price will be determined after the Institutional Price is fixed on the Price Determination Date and will be equal to the lower of:

(i) the Retail Price of RM0.96 per Offer Unit; or

(ii) the Institutional Price,

subject to rounding to the nearest sen.

In the event that the Final Retail Price is lower than the Retail Price, the difference between the Retail Price and the Final Retail Price will be refunded to the successful applicants, without any interest. Further details on the refund mechanism are set out in **Section 3.7.3** "Refund mechanism" of this Prospectus.

The Final Retail Price will not, in any event, be higher than the Retail Price of RM0.96 per Offer Unit.

The Final Retail Price and the Institutional Price are expected to be announced within 2 Market Days from the Price Determination Date via Bursa Listing Information Network. In addition, all successful applicants will be given notice of the Final Retail Price and the Institutional Price as well as the notices of allotment.

Applicants should also note that the market price of the Units upon Listing is subject to the vagaries of market forces and other uncertainties which may affect the price of the Units.

3.7.2 Institutional Price

The Institutional Price will be determined by a bookbuilding process wherein prospective institutional investors and selected investors will be invited to bid for portions of the Institutional Offering by specifying the number of Offer Units that they would be prepared to acquire and the price that they would be prepared to pay for the Offer Units in respect of the Institutional Offering. This bookbuilding process is expected to start on 3 November 2026 and will end on 10 November 2026 or such other dates as the Manager, the Sponsor, the Joint Global Coordinators and the Joint Bookrunners may decide at their absolute discretion. Upon completion of the bookbuilding process, the Institutional Price will be fixed via agreement between the Manager, the Sponsor, the Joint Global Coordinators and the Joint Bookrunners on the Price Determination Date.

3.7.3 Refund mechanism

If the Final Retail Price is lower than the Retail Price, the difference between the Retail Price and Final Retail Price will be refunded to the successful applicants without any interest thereon. The refund will be made:

(i) in the form of cheques will be despatched by ordinary post to the address maintained with Bursa Depository for applications made via the Application Form; or

(ii) by crediting into the accounts of the successful applicants with the Participating Financial Institution for applications made via the Electronic Share Application or the Internet Participating Financial Institution for applications made via the Internet Share Application, within 10 Market Days from the date of final ballot applications, at the successful applicants' own risk.

3.7.4 Expected market capitalisation

Based on an indicative Retail Price of RM0.96 per Offer Unit and the listing of 5,500,000,000 Units, the market capitalisation of IOIPG REIT upon Listing is RM5,280,000,000.

3.8 LISTING SCHEME

In conjunction with, and as an integral part of the Listing, the Manager undertook the listing scheme, as follows:

3.8.1 Acquisitions

On 14 September 2026, the Trustee, on behalf of IOIPG REIT, entered into the SPAs with the Vendors, for the Acquisitions for a total purchase consideration of approximately RM7.58 billion. The breakdown of the Acquisitions and the mode of settlement for each of the Subject Properties are as follows:

			Mode of settlement		
Subject Properties	**Vendors**	**Purchase consideration**	**Consideration Units[(1)(2)]**		**Cash Consideration**
		(RM'000)	**(RM'000)**	**'000**	**(RM'000)**
Retail Property					
IOI City Mall	ICMSB & ICPSB	5,100,000	3,315,000	3,702,294	1,785,000
Hotel Properties					
Putrajaya Marriott Hotel	RVDSB	256,000	166,400	185,841	89,600
Le Méridien Putrajaya	ICHSB	343,000	222,950	248,997	120,050
Moxy Putrajaya	ICHSB	214,000	139,100	155,351	74,900
Four Points by Sheraton Puchong	IBHSB	128,000	83,200	92,920	44,800
W Kuala Lumpur	IBHSB & FDSB	391,000	253,100	282,670	137,900
Courtyard by Marriott Penang	IBHSB	166,000	107,900	120,506	58,100

Total		**7,578,000**	**4,924,650**	**5,500,000**	**2,653,350**

Notes:

(1) The issue price for the Consideration Units is approximately RM0.8954 per Consideration Unit. The expected market capitalisation of IOIPG REIT is RM5,280,000,000 based on the Retail Price of RM0.96 per Offer Unit and the listing of 5,500,000,000 Units.

(2) The respective Vendors will nominate IOIPG to receive all the cash and the new Units to be issued to the respective Vendors pursuant to the Acquisitions.

The total purchase consideration for the Acquisitions of approximately RM7.58 billion was benchmarked against the appraised value of the Subject Properties as at 31 October 2025 of approximately RM7.58 billion and further assessed against the updated appraised value as at 31 May 2026 of approximately RM7.66 billion. Following the valuation update, a downward adjustment was made to the purchase consideration of Courtyard by Marriott Penang to reflect its lower fair value and a corresponding upward adjustment was made on the purchase consideration of Moxy Putrajaya, with the net effect being the aggregate purchase consideration for all Subject Properties remained unchanged at approximately RM7.58 billion. Please refer to **Section 2.5** and **Appendix A** of this Prospectus for further details on the Appraised Value.

The total purchase consideration for the Acquisitions of approximately RM7.58 billion will be satisfied through:

(i) the issuance of 5,500,000,000 Consideration Units at an issue price of approximately RM0.8954 per Consideration Unit, to be credited as fully paid-up; and

(ii) cash consideration of approximately RM2.65 billion, to be funded from the issuance of Sukuk under the Sukuk Programme.

IOIPG REIT will acquire the Subject Properties in accordance with the terms of the SPAs. As at the date of this Prospectus, the Acquisitions are still pending completion. For further details of the SPAs, please refer to **Section 14.3** "Salient Terms of the SPAs" of this Prospectus.

Note that if the SPAs are not completed in accordance with the terms therein contained, there will be no Acquisitions by IOIPG REIT and the Listing will not proceed and IOIPG REIT will be unwound. In the event Units have been allotted, the Unitholders who were allotted Units under the Offering will only receive their monies following the completion of the winding up of IOIPG REIT in accordance with the terms of the Deed.

3.9 REIT FINANCING

IOIPG REIT Capital Sdn Bhd ("**IOIPG REIT Capital**" or the "**Issuer**") is a special purpose vehicle wholly-owned by the Trustee, on behalf of IOIPG REIT, assuming the role of the Issuer for the purpose of undertaking the Sukuk Programme with a programme limit of up to RM5.0 billion in nominal value to raise financing for and on behalf of IOIPG REIT.

The Sukuk Programme and the relevant documents and information thereto have been lodged on 9 October 2026 with the SC pursuant to the SC's Guidelines on Unlisted Capital Market Products under the Lodge and Launch Framework.

On 9 October 2026, IOIPG REIT Capital has entered into a programme agreement with Maybank IB and AmInvestment Bank in relation to the establishment of the Sukuk Programme. The Sukuk Programme shall have a perpetual tenure and may entail multiple issuances of rated and/or unrated Sukuk ("**Tranche(s)**"). The proceeds from issuance under the Sukuk Programme shall be utilised for the following purposes:

(i) to advance to IOIPG REIT (vide the Trustee) pursuant to Shariah-compliant financing arrangement(s) to be entered into between the Issuer, the Trustee and Malaysian Trustees Berhad (Registration No. 197501000080 (21666-V) ("**REIT Trustee Financing Agreement**") for the following purposes:

   (a) financing or part financing the investment activities (including asset enhancement and the related acquisitions and financing expenses) of the Shariah-compliant business of IOIPG REIT; and/or

   (b) refinancing of existing borrowings and Shariah-compliant financing facilities and/or future Shariah-compliant financing facilities (whether wholly or in part) of IOIPG REIT (whether directly or through its subsidiaries);

(ii) to refinance maturing Sukuk;

(iii) to fund the designated accounts (if applicable) and the Sukuk trustee's reimbursement account; and/or

(iv) to defray fees and expenses in relation to the Sukuk Programme.

The details of the Sukuk to be issued under the First Tranche shall be as follows:

Series	Tenure (years)	Issue size (RM'million)	Profit rate (per annum)
1	3	798.0	KLIBOR + 0.75%
2	4	798.0	KLIBOR + 0.75%
3	5	1,064.0	KLIBOR + 0.75%
Total		**2,660.0**	

"***KLIBOR***" refers to the 1-month rate of the Kuala Lumpur Interbank Offered Rate. As at the LPD, the 1-month KLIBOR is 3.02% per annum.

The Sukuk to be issued under the First Tranche are to be secured against, among others, the following:

(i) where the IOI City Mall (Phase 1 and 2) and IOI City Mall Car Parks (collectively, the "**First Tranche Secured Property**") is without any issue document(s) of title/strata title(s), a third party first ranking legal assignment in favour of the security trustee of the Sukuk Programme ("**Security Trustee**") over all of the Trustee's present and future rights, title and interests under the relevant sale and purchase agreements relating to the acquisition of the First Tranche Secured Property, including all movable assets comprised therein. Upon the issuance of the relevant issue document(s) of title/strata title(s), a third party first ranking legal land charge in favour of the Security Trustee over the First Tranche Secured Property;

(ii) a third party first ranking legal assignment by the Trustee in favour of the Security Trustee over all the Trustee's rights, titles, interests and benefits in and under all takaful/insurance policies required to be taken up for the First Tranche Secured Property; and

(iii) a third party specific debenture by the Trustee in favour of the Security Trustee creating a fixed charge over all movable and immovable assets comprised in and forming part of the property to be acquired under the relevant sale and purchase agreements relating to the First Tranche Secured Property, including all equipment and machineries and fixtures and fittings comprised therein. For the avoidance of doubt, such specific debenture would not include a charge over any receivables or accounts related to the First Tranche Secured Property.

The Sukuk to be issued under subsequent Tranche(s) may be on secured and/or unsecured basis and if secured, the security arrangement for such secured Sukuk shall be determined prior to each relevant issue date.

The mode of issuance of the Sukuk shall be by way of private/ direct placement, bought deal or bookbuilding on best effort basis.

3.10 UTILISATION OF PROCEEDS

As IOIPG REIT will not be issuing any new Units under the Offering, IOIPG REIT will not receive any proceeds from the Offering.

The gross proceeds from the Offering of up to approximately RM2.43 billion, computed based on the Retail Price of RM0.96 per Unit and assuming the Over-allotment Option is exercised in full, will accrue entirely to the Sponsor.

The estimated fees, which includes the directly attributable expenses incurred in relation to the Listing and the issuance of the Units, to be borne by IOIPG REIT are approximately RM4.0 million. Set out below are the expenses which will be funded by internally generated funds of IOIPG REIT generated from the operations of the Subject Properties:

Description of expenses	RM'000
Professional and advisory fees	4,035

3.11 BROKERAGE, UNDERWRITING COMMISSION, PLACEMENT FEE AND OTHER FEES AND CHARGES

3.11.1 Brokerage

The Sponsor will bear brokerage relating to the Offer Units made available for application under the Retail Offering at the rate of 1.0% (exclusive of applicable tax) of the Retail Price in respect of successful applications which bear the stamp of either the participating organisations of Bursa Securities, members of the Association of Banks in Malaysia, members of the Malaysian Investment Banking Association and/or the Issuing House.

The Joint Global Coordinators and the Joint Bookrunners are entitled to charge brokerage commission to successful applicants under the Institutional Offering. For the avoidance of doubt, the brokerage commission under the Institutional Offering will not be payable by IOIPG REIT or the Sponsor.

3.11.2 Underwriting commission

As stipulated in the Underwriting Agreement, the Joint Managing Underwriters and Joint Underwriters have agreed to underwrite the Offer Units made available for application under the Public Offering and Restricted Pink Form Offering for an underwriting commission of up to 1.0% (exclusive of applicable tax) of the amount equal to the Retail Price multiplied by 165,000,000 Offer Units underwritten under the Public Offering and Restricted Pink Form Offering in accordance with the terms of the Underwriting Agreement.

The salient terms of the Underwriting Agreement are set out in **Section 3.12** of this Prospectus.

3.11.3 Placement fee

Pursuant to the Placement Agreement to be entered into by the relevant parties, the Sponsor agrees to pay the Joint Bookrunners for the Institutional Offering, a placement fee of 1.0% (exclusive of applicable tax) of the amount equal to the gross proceeds raised under the Institutional Offering, being the number of Offer Units under the Institutional Offering at the Institutional Price, subject to the Clawback and Reallocation as well as the Over-allotment Option.

3.11.4 Fees and charges payable directly by Unitholders

The following is a summary of the amount of certain fees and charges payable by the Unitholders in connection with the purchase, sale and holding of their investments in IOIPG REIT or trading of the Units (so long as the Units are listed):

	Payable by Unitholders directly	Amount payable
(i)	Bursa Securities clearing fee	0.03% of the transaction value, subject to a maximum of RM1,000.00 per transaction
(ii)	Brokerage	A percentage of the transaction value prescribed by or negotiated with the ADAs, subject to a minimum of RM40.00 per transaction save for (i) online routed retail transactions, (ii) transactions executed in less than a board lot, and (iii) transactions paid with cash up front, for which the minimum brokerage fees are fully negotiable
(iii)	Stamp duty	RM1.00 for every RM1,000.00 or fractional part of the transaction value, subject to a maximum of RM200.00 per transaction

The above rates may be subject to changes by the relevant parties. Further information on the charges you may incur from the trading of Units on Bursa Securities may be found on Bursa Securities' website at www.bursamalaysia.com.

3.12 UNDERWRITING AGREEMENT

Subject to the terms and conditions contained in the Underwriting Agreement, the Joint Underwriters agree to underwrite 165,000,000 Offer Units under the Public Offering and Restricted Pink Form Offering, of which the Joint Managing Underwriters shall underwrite 66,000,000 Offer Units each and the Joint Underwriters shall underwrite 8,250,000 Offer Units each, subject to the Clawback and Reallocation.

The following is an extract of the salient terms contained in the Underwriting Agreement:

Notwithstanding anything contained in the Underwriting Agreement, the Joint Managing Underwriters (for and on behalf of the Joint Underwriters), may by notice in writing to the Sponsor, the Manager and the Trustee given at any time before the date of Listing, terminate, cancel and withdraw its underwriting commitment if in the reasonable opinion of the Joint Managing Underwriters:

(i) there is any breach or failure on the part of the Manager, the Trustee or the Sponsor to perform any obligations contained in the Underwriting Agreement;

(ii) there is an occurrence of any event or discovery of any fact or circumstances rendering any of the warranties set out in the Underwriting Agreement untrue, inaccurate, incorrect or misleading in any aspect or ceases to be true, accurate and correct or becomes misleading, in any respect or any of the undertakings made by the Manager, the Trustee and/or the Sponsor under the Underwriting Agreement not complied with, breached and/or failed to be performed in any respect;

(iii) the Manager, the Trustee and/or the Sponsor withholds any information from the Joint Managing Underwriters and the Joint Underwriters, which results in any event, development or occurrence, or series of events, developments or occurrences, which, in the sole opinion of the Joint Managing Underwriters, have or could be expected to have a material adverse effect (including any prospective material adverse effect), whether individually or in the aggregate, and whether or not arising in the ordinary course of business, in or affecting any of the following (i) the condition (financial, business, operations, legal or otherwise), contractual commitments, management, general affairs, business, operations, assets, liquidity, liabilities, prospects, earnings, undertakings, unitholders' equity, properties or results of operations of IOIPG REIT or the Subject Properties; (ii) the ability of the Manager, the Trustee or the Sponsor to perform in any respect its obligations under or with respect to, or to consummate the transactions contemplated by the Prospectus, the Application Forms, the Underwriting Agreement, the Placement Agreement, the Unit Lending Agreement and each lock-up agreement (collectively, "**Transaction Agreements**"); or (iii) the Offering including but not limited to the success of the Offering or the sale of the Offer Units pursuant to the Offering or the success of the Listing ("**Material Adverse Effect**");

(iv) there shall have occurred, happened or come into effect any event or series of events beyond the reasonable control of the Joint Managing Underwriters and the Joint Underwriters by reason of Force Majeure (as defined herein) which would have a Material Adverse Effect or which would have or is likely to have the effect of making any obligation under the Underwriting Agreement incapable of performance in accordance with its terms. "**Force Majeure**" means any local, national or international causes or events which are unpredictable and beyond the reasonable control of the party claiming Force Majeure which could not have been avoided or prevented by reasonable foresight, planning and implementation including but not limited to:

(a) war, acts of warfare, sabotages, hostilities, invasion, incursion by armed force, act of a hostile army, nation or enemy, civil war or commotion, hijacking, terrorism (in all cases, whether war has been declared or not);

(b) riot, uprising against constituted authority, civil commotion, disorder, rebellion, organised armed resistance to the government, insurrection, revolt, military takeover or usurped power;

(c) natural catastrophe including but not limited to earthquakes, floods, fire, storm, lightning, tempest, explosions, accident, or other acts of God; or

(d) any local, national or international occurrence or outbreak of disease, or pandemic (apart from the current state of the COVID-19 endemic as at the date of the Underwriting Agreement), epidemic, the imposition of lockdowns or similar measures to control the spread of any epidemic, any outbreak or material escalation of hostilities or national emergency, whether war has been declared or not, or insurrection or armed conflict or terrorist event (whether or not involving financial markets), the occurrence of any other calamity or crisis or emergency or any event or series of events in the nature of force majeure, or deterioration of any such condition;

(v) there shall have occurred any government requisition that affects, among others, the operation of the Subject Properties or other events whatsoever which would have a Material Adverse Effect;

(vi) there shall have occurred any change in national or international monetary, financial and capital markets (including stock market conditions and interest rates), political or economic conditions or exchange control or currency exchange rates which would have or likely to have a Material Adverse Effect, or would have or is likely to have a material adverse effect (whether in the primary market or in respect of dealings in the secondary market) on the value or price of the Offer Units. For the avoidance of doubt, and without prejudice to the foregoing, if the FTSE Bursa Malaysia KLCI ("**Index**") is, at the close of normal trading on Bursa Securities, on any Market Day:

(a) on or after the date of the Underwriting Agreement; and

(b) prior to the closing date of the Retail Offering,

lower than 90% of the level of the Index at the last close of normal trading on Bursa Securities on the Market Day immediately prior to the date of the Underwriting Agreement and remains at or below that level for at least 3 consecutive Market Days, it shall be deemed a material adverse change in the stock market condition;

(vii) trading in units, shares or securities generally on Bursa Securities, the Singapore Exchange Securities Trading Limited, the Hong Kong Stock Exchange, National Association of Securities Dealers Automated Quotations ("**Nasdaq**"), the New York Stock Exchange or the London Stock Exchange, has been restricted, limited or suspended or minimum prices have been established on Bursa Securities, the Singapore Exchange Securities Trading Limited, the Hong Kong Stock Exchange, Nasdaq, the New York Stock Exchange, the London Stock Exchange, or a devaluation of RM against any foreign currencies;

(viii) any moratorium, suspension or restriction (including, without limitation, any imposition of or requirement for any minimum or maximum price limit or price range) in or on trading in any securities of IOIPG REIT or of any affiliate of IOIPG REIT listed or quoted on a stock exchange or an over-the-counter market;

(ix) there shall have been announced or carried into force any new law or change in law in any jurisdiction, interpretation or application by any court or the relevant authority including any administrative, governmental, statutory or regulatory commission, board, body, authority or agency, and any stock exchange, self-regulatory organisation, accreditation organisation or other non-governmental regulatory authority (including but not limited to the SC, Bursa Securities and the Companies Commission of Malaysia), and any court, tribunal or arbitrator, in each case in Malaysia or any other jurisdiction, and whether national, central, federal, provincial, state, regional, municipal, local, domestic, foreign, supranational or otherwise ("**Authorities**") which may: (i) have a Material Adverse Effect; or (ii) in the sole and reasonable opinion of the Joint Managing Underwriters, prejudice the success of the Offering or the Listing or which would have or is likely to have the effect of making it impracticable to enforce contracts to allot and/or transfer the Offer Units or making any obligation under the Underwriting Agreement incapable of performance in accordance with its terms;

(x) the Offering is stopped or delayed by the Manager, the Trustee and/or the Sponsor or any relevant Authorities for any reason whatsoever (unless such delay has been approved by the Joint Managing Underwriters);

(xi) the closing date of the Retail Offering does not occur by 10 November 2026 or such other extended date as may be agreed in writing by the Joint Managing Underwriters;

(xii) the Listing does not take place by 9 December 2026 or such other extended date as may be agreed in writing by the Joint Managing Underwriters;

(xiii) any commencement of legal proceedings, formal investigations, enquiries or action against the Manager, the Trustee or the Sponsor or any of their directors or associates, which causes, or is likely to give rise to, a Material Adverse Effect or make it impracticable to market the Offering or to enforce contracts to allot and /or transfer the Offer Units;

(xiv) any breach of any of the obligations of the Manager, the Trustee or the Sponsor under any one of the Transaction Agreements which has a Material Adverse Effect;

(xv) any one of the Transaction Agreements (i) having been terminated or rescinded in accordance with its terms thereof; (ii) ceases to have any effect whatsoever, or (iii) is varied or supplemented upon its terms and such variation or supplementation would have a Material Adverse Effect;

(xvi) any of the board resolutions and to the extent applicable, shareholders' resolutions of each of the Manager, the Trustee and the Sponsor, to the extent applicable, in respect of the Offering, Listing, its execution of the Transaction Agreements and other approvals pertaining to the Offering and Listing, is revoked, withdrawn, suspended or ceases to have any effect whatsoever, or is varied or supplemented upon terms which would have a Material Adverse Effect;

(xvii) in the event the Offering or Listing is withdrawn, revoked, modified or varied or not procured or procured but subject to conditions not acceptable to the Joint Managing Underwriters or conditions for the Listing (if any) have not been fulfilled to the satisfaction of the relevant Authorities or waived by it;

(xviii) if the SC or any other relevant Authority issues an order or ruling pursuant to Malaysian law, or a prohibition on any of the Manager, the Trustee and the Sponsor has been imposed for whatever reason, such as to make it impracticable to market the Offering or to enforce contracts to issue, allot, sell and/or transfer the Offer Units;

(xix) any statements contained in this Prospectus and the Application Forms has become or been discovered to be untrue, incorrect, incomplete, inaccurate or misleading in any respect, or matters have arisen or have been discovered which would, if this Prospectus or the Application Forms were to be issued at that time, constitute an omission to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(xx) there is a change or development in laws on taxation, foreign investment or currency exchange control in Malaysia (including, without limitation, a devaluation of the RM against any foreign currencies) or an announcement of such change or development which would have a Material Adverse Effect;

(xxi) a banking moratorium has been declared by the relevant Authorities in Malaysia, Singapore, Hong Kong, United States, the European Union (or any member thereof) or the United Kingdom, or a disruption of commercial banking activities, foreign exchange trading or securities settlement or clearance services has occurred in Malaysia, Singapore, Hong Kong, United States, the European Union (or any member thereof) or the United Kingdom;

(xxii) the conditional SPAs shall have been terminated or rescinded in accordance with the terms thereof; and

(xxiii) any other event (whether or not permanent) which has or is reasonably likely to have a Material Adverse Effect, the effect of which, in the sole and reasonable opinion of the Joint Managing Underwriters, is likely to prejudice the issue, offer, sale and delivery of the Offer Units on the terms and in the manner contemplated in this Prospectus or the Application Forms, or the completion of the Offering.

3.13 PLACEMENT AGREEMENT

The Manager, the Sponsor and the Trustee will be requested to give various representations, warranties and undertakings, and to indemnify the Joint Global Coordinators and the Joint Bookrunners against certain liabilities in connection with the Offering. The terms of the Placement Agreement are subject to negotiations and may include termination events that are different from those under the Underwriting Agreement.

3.14 LOCK-UP ARRANGEMENT

The following is an extract of the salient terms contained in each of the following lock-up agreements:

(i) The Manager has agreed with the Joint Bookrunners that for a period beginning on and including the date of the lock-up agreement and ending on and including the date that is 6 months after the date of the Listing (the "**Lock-Up Period**"), the Manager will not, without the prior written consent of the Joint Bookrunners, directly or indirectly, conditionally or unconditionally:

(a) issue, allot, offer, pledge, mortgage, charge, subscribe for, sell, offer to sell, contract or agree to sell, assign, issue or sell or grant or agree to grant any option, right, warrant or contract to purchase or create security over, purchase any option or contract to sell, hypothecate or create any encumbrance over, lend or otherwise transfer or dispose of, or agree to transfer or dispose of, directly or indirectly, conditionally or unconditionally, any legal or beneficial interest in or in respect of any Units (or any securities convertible into or exercisable or exchangeable for Units or any securities which carry the rights to subscribe for or purchase any such Units or contracting to do so or any securities substantially similar to the Units), that are now owned or hereafter acquired by the Manager or with respect to which the Manager has or hereafter acquires the power of disposition;

(b) enter into any swap, hedge, derivative or any other arrangement, agreement or transaction that transfers to another, in whole or in part, directly or indirectly, any of the economic consequences of or incidents of ownership of the Units (or any securities convertible into or exercisable or exchangeable for or repayable with any such Units or which carry the rights to subscribe for or purchase or represent the right to receive or that are substantially similar to any such Units), whether any such swap, hedge or transaction described in **Section 3.14(i)(a)** or **Section 3.14(i)(b)** is to be settled by the delivery of any Units or such other securities, in cash or otherwise;

(c) deposit any Units (or any securities convertible into or exchangeable for, or which carry the rights to subscribe or purchase or that represent the right to receive or are substantially similar to, the Units) in any depository receipt facilities whether such transaction described in **Section 3.14(i)(a)** and **Section 3.14(i)(b)** is to be settled by the delivery of any Units or such other securities, in cash or otherwise;

(d) save for any stabilising action as contemplated by the Underwriting Agreement and the Placement Agreement and required under the applicable laws, take any action which is designed to or which constitutes or which would reasonably be expected to cause or result in stabilisation or manipulation of the price of the Units;

(e) enter into or effect any transaction which is designed or which may reasonably be expected to result in or with the same economic effect as any transactions or actions described in **Section 3.14(i)(a)** to **Section 3.14(i)(d);** or

(f) save as required by applicable laws, regulation, or any competent regulatory authority or court proviso, do or announce any intention to do any of the above or an offering or sale of any Units (or any other securities exercisable or exchangeable for or convertible into or that represent the right to receive, or are substantially similar to, such Units (or any interest therein or in respect thereof)).

The restrictions in Section 3.14(i) shall not apply to:

(1) the Units to be issued, offered, transferred and sold under the Offering (including the exercise of the Over-allotment Option);

(2) the Consideration Units;

(3) the Units to be issued to the Manager for payment of any Management Fees; and

(4) the transfer, sale or disposal of the Units to a custodian, trustee, wholly-owned subsidiary or nominee ("**Permitted Transferee**") of the Manager provided that the Manager shall notify the Joint Bookrunners prior to any such transfer, sale or disposal and procures that the Permitted Transferee of the Manager executes and delivers to the Joint Bookrunners a written undertaking to the effect that the Permitted Transferee of the Manager recognises and will comply with the restrictions set forth in the lock-up agreement to remain in effect for the remainder of the Lock-Up Period and if at any time prior to the expiration of such restrictions on transfer, any Permitted Transferee of the Manager that is a wholly-owned subsidiary will cease to be a wholly-owned subsidiary of the Manager, such wholly-owned subsidiary shall, before such cessation, transfer any Units held by it to the Manager or another Permitted Transferee of the Manager which has delivered a written undertaking to the effect that it recognises and will comply with the restrictions set forth in the lock-up agreement to remain in effect for the remainder of the Lock-Up Period.

(ii) The Sponsor has agreed with the Joint Bookrunners that for the Lock-Up Period, the Sponsor will not, without the prior written consent of the Joint Bookrunners, directly or indirectly, conditionally or unconditionally:

(a) offer, pledge, mortgage, charge, subscribe for, sell, assign, offer to sell, assign, contract or agree to sell, assign, sell or grant or agree to grant any option, right, warrant or contract to purchase or create security over, purchase any option, right, warrant, or contract to sell, grant security over, subscribe for, hypothecate or create any encumbrance over, lend or otherwise transfer or dispose of, or agree to transfer or dispose of, directly or indirectly, conditionally or unconditionally, any legal or beneficial interest in or in respect of any Units (or any securities convertible into or exercisable or exchangeable for Units or any securities which carry the rights to subscribe for or purchase any such Units or contracting to do so or any securities substantially similar to the Units), that are now owned or hereafter acquired by the Sponsor or with respect to which the Sponsor has or hereafter acquires the power of disposition;

(b) enter into any swap, hedge, derivative or any other arrangement, agreement or transaction that transfers to another, in whole or in part, directly or indirectly, any of the economic consequences of or incidents of ownership of the Units (or any securities convertible into or exercisable or exchangeable for or repayable with any such Units or which carry the rights to subscribe for or purchase or represent the right to receive or that are substantially similar to any such Units), whether any such swap, hedge or transaction described in **Section 3.14(ii)(a)** or **Section 3.14(ii)(b)** is to be settled by the delivery of any Units or such other securities, in cash or otherwise;

(c) deposit any Units (or any securities convertible into or exchangeable for, or which carry the rights to subscribe or purchase or that represent the right to receive or are substantially similar to, the Units) in any depository receipt facilities whether such transaction described in **Section 3.14(ii)(a)** and **Section 3.14(ii)(b)** is to be settled by the delivery of any Units or such other securities, in cash or otherwise;

(d) save for any stabilising action as contemplated by the Underwriting Agreement and the Placement Agreement and required under the applicable laws, take any action which is designed to or which constitutes or which would reasonably be expected to cause or result in stabilisation or manipulation of the price of the Units;

(e) enter into or effect any transaction which is designed or which may reasonably be expected to result in or with the same economic effect as any transactions or actions described in **Section 3.14(ii)(a)** to **Section 3.14(ii)(d)**; or

(f) save as required by applicable laws, regulation, or any competent regulatory authority or court proviso, do or announce any intention to do any of the above or an offering or sale of any Units (or any other securities exercisable or exchangeable for or convertible into or that represent the right to receive, or are substantially similar to, such Units (or any interest therein or in respect thereof)).

The restrictions in **Section 3.14(ii)** shall not apply to (1) the Units to be sold and/or transferred under the Offering (including the exercise of the Over-allotment Option) and (2) the transfer, sale or disposal of the Units to a Permitted Transferee of the Sponsor provided that the Sponsor shall notify the Joint Bookrunners prior to any such transfer, sale or disposal and procures that the Permitted Transferee of the Sponsor executes and delivers to the Joint Bookrunners a written undertaking to the effect that the Permitted Transferee of the Sponsor recognises and will comply with the restrictions set forth in the lock-up agreement to remain in effect for the remainder of the Lock-Up Period and if at any time prior to the expiration of such restrictions on transfer, any Permitted Transferee of the Sponsor that is a wholly-owned subsidiary will cease to be a wholly-owned subsidiary of the Sponsor, such wholly-owned subsidiary shall, before such cessation, transfer any Units held by it to the Sponsor or another Permitted Transferee of the Sponsor which has delivered a written undertaking to the effect that it recognises and will comply with the restrictions set forth in the lock-up agreement to remain in effect for the remainder of the Lock-Up Period.

3.15 TRADING AND SETTLEMENT IN THE SECONDARY MARKET

Upon the Listing, the Units will be traded through Bursa Securities and settled by book-entry settlement through the CDS, which is operated by Bursa Depository. This will be effected in accordance with the Rules of Bursa Depository and the provisions of the SICDA. Accordingly, no unit certificates will be delivered to subscribers or purchasers of the Units.

Unitholders are required under the Rules of Bursa Depository to maintain CDS Accounts, either directly in their name or through authorised nominees. Persons whose names appear in the Record of Depositors maintained by Bursa Depository will be treated as Unitholders in respect of the number of Units credited to their respective securities accounts.

Transfer of Units under the book-entry settlement will be reflected by the seller's CDS Account being debited with the number of Units sold and the buyer's CDS Account being credited with the number of Units acquired. No transfer stamp duty is currently payable for the Units that are settled on a book-entry basis, although there is a nominal transfer fee of RM10.00 payable for each transfer not transacted on the market.

Dealings in units of REITs listed on the Main Market are normally transacted in "board lots" of 100 units. Investors who desire to deal in less than 100 units of a listed REIT occasionally experience delays in effecting such transaction.

It is expected that the Units offered under the Offering will commence trading on the Main Market approximately 11 Market Days after the close of the Institutional Offering. Subscribers of the Units will not be able to sell or otherwise deal in the Units prior to the commencement of trading on the Main Market. Please refer to **Section 5** "Risk Factors" of this Prospectus for further details.

*For the purposes of this **Section 4** "Financial Information", the term "**Group**" as used herein refers to IOIPG REIT and IOIPG REIT Capital Sdn Bhd, a special purpose vehicle wholly owned by the Trustee (on behalf of IOIPG REIT) and established to undertake the Sukuk Programme.*

4.1 PRO FORMA CONSOLIDATED STATEMENTS OF COMPREHENSIVE INCOME

The objective of the Pro Forma Consolidated Statements of Comprehensive Income is to show what the results of operations might have been had the Group existed at an earlier date. However, the Pro Forma Consolidated Statements of Comprehensive Income are not necessarily indicative of the results of operation that would have been attained had the Group actually existed earlier.

The applicable criteria on the basis of which the Board has compiled the Pro Forma Consolidated Statements of Comprehensive Income are specified in Chapter 12 of Part III of the CIS Prospectus Guidelines.

The Pro Forma Consolidated Statements of Comprehensive Income for the FYE 2023, FYE 2024 and FYE 2025 have been prepared based on the financial information extracted from the Vendors' audited financial statements for the FYE 2023, FYE 2024 and FYE 2025 which are prepared in accordance with the MFRS and the IFRS. The Pro Forma Consolidated Statements of Comprehensive Income for the FPE 31 May 2025 and FPE 31 May 2026 have been prepared based on the unaudited condensed interim financial information as prepared by the Manager based on the accounting policies that are consistent with those adopted in the audited financial statements of the Vendors for the FYE 2025. The Vendors' audited financial statements for the FYE 2023, FYE 2024 and FYE 2025 were not subject to any audit qualification.

Certain numbers have been re-classified or re-presented in this pro forma to conform with the basis of presentation of the Pro Forma Consolidated Statements of Comprehensive Income and may not be consistent with the basis of presentation in the audited financial statements of the Vendors. The Pro Forma Consolidated Statements of Comprehensive Income has been prepared in accordance with MIA's Guidance Note for Issuers of Pro Forma Financial Information, MFRS and IFRS, and in a manner consistent with the format of the financial statements and the accounting policies to be adopted by the Group as set out in **Section 4.4.4** "Material accounting policies" of this Prospectus.

In arriving at the Pro Forma Consolidated Statements of Comprehensive Income, the following key adjustments and assumptions were made:

(i) the acquisition of the Hotel Properties by the Group and the commencement of the Hotel Master Lease Agreements are assumed to have occurred, or to have been effective, on 1 July 2022, unless otherwise stated. Specifically, for:

  (a) Moxy Putrajaya, the relevant Hotel Master Lease Agreement is assumed to have been effective from February 2024 as it was under construction and had only commenced operations then;

  (b) W Kuala Lumpur, the relevant Hotel Master Lease Agreement is assumed to have been effective from February 2024 as the Sponsor had only acquired the hotel then; and

  (c) Courtyard by Marriott Penang, the relevant Hotel Master Lease Agreement is assumed to have been effective from July 2024 as the Sponsor had only acquired the hotel then;

(ii) all revenues from the current operations of the Hotel Properties, as reported in the audited financial statements and unaudited condensed interim financial information of the respective Vendors, are removed and replaced with master lease income recognised in accordance with the arrangements under the Hotel Master Lease Agreements for the relevant applicable periods from the assumed effective dates;

(iii) all expenses relating to the current operations of the Hotel Properties, as reported by the respective Vendors, are excluded and replaced with only those expenses that would be borne by an asset owner under the Hotel Master Lease Agreements, for the relevant applicable periods from the assumed effective dates;

(iv) the gross rental revenue from leisure operations has included Rental Income arising from the lease agreement executed with the Sponsor for the use of four leisure spaces within the Retail Property;

(v) the amounts of businesses and operations that are not related to the Subject Properties being acquired are removed as they do not pertain to the financial performance of IOIPG REIT;

(vi) the fair values of the Retail Property and Office Properties for the FYE 2023, FYE 2024 and FYE 2025 are assumed to be the same as the fair values as disclosed in the Vendors' audited financial statements for those years, based on independent valuations performed by Jones Lang Wootton;

(vii) the fair values of the Retail Property and Office Properties for the FPE 31 May 2025 and FPE 31 May 2026 are assumed to be the same as the fair values as disclosed in the Vendors' unaudited condensed interim financial information for those periods, based on independent valuations performed by Jones Lang Wootton and Knight Frank;

(viii) the fair values of the Hotel Properties for the FYE 2023, FYE 2024, FYE 2025, FPE 31 May 2025 and FPE 31 May 2026 are based on independent valuations performed by Knight Frank for the respective financial periods;

(ix) the Hotel Properties are re-classified as investment properties as it will be held under the Hotel Master Lease Agreements and accounted for at the fair values based on an independent valuation performed by Knight Frank on an "as-is" basis for each of the pro forma periods, except for the FPE 31 May 2026, where the valuation is done assuming the arrangements under the Hotel Master Lease Agreements are in place;

(x) the car park spaces that are shared among some of the Subject Properties are re-classified as investment property and accounted for at the fair values. The fair values of the car park spaces were valued by Jones Lang Wootton for each of the pro forma periods, except for the FPE 31 May 2026, where the valuation was done by Knight Frank. Depreciation, impairment and reversals of impairment previously recognised in the Vendors' financial statements for these assets are derecognised and replaced by fair value movements and the changes in fair value are recognised in the Pro Forma Consolidated Statements of Comprehensive Income. These pro forma classification and measurement effects are assumed to be effective from 1 July 2022;

(xi) under the Property Management Agreement, the Property Manager is entitled to a fixed property management fee of RM25,500 per month, excluding any applicable tax, for the management and operation of the Retail Property and Office Properties. In addition, the Property Manager will be entitled to recover all costs and expenses incurred in the operation, maintenance, management and marketing of the Retail Property and the Office Properties in accordance with the terms of the Property Management Agreement.

To conduct its property management activities, the Property Manager entered into the Service Provider Agreement with the Service Provider for the provision of property management support, information technology services, management services, corporate support services, and ad hoc services. Fees charged by the Service Provider to the Property Manager will thereafter be recovered from the Group for the services provided. Management fees previously charged by subsidiaries of the Sponsor and recorded in the Vendors' audited financial statements have been removed and replaced with the property management fee and reimbursables in accordance with the above.

These adjustments have collectively been classified as "Property management fees and reimbursables" in the Pro Forma Consolidated Statements of Comprehensive Income, and these pro forma classification and measurement effects are assumed to be effective from 1 July 2022;

(xii) the Manager will charge a base fee of 0.3% per annum of the Total Asset Value (assumed to be the fair value of the Subject Properties) of IOIPG REIT (excluding cash and bank balances) and a performance fee of 3.0% per annum of the consolidated NPI;

(xiii) there is no acquisition or divestment fee payable to the Manager;

(xiv) 50% of the Manager's fees were assumed to be paid in cash and the remaining 50% in Units;

(xv) the fee paid to the Trustee (excluding service tax) were based on 0.012% of the Net Asset Value of IOIPG REIT, capped at a maximum of RM700,000 per annum as at the respective pro forma periods as prescribed in this Prospectus and the Deed;

(xvi) the borrowings under the issuance of the Sukuk were assumed to be drawn down prior to the date of establishment of IOIPG REIT and carry an indicative weighted average profit rate of approximately 3.8% per annum throughout the pro forma periods;

(xvii) the portion of total borrowings attributable to each Hotel Property is determined by reference to its fair value as at 31 May 2026 relative to the total fair value of the investment properties, with such borrowings then prorated over the relevant periods; and

(xviii) more than 90.0% of IOIPG REIT's total income are distributed to Unitholders within 2 months after the close of each financial year. Accordingly, IOIPG REIT is exempted from income tax throughout the financial periods illustrated in the Pro Forma Consolidated Statements of Comprehensive Income. Adjustments have been made to reverse the tax expenses/credits recorded in the Vendors' audited financial statements.

The pro forma financial information of the Group presented below should be read in conjunction with **Section 4.4** "Management's Discussion and Analysis of Financial Condition and Results of Operations" of this Prospectus.

Notes:

(1) The determination of the fair value of the investment properties is as described in the key adjustments and assumptions listed above. The fair values of the investment properties are determined based on annual valuation performed by accredited external independent valuer(s). Between the FYE 2023 (taking into account the fair value of the Subject Properties for the FYE 2022) and FPE 31 May 2026, the changes in fair value of the Subject Properties are mainly attributable to:

(i) in respect of the Retail Property, the opening of and higher occupancy at IOI City Mall Phase 2;
(ii) in respect of the Office Properties, improved occupancy rates; and
(iii) in respect of the Hotel Properties, the recovery of the hospitality sector following the COVID-19 pandemic, improved market conditions, and stronger hotel operating performance.

(2) Non-cash items comprise the changes in fair value on investment properties and 50% of the Manager's fees that were assumed to be paid in Units.

4.2 PRO FORMA CONSOLIDATED STATEMENT OF FINANCIAL POSITION

Upon its initial establishment, IOIPG REIT did not have any assets and liabilities. The following table presents the Pro Forma Consolidated Statement of Financial Position, prepared for illustrative purposes only, to show the effects of the Acquisitions on the financial position of the Group based on the assumption that such events had been effected on the date of establishment of IOIPG REIT and are not represented as being necessarily indicative of the Group's view of its future financial position.

The Pro Forma Consolidated Statement of Financial Position was prepared based on the Acquisitions of the Subject Properties from the Vendors by the Trustee (on behalf of IOIPG REIT) for a total purchase consideration of approximately RM7.58 billion to be satisfied in the following manner:

(i) issuance of 5,500,000,000 Consideration Units to IOIPG, being the nominee of the Vendors, to be credited as fully paid-up; and

(ii) cash consideration of approximately RM2.65 billion to be funded from the issuance of Sukuk under the Sukuk Programme,

as set out in **Section 2.1** "Acquisitions by IOIPG REIT" of this Prospectus.

The cash consideration of approximately RM2.65 billion will be funded from the issuance of Sukuk under the Sukuk Programme to be established by IOIPG REIT Capital Sdn Bhd (wholly-owned by the Trustee on behalf of IOIPG REIT) with the primary objective to raise financing for and on behalf of IOIPG REIT.

The purchase consideration for the Subject Properties was arrived at on a willing-buyer willing-seller basis based on the market value of the Subject Properties as at 31 October 2025 as appraised by the Independent Property Valuer in its valuation reports dated 9 April 2026. The valuations of the Subject Properties were carried out using the income approach (by either investment or discounted cash flow methods) and comparison approach.

Following the valuation update, the overall Appraised Value of the Subject Properties increased by RM86.0 million to approximately RM7.66 billion as at 31 May 2026, which resulted in an increase in the pro forma NAV of IOIPG REIT upon its establishment to approximately RM0.91 per Unit. The fair value of the Consideration Units is estimated at RM5.01 billion which was computed after taking into consideration the resultant pro forma NAV of approximately RM0.91 per Unit based on the total issued fund size of 5,500,000,000 Units upon the Listing.

As part of the Acquisitions, the Group will also assume certain liabilities being the tenant deposits payable and rental received in advance and the cash equivalents of these balances based on the respective Vendors' carrying amounts as at 11 September 2026.

The Pro Forma Consolidated Statement of Financial Position should be read in conjunction with the "Reporting Accountants' Report on the Compilation of Pro Forma Consolidated Statement of Financial Position" included in **Appendix D** of this Prospectus.

The Pro Forma Consolidated Statement of Financial Position has been prepared for illustrative purposes in the manner consistent with the format of the financial statements and the accounting policies to be adopted by the Group as set out in **Section 4.4.4** "Material accounting policies" of this Prospectus.

Based on the Pro Forma Consolidated Statement of Financial Position, the Group is expected to have an initial total indebtedness of approximately RM2.65 billion, representing 34.1% of the Total Asset Value of approximately RM7.79 billion.

4.4 MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

4.4.1 General background

IOIPG REIT is a REIT constituted by the Deed and established in Malaysia following the registration of the Deed with the SC on 11 September 2026. As IOIPG REIT is a newly established REIT, it has no historical operating results and financial information based on which recipients of this Prospectus and prospective investors in the Units may evaluate IOIPG REIT save for those of the Subject Properties to be acquired.

IOIPG REIT was established with the principal investment policy of investing, both directly and indirectly, in a diversified portfolio of income producing Real Estate Assets located in Malaysia used for retail, commercial, office, industrial and hospitality purposes and such other Non-Real Estate Assets in Malaysia. IOIPG REIT may also invest in other investments as permissible in the REIT Guidelines or as otherwise permitted by the SC.

Upon Listing, IOIPG REIT will own a portfolio of 9 Subject Properties in Malaysia, consisting of a Retail Property, 6 Hotel Properties and 2 Office Properties in Malaysia, as set out below:

(i) Retail Property

(a) IOI City Mall;

(ii) Hotel Properties

(a) Putrajaya Marriott Hotel;

(b) Le Méridien Putrajaya;

(c) Moxy Putrajaya;

(d) Four Points by Sheraton Puchong;

(e) W Kuala Lumpur; and

(f) Courtyard by Marriott Penang;

(iii) Office Properties

(a) IOI City Towers; and

(b) PFCC Towers.

The investment objective of IOIPG REIT is primarily to provide the Unitholders with regular and stable cash distribution with the potential for long-term growth in NAV per Unit, while maintaining an appropriate capital structure. The Manager intends to seek to achieve the investment objectives of IOIPG REIT through the implementation of the following strategies:

(i) **Proactive and effective asset management strategy** – The Manager will seek organic growth of its property portfolio by working closely with the Property Manager and the Hotel Managers to maintain high occupancy rates and optimise room rates, with a view to achieve stable and sustainable growth in NPI;

(ii) **Acquisition growth strategy** – The Manager will actively seek for opportunities to acquire properties within Malaysia that can generate stable cash flows, with the objective of providing consistent distribution income for the Unitholders. Such acquisition opportunities may include suitable assets to be sourced from third-party vendors and the pipeline of assets under the IOIPG Group, which will be available to IOIPG REIT pursuant to the ROFR. While IOIPG REIT will primarily focus on established and mature markets with proven rental track records, it will also consider emerging markets with growth potential. Furthermore, the Manager will prioritise assets with potential for long-term capital appreciation to enhance the overall value of IOIPG REIT. The Manager will prioritise properties located in urban and suburban areas with good accessibility and a strong demand for office and retail space, hospitality, and potentially industrial segment. Key considerations will include proximity to transportation hubs, residential areas and employment centers; and

(iii) **Capital and risk management strategy** – The Manager aims to optimise IOIPG REIT's capital structure and cost of capital within the financing limits set out in the REIT Guidelines and intends to use a combination of debt and equity financing to fund future acquisitions and capital expenditure.

These strategies will be implemented on an ongoing basis, subject to prevailing market conditions, availability of suitable investment opportunities and compliance with the REIT Guidelines.

IOIPG REIT's initial asset portfolio does not include any Non-Real Estate Assets and the Manager does not intend to invest in any Non-Real Estate Assets within 12 months following the Listing Date. Should there be any investment in Non-Real Estate Assets in future, IOIPG REIT will make relevant announcement(s) on the website of Bursa Securities, setting out, among others, investment strategies, portfolio management approach and risk management strategies in relation to the investment in Non-Real Estate Assets.

Please refer to **Section 1.3** "Strategies" of this Prospectus for further details.

4.4.2 Presentation of financial information

IOIPG REIT is a newly established REIT and has not held any portfolio of real estate since its establishment, other than the Subject Properties to be acquired. Therefore, no historical financial information has been prepared since IOIPG REIT's establishment. The Manager's intention is for IOIPG REIT's first audited financial period to be the period commencing on the date of establishment of IOIPG REIT and ending on 30 June 2027. In order to assist investors' evaluation of the factors which may affect the Group's future financial results, the Manager has prepared the Profit Projection together with the related assumptions and information contained in **Section 4.5.3** "Bases and assumptions" of this Prospectus below which should be read together with the "Reporting Accountants' Report on Prospective Financial Information" in **Appendix E**.

4.4.3 Factors affecting the Group's financial condition and results of operations

General economic and retail, hotel and office properties market conditions

All the Subject Properties are located in Malaysia. Accordingly, the Group's business and financial condition will be affected by, among others, general economic conditions of Malaysia (including the Malaysian real estate market conditions), the supply and demand of retail, hotel and office properties in Malaysia, the financial conditions of tenants of the Subject Properties, the availability of debt or equity financing, interest rates, other operating expenses and environmental law and regulations, other governmental rules and fiscal policies and competition with other property owners for tenants. Please refer to **Appendix B** "Independent Property Market Report" of this Prospectus.

Rental and room rates

The performance of the Group's property portfolio is primarily dependent on the revenue generated from the tenancies of the Subject Properties.

Significant factors affecting Rental Income include rental rates (including any pre-agreed revisions to such rates) and room rates (for the Hotel Properties) that the Subject Properties may command and their Occupancy Rates. Rental rates for leases at the Subject Properties and room rates (for Hotel Properties) are mainly affected by the following:

(i) competing properties within the locality;

(ii) tenancy profiles (which include tenant mix);

(iii) tenure of tenancies;

(iv) size of tenanted area, including proportion of NLA rented by anchor tenants;

(v) location of the tenant's tenanted area;

(vi) sales performance or business conditions of tenants and the Master Lessees;

(vii) in respect of the Retail Property and Hotel Properties, shopper/footfall traffic, customer/guest profile and spending patterns;

(viii) the age and upkeep of the Subject Properties;

(ix) in respect of the Hotel Properties, the cyclical effect and seasonality patterns in tourism arrival numbers throughout the year, city-wide events and conventions and tourism initiatives and destination marketing campaigns such as Visit Malaysia 2026 and Visit Selangor 2026; and

(x) general macroeconomic and supply/demand trends affecting the real estate market, particularly the retail, hotel and office real estate markets in Malaysia.

Occupancy rates, and tenancy expiries and renewals

Occupancy rates of the Subject Properties will depend on, among others, supply/demand trends affecting the retail, hotel and office real estate markets, potential vacancy periods arising from tenancy expiries and/or early terminations, and rental rates of other competing properties within the locality. Please refer to **Section 2.10** "Retail / Hotel / Office Property Competition" of this Prospectus.

In addition, tenancies accounting for approximately 1.7%, 37.7% and 19.6% of the Rental Income of the Retail Property and 2.3%, 24.1% and 33.8% of the Rental Income of the Office Properties as at 31 May 2026 will be due for renewal in the FYE 2026, FYE 2027 and FYE 2028 respectively. The Group's inability to renew or replace expiring tenancies will impact its results of operations.

Rental terms for tenancies in respect of the Retail Property are generally for terms of one year to 3 years, and the landlord may grant the tenant a renewal of the tenancy agreement upon expiry of the initial term, subject to any revision in the rent upon terms to be agreed. On the other hand, tenancy periods for the Office Properties are generally for terms of 3 years, with certain tenants granted an option to renew for a further term of 3 years. The Hotel Master Lease Agreements have a term of 10 years, with an option to renew for another 10 years.

Property operating expenses

Property operating expenses to be borne by the Group primarily consist of utilities, property management fee and reimbursables, maintenance expenses, quit rent and assessment and other operating expenses, which may not necessarily vary in tandem with the Group's Total Revenue, though such expenses are also affected by general economic trends, and to a certain extent, may be recovered from the tenants.

Property operating expenses to be borne by the Group may be affected by a number of factors including, primarily:

(i) age, upkeep and upgrading of the Subject Properties;

(ii) maintenance and service charges levied by the service providers;

(iii) changes in power consumption of the Subject Properties;

(iv) inflation and utilities tariff;

(v) any fluctuation in staff and labour costs;

(vi) seasonal effect of festive seasons which drive the marketing expenses;

(vii) changes in quit rent and assessment levied by the local government and/or the State Authority where the Subject Properties are located;

(viii) any changes to the rate of sales and service tax in Malaysia;

(ix) premium hike on insurance coverage procured over the Subject Properties;

(x) any rectification costs incurred for property defects, especially if there is a defect liability period; and

(xi) insurance coverage may not be adequate to cover all losses and/or liabilities.

Please refer to **Section 4.4.5.1** "Components of the Pro Forma Consolidated Statements of Comprehensive Income – Total Revenue" and **Section 4.4.5.3** "Components of the Pro Forma Consolidated Statements of Comprehensive Income – Property operating expenses" of this Prospectus.

Borrowing costs

Borrowing costs consist of interest expense on borrowings and the amortisation of capitalised transaction costs on borrowings. Borrowing costs are influenced by the interest rates applicable to the borrowings of the Group. If the interest rates for the Group's existing or future borrowings increase significantly, its cost of funds will increase accordingly which may adversely impact the Group's financial condition, results of operations and ability to make distributions to the Unitholders.

The ability to renew or refinance borrowings on similar or more favourable terms as compared to the terms of the borrowings sought to be refinanced or at all could also affect the Group's results of operations, planned capital expenditure and cash flows, for example if the Group is subject to certain covenants that may limit or otherwise adversely affect its operations or if principal amounts due for repayment at maturity cannot be refinanced, resulting in the Group not being able to repay all maturing debt.

Please refer to the section "Borrowing and borrowing costs" under **Section 4.4.4** "Material accounting policies" of this Prospectus for further details.

Fair value of the Subject Properties and cyclicality

Independent professional valuation of the Subject Properties will be obtained at least once every financial year in accordance with the REIT Guidelines or such other shorter interval as the Manager deems necessary and these valuations will be conducted on the bases and methods which are in accordance with the Malaysia Valuation Standards and, where applicable, the Asset Valuation Guidelines. Any increase or decrease in valuation of the Subject Properties will be recognised in the consolidated statement of comprehensive income as changes in fair value on investment properties. The revaluation of the Subject Properties may therefore result in significant fluctuations in the financial performance of the Group in the future.

Property values are affected by, among other factors, supply of and demand for comparable properties, any AEIs undertaken, interest rates and inflation as well as general macro-economic conditions in Malaysia. Retail and hotel property markets have historically been cyclical and future cyclical changes may result in fluctuations in the fair value of investment properties and the Group's financial condition.

Financial impact of force majeure events

Force majeure events including pandemics (such as the COVID-19 pandemic in 2020) and geopolitical conflicts (such as ongoing conflicts in the Middle East) may affect the financial condition and results of operations of the Group.

For instance, the COVID-19 pandemic led to the Government imposing various measures such as the movement control order, closure of international borders and physical distancing, in order to curb the spread of COVID-19. Post-COVID, there was spurred footfall and accelerated retail sales growth. Tourist arrivals also increased in 2023 and in 2024, tourist receipts exceeded pre-pandemic levels and tourist expenditure also rebounded. Such rebound is reflected in the improvement in the occupancy rates of the Hotel Properties. As tourist arrivals affect the demand for hotel accommodation and may together with domestic expenditure also affect the results of the Retail Property, the Group's financial condition and results of operations may be affected by any further improvement or any adverse impact on tourist arrivals and domestic expenditure.

In respect of the Office Properties, the COVID-19 pandemic has led to a greater prevalence of work-from-home arrangements and virtual meetings in Malaysia. The recent global energy crisis resulting from ongoing conflicts in the Middle East has also seen the Government implementing a work from home policy for federal civil servants in Putrajaya, Kuala Lumpur, Selangor and all state capitals who live more than 8 kilometres from their workplace (other than those in the security, defence, health and education sectors). As flexible working practices become more widely accepted, tenants' requirements for office space may gradually evolve, with potential adjustments to overall space requirements over the longer term. These evolving workplace trends may influence demand for traditional office space with some tenants seeking greater flexibility in lease structures, enhanced building specifications that support new working patterns or tailored tenancy packages that better align with tenants' operational needs. The Group may need to keep up with the evolving requirements of the tenants of its Office Properties to maintain occupancy levels and rental rates and remain competitive in attracting new tenants, which may have an impact on its financial condition and results of operations.

The ongoing conflicts in the Middle East such as the Israel and Iran conflict have caused disruption to the flow of supplies through key trading routes, which resulted in a strain on the energy market leading to an increase in oil prices. Numerous airspace closures have also impacted tourism and aviation globally. Heightened tensions and further eruption of conflicts in the Middle East could also result in the imposition of trade and economic sanctions and disruption in global trade. The above factors could all or each have a material adverse effect on global economic conditions, including a disturbance in oil supply, fluctuation in fuel costs, oil prices and energy prices, disruption to international trade and transportation, heightened inflationary pressures, supply chain disruptions, and increased volatility in financial markets, all of which could affect the Malaysian economy and in turn the business, prospects, financial condition and results of operations of the Subject Properties.

4.4.4 Material accounting policies

The following accounting policies are to be adopted by the Group as at date of establishment.

Basis of preparation

The financial statements of the Group will be prepared in accordance with the MFRS, the IFRS and provisions of the Deed. The financial statements will be prepared under the historical cost convention, except as modified and disclosed in the accounting policies below.

Use of estimates and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised and in any future years affected.

Fair value of investment properties

The valuation of the Group's investment properties was performed by independent external valuers.

There are complexities in determining the fair value of the investment properties, which involve significant estimates and judgments in determining the appropriate valuation methodologies and estimating the underlying assumption to be applied and are mainly based on market conditions existing at each reporting date.

Investment properties

Investment properties are held for long term rental yields or for capital appreciation or both. Investment properties are measured initially at cost, including related transaction costs. After initial recognition, investment properties are carried at fair value.

Fair value is determined based on various valuation methodologies appropriate to the nature of Subject Properties.

Changes in fair value are recognised in statement of comprehensive income in the reporting date in which they arise.

The fair value of investment property reflects, among other things, rental income from current leases and other assumptions that market participants would make when pricing the property under current market conditions. Valuations are performed as at the reporting date by independent professional valuers who hold recognised and relevant professional qualifications and have recent experience in the location and category of the investment property being valued.

Financial assets

Financial assets are recognised in the statement of financial position when, and only when, the Group becomes a party to the contractual provisions of the financial instrument.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs. The Group's financial assets comprise cash and bank balances, trade receivables and other receivables.

Subsequent to initial recognition, financial assets at amortised cost are measured using the EIR method and are subject to impairment requirements under the expected credit loss model.

For trade receivables and lease receivables, the Group applies the MFRS 9 simplified approach to measure expected credit loss which uses a lifetime expected credit loss.

For other financial assets measured at amortised cost, including other receivables, the Group recognises a loss allowance based on 12-month expected credit losses unless there has been a significant increase in credit risk since initial recognition, in which case lifetime expected credit losses are recognised.

The gross carrying amount of a financial asset is written off (either a portion or in entirety) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtors do not have assets or source of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's or IOIPG REIT's procedures for recovery amounts due.

Financial liabilities

All financial liabilities are recognised initially at fair value, net of directly attributable transaction costs.

Financial liabilities include trade and other payables, and loans and borrowings including bank overdrafts.

Trade payables, other payables, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit or loss.

Cash and cash equivalents

For the purpose of the statements of cash flows, cash and cash equivalents are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes. Cash and cash equivalents comprise cash on hand, deposits with licensed banks with a maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. These also include bank overdrafts, if any, that form an integral part of the Group's cash management.

Unitholders' capital

Unitholders' contributions are classified as equity when there is no obligation to transfer cash or other assets, nor they are redeemable at the unitholders' option. Any consideration received or distributions paid is added or deducted directly from equity.

Incremental external costs directly attributable to the issue of new Units are shown in equity as a deduction, net of tax, from the proceeds.

Borrowing and borrowing costs

Borrowings are recognised initially at fair value, net of transaction costs incurred. In subsequent periods, borrowings are stated at amortised cost using the EIR method; any difference between proceeds (net of transaction costs) and the redemption value is recognised in the statement of comprehensive income over the period of borrowings.

Borrowings are classified as current liabilities unless the Group has a right to defer settlement of the liability for at least 12 months after the reporting date.

Borrowing costs that are directly attributable to the acquisition of qualifying assets are capitalised as part of the cost of those qualifying assets. Other borrowing costs are recognised in profit and loss in the period in which they are incurred.

Revenue recognition

Revenue includes Rental Income from operating leases and revenue from contracts with customers from properties. Rental Income from operating leases includes base rent, master lease income and other rent related income. Rental Income from operating leases (refer below) is recognised on a straight-line basis over the lease term.

Base rent is recognised on a straight-line basis over its lease term. Master lease income is derived from leasing of hotel properties to the master lessee during its lease term and is recognised on accrual basis. Master lease income is determined based on the higher of the guaranteed rent, which represents the minimum rental income to be received by the Group, or a variable rent component which is 90% of gross operating profit less master lease expenses.

Initial direct cost incurred or incentives provided by the Group in negotiating and arranging an operating lease is recognised as an asset and amortised over the lease term on the same basis as the rental income.

Other rent related and car park income is recognised in the accounting period in which the services are being rendered.

Interest income is recognised on an EIR basis.

Operating leases

The Group classifies a lease as an operating lease if the lease does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset to the lessee.

When assets are leased out under an operating lease, the asset is included in the lessor's statement of financial position based on the nature of the assets.

Rental Income is shown net of incentives, rebates and discounts.

Separating lease and non-lease components

If an arrangement contains lease and non-lease components, the Group allocates the consideration in the contract to the lease and non-lease components based on the stand-alone selling price in accordance with the principles in MFRS 15 "Revenue from Contracts with Customers".

Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which its entities operate (i.e. functional currency). The financial statements are presented in Ringgit Malaysia, which is the Group's presentation currency.

Income tax

Tax is recognised in the statements of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. Provisions are established where appropriate on the basis of amounts expected to be paid to the tax authorities. This liability is measured using the single best estimate of the most likely outcome.

Current and deferred tax

Tax expense for the period comprises current and deferred tax.

Tax is recognised in the statements of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In such cases, the tax is also recognised in other comprehensive income or directly in equity, respectively. Current income tax is calculated on the basis of tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns in situations where applicable tax regulations are subject to interpretation, and establishes provisions, where appropriate, based on amounts expected to be paid to the tax authority. Such liabilities are measured using the single best estimate of the most likely outcome.

Deferred tax is recognised using the liability method, based on temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is not recognised if it arises from the initial recognition of an asset or liability in a transaction, other than a business combination, that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred tax is determined using tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax liabilities are measured having regard to the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of the related assets and liabilities.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, unused tax losses or unused tax credits can be utilised.

The Group is within the scope of the Organisation for Economic Co-operation and Development Pillar Two model rules. Malaysia has implemented the Global Minimum Tax with effect from 1 January 2025, which applies to the Group for the financial period.

The Group has applied the temporary exemption under MFRS 112 from recognising and disclosing deferred tax assets and liabilities related to Pillar Two income taxes.

Recognition of distribution of income to Unitholders

Distribution of income should only be made from realised gains or realised income in accordance with the REIT Guidelines.

Distribution of income should be made after the Manager has taken into consideration the total returns for the period, income for the period, cash flow for distribution, stability and sustainability of income and the investment objective and distribution policy of the Group.

Liability is recognised for the amount of any distribution declared, being appropriately authorised and no longer at the discretion of the Group, on or before the end of the reporting period but not paid at the end of the reporting period.

Consolidation

A subsidiary is an entity over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. A subsidiary is fully consolidated from the date on which control is obtained by the Group. It is deconsolidated from the date that control ceases.

4.4.5 Components of the Pro Forma Consolidated Statements of Comprehensive Income

4.4.5.1 Total Revenue

The Group's Total Revenue is the aggregate of Rental Income and revenue from contracts with customers earned from the Subject Properties. Approximately 70% of the Group's Total Revenue is derived from its Rental Income from the Subject Properties. Revenue from contracts with customers includes car park income, recoveries, service charge and other incidental income.

The Group's Total Revenue is generally affected by a number of factors including:

(i) general macro-economic conditions and supply and demand trends affecting the real estate market, particularly the retail market, in Malaysia;

(ii) rental rates for tenancies of the Retail Property and Office Properties and room rates of the Hotel Properties, including any unbilled rental income arising from the contracted increment in rental rates; and

(iii) occupancy rates of the Subject Properties and tenancy expiries and renewals.

Retail Property

Rental Income

The Rental Income in respect of the Retail Property primarily consists of base rent and/or percentage rent, where:

(i) "Base rent" refers to the fixed or minimum rental income payable by tenants; and

(ii) "Percentage rent" is generally calculated by reference to a fixed percentage of the tenant's total monthly gross sales turnover.

The Rental Income payable by tenants of the Retail Property could comprise base rent only arrangements, percentage rent only arrangements, or a combination of both base rent and percentage rent arrangements (or whichever is the higher) depending on the terms of the respective tenancy agreements.

The Rental Income in respect of the Retail Property also comprises advertising and promotional income, which refers to rental income from event spaces, billboards and promotional events.

Revenue from contracts with customers

In respect of the Retail Property, revenue from contracts with customers comprises car park income, recoveries such as utilities supplied to retail tenants, service charge and other incidental income.

Hotel Properties

Rental Income

Rental Income in respect of the Hotel Properties comprises master lease income, which shall be the higher of the Variable Rent or Guaranteed Rent.

Office Properties

Rental Income

The Rental Income in respect of the Office Properties consists of monthly rent payable for the premises.

Revenue from contract with customers

In respect of the Office Properties, revenue from contracts with customers comprises car park income, recoveries such as utilities supplied to office tenants, service charge and other incidental income.

The following tables set out information on the Total Revenue by asset type and by Subject Property, the Average Occupied NLA of the Retail Property and Office Properties, the Room Nights available in respect of the Hotel Properties, and the Average Rental Rate / Average Daily Rate of the Subject Properties, for the FYE 2023, FYE 2024, FYE 2025, the FPE 31 May 2025 and the FPE 31 May 2026 respectively.

Notes:

(1) As Putrajaya Marriott Hotel was undergoing refurbishment works which commenced in February 2023 and was operating at a reduced capacity, room revenue and F&B revenue declined and as a result Net GOP decreased, resulting in the Guaranteed Rent being adopted as master lease income for both the FYE 2023 and FYE 2024.

(2) As Moxy Putrajaya only commenced operations in February 2024, such information is not available for the FYE 2023.

(3) Due to improved performance in the FYE 2025 attributable to an increase in corporate demand, Net GOP increased and Variable Rent was higher than Guaranteed Rent in the FYE 2025. As such, the Variable Rent was adopted as the master lease income for Four Points by Sheraton Puchong in the FYE 2025.

(4) As the acquisition of W Kuala Lumpur was only completed in February 2024, such information is not available for the FYE 2023.

(5) As the acquisition of Courtyard by Marriott Penang was only completed in July 2024, such information is not available for the FYE 2023 and FYE 2024.

Manager's fees

Pursuant to the Deed, the Manager is entitled to receive the following fees (exclusive of service tax, if any) from IOIPG REIT, in the form of cash, new Units or a combination of cash and new Units (as it may in its sole discretion determine):

(i) an annual base fee of up to 0.50% per annum of the Total Asset Value of IOIPG REIT (excluding cash and bank balances which are held in non-interest bearing accounts);

(ii) an annual performance fee of up to 5.00% per annum of IOIPG REIT's NPI in the relevant financial year;

(iii) an acquisition fee of 1.0% of the acquisition price; and

(iv) a divestment fee of 0.5% of the transaction value,

as set out in **Section 6.6** "Management Fees" of this Prospectus.

In arriving at the Pro Forma Consolidated Statements of Comprehensive Income, it is assumed that the Manager charged a base fee of approximately 0.3% per annum of the Total Asset Value (assumed only to be the fair value of the Subject Properties) of IOIPG REIT (excluding cash and bank balances which are held in non-interest-bearing accounts) and a performance fee of approximately 3.0% per annum of IOIPG REIT's consolidated NPI for the FYE 2023, FYE 2024 and FYE 2025 as well as the FPE 31 May 2025 and FPE 31 May 2026.

Trustee's fee

Pursuant to the Deed, the fee payable to the Trustee is up to 0.012% per annum of the NAV of IOIPG REIT (excluding service tax), capped at a maximum of RM700,000 per annum, as set out in **Section 8.5** "Trustee's Fee" of this Prospectus. It is assumed that the Trustee's fee paid (excluding service tax) throughout the pro forma period was based on 0.012% of the NAV of IOIPG REIT.

Other trust expenses

The other trust expenses consist of costs incurred after the establishment of IOIPG REIT in accordance with the Deed. Examples of such expenses are secretarial fee, consultancy fee, professional fees, market research fees, public relations expenses and other expenses relating to the preparation and distribution of reports to Unitholders, together with other miscellaneous expenses such as postage, printing and stationery.

4.4.6 Results of operations

(i) Results of operations for the FPE 31 May 2026 compared to results of operations for the FPE 31 May 2025

Total Revenue

The Group's Total Revenue for the FPE 31 May 2026 increased by RM51.2 million or 9.7% to RM580.9 million from RM529.7 million for the FPE 31 May 2025.

Retail Property

Total Revenue in respect of the Retail Property increased by RM27.7 million or 6.8% to RM437.2 million in the FPE 31 May 2026 from RM409.5 million in the FPE 31 May 2025.

Rental Income in respect of the Retail Property increased by RM20.5 million or 7.5% to RM294.7 million in the FPE 31 May 2026 from RM274.2 million in the FPE 31 May 2025. The increase was mainly attributable to an increase in base rent of the Retail Property arising from the renewal of tenancies by existing tenants at a higher rental rate in certain cases in FPE 31 May 2026.

Revenue derived from contracts with customers increased by RM7.2 million or 5.3% to RM142.5 million in the FPE 31 May 2026 from RM135.3 million in the FPE 31 May 2025. The increase in car park income was driven by an increase in car park rate implemented from 1 July 2025 coupled with an increase in car traffic attributable to the higher occupancy rates of IOI City Towers which shares the IOI City Mall Car Parks.

Hotel Properties

Master lease income in respect of the Hotel Properties increased by RM10.0 million or 15.0% to RM76.5 million in the FPE 31 May 2026 from RM66.5 million in the FPE 31 May 2025. This was mainly attributable to an increase in weighted occupancy rate from 64.8% for the FPE 31 May 2025 to 70.0% for the FPE 31 May 2026, particularly from (a) continued improvement in the occupancy rates of Moxy Putrajaya, supported by strengthening demand across the group and corporate segments; (b) higher contributions from Le Méridien Putrajaya supported by stronger demand from its wholesale and retail segments arising from the return of Chinese, South Korean and Singaporean tourists due to the Visit Malaysia 2026 campaign; and (c) the FYE 2026 being the first full year of contribution by Putrajaya Marriott Hotel following the completion of its refurbishment exercise in January 2025.

Office Properties

Total Revenue in respect of the Office Properties increased by RM13.5 million or 25.2% to RM67.2 million in the FPE 31 May 2026 from RM53.7 million in the FPE 31 May 2025.

Rental Income in respect of the Office Properties increased by RM9.1 million or 26.6% to RM43.2 million in the FPE 31 May 2026 from RM34.1 million in the FPE 31 May 2025. The increase was mainly due to an increase in the Average Occupancy Rate of the Office Properties attributable to the commencement of new tenancies of multi-national corporations on a progressive basis at PFCC Towers and IOI City Towers since the end of FPE 31 May 2025, coupled with a higher Average Rental Rate of PFCC Towers.

Revenue derived from contracts with customers increased by RM4.4 million or 22.7% to RM24.0 million in the FPE 31 May 2026 from RM19.5 million in the FPE 31 May 2025, primarily due to an increase in the service charge received and an increase in recoveries due to higher chilled water consumption, in line with the increase in the Average Occupancy Rate of the Office Properties.

Property operating expenses

Property operating expenses for the FPE 31 May 2026 decreased by RM3.1 million or 1.8% to RM172.7 million from RM175.8 million for the FPE 31 May 2025. The decrease was mainly due to the decrease in electricity charges which was partially offset by the increase in quit rent and assessment and other operating expenses.

Retail Property

Utilities expenses – Utilities expenses decreased by RM15.6 million or 24.0% to RM49.6 million for the FPE 31 May 2026 from RM65.3 million for the FPE 31 May 2025. This decrease was mainly due to lower electricity expenses as a result of the transition to the new Automatic Fuel Adjustment mechanism applying from 1 July 2025 and the adoption of a new electricity tariff structure (Medium Voltage Time-of-Use) which resulted in cost savings.

Property management fee and reimbursables – Property management fee and reimbursables increased by RM1.8 million or 5.4% to RM35.9 million for the FPE 31 May 2026 from RM34.1 million for the FPE 31 May 2025. This increase was mainly due to property management reimbursables in line with the increase in business activities.

Maintenance expenses – Maintenance expenses increased by RM3.6 million or 12.1% to RM33.1 million for the FPE 31 May 2026 from RM29.5 million for the FPE 31 May 2025. Such increase was primarily driven by higher cleaning charges attributable to the increase in national minimum wage which became fully effective in August 2025 as well as repair and maintenance expenses incurred in relation to the upkeep of the Retail Property.

Quit rent and assessment – Quit rent and assessment increased by RM2.3 million or 37.3% to RM8.5 million for the FPE 31 May 2026 from RM6.2 million for the FPE 31 May 2025. The increase was mainly due to the FYE 2026 being the first full year in which the revised rate for assessment applies to IOI City Mall.

Other operating expenses – Other operating expenses increased by RM1.5 million or 19.9% to RM8.8 million for the FPE 31 May 2026 from RM7.3 million for the FPE 31 May 2025. Such increase was mainly due to (a) new IT-related costs arising from system migration, integration and licence fees; and (b) higher marketing and promotion expenses incurred in respect of campaigns and festive activities held at the Retail Property as well as decorations for festive periods.

Hotel Properties

Quit rent and assessment – Quit rent and assessment increased marginally by RM0.3 million or 11.6% to RM2.9 million for the FPE 31 May 2026 from RM2.6 million for the FPE 31 May 2025. The increase was mainly attributable to the FPE 31 May 2026 being the first full financial period in which assessment charges are payable for Moxy Putrajaya as the payment for such charges only commenced in January 2025.

Other operating expenses – Other operating expenses increased by RM0.3 million or 41.9% to RM0.9 million for the FPE 31 May 2026 from RM0.6 million for the FPE 31 May 2025. The increase in other operating expenses incurred by the Hotel Properties in the FPE 31 May 2026 was mainly attributable to an increase in insurance premium incurred in the FPE 31 May 2026 primarily due to an increase in the value and total revenue of Putrajaya Marriott Hotel, Moxy Putrajaya and W Kuala Lumpur in the FPE 31 May 2026 as compared to the FPE 31 May 2025.

Office Properties

Utilities expenses – Utilities expenses decreased by RM0.6 million or 5.3% to RM10.6 million for the FPE 31 May 2026 from RM11.2 million for the FPE 31 May 2025. The decrease was mainly due to a rebate enjoyed in the FPE 31 May 2026 arising from an excess charge by Tenaga Nasional Berhad in the FPE 31 May 2025.

Property management fee and reimbursables – Property management fee and reimbursables increased by RM2.0 million or 22.3% to RM11.0 million for the FPE 31 May 2026 from RM9.0 million for the FPE 31 May 2025. Such increase was mainly due to property management reimbursables in line with the higher Average Occupancy Rate achieved for the Office Properties.

Maintenance expenses – Maintenance expenses increased marginally by RM0.1 million or 1.1% to RM7.8 million for the FPE 31 May 2026 from RM7.7 million for the FPE 31 May 2025, in tandem with the increase in the Average Occupancy Rate of the Office Properties for the FPE 31 May 2026 as compared to the FPE 31 May 2025.

Quit rent and assessment – Quit rent and assessment increased marginally by RM0.2 million or 12.4% to RM2.0 million for the FPE 31 May 2026 from RM1.8 million for the FPE 31 May 2025. The increase was mainly due to an increase in the assessment charge payable in respect of the Office Properties arising from the higher Average Occupancy Rate of the Office Properties for the FPE 31 May 2026 as compared to the FPE 31 May 2025.

Other operating expenses – Other operating expenses increased by RM1.0 million or 155.7% to RM1.7 million for the FPE 31 May 2026 from RM0.7 million for the FPE 31 May 2025. The increase was mainly due to costs incurred in relation to the commencement of new tenancies in respect of the Office Properties.

NPI

As a result of the factors discussed above, NPI increased by RM54.3 million or 15.3% to RM408.2 million for the FPE 31 May 2026 from RM353.9 million for the FPE 31 May 2025.

Manager's fees

Manager's fees increased by RM3.5 million to RM33.3 million for the FPE 31 May 2026 from RM29.9 million for the FPE 31 May 2025 in line with the increase in NPI.

Trustee's fee

Trustee's fee remained generally stable for the FPE 31 May 2026 at RM0.6 million.

Other trust expenses

Other trust expenses increased slightly, remaining generally stable at around RM0.8 million for the FPE 31 May 2026.

Finance costs

Finance costs remained unchanged at RM92.3 million for the FPE 31 May 2026 and FPE 31 May 2025.

Profit before tax

As a result of the factors discussed above, the Group recorded a profit before tax of RM927.9 million for the FPE 31 May 2026 as compared to a profit before tax of RM1,170.3 million for the FPE 31 May 2025.

Distributable Income

After adjusting for the non-cash items, the Group recorded a Distributable Income of RM298.5 million for the FPE 31 May 2026, which increased by RM52.9 million from the Distributable Income of RM245.7 million for the FPE 31 May 2025.

(ii) Results of operations for the FYE 2025 compared to results of operations for the FYE 2024

Total Revenue

The Group's Total Revenue for the FYE 2025 increased by RM90.5 million or 18.5% to RM581.0 million from RM490.4 million for the FYE 2024, driven by an increase in Total Revenue across all sectors.

Retail Property

Total Revenue in respect of the Retail Property increased by RM50.3 million or 12.7% to RM447.2 million in the FYE 2025 from RM396.9 million in the FYE 2024.

Rental Income in respect of the Retail Property increased by RM33.0 million or 12.4% to RM298.3 million in the FYE 2025 from RM265.3 million in the FYE 2024, primarily due to (a) higher rental rates secured upon the renewal of existing tenants, and (b) the increase in the Average Occupancy Rate for IOI City Mall Phase 2 which in turn resulted in an overall increase in the Average Occupancy Rate of the Retail Property from 96.8% in the FYE 2024 to 98.3% in the FYE 2025 which contributed to an increase in tenants' sales. As a result, the Average Rental Rate psf of IOI City Mall increased from RM10.77 in the FYE 2024 to RM11.80 in the FYE 2025.

Revenue derived from contracts with customers increased by RM17.3 million or 13.1% to RM148.8 million in the FYE 2025 from RM131.5 million in the FYE 2024, primarily due to an increase in car park income attributable to increased car traffic to the Retail Property (from 140 index points in the FYE 2024 to 150 index points in the FYE 2025, based on the Retail Property's car traffic index as reported in the Independent Property Market Report) as well as an increase in number of car park season pass subscribers, and further supported by the higher Average Occupancy Rate of IOI City Towers which shares the IOI City Mall Car Parks. The increase in revenue derived from contracts with customers was further contributed by an increase in recoveries in line with the improved Average Occupancy Rate of the Retail Property from 96.8% in the FYE 2024 to 98.3% in the FYE 2025, coupled with the higher electricity tariff rate imposed by Tenaga Nasional Berhad. Service charge also increased due to the full year impact of the revised service charge rate imposed, effective from 1 January 2024.

Hotel Properties

Master lease income in respect of the Hotel Properties increased by RM25.8 million or 52.5% to RM74.9 million in the FYE 2025 from RM49.1 million in the FYE 2024. The increase was primarily driven by higher contributions from the newly acquired assets, namely W Kuala Lumpur and Courtyard by Marriott Penang, the acquisitions of which were completed in February 2024 and July 2024 respectively, as well as the commencement of operations of Moxy Putrajaya in February 2024, which reflects a full-year contribution. The growth in revenue was further supported by improved performance at Putrajaya Marriott Hotel following the completion of its refurbishment works in January 2025 which enabled the hotel to restore its full room inventory, which in turn also contributed to an increase in the Average Daily Rate of Putrajaya Marriott Hotel from RM313 for the FYE 2024 to RM365 for the FYE 2025. This was tempered by the decrease in revenue of Le Méridien Putrajaya attributable to lower contributions from the corporate segment which resulted in a lower Average Occupancy Rate of the hotel.

Office Properties

Total Revenue in respect of the Office Properties increased by RM14.5 million or 32.6% to RM58.9 million in the FYE 2025 from RM44.4 million in the FYE 2024.

Rental Income in respect of the Office Properties increased by RM9.0 million or 31.5% to RM37.5 million in the FYE 2025 from RM28.5 million in the FYE 2024. The increase was mainly attributable to an increase in the Average Occupancy Rate (from 42.3% in the FYE 2024 to 53.6% in the FYE 2025) and Average Rental Rate of the Office Properties following the securing of major tenants and the commencement of new tenancies of government-linked corporations and multi-national corporations on a progressive basis.

Revenue derived from contracts with customers increased by RM5.5 million or 34.5% to RM21.4 million in the FYE 2025 from RM15.9 million in the FYE 2024, primarily due to an increase in the service charge received and increase in recoveries due to higher chilled water consumption, in line with the increase in the Average Occupancy Rate of the Office Properties.

Property operating expenses

Property operating expenses for the FYE 2025 increased by RM23.9 million or 14.2% to RM192.9 million from RM169.0 million for the FYE 2024, broadly in line with the increase in the Total Revenue. The increase was mainly due to higher utilities, maintenance expenses and quit rent and assessment.

Retail Property

Utilities expenses – Utilities expenses increased by RM9.8 million or 16.0% to RM71.2 million for the FYE 2025 from RM61.4 million for the FYE 2024. This increase was due to an increase in electricity charges arising from the higher electricity tariff rate imposed by Tenaga Nasional Berhad, coupled with the increase in the Average Occupancy Rate of the Retail Property.

Property management fee and reimbursables – No significant changes arose in respect of the property management fee and reimbursables during the FYE 2025.

Maintenance expenses – Maintenance expenses increased by RM2.7 million or 8.9% to RM33.3 million for the FYE 2025 from RM30.6 million for the FYE 2024. The increase was mainly due to higher expenses incurred for the overhaul of chillers and repair works for lifts and escalators.

Quit rent and assessment – Quit rent and assessment increased by RM4.2 million or 147.6% to RM7.0 million for the FYE 2025 from RM2.8 million for the FYE 2024 due to the absence in the FYE 2025 of the one-off reversal recognised in the FYE 2024.

Other operating expenses – Other operating expenses slightly decreased by RM0.5 million or 6.4% to RM8.0 million for the FYE 2025 from RM8.6 million for the FYE 2024. This decrease was mainly due to higher marketing and promotion expenses incurred in the FYE 2024 in respect of festive activities held at the Retail Property, which was offset by the increase in insurance premium incurred in the FYE 2025, primarily due to an increase in the value and Total Revenue of the Retail Property.

Hotel Properties

Quit rent and assessment – Quit rent and assessment increased by RM1.0 million or 52.0% to RM2.9 million for the FYE 2025 from RM1.9 million for the FYE 2024. The increase was mainly due to the FYE 2025 being the first full year in which the quit rent and assessment is payable for Moxy Putrajaya (which only commenced operations in February 2024) and W Kuala Lumpur (acquisition of which was only completed in February 2024).

Other operating expenses – Other operating expenses increased by RM0.3 million or 133.1% to RM0.6 million for the FYE 2025 from RM0.2 million for the FYE 2024. The increase was mainly due to the FYE 2025 being the first full year in which other operating expenses are incurred for Moxy Putrajaya (which only commenced operations in February 2024), W Kuala Lumpur (acquisition of which was only completed in February 2024) and Courtyard by Marriott Penang (acquisition of which was only completed in July 2024).

Office Properties

Utilities expenses – Utilities expenses increased by RM2.5 million or 25.9% to RM12.1 million for the FYE 2025 from RM9.6 million for the FYE 2024. The increase was mainly due to an increase in chilled water and electricity consumption. The higher utilities expenses are in line with the increase in Average Occupancy Rate of the Office Properties.

Property management fee and reimbursables – Property management fee and reimbursables increased by RM2.4 million or 32.2% to RM9.9 million for the FYE 2025 from RM7.5 million for the FYE 2024. The increase was mainly due to an increase in property management reimbursables in line with the increase in business activities.

Maintenance expenses – Maintenance expenses increased by RM0.9 million or 13.2% to RM8.0 million for the FYE 2025 from RM7.1 million for the FYE 2024. The increase was mainly due to (a) an increase in the Average Occupancy Rate of IOI City Towers, resulting in more upgrades required to be made to the building management system of IOI City Towers in preparation for the commencement of certain new tenancies during the FYE 2025; and (b) external repainting works and wall treatment on the building façade of PFCC Towers 1 and 2.

Quit rent and assessment – Quit rent and assessment increased by RM0.1 million or 5.6% to RM1.9 million for the FYE 2025 from RM1.8 million for the FYE 2024. The increase was mainly due to a revised rate for assessment applied to the Office Properties since January 2025.

Other operating expenses – Other operating expenses increased by RM0.3 million or 49.2% to RM1.0 million for the FYE 2025 from RM0.7 million for the FYE 2024. The increase was mainly due to costs incurred in relation to the commencement of new tenancies.

NPI

As a result of the factors discussed above, NPI increased by RM66.6 million or 20.7% to RM388.1 million for the FYE 2025 from RM321.5 million for the FYE 2024.

Manager's fees

Manager's fees increased by RM6.4 million to RM32.7 million for the FYE 2025 from RM26.3 million for the FYE 2024 in line with the increase in NPI.

Trustee's fee

Trustee's fee increased by RM88,000 to RM546,000 for the FYE 2025 from RM458,000 for the FYE 2024.

Other trust expenses

Other trust expenses increased by RM0.1 million to RM1.1 million for the FYE 2025 from RM1.0 million for the FYE 2024.

Finance costs

Finance costs increased by RM6.9 million to RM100.7 million in the FYE 2025 from RM93.8 million in the FYE 2024 as the acquisition of Courtyard by Marriott Penang completed in July 2024.

Profit before tax

As a result of the factors discussed above as well as changes in fair value on investment properties of RM939.6 million, the Group recorded a profit before tax of RM1,192.9 million for the FYE 2025, which was an increase of RM218.3 million or 22.4% as compared to a profit before tax of RM974.5 million for the FYE 2024.

Distributable Income

After adjusting for the non-cash items, which comprise fair value gain and fees paid to the Manager in the form of Units, the Group recorded a Distributable Income of RM269.6 million for the FYE 2025, which increased by RM56.0 million from the Distributable Income of RM213.6 million for the FYE 2024.

(iii) Results of operations for the FYE 2024 compared to results of operations for the FYE 2023

Total Revenue

The Group's Total Revenue for the FYE 2024 increased by RM98.1 million or 25.0% to RM490.4 million from RM392.4 million for the FYE 2023.

Retail Property

Total Revenue in respect of the Retail Property increased by RM76.0 million or 23.7% to RM396.9 million in the FYE 2024 from RM320.9 million in the FYE 2023.

Rental Income in respect of the Retail Property increased by RM49.6 million or 23.0% to RM265.3 million in the FYE 2024 from RM215.8 million in the FYE 2023. The increase was mainly attributable to (a) IOI City Mall Phase 2, which commenced operations in August 2022 and increased car traffic to the Retail Property (from 121 index points in the FYE 2023 to 140 index points in the FYE 2024 based on the Retail Property's car traffic index as reported in the Independent Property Market Report) driving tenants' sales; and (b) higher rental rates achieved from tenancy renewals for IOI City Mall Phase 1 and the increase in Average Rental Rate psf from RM9.72 in the FYE 2023 to RM10.77 in the FYE 2024. In addition, as the FYE 2023 represented the first partial year of operations of IOI City Mall Phase 2, the Retail Property recorded an overall lower Average Occupancy Rate of 86.1%, which subsequently improved to 96.8% in the FYE 2024.

Revenue derived from contracts with customers increased by RM26.4 million or 25.1% to RM131.5 million in the FYE 2024 from RM105.1 million in the FYE 2023, primarily due to an increase in car park income due to increased car traffic to the Retail Property (from 121 index points in the FYE 2023 to 140 index points in the FYE 2024, based on the Retail Property's car traffic index as reported in the Independent Property Market Report) following the opening of IOI City Mall Phase 2 as well as an increase in number of car park season pass subscribers, which was partially supported by the higher Average Occupancy Rate of IOI City Towers which shares the IOI City Mall Car Parks. Recoveries increased in line with the improvement in Average Occupancy Rate of the Retail Property, and service charge also increased due to the upward revision of the service charge rate from RM2.50 psf to RM3.00 psf effective from 1 January 2024 and the improved Average Occupancy Rate of the Retail Property.

Hotel Properties

Master lease income of the Hotel Properties for the FYE 2024 increased by RM17.1 million or 53.6% to RM49.1 million from RM32.0 million for the FYE 2023. This was mainly attributable to an increase in the Average Occupancy Rate of the Hotel Properties from 60.5% in the FYE 2023 to 69.8% in the FYE 2024, the opening of Moxy Putrajaya in February 2024 and the completion of the acquisition of W Kuala Lumpur in February 2024. In addition, Le Méridien Putrajaya contributed an additional RM6.1 million in the FYE 2024 which was primarily driven by strong and consistent contributions from its key corporate accounts that resulted in a higher Average Occupancy Rate for the hotel during the FYE 2024.

Office Properties

Total Revenue in respect of the Office Properties increased by RM4.9 million or 12.5% to RM44.4 million in the FYE 2024 from RM39.5 million in the FYE 2023.

Rental Income in respect of the Office Properties increased by RM2.9 million or 11.5% to RM28.5 million in the FYE 2024 from RM25.6 million in the FYE 2023. The increase was mainly attributable to the successful onboarding of new tenants and renewal of existing tenancies at the Office Properties which saw an increase in the Average Occupancy Rate of the Office Properties, from 38.3% in the FYE 2023 to 42.3% in the FYE 2024. Several tenants were secured towards the end of the FYE 2023 for PFCC Towers, with additional tenancies commencing at the beginning of the FYE 2024, contributing to improved occupancy and steady growth in Rental Income. The increase in Rental Income was tempered slightly by the marginal decrease in Average Rental Rate psf of IOI City Towers due to the competitive rental package offered (in the form of rent-free periods) to certain new tenants.

Revenue derived from contracts with customers increased by RM2.0 million or 14.4% to RM15.9 million in the FYE 2024 from RM13.9 million in the FYE 2023, primarily due to an increase in the service charge received and an increase in recoveries due to higher chilled water consumption, in line with the increase in the Average Occupancy Rate of the Office Properties.

Property operating expenses

Property operating expenses for the FYE 2024 increased by RM19.5 million or 13.1% to RM169.0 million in the FYE 2024 from RM149.4 million for the FYE 2023. The increase was mainly due to higher utilities expenses, property management fee and reimbursables and maintenance expenses, which were partially offset by a lower quit rent and assessment as well as reduced marketing and promotion expenses.

Retail Property

Utilities expenses – Utilities expenses increased by RM12.3 million or 25.0% to RM61.4 million in the FYE 2024 from RM49.1 million in the FYE 2023 mainly due to higher electricity consumption in line with the increase in the Average Occupancy Rate of the Retail Property.

Property management fee and reimbursables – Property management fee and reimbursables increased by RM4.1 million or 12.4% to RM36.8 million in the FYE 2024 from RM32.8 million in the FYE 2023, mainly due to property management reimbursables in line with the increase in business activities.

Maintenance expenses – Maintenance expenses increased by RM4.0 million or 14.9% to RM30.6 million in the FYE 2024 from RM26.6 million in the FYE 2023, mainly due to the increase in the cleaning charges, attributable to the increase in Average Occupancy Rate.

Quit rent and assessment – Quit rent and assessment decreased by RM3.6 million or 56.2% to RM2.8 million in the FYE 2024 from RM6.4 million in the FYE 2023, mainly due to the one-off reversal of assessment recognised in the FYE 2024 following the exemption granted up to December 2024, provision of which was previously made in the FYE 2023.

Other operating expenses – Other operating expenses decreased by RM1.2 million or 12.4% to RM8.6 million in the FYE 2024 from RM9.8 million in the FYE 2023, mainly due to reduced marketing and promotion expenses as a result of a lower number of promotional events held during the FYE 2024.

Hotel Properties

Quit rent and assessment – Quit rent and assessment increased by RM0.2 million or 11.1% to RM1.9 million in the FYE 2024 from RM1.7 million in the FYE 2023. This increase was mainly due to the 4-month contribution from the opening of Moxy Putrajaya in February 2024.

Other operating expenses – Other operating expenses increased by RM0.1 million or 88.5% to RM0.2 million in the FYE 2024 from RM0.1 million in the FYE 2023. This increase was mainly due to the 4-month contribution from the opening of Moxy Putrajaya in February 2024.

Office Properties

Utilities expenses – Utilities expenses increased by RM1.0 million or 11.9% to RM9.6 million in the FYE 2024 from RM8.6 million in the FYE 2023. This increase was mainly driven by higher chilled water consumption, in line with the increase in the Average Occupancy Rate of the Office Properties.

Property management fee and reimbursables – Property management fee and reimbursables increased by RM1.7 million or 29.5% to RM7.5 million in the FYE 2024 from RM5.8 million in the FYE 2023. This increase was mainly due to an increase in property management reimbursables in line with the increase in business activities.

Maintenance expenses – Maintenance expenses increased by RM1.1 million or 19.1% to RM7.1 million in the FYE 2024 from RM6.0 million in the FYE 2023. This increase was mainly due to (a) an increase in Average Occupancy Rate; (b) certain rectifications, repairs and upgrades required to be made to support the operational reliability and regulatory compliance of the building prior to the commencement of certain new tenancies in the FYE 2024 for IOI City Towers; and (c) external repainting works and wall treatment on the building façade of PFCC Towers 1 and 2.

Quit rent and assessment – No significant changes arose in respect of the quit rent and assessment for the Office Properties from the FYE 2023 to the FYE 2024.

Other operating expenses – Other operating expenses decreased by RM0.1 million or 16.4% to RM0.7 million in the FYE 2024 from RM0.8 million in the FYE 2023. This decrease was mainly due to costs incurred in relation to the commencement of new tenancies in the FYE 2023 and higher signage advertisement costs in the FYE 2023.

NPI

As a result of the factors discussed above, NPI increased by RM78.5 million or 32.3% to RM321.5 million for the FYE 2024 from RM243.0 million for the FYE 2023.

Manager's fees

Manager's fees increased by RM5.0 million to RM26.3 million for the FYE 2024 from RM21.3 million for the FYE 2023 in line with the increase in NPI.

Trustee's fee

Trustee's fee increased by RM85,000 to RM458,000 for the FYE 2024 from RM373,000 in the FYE 2023.

Other trust expenses

Other trust expenses increased by RM165,000 to RM983,000 for the FYE 2024 from RM818,000 for the FYE 2023.

Finance costs

Finance costs increased by RM3.4 million to RM93.8 million in the FYE 2024 from RM90.4 million in the FYE 2023 as Moxy Putrajaya only commenced operations in February 2024, and the acquisitions of W Kuala Lumpur and Courtyard by Marriott Penang only completed in February 2024 and July 2024 respectively.

Profit before tax

As a result of the factors discussed above as well as changes in fair value on investment properties of RM774.1 million, the Group recorded a profit before tax of RM974.5 million for the FYE 2024 as compared to a profit before tax of RM877.0 million for the FYE 2023.

Distributable Income

After adjusting for the non-cash items which comprise fair value gain and the fees paid to the Manager in the form of Units, the Group recorded a Distributable Income of RM213.6 million for the FYE 2024, which increased by RM72.8 million from the Distributable Income of RM140.9 million for the FYE 2023.

4.4.7 Liquidity and capital resources

The Manager is of the opinion that the Group's working capital would be sufficient for its present requirements as rental and rental-related income are received in advance. In addition, the Vendors will be bearing the major capital expenditure set out in **Section 4.4.8** "Capital expenditures" below.

Upon Listing, after taking into account the estimated Listing expenses of RM4.0 million, the Group is expected to have sufficient cash balance to fund working capital, capital expenditures and unanticipated cash needs.

The Manager anticipates that the Group's primary uses of cash would be to fund day-to-day operations, trust expenses, management fees, servicing of debt, distributions (to the extent there is Distributable Income), AEIs and future acquisitions.

Funding of the foregoing would come from a combination of cash from operations and borrowings. The Group's expected gearing level upon Listing will be approximately 34.1% while the regulated maximum under the REIT Guidelines is 50.0% of the Total Asset Value at the time of borrowing. If required and deemed necessary or appropriate, the Group will also consider other opportunities to raise additional equity capital through the issuance of new Units.

4.4.8 Capital expenditures

Save for the expansion and renovation of the Subject Properties to be carried out and completed by the respective Vendors as set out in **Section 2.14.1(viii)** "Expansion and renovation of the Retail Property", **Section 2.15.4(vi)** "Expansion and renovation of Four Points by Sheraton Puchong", **Section 2.15.5(vi)** "Expansion and renovation of W Kuala Lumpur", and **Section 2.16.2(viii)** "Expansion and renovation of PFCC Towers" of this Prospectus, the Manager does not envisage any significant capital expenditure to be incurred during the Projection Period 2027.

4.4.9 Changes to accounting policies

There were no changes to the accounting policies of the Vendors. The Group's pro forma NPI has been compiled based on the Vendors' audited financial statements for the FYE 2023, FYE 2024, FYE 2025 and unaudited condensed interim financial information for the FPE 31 May 2025 and FPE 31 May 2026. The pro forma NPI has been prepared in a manner consistent with the format and the material accounting policies to be adopted by the Group as set out in **Section 4.4.4** "Material accounting policies" of this Prospectus.

4.4.10 Seasonality

The Retail Property experiences noticeable seasonal fluctuations in revenue during festive seasons.

In general, the Hotel Properties experience their highest occupancy rates and revenue during the second quarter of the financial year (October to December) and the fourth quarter of the financial year (April to June), supported by business travel, MICE, corporate events, and festive and long holiday periods. Occupancy rates and revenue of the Hotel Properties are comparatively softer during the remaining periods of the financial year, particularly during off-peak business travel months, periods surrounding back-to-back festive celebrations, and during weekends and public holidays for the Hotel Properties with a stronger corporate business profile. For business-oriented Hotel Properties such as Four Points by Sheraton Puchong and Courtyard by Marriott Penang, occupancy rates are primarily supported by corporate travellers and tend to be relatively stable throughout the year, with softer demand typically observed during weekends, festive holiday periods and the Ramadan month, when domestic corporate travel activity may moderate. Overall performance across the Hotel Properties is supported by a diversified mix of business, event-related, leisure and festive-driven demand.

The Office Properties do not experience noticeable seasonal fluctuations in occupancy rates or revenue.

4.5 PROFIT PROJECTION

Statements contained in this "Profit Projection" Section that are not historical facts may be forward-looking statements. Such statements are based on the assumptions set forth in this Section of this Prospectus and are subject to certain risks and uncertainties which could cause actual results to differ materially from those projections. Under no circumstances should the inclusion of such information herein be regarded as a representation, warranty or prediction by any of IOIPG REIT, the Manager, the Sponsor, the Vendors, the Trustee, the Joint Principal Advisers, the Joint Managing Underwriters and Joint Underwriters, the Joint Global Coordinators and Joint Bookrunners or any other person that the underlying assumptions will materialise, or that these results will be achieved or are likely to be achieved. Please refer to the Section on "Forward-looking Statements" and **Section 5** "Risk Factors" of this Prospectus for further details. Investors in the Units are cautioned not to place undue reliance on these forward-looking statements which are made only as at the date of this Prospectus.

None of IOIPG REIT, the Manager, the Sponsor, the Vendors, the Trustee, the Joint Principal Advisers, Joint Managing Underwriters and Joint Underwriters, the Joint Global Coordinators and Joint Bookrunners guarantees the performance of the Group, the repayment of capital, the payment of any distributions, or any particular return on the Units. The projected yield stated in the following table is calculated based on the Retail Price of RM0.96 per Unit.

Such yields will vary accordingly based on the actual Listing Date, or for investors who purchase Units at a price that differs from the Retail Price.

Investors are cautioned that rental yield on the Subject Properties to be held by the Group is not equivalent to the yield of the Units. Investors are cautioned that they will not get the full amount of the DPU as illustrated in the Profit Projection. Current rental receipts and yields may not be sustained. The values of the Subject Properties may rise as well as fall.

The following table shows the Profit Projection for the Projection Period 2027. The financial year end of the Group is 30 June. The Profit Projection has been prepared assuming that the first financial period is from the date of establishment of IOIPG REIT of 11 September 2026 to 30 June 2027, and that the Acquisitions, the entry into the Hotel Master Lease Agreements, the Offering and the Listing had been completed on 11 September 2026. The actual NPI for the FYE 30 June 2027 and the resultant distribution yield would be dependent on, among others, the rentals/master lease income of the Subject Properties accruing to the Group effective from the Listing Date and the Retail Price. The Profit Projection is based on the assumptions set out below and has been examined by the Reporting Accountants and should be read together with the "Reporting Accountants' Report on Prospective Financial Information" set out in **Appendix E** of this Prospectus, as well as the assumptions set out in this Section of this Prospectus.

DPU (sen)[(5)]	6.33[(4)]
Retail Price (RM/Offer Unit)	0.96
Distribution yield on Retail Price (%)[(6)]	6.60[(4)]

Notes:

(1) Non-cash items comprise 50% of the Manager's fees which is payable in Units.

(2) It is assumed that 50% of the Manager's fees will be satisfied through the issuance of Units at an assumed price of RM0.96 per Unit.

(3) Distribution cover is computed based on Distributable Income divided by income distributed to Unitholders, which is assumed to be 100%.

(4) The DPU and distribution yield for the Projection Period 2027 have been annualised based on the Retail Price of RM0.96 per Offer Unit by multiplying the projected DPU of approximately 5.08 sen and distribution yield of 5.3% for the 293-day Projection Period 2027 by a factor of 365/293.

(5) DPU is computed based on a 100% distribution of Distributable Income distributed to Unitholders divided by number of Units in issue.

(6) Distribution yield is computed based on DPU divided by the Retail Price. It is assumed that the listing date is on 11 September 2026 (for the purpose of illustration only). The distribution yield will vary accordingly based on the actual Listing Date and the Final Retail Price.

4.5.1 Projected Total Revenue and NPI

The following sets out the projected Total Revenue and NPI for each of the Subject Properties for the Projection Period 2027:

	Projection Period 2027

4.5.2 Directors' analysis and commentary

The Directors confirm that they have reviewed the Profit Projection and the underlying bases and assumptions stated herein. After having made due and careful enquiries, and having taken into account the future prospects of the industry, the future plans and strategies of IOIPG REIT (as set out in **Section 1.3** "Strategies" of this Prospectus), its level of gearing, liquidity and working capital requirements, the Directors are of the opinion that the Profit Projection is achievable and the assumptions made are reasonable at the time of issue of this Prospectus, barring unforeseen circumstances.

Nevertheless, the bases and assumptions are inherently subject to significant business, economic and competitive uncertainties and contingencies, which are beyond the Manager's control. Therefore, future events, regionally and globally, may have a material impact on the actual results of the Group during the Projection Period 2027.

4.5.3 Bases and assumptions

The Profit Projection has been prepared for illustrative purposes, on the bases and accounting principles consistent with those to be adopted in the preparation of the financial statements of the Group. The financial year end of the Group is 30 June. The Profit Projection has been prepared on the assumption that the Acquisitions, the entry into the Hotel Master Lease Agreements, the Offering and the Listing had been completed on 11 September 2026 and that IOIPG REIT is established and had commenced operations on 11 September 2026, of which the financial statements will be prepared for a period of less than 12 months for the financial period ending 30 June 2027. The actual revenue to be recorded by IOIPG REIT shall commence on the Listing Date. The Manager has prepared the Profit Projection on the following bases and assumptions. The Manager considers these bases and assumptions to be appropriate and reasonable as at the date of this Prospectus.

However, investors should consider these bases and assumptions as well as the Profit Projection and make their own assessment of the future performance of the Group.

4.5.3.1 Total Revenue

The Manager has projected the Total Revenue for the Projection Period 2027 to be at RM551.6 million, which comprises Rental Income and revenue from contracts with customers.

The breakdown of Total Revenue by the type of Subject Properties is as follows in which the assumptions used in projecting the revenue for each type of Subject Property are explained thereafter:

	Total Revenue
	Projection Period 2027
	RM'000
Type of Subject Properties	
Retail Property	
IOI City Mall	400,518
Hotel Properties	
Putrajaya Marriott Hotel	14,100
Le Méridien Putrajaya	18,161
Moxy Putrajaya	12,002
Four Points by Sheraton Puchong	4,816
W Kuala Lumpur	20,262
Courtyard by Marriott Penang	6,963
Office Properties	
IOI City Towers	38,315
PFCC Towers	36,444
Total	**551,581**

(i) Retail Property

The breakdown of rental income and revenue from contracts with customers of the Retail Property is as follows:

	Projection Period 2027
Retail Property - IOI City Mall	**RM'000**
Rental income:	
Base rent	225,638
Percentage rent	33,410
Advertising and promotion	13,797
Revenue from contracts with customers:	
Service charge	45,929
Car park income	42,371
Recoveries	38,635
Other incidental income	738
Total	**400,518**

Rental income – Base rent

The following is assumed in arriving at the projected base rent for the Retail Property for the Projection Period 2027.

The lease expiry profile as at 11 September 2026 and projected base rent for the Projection Period 2027 are as follows:

	Projection Period 2027	
	NLA	**Projected base rent**
	%	**RM'000**
Existing tenancy agreements:		
Expiring after Projection Period	74.7	164,568
Expiring during Projection Period	23.2	61,070
- *Contracted*	-	*31,532(1)*
- *Not contracted - to be renewed(2)*	-	*29,538(3)*
Vacant lots	2.1	-
Total	**100.0**	**225,638**

Notes:

(1) Reflects contracted base rent up to the expiry date of the respective tenancy agreements.

(2) For the existing tenancy agreements expiring during the Projection Period 2027, it is assumed that the NLA which has yet to be renewed will either be renewed or be occupied by new tenants (with tenancy periods ranging between 1 to 3 years).

(3) Base rent is projected on a per tenant basis after taking into account, among others, tenants' sales performance and prospects, occupancy cost ratio (being the percentage of the tenant's revenue which is being paid as rental), tenants' previously contracted base rent and the base rent paid by tenants of a similar trade sector or location within the Retail Property. The average growth rate of the base rent psf is 8.6% for the Projection Period 2027 compared to its respective previous contractual tenancy rental rates.

The projected Average Occupancy Rate for the Projection Period 2027 is assumed at 97.3%. The Average Occupancy Rate for the FPE 31 May 2026 is 96.9%.

The projected base rent psf for the Projection Period 2027 is assumed at RM9.30. The base rent psf of the Retail Property is RM8.52 for the FPE 31 May 2026.

Rental income – Percentage rent

The percentage rent for the Projection Period 2027 is projected on a per tenant basis based on the actual percentage rent recorded during the corresponding period after considering trends in individual tenants' sales performance and prospects observed up to 11 September 2026, as well as the changes in proportion of base rent and percentage rent arising from tenancy renewals. Historically, base rent increases upon tenancy renewals for performing tenants (for example, tenants who have been paying percentage rent instead of base rent with regard to tenancies where rental terms are the higher of base rent or percentage rent), which results in a relatively higher proportion of base rent compared to percentage rent in the projections.

Rental income – advertising and promotion income

The advertising and promotion income is projected after considering the historical results for the FPE 31 May 2026 and anticipated advertising and promotional activities.

Revenue from contract with customers

For the Projection Period 2027, the service charge is projected based on the Occupied NLA as at 31 May 2026 and the projected Average Occupancy Rate for the Projection Period 2027 which is assumed at 97.3%. It is assumed that the service charge rate for the Projection Period 2027 remains at the same rate as of 31 May 2026.

For car park income, the projected car park income is projected to increase for the Projection Period 2027 after considering the projected increase in car traffic to IOI City Mall and the projected occupancy rates of the Subject Properties within the integrated development of IOI Resort City.

For the Projection Period 2027, recoveries are projected based on projected consumption levels and expected tariff rates.

Other incidental income comprises miscellaneous income which are projected based on the actual historical amounts excluding one-off non-recurring income.

The projected Average Rental Rate psf for the Projection Period 2027 of IOI City Mall is assumed at RM13.14. The Average Rental Rate psf for the FPE 31 May 2026 was RM12.64.

(ii) Hotel Properties

The breakdown of master lease income of the Hotel Properties is as follows:

	Projection Period 2027
	RM'000
Hotel Properties – Master lease income	
Putrajaya Marriott Hotel	14,100
Le Méridien Putrajaya	18,161
Moxy Putrajaya	12,002
Four Points by Sheraton Puchong	4,816
W Kuala Lumpur	20,262
Courtyard by Marriott Penang	6,963
Total	**76,304**

Master lease income

The Guaranteed Rent and Variable Rent for each Hotel Property as per the Hotel Master Lease Agreements are set out in the table below:

	Projection Period 2027	
	Guaranteed Rent	**Variable Rent**
	RM'000	
Hotel Properties		
Putrajaya Marriott Hotel	6,454	90% of Net GOP
Le Méridien Putrajaya	8,429	
Moxy Putrajaya	6,021	
Four Points by Sheraton Puchong	4,816	
W Kuala Lumpur	9,633	
Courtyard by Marriott Penang	5,491	
Total	**40,844**	

The breakdown of the Net GOP is as follows:

	Net GOP
	Projection Period 2027
	RM'000
Hotel Properties	
Putrajaya Marriott Hotel	15,667
Le Méridien Putrajaya	20,179
Moxy Putrajaya	13,336
Four Points by Sheraton Puchong	4,382
W Kuala Lumpur	22,513
Courtyard by Marriott Penang	7,737
Total	**83,814**

Based on the computation of Variable Rent as 90% of Net GOP for each Hotel Property, the Variable Rent is then compared against the Guaranteed Rent stipulated under the respective Hotel Master Lease Agreement. For the Projection Period 2027, the higher of the Variable Rent or the Guaranteed Rent is adopted as the master lease income for the relevant Hotel Property. The resulting master lease income, after applying this comparison for each Hotel Property, is summarised in the table below for the Projection Period 2027.

	Projection Period 2027	
	Basis of projected rental	**Total projected rental**
		RM'000
Hotel Properties		
Putrajaya Marriott Hotel	Variable rent	14,100
Le Méridien Putrajaya	Variable rent	18,161
Moxy Putrajaya	Variable rent	12,002
Four Points by Sheraton Puchong	Guaranteed rent	4,816
W Kuala Lumpur	Variable rent	20,262
Courtyard by Marriott Penang	Variable rent	6,963
Total		**76,304**

The analysis of the components of the Net GOP is described below.

Gross operating revenue

Gross operating revenue consists of room revenue, F&B revenue and other income. The breakdown of gross operating revenue by Hotel Property is as follows:

	Gross operating revenue
	Projection Period 2027
	RM'000
Hotel Properties	
Putrajaya Marriott Hotel	68,372
Le Méridien Putrajaya	76,653
Moxy Putrajaya	40,706
Four Points by Sheraton Puchong	24,602
W Kuala Lumpur	96,509
Courtyard by Marriott Penang	27,288
Total gross operating revenue	**334,130**

Room revenue

The total room revenue of each Hotel Property is projected as follows:

	Room Revenue
	Projection Period 2027
	RM'000
Hotel Properties	
Putrajaya Marriott Hotel	33,887
Le Méridien Putrajaya	42,805
Moxy Putrajaya	30,581
Four Points by Sheraton Puchong	17,404
W Kuala Lumpur	43,085
Courtyard by Marriott Penang	22,384
Total room revenue	**190,146**

The room revenue is projected based on the assumption of the projected Average Occupancy Rate and the projected Average Daily Rate as set out below:

	Projected Average Occupancy Rate[(1)]
	Projection Period 2027
	%
Hotel Properties	
Putrajaya Marriott Hotel	60.0
Le Méridien Putrajaya	82.0
Moxy Putrajaya	70.2
Four Points by Sheraton Puchong	64.9
W Kuala Lumpur	81.2
Courtyard by Marriott Penang	81.0
Average Occupancy Rate	**71.1**

Note:

(1) The projected Average Occupancy Rate is derived based on the total 12 months projected Average Occupancy Rate of each Subject Property for the Projection Period 2027.

	Projected Average Daily Rate
	Projection Period 2027
	RM
Hotel Properties	
Putrajaya Marriott Hotel	395
Le Méridien Putrajaya	503
Moxy Putrajaya	310
Four Points by Sheraton Puchong	367
W Kuala Lumpur	1,172
Courtyard by Marriott Penang	474
Average Daily Rate	**474**

The following property specific factors were considered for the projection of each Hotel Property:

Putrajaya Marriott Hotel

For the Projection Period 2027, the Average Occupancy Rate is projected reflecting the anticipated increase in bookings from multiple distribution channels, including corporate events and travel agents, as well as the expected materialisation of room contracts.

The Average Daily Rate for the Projection Period 2027 is projected based on the Master Lessee's expected performance for Putrajaya Marriott Hotel and the expected demand as described above.

Le Méridien Putrajaya

For the Projection Period 2027, Average Occupancy Rate is projected after considering an increase in corporate demand, scheduled major conventions and events and continuous marketing efforts supported by multiple distribution channels.

The Average Daily Rate for the Projection Period 2027 is projected based on the Master Lessee's expected performance for Le Méridien Putrajaya and the expected demand as described above.

Moxy Putrajaya

For the Projection Period 2027, the Average Occupancy Rate of Moxy Putrajaya is projected after considering continued ramp up in occupancy as the hotel progresses towards a more stabilised level of operations following its fourth year of operation and anticipated increase in contribution from corporate and leisure segments.

The Average Daily Rate for the Projection Period 2027 is based on the Master Lessee's expected performance for Moxy Putrajaya and the expected demand as described above.

Four Points by Sheraton Puchong

For the Projection Period 2027, the Guaranteed Rent will be adopted as the master lease income for Four Points by Sheraton Puchong as the Average Occupancy Rate is projected to decline due to reduced capacity from the ongoing refurbishment works at the hotel that commenced in September 2025 and are expected to be completed in January 2027. During the refurbishment period, the hotel is expected to experience reduced guest visitation as a result of operational disruptions and a reduction in Room Nights.

The Average Daily Rate for the Projection Period 2027 is based on the Master Lessee's expected performance for Four Points by Sheraton Puchong and the expected demand as described above.

W Kuala Lumpur

For the Projection Period 2027, the Average Occupancy Rate is projected to slightly decline due to the strategy of W Kuala Lumpur optimising its Average Daily Rate to enhance its overall revenue performance.

As a result, the Average Daily Rate for the Projection Period 2027 is projected to improve accordingly.

Courtyard by Marriott Penang

For the Projection Period 2027, the Average Occupancy Rate is projected to grow representing a projected continued strong performance, supported by stable demand across corporate, leisure and medical tourism segments in Penang.

The Average Daily Rate for the Projection Period 2027 is based on the Master Lessee's expected performance for Courtyard by Marriott Penang and the expected demand as described above.

F&B revenue

The breakdown for the projected F&B revenue by Hotel Property is as follows:

	F&B revenue
	Projection Period 2027
	RM'000
Hotel Properties	
Putrajaya Marriott Hotel	33,500
Le Méridien Putrajaya	32,822
Moxy Putrajaya	9,444
Four Points by Sheraton Puchong	7,005
W Kuala Lumpur	50,448
Courtyard by Marriott Penang	4,410
Total F&B revenue	**137,629**

The F&B revenue comprise receipts from restaurants, lounges and bars, as well as corporate meetings, events and banquets. The projected F&B revenue is derived from the historical revenue composition and historical performance of F&B outlets of the relevant Hotel Property, taking into consideration historical occupancy rates and expected bookings for banquets with the exception of the following Hotel Properties:

(a) in respect of Putrajaya Marriott Hotel, its F&B revenue is projected to improve following an increase in catering and banquet revenue, supported by the conversion of the hotel's Tuscany Italian-American Grill restaurant into a multi-functional event space;

(b) in respect of W Kuala Lumpur, its F&B revenue is projected to include the additional revenue from a new F&B outlet for the Projection Period 2027; and

(c) in respect of Four Points by Sheraton Puchong, its F&B revenue is projected to improve following the completion of the refurbishment works and the resumption of full operations.

Other income

Other income comprises items such as spa and beauty services, annual memberships, and laundry services. These are projected based on the historical performance of the Hotel Properties' operations and demand for banquet services.

Operating expenses

For the Projection Period 2027, the operating expenses are projected based on historical performance, taking into consideration expected increases arising from occupancy levels, expected banqueting demand, expected operating efficiencies and level of operations.

Master lease expenses

Master Lease Expenses are projected based on (a) historical expenses incurred by the respective Hotel Properties; and (b) in respect of the FF&E Contribution, expected GOP and conditions set out in the Hotel Master Lease Agreements.

Rental income – Base rent

The following is assumed in arriving at the projected base rent for the Office Properties for the Projection Period 2027.

The lease expiry profile for IOI City Towers as at 11 September 2026 and projected base rent for the Projection Period 2027 are as follows:

	Projection Period 2027	
	NLA	**Projected base rent**
IOI City Towers	**%**	**RM'000**
Existing tenancy agreements:		
Expiring after Projection Period	67.4	17,394
Expiring during Projection Period	20.7	5,622

Tenancy not secured, but in negotiations with potential tenants[(5)]	2.0	433
Vacant lots	6.6	-
Total	**100.0**	**24,394**

Notes:

(1) Reflects contracted base rent up to the expiry date of the respective tenancy agreements.

(2) For the existing tenancy agreements expiring during the Projection Period 2027, it is assumed that the NLA which has yet to be renewed is either assumed to be renewed or be occupied by new tenants (with tenancy periods ranging between 1 to 3 years).

(3) Base rent is projected on a per tenant basis after taking into account, among others, contractual rental escalations under existing tenancy agreements, and rental reversions upon lease renewal where rents are assumed to be adjusted towards prevailing market rental levels. The average growth rate of the base rent psf is 5.2% for the Projection Period 2027 compared to its previous contractual tenancy rental rate.

(4) Projected based on rental rates stated in the executed tenancy agreements.

(5) Projected based on rental rates that are under negotiations with potential tenants or rental rates stated in letter of offer issued but not yet accepted by tenants (as the case may be).

The projected Average Occupancy Rate of IOI City Towers for the Projection Period 2027 is assumed at 87.8%. The Average Occupancy Rate of IOI City Towers for the FPE 31 May 2026 is 61.0%.

The projected base rent psf of IOI City Towers for the Projection Period 2027 is assumed at RM2.94. The base rent psf of IOI City Towers is RM2.98 for the FPE 31 May 2026.

IOIPG and its affiliates are projected to occupy 18.1% of the Committed Occupied NLA of IOI City Towers, contributing to 12.7% of the Total Revenue of IOI City Towers for the Projection Period 2027. Tenants which are not affiliated to IOIPG are projected to occupy the remaining 81.9% of the Committed Occupied NLA of IOI City Towers, contributing to the remaining 87.3% of the Total Revenue of IOI City Towers for the Projection Period 2027.

The lease expiry profile for PFCC Towers as at 11 September 2026 and projected base rent for the Projection Period 2027 are as follows:

	Projection Period 2027	
	NLA	**Projected base rent**
PFCC Towers	**%**	**RM'000**
Existing tenancy agreements:		
Expiring after Projection Period	75.8	20,220
Expiring during Projection Period	12.1	4,032
- Contracted	-	2,220[(1)]
- Not contracted - to be renewed [(2)]	-	1,812[(3)]
New tenancies where:		
Tenancy not secured, but in negotiations with potential tenants[(4)]	2.9	682
Vacant lots	9.2	-
Total	**100.00**	**24,934**

Notes:

(1) Reflects contracted base rent up to the expiry date of the respective tenancy agreements.

(2) For the existing tenancy agreements expiring during and after the Projection Period 2027, it is assumed that the NLA which has yet to be renewed is either assumed to be renewed or occupied by new tenants (with tenancy periods ranging between 1 to 3 years).

(3) Base rent is projected on a per tenant basis after taking into account, among others, contractual rental escalations under existing tenancy agreements, and rental reversions upon lease renewal where rents are assumed to be adjusted towards prevailing market rental levels. The average growth rate of the base rent psf is 6.1% for the Projection Period 2027 compared to its previous contractual tenancy rental rate.

(4) Projected based on rental rates that are under negotiations with potential tenants or rental rates stated in letter of offer issued but not yet accepted by tenants (as the case may be).

The projected Average Occupancy Rate of PFCC Towers for the Projection Period 2027 is assumed at 88.2%. The Average Occupancy Rate of PFCC Towers for the FPE 31 May 2026 is 74.1%.

The projected base rent psf of PFCC Towers for the Projection Period 2027 is assumed at RM3.45. The base rent psf of PFCC Towers is RM3.38 for FPE 31 May 2026.

The IOIPG Group is projected to occupy 9.7% of the Committed Occupied NLA of PFCC Towers, contributing to 8.2% of the Total Revenue of PFCC Towers for the Projection Period 2027. Tenants which are not affiliated to IOIPG are projected to occupy the remaining 90.3% of the Committed Occupied NLA of PFCC Towers, contributing to the remaining 91.8% of the Total Revenue of PFCC Towers for the Projection Period 2027.

Revenue from contract with customers

For the Projection Period 2027, the service charge is projected based on the Occupied NLA as at 31 May 2026 and the projected Average Occupancy Rate for the Projection Period 2027 for the Office Properties, which is assumed at 87.8% for IOI City Towers, and 88.2% for PFCC Towers. It is assumed that the service charge rate for the profit projection period remains at the same rate as of 31 May 2026.

For car park income, it is assumed that the car park rate throughout the profit projection period remains at the same rate as of 31 May 2026 for IOI City Towers. For PFCC Towers, it is assumed that there are no further changes to the rate for the Projection Period 2027 as compared to 31 May 2026. The projected car park income is projected to be in proportion with the projected Average Occupancy Rate of the Subject Properties located within the integrated development of PFCC.

Recoveries are projected after taking into consideration the historical consumption for the FPE 31 May 2026 and the projected Average Occupancy Rate for the Projection Period 2027.

Other incidental income comprises miscellaneous income and are projected based on historical amounts.

The projected Average Rental Rate psf for the Projection Period 2027 of IOI City Towers is assumed at RM4.35. The Average Rental Rate psf for the FPE 31 May 2026 was RM4.38.

The projected Average Rental Rate psf for the Projection Period 2027 of PFCC Towers is assumed at RM4.44. The Average Rental Rate psf for the FPE 31 May 2026 was RM4.39.

4.5.3.2 Property operating expenses

For the Projection Period 2027, the Manager projected the property operating expenses to be RM173.9 million. Property operating expenses consist of utilities expenses, quit rent and assessment, maintenance expenses, reimbursement costs and other property operating expenses in which the assumptions used are explained below.

	Projection Period 2027
	RM'000
Utilities:	
Electricity Charges	56,422
Water Charges	7,414
Gas Charges	2,825
	66,661
Property management fee and reimbursables	43,758
Maintenance expenses:	
Repair and maintenance	21,519
Cleaning charges	17,362

	Projection Period 2027
	RM'000
Security charges	2,521
	41,402
Quit rent and assessment	11,753
Other operating expenses:

	Projection Period 2027
	RM'000
Retail Property	
IOI City Mall	54,463
Office Properties	
IOI City Towers	5,926
PFCC Towers	6,272
	66,661

It is assumed that for the Projection Period 2027, utilities expenses are projected based on projected consumption levels, projected occupancy levels, and expected tariff rates.

Property management fee and reimbursables

Property management fee is payable to the Property Manager pursuant to the Property Management Agreement entered into between the Manager, the Trustee and the Property Manager in respect of the Retail Property and the Office Properties.

In addition, the Property Manager will be entitled to recover expenses incurred in discharging its responsibilities for the maintenance and management of the Retail Property and Office Properties in accordance with the terms of the Property Management Agreement entered into.

To conduct its property management activities, the Property Manager entered into the Service Provider Agreement with the Service Provider for the provision of property management support, information technology services, management services, corporate support services and ad hoc services. Fees charged by the Service Provider to the Property Manager will thereafter be recovered from the Group for the services provided.

Fixed property management fee payable to the Property Manager under the Property Management Agreement is RM25,500 per month (equivalent to RM306,000 per annum), excluding any applicable tax. Other than the fixed property management fee, the amount recovered by the Property Manager under the Property Management Agreement and the Service Provider Agreement is approximately RM43.5 million for the Projection Period 2027.

Maintenance expenses

	Projection Period 2027
	RM'000
Retail Property	
IOI City Mall	33,649
Office Properties	
IOI City Towers	3,551
PFCC Towers	4,202
	41,402

Maintenance expenses refer to expenses incurred by the Retail Property and Office Properties for repair and maintenance such as air-conditioning, lift and escalator, and firefighting equipment, cleaning charges and security charges. All maintenance expenses are mainly made up of contractual services and non-recurring expenses.

The Manager has assumed that there will be no significant non-recurring maintenance to be carried out on the Retail Property and Office Properties in the Projection Period 2027. Contracted maintenance expenses for the Projection Period 2027 are projected based on monthly charges as stipulated in executed agreements. Non-recurring maintenance for the Projection Period 2027 are projected based on annual upkeep plan of the Retail Property and Office Properties.

Quit rent and assessment

	Projection Period 2027
	RM'000

Office Properties	
IOI City Towers	977
PFCC Towers	800
	11,753

Quit rent and assessment rates are prescribed by and payable to the local authorities based on the annual value of the Subject Properties as assessed by the relevant local authorities.

It is assumed that the quit rent and assessment rates remain at the same rate throughout the Projection Period 2027 based on the latest actual billing issued by relevant local authorities for the FPE 31 May 2026.

IOI City Towers	164
PFCC Towers	272
	10,362

For the Retail Property and the Office Properties, other operating expenses include mainly marketing and promotion expenses, insurance and miscellaneous expenses. For the Hotel Properties, other operating expenses comprise insurance premiums.

Marketing and promotion expenses are discretionary expenses and are to be incurred on a need-to basis. These expenses are projected based on anticipated promotional activities required to sustain occupancy and footfall levels.

The insurance premiums for property insurance and fire consequential loss coverage in respect of the Subject Properties are projected based on insured asset values and the projected performance of the relevant Subject Property respectively. Insurance expenses for the Retail Property and Office Properties for operational insurance are projected based on historical insurance premiums for the FPE 31 May 2026.

Miscellaneous expenses comprise telecommunications expenses, transport and travel expenses, printing and stationery, license fees, entertainment, provision for doubtful debt and other miscellaneous expenses.

4.5.3.3 Interest income

Interest income for the Projection Period 2027 is projected based on actual historical late payment interest earned on outstanding receivables due from tenants of the Office Properties.

4.5.3.4 Change in fair value of investment properties

For the purposes of the Profit Projection, the Manager has assumed that the fair value of the Subject Properties will remain unchanged from date of acquisition. As it is assumed that there will be no fluctuation on the fair value of the Subject Properties during the Projection Period 2027, no fair value gain or loss has been included in the Profit Projection.

4.5.3.5 Non-property expenses

Non-property expenses of the Group comprise the following:

	Projection Period 2027
	RM'000
Manager's fees	29,789
Trustee's fee	481
Other trust expenses	983
Total Non-property Expenses	**31,253**

(i) Manager's fees

For the Projection Period 2027, the Manager's fees will be computed based on the following entitlement prescribed in the Deed:

(a) base fee of up to 0.5% per annum of the Total Asset Value of IOIPG REIT as at 30 June 2027 (excluding cash and bank balances which are held in non-interest-bearing accounts); and

(b) performance fee of up to 5.0% per annum of NPI of the Subject Properties for the Projection Period 2027.

The Manager will charge a base fee of 0.3% per annum of the Total Asset Value of IOIPG REIT (excluding cash and bank balances which are held in non-interest-bearing accounts) and a performance fee of 3.0% per annum of the consolidated NPI.

The Manager will be paid the Manager's fees in the form of cash, Units or a combination of both. For the purposes of the Profit Projection, it is assumed that 50% of the fees are paid in cash and another 50% in Units.

(ii) Trustee's fee

The Trustee's fee comprises the fee payable to the Trustee up to 0.012% per annum of the NAV of IOIPG REIT capped at a maximum of RM700,000, as prescribed in this Prospectus and the Deed.

For the Projection Period 2027, it is assumed that the Trustee's fee is approximately RM0.5 million.

(iii) Other trust expenses

Other trust expenses are expenses expected to be incurred by the Group which consist of costs incurred after the establishment date by the Manager or Trustee that are not incremental to the issuance of the Units and in accordance with the Deed. Examples of such expenses are secretarial fee, consultancy fee, professional fees, market research fees, public relations expenses and other expenses relating to preparation and distribution of reports to Unitholders, together with other miscellaneous expenses such as postage, printing and stationery. These expenses are determined based on an estimate of actual fees payable to the respective parties.

4.5.3.6 Finance costs

To part finance the Acquisitions, the Group will utilise the proceeds from the issuance of the Sukuk under a Sukuk Programme, established by a special purpose vehicle, IOIPG REIT Capital Sdn Bhd, which is wholly-owned by the Trustee, on behalf of IOIPG REIT, assuming the role of the issuer for the purpose of undertaking the Sukuk Programme. The Manager has assumed proceeds from issuance of RM2.66 billion from the Sukuk Programme upon Listing as described in **Section 3.9** "REIT Financing" of this Prospectus.

For the Projection Period 2027, it is assumed that the Group will receive net proceeds of RM2.65 billion from the Sukuk, after deducting transaction cost of RM4.3 million. The Sukuk is assumed to bear an indicative weighted average profit rate of approximately 3.8% per annum and that no amount is due within the next 12 months as the Sukuk tenure is for a period of 3 to 5 years.

The Manager has assumed that there were no new issuance, repayment or redemption of Sukuk throughout the profit projection period and that there will be no additional funding required for working capital and operational purposes.

4.5.3.7 Taxation

In accordance with the Income Tax Act subsection 61A(1), IOIPG REIT will be exempted from income tax provided that IOIPG REIT distributes at least 90.0% of its total income as defined in the Income Tax Act to the Unitholders within 2 months from the close of its financial year which forms the basis period for the year of assessment of IOIPG REIT.

It is assumed that more than 90.0% of IOIPG REIT's total income are distributed to Unitholders within two months after the close of each of the financial year. Accordingly, no current tax liabilities have been projected for the Projection Period 2027.

Based on the applicable Global Minimum Tax legislation and guidelines, the Manager has assumed that IOIPG REIT will satisfy the conditions to be treated as an "Investment Entity" and a "Real Estate Investment Vehicle" including that its taxation achieves a single level of taxation either at the REIT level or in the hands of IOIPG as its Unitholder, distributes more than 90% of its total income to Unitholders, and elects for any unrealised fair value gains and losses on Subject Properties to be excluded from effective tax rate calculation until realisation.

IOIPG, which is expected to hold an effective interest of up to 60.0% in IOIPG REIT, is assumed to be subject to Malaysian corporate income tax at the current prevailing rate of 24% on its share of income distributions received from IOIPG REIT for the Projection Period 2027. On the premise that the applicable tax on such income distributions payable by IOIPG is taken into account in the effective tax rate calculation of IOIPG REIT, the effective tax rate of IOIPG REIT for the Projection Period 2027 is expected to exceed the minimum rate of 15% and hence no Global Minimum Tax top-up tax has been provided in the Profit Projection.

4.5.3.8 Non-cash items

Non-cash items comprise the change in fair value of investment properties and 50% of the Manager's fees which is payable in Units.

4.5.3.9 Distributable Income

It is assumed that IOIPG REIT will distribute 100.0% of its Distributable Income for the Projection Period 2027.

4.5.3.10 General assumptions

In addition to assumptions disclosed elsewhere in the Profit Projection, the following are general assumptions adopted by the Board:

(i) save for Units assumed to be issued to the Manager under **Section 4.5.3.5(i)** "Manager's fees" of this Prospectus, the assets portfolio and structure of the Group remain unchanged with no further issuance under the Sukuk Programme (save as disclosed in **Section 3.9** "REIT Financing" of this Prospectus) or issuance of Units for cash;

(ii) it is assumed that 50% of the Manager's fees will be satisfied through the issuance of Units at an assumed price of RM0.96 per Unit;

(iii) there will be no significant change to the principal activities, management structure and accounting policies adopted by the Group;

(iv) there will be no changes to the portfolio of the Subject Properties;

(v) all tenancy agreements are enforceable and will be performed in accordance with their terms of tenancies;

(vi) there will be no major changes in the prevailing inflation rate, property expenses, finance costs and trust expenses of the Group other than as set out in the Profit Projection;

(vii) there will be no major changes to the cost of fund or the effective interest / profit rate which will materially affect the Group's finance costs;

(viii) significantly all revenue receivable by the Group, such as rental proceeds, will be received within the credit term for such receivables;

(ix) there will be no major changes in the Group's operations that will adversely affect the performance of the Group;

(x) there will be no material contingent liabilities arising during the Projection Period 2027, which may adversely affect the Profit Projection. The Group will not be engaged in any material litigation and there will be no legal proceedings which will affect the Group's activities or performance or give rise to additional contingent liabilities which may materially affect the results of the Group;

(xi) there will be no major uninsured losses, no claims against IOIPG REIT or its subsidiary for risks not covered under its existing insurance policies and no material losses in excess of insurance proceeds;

(xii) it has been assumed that there will be no major changes in the MFRS and IFRS or other financial reporting requirements that may have a material effect on the Profit Projection;

(xiii) there will be no adverse economic, political or property market conditions which will materially affect the activities and performances of the Subject Properties;

(xiv) there will be no major changes to present legislation or Government regulations, tax rates and basis of taxation in Malaysia which will adversely affect the operations of the Group or the markets in which it operates;

(xv) there will be no major disruption in the operations and there will be no other events and abnormal factors including but not limited to geopolitical tensions or conflicts (including ongoing conflicts in the Middle East), war, terrorism attacks, epidemic outbreak or natural disaster, which will adversely affect the operations of the Group;

(xvi) there will be no major industrial disputes or any other abnormal factors or changes that will significantly affect the Group's operations or rental rate or disrupt its planned operations; and

(xvii) there will be no significant changes in the terms and conditions of material contracts and agreements, including but not limited to, the SPAs, the Deed, the tenancy agreements, the Hotel Master Lease Agreements, the financing agreements and the Property Management Agreement.

5. RISK FACTORS

An investment in the Units involves risk. Prospective investors should rely on their own evaluation and carefully consider the following risk factors in addition to other information contained elsewhere in this Prospectus, before investing in the Units.

This Prospectus contains forward-looking statements that involve risks, uncertainties and assumptions. The actual results of IOIPG REIT could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the risks described below and elsewhere in this Prospectus. If any of the risks described herein actually occur, IOIPG REIT's business, prospects, financial condition, results of operations and ability to make distributions could be negatively affected, the trading price of the Units could decline and investors may lose all or part of their investment.

Unless specified or quantified in the relevant risk factors set out herein, the Manager is not in a position to quantify the financial or other implication of any of the risks described in this section. In addition, the following risk factors may not be exhaustive and additional risks and uncertainties not presently known to IOIPG REIT or the Manager, or which are currently deemed to be immaterial may become material in the future, which would have a material adverse effect on IOIPG REIT or the trading price of the Units.

As the nature of an investment in a REIT is meant to produce stable income distributions, investors should not expect to realise a significant proportion of their returns in IOIPG REIT to be in the form of capital gains.

Investors should be aware that the trading price of the Units may fluctuate. Investors should also note that they may not get back their original investment.

5.1 RISKS RELATING TO THE SUBJECT PROPERTIES

5.1.1 A significant portion of IOIPG REIT's revenue will depend on the success, financial performance and condition of its tenants and lessees

IOIPG REIT's financial performance and condition will depend significantly on its ability to continuously lease the Subject Properties to tenants and lessees on economically favourable terms. As IOIPG REIT's initial asset portfolio will consist of retail, hospitality and office properties, it will be subject to the general risks associated with investments in these sectors. A downturn in the business of or the bankruptcy or insolvency of a key tenant or a group of tenants at any one time could potentially have a material adverse effect on IOIPG REIT's business, prospects, financial condition, results of operations and ability to make distributions. For example, if the sales of stores operating at the Retail Property were to decline significantly, these tenants may not be able to fulfil their obligation to pay the rental charges and/or expense charges.

In particular, IOIPG REIT's income from the Retail Property comprises, among others, a base rent or percentage rent (which is calculated by reference to a fixed percentage of the tenant's total monthly gross sales turnover), whichever is higher. IOIPG REIT's income from the Hotel Properties is also based on the Guaranteed Rent or Variable Rent (whichever is higher) of the relevant Hotel Property. Accordingly, any decrease in the revenue generated by the tenants and lessees will cause a corresponding decrease in IOIPG REIT's income from such tenants and lessees.

Furthermore, the weakening of the financial condition of one or more of IOIPG REIT's tenants and lessees may cause:

- delay in rental payment;
- defaults by the tenant in rental payment and other obligations under the tenancy agreement, which may result in a premature termination of the tenancy agreement;
- non-renewal of the tenancy upon its expiration;

- renewal of the tenancy on terms that are less favourable to IOIPG REIT than the terms of the current tenancy agreement; and/or

- vacancy of any part of the Subject Properties or frictional vacancy before suitable replacement tenants are found.

Therefore, IOIPG REIT will be significantly dependent upon the success and the financial performance and condition of its tenants and lessees, and any of the foregoing events could have a material adverse effect on IOIPG REIT's business, prospects, financial condition, results of operations and ability to make distributions.

5.1.2 The loss of key tenants of the Retail Property or Office Properties or a downturn in the businesses could have an adverse effect on IOIPG REIT

Part of IOIPG REIT's retail and office space is leased to key tenants that have been selected because of their ability to attract customers and/or other potential tenants. Such tenants are typically pursued by other building owners because of their potential ability to enhance the value of their properties. There can be no assurance that the Manager can successfully compete to secure and/or retain such key tenants in the Retail Property and Office Properties.

As such, IOIPG REIT's business, prospects, financial condition, results of operations and ability to make distributions may be adversely affected by the loss of a key tenant or in the event such key tenant files for bankruptcy or insolvency, or experiences a downturn in its businesses, or if one or more of these tenants determine not to renew its tenancy. Further, the Manager may not be able to procure replacement tenants on the same terms (or no less favourable terms) in time or at all.

The loss of key tenants or a number of tenants of the Retail Property or any of the Office Properties could result in periods of vacancy and reduced occupancy levels, which could adversely affect the revenue and financial condition as well as footfall of the Retail Property or any of the Office Properties. Consequently, IOIPG REIT's ability to make distributions to the Unitholders may be impacted.

Similarly, if key tenants or a significant number of tenants do not renew their tenancies upon expiry, or a significant number of early terminations by key tenants and/or a number of tenants occur, and replacement tenants cannot be secured, or if secured, tenancies are entered into with these tenants on terms less favourable than those with the prior tenants, this could materially and adversely affect IOIPG REIT's financial condition and results of operations. In addition, if the expiry of a significant number of leases is concentrated at a particular time and/or in relation to the Retail Property or an Office Property, IOIPG REIT's existing or prospective tenants may acquire leverage in negotiating a lower rental price, which might adversely impact IOIPG REIT's revenue and business.

Further, in the event that any key tenants of the Retail Property or any of the Office Properties are unable to pay their rent or breach their obligations under the tenancy agreements, IOIPG REIT's business, prospects, financial condition, results of operations and ability to make distributions may be adversely affected. The performance of the key tenants' other businesses could also have an impact on their ability to make rental payments to IOIPG REIT.

Factors that affect the ability of such key tenants to meet their obligations include, but are not limited to:

(i) general economic conditions;

(ii) their financial performance and condition;

(iii) the local economies in which they have business operations (if any); and

(iv) the ability of such key tenants to compete with their competitors.

5.1.3 IOIPG REIT and the Manager are dependent on the Sponsor in various ways

IOIPG REIT and the Manager are dependent on the "IOI" brand name and their relationship with the Sponsor.

The Manager intends to leverage on and benefit from the Sponsor's established track record in property development and investment, and use the "IOI" brand name in attracting visitors and reputable tenants, maintaining tenant relationships, and exploring investment opportunities. IOIPG REIT may also choose to acquire additional properties directly from the Sponsor in the future pursuant to the ROFR which facilitates acquisition growth of IOIPG REIT. In addition, IOIPG REIT and the Manager will also be dependent on the Sponsor to provide IT solutions and certain support services such as repair, maintenance and related construction services and providing personnel with necessary qualifications, expertise, experience and internal working and operational knowledge of the properties, as detailed in **Section 11** "Corporate Governance, Related Party Transactions and Conflict of Interest" of this Prospectus, which will not be entirely within the control of IOIPG REIT or the Manager. The operational capabilities of the Manager may be adversely affected if there is any interruption or defect in the provision of such support services by the Sponsor. If the Sponsor is unable to provide the above support services required by IOIPG REIT when needed in future, it may have a material adverse effect on IOIPG REIT's business operations and future growth.

On the Listing Date, the Hotel Properties will be leased to the Master Lessees as well, which are subsidiaries of the Sponsor. The Hotel Properties are dependent upon rental payments from the Master Lessees, and accordingly, the business, financial condition, results of operations and prospects of IOIPG REIT in respect of the Hotel Properties will depend substantially upon the ability of the Master Lessees (and in turn the ability of the Sponsor) to make timely rental payments.

Further, given that IOIPG REIT is closely associated with the "IOI" brand name, any degradation or negative publicity relating to the "IOI" brand name could adversely affect the results of operations of the Subject Properties. Any adverse developments, negative publicity and future financial challenges experienced by the Sponsor may also directly result in negative perceptions of IOIPG REIT due to its close association with the Sponsor, which could have a material adverse effect on the business, prospects, financial condition and results of operations of IOIPG REIT and in turn, its ability to make distributions to the Unitholders.

The Manager also does not have exclusive use of the "IOI" brand name under the terms of the Trademark Licence Agreement. Under the Trademark Licence Agreement, the Sponsor has the option to require the Trustee and/or the Manager to remove the registered trademark "IOI" if, among others, the Sponsor ceases to hold direct and/or indirect controlling interest of the total issued Units, the Manager ceases to be a subsidiary of the Sponsor, or the Manager ceases to be the management company of IOIPG REIT. If IOIPG REIT is unable to use the "IOI" brand name, the business and operation of IOIPG REIT may be adversely affected. Please refer to **Section 1.10** "Intellectual Property" of this Prospectus for further details on the use of the registered trademark "IOI" and other registered trademarks.

The ROFR granted by the Sponsor to IOIPG REIT will take effect from the completion of the Acquisitions and shall remain effective and binding only for so long as: (i) the Manager remains as the management company of IOIPG REIT; (ii) IOIPG and/or any of its subsidiaries or related corporations, alone or in aggregate, holds direct and/or indirect interest of 50.0% or more in the Manager; (iii) IOIPG and/or any of its subsidiaries or related corporations, alone or in aggregate, holds direct and/or indirect interest of 33.0% or more in IOIPG REIT; and (iv) IOIPG REIT remains listed on Bursa Securities. If any of the foregoing conditions cease to be satisfied, the ROFR will terminate and IOIPG REIT will not be able to benefit from the ROFR which may adversely affect IOIPG REIT's ability to implement its acquisition growth strategy. Please refer to **Section 14.4** "Salient Terms of the ROFR" of this Prospectus for further details on the terms of the ROFR.

5.1.4 IOIPG REIT is reliant on the Retail Property for a substantial portion of the Total Revenue

While the initial portfolio of IOIPG REIT comprises 9 properties across different asset types, IOIPG REIT will be reliant on the Retail Property for a substantial portion of the Total Revenue, as the Retail Property is the single largest asset within IOIPG REIT's initial asset portfolio and accounts for approximately 67.2% of the aggregate Appraised Value of the Subject Properties as at 31 May 2026. In addition, the Retail Property accounts for approximately 81.8%, 80.9%, 77.0% and 75.3% of the Total Revenue in the FYE 2023, FYE 2024, FYE 2025 and FPE 31 May 2026 respectively.

Any circumstance which adversely affects the operations or business of the Retail Property or its attractiveness to tenants and shoppers may reduce the Retail Property's contribution to the Total Revenue. This may in turn adversely affect the business, prospects, financial condition and results of operations of IOIPG REIT, reducing the ability of IOIPG REIT to make distributions to the Unitholders.

5.1.5 IOIPG REIT's initial asset portfolio is concentrated in certain areas in Klang Valley, Malaysia

IOIPG REIT's initial asset portfolio will consist of the Retail Property, the Hotel Properties and the Office Properties, all of which are located in Klang Valley, Malaysia, save for Courtyard by Marriott Penang. Accordingly, IOIPG REIT is exposed to the risks associated with the geographical concentration of the Subject Properties, including the risk of an overall downturn in economic and real estate conditions in Malaysia.

Furthermore, 5 out of the 9 Subject Properties, representing approximately 85.2% of the aggregate Appraised Value of the Subject Properties as at 31 May 2026, are located within IOI Resort City and significantly depend on the success and economic viability of IOI Resort City. IOI Resort City is in turn significantly dependent on leisure and business travellers and is therefore subject to, among others, the risks associated with the tourism industry. In addition, a downturn in one or more of the retail, hospitality or office sectors or a decrease in the popularity of the IOI Resort City may have pronounced effects on the business, prospects, financial condition, results of operations and ability of IOIPG REIT to make distributions to the Unitholders.

Public transport access to IOI Resort City is limited to the public bus network and e-hailing services, and there is no direct public rail connectivity. These may pose as a challenge in attracting prospective tenants to the Retail Property and the Office Properties located within IOI Resort City as well as limit the prospects of greater footfall to the Retail Property and increase in the Average Occupancy Rate of the Hotel Properties located within IOI Resort City, which would in turn adversely affect the business, prospects, financial condition and results of operations of IOIPG REIT. Nonetheless, the foregoing is mitigated by the availability of car park bays at the Subject Properties located within IOI Resort City as well as the proximity and connectivity of these Subject Properties via, among others, the SKVE Highway which links the Subject Properties located within IOI Resort City to other major areas throughout the Klang Valley and ensures accessibility of these Subject Properties to major cities and townships like Cyberjaya, Puchong, and Shah Alam, as well as popular hotspots like the KL City Centre.

5.1.6 The Subject Properties may require significant capital expenditure beyond the Manager's current estimate for refurbishment, renovation and improvements, and IOIPG REIT may not be able to secure the necessary funding

The Subject Properties may require significant capital expenditure beyond the Manager's current estimate for refurbishment, renovation and improvements in order for them to remain competitive. In addition, the Hotel Properties may require periodic capital expenditure exceeding any FF&E Reserves maintained, for purposes of any major refurbishments, renovation and improvements. IOIPG REIT may not be able to fund the foregoing capital requirements solely from its internal funds and/or obtain additional equity and/or debt financing on favourable terms or at all as these are subject to prevailing conditions in the equity and debt capital markets, which may adversely affect the financial condition and results of operations of IOIPG REIT and in turn, its ability to make distributions to the Unitholders. If IOIPG REIT is not able to procure such funding, the Manager may also not be able to refurbish, renovate and/or improve the Subject Properties which may adversely affect rental negotiations, occupancy rates, rental rates and (where applicable) the Average Daily Rate. IOIPG REIT may also require additional debt and/or equity financing to fund future expansion and/or operational needs. Without the required funding, IOIPG REIT may not be able to carry out its operations effectively, incur sufficient capital expenditures or respond to competitive pressures.

5.1.7 Renovation work, asset enhancement works, repairs or physical damage to the Subject Properties and the continued development of IOI City Mall may disrupt the operations of the Subject Properties and collection of rental income

The quality and design of the Subject Properties have a direct influence over the demand for space in, and the rental rates of, the Retail Property and Office Properties, and also influence the Average Daily Rate and the demand for hotel rooms in the Hotel Properties. The Subject Properties may need to undergo renovation works, upgrading, development, redevelopment or asset enhancement programmes from time to time to retain their competitiveness and (where applicable) attractiveness to hotel guests. For example, as at the LPD:

- Four Points by Sheraton Puchong is currently undergoing refurbishment in phases which is expected to complete in January 2027;
- construction and preparatory works carried out in W Kuala Lumpur for the opening of a new restaurant known as "Hoja" has completed and is pending issuance of a new CCC;
- W Kuala Lumpur is undergoing refurbishment to increase the number of rooms in the hotel by an additional 9 rooms to 159 rooms which is scheduled for completion by January 2027; and
- the lobby area and certain facilities of PFCC Towers 1 and 2 are also undergoing refurbishment which is expected to complete in December 2026.

Further, the Subject Properties may also require unforeseen ad hoc maintenance or repairs due to faults or problems that may develop or in order to comply with new planning laws or regulations. The costs of maintaining the Subject Properties and the risk of unforeseen maintenance or repair requirements tend to increase over time as the Subject Properties age. In addition, the Subject Properties may be required to undergo rectification works to comply with local regulatory requirements. For the avoidance of doubt, ongoing planned works stated in this Prospectus will be borne by the Sponsor and have been taken into account in the Appraised Value of the relevant Subject Properties.

The ongoing construction of and development works in relation to IOI City Mall Phase 3, which is currently carved out by the Sponsor, may also cause physical damage to the Retail Property or disruption to the operations of the Retail Property, and shopper/footfall traffic may in turn be affected by potential inconveniences resulting from such works.

As a result of the foregoing works, the business and operations of the Subject Properties may be disrupted and the performance of the tenants and/or Master Lessees of the affected Subject Properties and their ability to make timely rental payments under the tenancy agreements and the amount of Variable Rent under Hotel Master Lease Agreements may be affected. Therefore, IOIPG REIT may not be able to collect the full rate of, or as the case may be, any rental income on the space affected by such works.

There can also be no assurance that any works required to be carried out will be completed on time as planned and within budget. The counterparty may also fail to deliver and/or perform its obligations in connection with any works, thus resulting in delay or failed completion.

5.1.8 Future developments in IOI Resort City may affect the value of the Subject Properties located within IOI Resort City

Certain of the Subject Properties are located within the integrated township development of IOI Resort City which also comprises other commercial, residential, leisure and hospitality development components. Certain plots of land in IOI Resort City are subject to further development and the completion of such future developments by the Sponsor may, among others, directly compete with IOIPG REIT for the sourcing of tenants, shopper/footfall traffic or attractiveness to hotel guests which may in turn affect IOIPG REIT's financial condition and results of operations.

However, this risk is largely mitigated as IOI Resort City is owned by the Sponsor and certain components of IOI Resort City may be subject to the ROFR granted by the Sponsor to IOIPG REIT. The IOIPG Group has also undertaken to indemnify IOIPG REIT for all liabilities, damages, claims and losses arising from construction-related incidents due to Risks in respect of construction activities on the Undeveloped Portions of Title 1 and Phases 2 & 3 Title.

5.1.9 IOIPG REIT may suffer material losses in excess of insurance proceeds or IOIPG REIT may not put in place or maintain adequate insurance in relation to the Subject Properties and its potential liabilities to third parties

Certain types of risks (such as outbreak of war or other hostilities, losses caused by the outbreak of contagious diseases, contamination or other damages caused by breaches of environmental law) may be or become uninsurable or the cost of insurance may be prohibitive when compared to the risk. Currently, IOIPG REIT's insurance policies for the Subject Properties include property damage caused by fire, lightning or explosion, consequential losses (including loss of revenue), machinery breakdown, equipment damage, theft, accidental damage and public liability but do not in general cover acts of war, outbreak of contagious diseases, contamination or other damages caused by breaches of environmental law.

Should an uninsured loss or a loss in excess of insured limits occur, IOIPG REIT could be required to pay compensation and/or lose capital invested in the affected Subject Property as well as anticipated future revenue or rental payment from that Subject Property. There can be no assurance that material losses in excess of insurance proceeds (if any) or in respect of losses which are uninsured will not occur.

In addition, IOIPG REIT's insurance policies and terms of coverage will be subject to renewal and negotiations on a periodic basis in the future and there can be no assurance as to the nature and extent of coverage that will be available on commercially reasonable terms in the future. Any material increase in insurance rates or decrease in available coverage in the future will adversely affect IOIPG REIT's business, results of operations and financial condition.

5.1.10 The due diligence on the Subject Properties may not have identified all material defects, breaches of laws and regulations and other deficiencies

Save for due diligence on the title and legal matters affecting the Subject Properties, no other due diligence was carried out in respect of the Subject Properties. Such due diligence may not have revealed all breaches of laws or regulations or defects or deficiencies affecting the Subject Properties, including to the title thereof.

No additional technical due diligence was undertaken by the Manager on the Subject Properties as the Subject Properties hold the necessary certificates required under the relevant laws and regulations. There can be no assurance that the Subject Properties do not or will not have defects or deficiencies, which will require additional expenditure, special repair or maintenance expenses or the payment of damages or other obligations to third parties. Such costs or liabilities may involve significant and potentially unpredictable levels of expenditure which could have a material adverse effect on IOIPG REIT's business, prospects, financial condition, results of operations and its ability to make distributions to the Unitholders.

Moreover, the representations, warranties and indemnities made in favour of IOIPG REIT by the Vendors may not offer sufficient protection for the costs and liabilities arising from any defect or deficiency.

As at the LPD:

(i) *Retail Property*: A Partial CCC was issued in respect of IOI City Mall Phase 1 in 2014 and IOI City Mall Phase 2 in 2022, following which part of the common areas and car park areas were converted into additional / enlarged retail and storage area(s). Prior written permission of the relevant local authority and a new CCC is required for the conversion of such common areas and car park areas into additional / enlarged retail and storage area(s), and it is expected that revised building plan(s) will also be submitted for the inclusion of the converted area as NLA. The approval from the relevant authorities on the revised building plan(s) and a new CCC is expected to be obtained by January 2027;

(ii) *Putrajaya Marriott Hotel*: Subsequent to the issuance of a certificate of fitness for occupation in respect of Putrajaya Marriott Hotel in 2004, extension and/or renovation was made to certain areas of the property, for which revised building plan(s) for the renovated areas are required to be approved. The approval of the revised building plan(s) and a new CCC for the renovated areas (other than 4 meeting rooms) are expected to be obtained by December 2026. In respect of the 4 meeting rooms, approval for such renovation has been obtained and the CCC for these works is expected to be issued by December 2026;

(iii) *Four Points by Sheraton Puchong*: Following the issuance of the CCC in respect of the hotel in 2014, part of the swimming pool deck of the hotel was converted into an event space and renovation and improvement works are to be carried out on part of the ground floor hotel lobby area (i.e. the office areas) and certain areas on level 1 and 2 of the hotel, for which prior written permission of the relevant local authority and a new CCC is required. As at the LPD, revised building plan(s) in respect of the converted areas for the event space will be resubmitted and approval from the relevant authorities on the revised building plan(s) and a new CCC in respect of these converted areas are expected to be obtained by February 2027. The CCC for the renovation and improvement works in respect of part of the ground floor hotel lobby area (i.e. the office areas) was obtained from the relevant authority(ies) in August 2026;

(iv) *W Kuala Lumpur*: The CCC in respect of W Kuala Lumpur was issued in 2018, following which it was proposed that certain works be carried out to convert a portion of a floor into a new restaurant and refurbish the gymnasium and spa area of the hotel, and to build 9 additional rooms. The 9 additional rooms will occupy an area which is currently the spa centre of W Kuala Lumpur (which forms part of the existing strata titles of W Kuala Lumpur) together with the additional area comprising the Void Area. Planning approval was granted for such renovation, improvement and refurbishment works which have commenced and are expected to be completed by January 2027. An application for the issuance of a new CCC will be submitted pursuant to the conversion of the new restaurant along with the refurbishment of the gymnasium, the 9 additional hotel rooms and the refurbishment of the spa. The new CCC is expected to be obtained by February 2027. No new strata title will be issued for the additional improvement area created from the Void Area and a Leasing Arrangement is expected to be entered into in respect of the Void Area. Please refer to **Section 5.1.13(iii)** of this Prospectus for further details on the Void Area and the Leasing Arrangement; and

(v) *PFCC Towers*: Following the issuance of a certificate of fitness for occupation in respect of PFCC Towers 1 and 2 in 2009, a Partial CCC was issued in January 2014 in respect of PFCC Towers 4 and 5. The CCC in respect of PFCC Tower 1 was subsequently issued in 2025 while the CCC in respect of PFCC Towers 4 and 5 (including Four Points by Sheraton Puchong) was issued in December 2014. Certain common areas were thereafter converted into enlarged or (as the case may be) reduced retail areas, certain retail areas were converted into office space, and certain car park areas were reconfigured / converted into additional supporting facilities. Prior written permission of the relevant local authority and a new CCC is required to be obtained for such converted areas, and approval of the building plan(s) and a new CCC in respect of such converted areas (other than the conversion of use to a reduced retail area) are expected to be obtained by December 2026. In respect of the conversion of use to a reduced retail area on the ground level of PFCC Tower 2, the approval of the revised building plan(s) from the relevant local authority was obtained in July 2026.

While there can be no assurance that the aforementioned approvals and certificates will be obtained in time or at all and that IOIPG REIT will not have significant unidentified liabilities or obligations in the future as a result of such non-compliance, the relevant Vendor has provided an undertaking to the Manager and the Trustee to obtain the relevant approvals, new CCCs and the Leasing Arrangement (as the case may be) from the relevant authorities and parties (as the case may be) in relation to the above matters at the relevant Vendor's own cost and expense.

5.1.11 The Appraised Value of the Subject Properties are based on various assumptions which may or may not materialise such that the price at which IOIPG REIT is able to sell the Subject Properties in future may be lower than the acquisition value of the Subject Properties

There can be no assurance that the assumptions relied on to derive the Appraised Value of the Subject Properties are, or will be, accurate measures of the market, and the said values of the Subject Properties may be evaluated inaccurately. Property valuation in general involves using assumptions, estimates, subjective parameters and/or close proxies. The Independent Property Valuer may have included a subjective determination of certain factors relating to the Subject Properties such as their relative market positions, financial and competitive strengths, and physical condition. The Independent Property Valuer may have also taken into account external factors such as demand and supply, general economic conditions and prevailing interest rates.

The valuation of any of the Subject Properties does not represent a guarantee that such Subject Property could be sold at the Appraised Value, whether now or in the future as property values might change and are subject to market conditions as well. The price at which IOIPG REIT may sell any of the Subject Properties may be lower than the Appraised Value or its acquisition price. If the sale price of any of the Subject Properties is significantly lower than its acquisition price, IOIPG REIT's financial condition may be materially and adversely affected.

5.1.12 IOIPG REIT is dependent on third parties for certain services

Certain services to the Subject Properties, for example, water, electricity and sewerage treatment and communications services may be provided by third party service providers or may not be located within the Subject Properties. There can be no assurance that the third parties or other parties contracted by the third parties will fulfil their obligations under any contracts of service. IOIPG REIT is also dependent on the Property Manager and the Hotel Managers providing property management services, tenancy management services, hotel management services, marketing and marketing coordination services and project management services (as the case may be). Any interruption to such services to the Subject Properties may disrupt business operations and have a material adverse effect on IOIPG REIT's business, prospects, financial condition and results of operations.

5.1.13 There are certain risks associated with the ownership and control of certain Subject Properties

(i) The Retail Property, Le Méridien Putrajaya, Moxy Putrajaya and IOI City Towers

The Retail Property, Le Méridien Putrajaya, Moxy Putrajaya, IOI City Towers and their respective car park bays are situated within the integrated development of IOI Resort City.

Title 1 is currently held by ICMSB, and IOI City Mall Phase 1, Le Méridien Putrajaya, Moxy Putrajaya, IOI City Towers with the car park bays and the future developments are currently situated on Title 1.

Title 2 is held by MDSB, and (i) IOI City Mall Phase 2 and its car park bays and the future developments; (ii) the future development of IOI City Mall Phase 3; and (iii) the future development of Phase 4 are currently situated on Title 2.

In this regard:

- Title 2 will be subdivided into 2 separate titles comprising the Phases 2 & 3 Title and the Phase 4 Title. As at the date of the SPAs, temporary titles in respect of the subdivision of Title 2 into 2 separate titles comprising the Phases 2 & 3 Title and the Phase 4 Title have been issued in favour of MDSB.

  MDSB, being the registered proprietor of Title 2, shall, at its sole cost and expense, take all steps and do all acts, deeds and things necessary to procure and ensure the completion of the subdivision of Title 2 into 2 separate titles;

- Upon completion of the relevant SPAs, Title 1 and the Phases 2 & 3 Title will be transferred to IOIPG REIT, excluding the development rights for the future developments of Title 1 and the Phases 2 & 3 Title, which will be retained by the IOIPG Group. For the avoidance of doubt, the Phase 4 Title does not form part of the assets to be acquired by IOIPG REIT and will not be transferred to IOIPG REIT; and

- Subsequently, IOIPG REIT will, at the cost and expense of ICMSB and MDSB, take all steps and do all acts, deeds and things necessary to amalgamate the lands held under Title 1 and the Phases 2 & 3 Title into a single title (the "**Title Amalgamation**"). Subject to the completion of the subdivision, the issuance of the Phases 2 & 3 Title and the successful transfer of Title 1 and the Phases 2 & 3 Title to IOIPG REIT, IOIPG REIT shall submit an application for the Title Amalgamation. Subject to the completion of the Title Amalgamation and the issuance of the amalgamated title, IOIPG REIT shall submit an application for the stratification of the amalgamated title. The stratification process for the relevant Subject Properties and the future developments within the IOI Resort City ("**Integrated Development**") will be made after all development components on Title 1 and the Phases 2 & 3 Title have been completed.

The presentation of the instruments of transfer in respect of Title 1 and the Phases 2 & 3 Title and the registration of the same in favour of IOIPG REIT will only occur after the Listing Date. With effect from the completion of the Acquisition of the relevant Subject Properties, IOIPG REIT will be deemed the sole and absolute beneficial owner of the relevant Subject Properties under Title 1 and Title 2. There is a risk of delay in registration or non-registration of the memorandums of transfer of the relevant Subject Properties in favour of IOIPG REIT. For further details in relation to such risks, please refer to **Section 5.1.14** *"*Registration of transfer of the Subject Properties may be delayed or may not take place at all" of this Prospectus, on the relevant undertakings provided by the relevant Vendors to mitigate such risks.

For the period prior to the Title Amalgamation and the subsequent issuance of all strata titles for the Integrated Development, the relevant Vendors have provided undertakings that in relation to the parts of the lands held under Title 1 and Title 2 which do not form part of the relevant Subject Properties, they will exercise, and ensure the exercise of, any voting rights capable of being exercised by Vendors in respect of the Integrated Development under any management committee or other body (including but not limited to a subsidiary management committee) in a manner that aligns with the investment policies and objectives and interests of IOIPG REIT, and the relevant Vendors will not exercise any voting rights in respect of any decisions or matters which may adversely affect the investment policies and objectives and interests of IOIPG REIT without first obtaining the instructions or concurrence in writing of IOIPG REIT. Please refer to **Section 14.3(viii)** of this Prospectus for further details on the additional terms and conditions in respect of the SPAs in relation to Title 1 and Title 2.

After the Title Amalgamation and the subsequent issuance of all strata titles for the Title 1 and the Phases 2 & 3 Title, IOIPG REIT is expected to hold more than 50% of the total share units of Title 1 and the Phases 2 & 3 Title. Notwithstanding this, the IOIPG Group has provided an undertaking that IOIPG Group will not, without the prior written consent of IOIPG REIT (which shall not be unreasonably withheld and which may be subject to any conditions deemed fit or expedient by IOIPG REIT), do any acts or things in relation to the development contemplated under Title 1 and the Phases 2 & 3 Title which would result in the share units held by IOIPG REIT to fall below 50.1%.

Based on the above, IOIPG REIT will have good marketable legal and beneficial title as well as majority ownership and control in the relevant Subject Properties to enable IOIPG REIT to exercise all rights and interests over the relevant Subject Properties without any hindrance.

Further, there may be certain foreseeable risks in the Sponsor retaining the development rights to the Undeveloped Portions of Title 1 and Phases 2 & 3 Title that include, among others, the following:

- ***Encumbrances on title***

  The Sponsor and/or the Relevant Companies may seek to secure project financing which may require creation of a charge, lien or caveat over the land and these could create complications or liabilities in respect of the Undeveloped Portions of Title 1 and Phases 2 & 3 Title until the sub-divided titles are issued. Any such encumbrances can however only be created with the consent of IOIPG REIT and IOIPG REIT is under no obligation to consent. If IOIPG REIT agrees to the creation of any such encumbrances, such creation will be subject to and upon such terms and conditions to be agreed by IOIPG REIT.

- ***Breach of terms / incomplete obligations***

  If the Sponsor and/or the Relevant Companies fail to carry out the works that meet quality standards, and/or fail to complete the planned projects on the Undeveloped Portions of Title 1 and Phases 2 & 3 Title, this could result in negative neighbourhood appeal of the relevant Subject Properties and these occurrences could potentially prejudice the value of IOIPG REIT's own land. Nonetheless, this risk is inherent in transactions involving integrated or mixed developments with uncompleted components and is balanced by IOIPG REIT standing to enjoy the potential upside in value appreciation of the relevant Subject Properties arising from the successful completion of the development of the Undeveloped Portions of Title 1 and Phases 2 & 3 Title.

  Further, any failure to carry out or complete the future developments surrounding the relevant Subject Properties could expose IOIPG REIT to reputational risks. However, considering the Sponsor's established reputation, proven track record and the successful development of the Subject Properties by the Sponsor and/or the Relevant Companies, there is confidence in the quality and reliability in carrying out or completing the future developments.

- ***Construction-related disruption and operational impact***

  Construction activities on the Undeveloped Portions of Title 1 and Phases 2 & 3 Title may cause temporary disruptions to the operations of the relevant Subject Properties. These disruptions may include hindrance to access, especially for tenants whose units are located near the boundaries of IOI City Mall Phase 2, where construction works are intended to facilitate the integration and connections between IOI City Mall Phase 2 and IOI City Mall Phase 3. Such disruptions may necessitate the temporary relocation of certain tenant units, which could result in a temporary loss of revenue from these affected units. However, the financial impact of these disruptions is expected to be immaterial relative to the overall portfolio income.

  The construction activities on the Undeveloped Portions of Title 1 and Phases 2 & 3 Title also carry inherent risks such as accidents, non-compliance with on-site safety or regulatory requirements by third-party contractors and other unforeseen impediments that could affect IOIPG REIT's interests (collectively, "**Risks**"). To mitigate, reduce and/or confine these Risks, the SPAs in respect of the relevant Subject Properties include provisions whereby the Sponsor and/or the Relevant Companies will assume responsibility for addressing and rectifying any issues arising from the Risks in a manner that minimises the impact on IOIPG REIT and undertake to indemnify IOIPG REIT for all liabilities, damages, claims and losses arising from construction-related incidents, including accidents and any loss of income suffered by IOIPG REIT, due to the Risks.

- ***Regulatory compliance liability***

  Although the Sponsor and the Relevant Companies take full conduct of development works on the Undeveloped Portions of Title 1 and Phases 2 & 3 Title, IOIPG REIT may remain exposed to risks associated with non-compliance with the local planning laws, environmental laws, building codes and safety standards as well as occupational health and safety legislation in relation to certain structures. Examples of these liabilities for which the landowner could be responsible are fines or penalties for non-compliance with approved land use or building plans, environmental contamination remediation obligations or violations of workplace safety requirements during construction.

  To mitigate, reduce and/or confine these risks, the relevant SPAs include representations and warranties from the Vendors to ensure that all development activities on the Undeveloped Portions of Title 1 and Phases 2 & 3 Title will fully comply with applicable laws and regulations, as well as indemnification to IOIPG REIT against any losses, costs or damages incurred or to be incurred by IOIPG REIT arising from breaches of such regulatory obligations.

(ii) Putrajaya Marriott Hotel

Putrajaya Marriott Hotel and its car park bays, One IOI Square, Two IOI Square and their respective car park bays, a villa and a vacant future development land are currently situated on a master title held by RVDSB.

Given that One IOI Square, Two IOI Square and their respective car park bays, the villa and the vacant future development land will not form part of IOIPG REIT's initial asset portfolio, the Vendor, namely RVDSB, will undertake to carry out the following as part of the disposal of Putrajaya Marriott Hotel to IOIPG REIT:

(a) subdivide the master title into 2 separate titles comprising Putrajaya Marriott Hotel and its car park bays, One IOI Square, Two IOI Square and their respective car park bays under one title ("**PMH Subdivided Title 1**"), and the villa and the vacant future development land under a separate title; and

(b) after the completion of the 2 subdivided titles mentioned above, to submit an application for the stratification of the PMH Subdivided Title 1 for the issuance of 4 strata titles for (I) Putrajaya Marriott Hotel; (II) One IOI Square, (III) Two IOI Square; and (IV) the car park bays for One IOI Square and Two IOI Square.

As the subdivision of the master title, the registration of subdivided land titles and the issuance of a separate strata title for Putrajaya Marriott Hotel will only occur after the Listing Date, there is a risk of delay in registration or non-registration of the memorandums of transfer of Putrajaya Marriott Hotel in favour of IOIPG REIT. For further details in relation to such risks, please refer to **Section 5.1.14** "Registration of transfer of the Subject Properties may be delayed or may not take place at all" of this Prospectus.

In addition, as the GFA of Putrajaya Marriott Hotel represents approximately 38.29% of the total GFA of PMH Subdivided Title 1, Putrajaya Marriott Hotel is expected to constitute less than 50% of the total share units of PMH Subdivided Title 1. Consequently, notwithstanding that IOIPG REIT will obtain good marketable legal and beneficial title to Putrajaya Marriott Hotel upon stratification of the PMH Subdivided Title 1, IOIPG REIT is not expected to have majority ownership or control of the PMH Subdivided Title 1. Notwithstanding the foregoing:

- IOIPG REIT has acquired Putrajaya Marriott Hotel on the basis that (1) the total asset value of Putrajaya Marriott Hotel represents 3.38% of the Total Asset Value and hence does not exceed 25% of the Total Asset Value at the point of Listing, which satisfies the requirement of Paragraph 8.13(a) of the REIT Guidelines; and (2) the investment in Putrajaya Marriott Hotel is in the best interest of the Unitholders given the hotel's strategic location and ability to generate stable, predictable and growing income and the hotel's overall improving trend in operating performance, which satisfies the requirement of Paragraph 8.13(b) of the REIT Guidelines; and

- RVDSB has provided an undertaking which provides that, among others, it undertakes to exercise and ensure the exercise of any voting rights capable of being exercised in a manner that aligns with the investment policies, objectives and interests of IOIPG REIT, not to exercise any voting rights in respect of any decisions or matters which may adversely affect the investment policies, objectives and interests of IOIPG REIT without first obtaining the instructions or concurrence in writing of IOIPG REIT, and to provide all necessary cooperation, assistance and support, and to take or procure the taking of all reasonable actions (including voting in favour of any relevant resolutions), in respect of any proposal, application, decision or matter concerning the properties that is reasonably required by the Trustee and/or IOIPG REIT for the purpose of securing or preserving the Trustee's legal and beneficial interests in Putrajaya Marriott Hotel or in order to comply with applicable laws, regulations or guidelines or any requirements under the Deed. Please refer to **Section 14.3(ix)** of this Prospectus for further details on the additional terms and conditions in respect of the SPA in relation to Putrajaya Marriott Hotel and the undertaking.

  Accordingly, notwithstanding that IOIPG REIT is not expected to have majority ownership or control of Putrajaya Marriott Hotel, the foregoing factors allow IOIPG REIT the ability to manage the risks associated with the ownership or control of Putrajaya Marriott Hotel pending the completion of the stratification and the issuance and transfer of the strata title in respect of Putrajaya Marriott Hotel.

(iii) W Kuala Lumpur

As at the LPD, W Kuala Lumpur accommodates 150 hotel rooms, with an additional 9 hotel rooms currently under renovation which are scheduled for completion by January 2027, bringing the total number of hotel rooms to 159.

The 9 additional rooms will occupy an area which is currently the spa centre of W Kuala Lumpur (which forms part of the existing strata titles of W Kuala Lumpur) together with the additional area comprising the Void Area. For the avoidance of doubt, no new strata title will be issued for the Void Area as doing so would require the surrender and reissuance of all strata titles within the strata scheme on which W Kuala Lumpur is situated. Such process would be lengthy and onerous involving, among others, the participation of all strata unitholders which comprise the owners of the 353 serviced apartment units within the W Kuala Lumpur development. Accordingly, the Void Area will instead be designated as common property and held by the W Kuala Lumpur Management Corporation.

IBHSB has obtained the unanimous approval from the strata unitholders at the annual general meeting of the W Kuala Lumpur Management Corporation held on 24 June 2026 to enter into the Leasing Arrangement in respect of the Void Area. IBHSB expects to enter into the Leasing Arrangement with the W Kuala Lumpur Management Corporation for an initial term of 10 years, with an automatic renewal for a further term of 10 years at a rental of RM1,200 per annum.

IBHSB has provided an undertaking to the Manager and the Trustee to obtain the Leasing Arrangement at its own cost and expense. In addition, to mitigate the risk of IOIPG REIT not being a registered proprietor of the Void Area, the SPA in respect of W Kuala Lumpur provides that IBHSB will exercise its right to nominate IOIPG REIT as the lessee under the Leasing Arrangement in place of IBHSB, such that the right to use and occupy the Void Area will vest in IOIPG REIT. IBHSB has further undertaken to ensure that the lease in respect of the Void Area will be duly registered with the relevant authorities in favour of IOIPG REIT following the Listing.

5.1.14 Registration of transfer of the Subject Properties may be delayed or may not take place at all

Under the land registration system in Peninsular Malaysia, the legal title in real property does not pass to the transferee until the relevant instrument of transfer has been duly registered in the relevant land registry in favour of the transferee. Depending on the relevant land registry, the registration process could take a few months to complete and the issue document of title to the real property registered under the name of the transferee will only be issued to the transferee after completion of such registration process. Although the registration process could take some time to complete, once the relevant instrument of transfer is registered, the date of change of ownership of the real property to the transferee will in practice be the date such instrument of transfer was presented for registration at the relevant land registry. For the avoidance of doubt, the beneficial interests of the real property will be transferred on the Completion Date.

The presentation of the instruments of transfer in respect of the Subject Properties and the registration of the same in favour of IOIPG REIT will only occur on or after the Listing Date. In particular, certain subdivision and amalgamation and/or stratification of land (as the case may be) for Title 1, Title 2 and Putrajaya Marriott Hotel will only take place after the Listing Date as detailed in **Section 14.3** "Salient Terms of the SPAs" of this Prospectus. As such, there is a risk of a delay in registration or non-registration of the memorandums of transfer of such Subject Properties in favour of IOIPG REIT.

To mitigate the risk of a delay in registration or non-registration of the memorandums of transfer of such Subject Properties in favour of IOIPG REIT, the relevant SPAs and undertakings provided by the relevant Vendors provide that, among others, each relevant Vendor will hold the relevant Subject Properties as bare trustees for and on behalf of IOIPG REIT following completion of the relevant SPAs pending such registration of transfer, and will not deal with the Subject Properties in any manner whatsoever other than as stipulated in the SPAs and will do all such acts and things in accordance with the provisions of the SPAs and such undertakings so that IOIPG REIT may effectively deal with the legal title to the relevant Subject Properties, including granting a power of attorney to IOIPG REIT with the power to fully deal with the Subject Properties as if they were the true and rightful proprietor of the Subject Properties. Each power of attorney allows IOIPG REIT to effect the transfer of legal title of the Subject Properties and to do and perform acts relating to the relevant Subject Properties pending the registration of the instruments of transfer, in its capacity as the beneficial owner. These allow IOIPG REIT to have the ability to manage the risks associated with the ownership of the relevant Subject Properties, including the maintenance and asset enhancement and the ability to exercise all rights and interests over the relevant Subject Properties without any hindrance pending the registration of the instruments of transfer in respect of the Subject Properties in favour of IOIPG REIT. In addition, under the relevant SPAs, the relevant Vendor will cause the issue document of title in respect of such Subject Properties to be transferred and registered in the name of IOIPG REIT as and when such titles become available, for the purpose of giving effect to the transfer of the title in accordance with the relevant SPAs.

However, there can be no assurance that the Vendors will comply with the terms of the SPAs and such undertakings and not make any decisions which could adversely affect the operations of IOIPG REIT and its ability to make distributions to the Unitholders, and/or that IOIPG REIT will be able to enforce the terms of the SPAs and be able to exercise active control and/or management over these Subject Properties pending such registration of transfer. Notwithstanding the foregoing, the relevant SPAs allow IOIPG REIT to issue a notice to the relevant Vendors to terminate the relevant SPAs if the registration of the transfer of the Subject Properties in favour of IOIPG REIT cannot be effected for any reason whatsoever not due to any fault on the part of IOIPG REIT or the relevant Vendors. IOIPG REIT may also exercise its rights under the power of attorney granted to it to deal with, manage and exercise all rights and powers in relation to the relevant Subject Properties as if it were the registered proprietor of the relevant Subject Properties.

5.1.15 IOIPG REIT may not be able to control or exercise any influence over Real Estate Assets where it does not have majority control

IOIPG REIT may acquire Real Estate where it does not have majority control. There can be no assurance that IOIPG REIT will be able to exercise control over the respective Real Estate Assets and the majority owner of such Real Estate Assets may make decisions which could adversely affect the operations of IOIPG REIT and its ability to make regular distributions to the Unitholders.

5.1.16 Completion of the SPAs and assignments or transfers of certain contracts or licences may not occur

There can be no assurance that the SPAs, which are interdependent on one other, will complete in accordance with their respective terms. The SPAs are subject to conditions precedent, which may not all be satisfied or waived. Further, the Vendors may fail to comply with the terms of the SPAs, including the obligation to complete the sale to IOIPG REIT. Please refer to **Section 14.3** "Salient Terms of the SPAs" of this Prospectus for details of the SPAs. If any SPA is not completed in accordance with the terms therein contained, the Acquisitions will not complete, and IOIPG REIT will be unwound in accordance with the terms of the Deed. In the event the Units have been allotted, the Unitholders who were allotted Units under the Offering will only receive their monies following the completion of the winding up of IOIPG REIT in accordance with the terms of the Deed.

Further, the transfer of certain servicing and maintenance contracts as well as electricity distribution rights/privileges require the consents of various third parties before they can be validly transferred. As a result, there can be no assurance that all such contracts will be transferred to IOIPG REIT and IOIPG REIT may be adversely affected if the benefits of such contracts are unavailable or have to be re-contracted for on less favourable terms.

Some licences, permits and approvals required for certain operational aspects of the Subject Properties may need to be transferred to or applied for by IOIPG REIT as the new owner of the Subject Properties upon completion of the SPAs. There can be no assurance that such licences, permits and approvals can be transferred or will be issued by the relevant authorities or government bodies within a reasonable period. Such operational aspects of the Subject Properties may be affected if these licences, permits and approvals cannot be transferred or are not issued and this may attract fines/penalties in the event that the Subject Properties are in operations without such valid licences, permits and approvals.

5.1.17 IOIPG REIT may be subject to legal proceedings

Legal proceedings against IOIPG REIT relating to property management and disputes over tenancies may arise from time to time. Legal proceedings may be time consuming and it may be difficult to assess and/or quantify the possible losses, damages or expenses arising from such proceedings.

For example, IOIPG REIT is exposed to the risk of litigation or claims by shoppers, contractors or tenants of the Subject Properties, which may arise for a variety of reasons, including accidents or injuries that may be suffered by them while at the Subject Properties, tenants' inability to enjoy the use of the Subject Properties in accordance with the terms of their tenancy and IOIPG REIT's failure to perform any of its obligations under any tenancy, construction or other contract or agreement entered into with contractors, tenants or other third parties. If IOIPG REIT incurs any liability arising from any litigation, or if IOIPG REIT is required to bear all or a portion of the costs arising out of litigation, this may have a material adverse effect on IOIPG REIT's business, prospects, financial condition and results of operations.

As at the LPD, neither IOIPG REIT nor the Manager is involved in any material litigation nor, to the best of the Manager's knowledge, is any material litigation or arbitration proceedings currently contemplated or threatened against IOIPG REIT or the Manager, which may have material impact on IOIPG REIT's business, financial position or profitability. However, there can be no assurance that IOIPG REIT will not, in future, be involved in such proceedings or that the outcome of these proceedings will not adversely affect the financial condition, results of operations or cash flow of IOIPG REIT.

5.1.18 The Subject Properties or any part of them may be acquired compulsorily

Under Section 3 of the Land Acquisition Act 1960, the State Authority has the power to acquire any land, whether in whole or in part, which is needed:

(i) for any public purpose;

(ii) by any person or corporation for any purpose which, in the opinion of the State Authority, is beneficial to the economic development of Malaysia or any part thereof or to the public generally or any class of the public; or

(iii) for the purpose of mining or for residential, agricultural, commercial, industrial or recreational purposes or any combination of such purposes.

In the event of any compulsory acquisition of property in Malaysia, the amount of compensation to be awarded is based on the fair market value of a property and is assessed on the basis prescribed in the Land Acquisition Act 1960 and other relevant laws. The market value of the Subject Properties as determined by the State Authority may be lower than the market value as determined by any independent property valuer appointed by IOIPG REIT. If any of the Subject Properties were acquired compulsorily by the State Authority at a point in time when the market values of the Subject Properties have decreased, the level of compensation paid to IOIPG REIT may be less than the acquisition cost of the Subject Properties, which may have an adverse effect on the trading price of the Units and IOIPG REIT's business, financial condition, results of operations and prospects. If the compulsory acquisition concerned a material section of the Subject Properties such as retail space, car park areas and/or access areas to the Subject Properties, the business and operation of the Subject Properties may be adversely affected thereby resulting in a reduction of the Total Revenue and the market value of the Subject Properties.

5.1.19 The loss or downgrade of one or more building certifications or accreditations of the Subject Properties could have an adverse effect on IOIPG REIT

Certain of the Subject Properties hold GBI and/or Malaysia Digital certifications or other certifications or accreditations which are subject to renewal from time to time. As at the LPD, IOI City Towers hold GBI Silver and Malaysia Digital certifications while PFCC Towers 2, 4 and 5 are Malaysia Digital-certified and PFCC Towers 4 and 5 are GBI-certified. The Retail Property and Moxy Putrajaya are also GBI-certified, and W Kuala Lumpur holds a Platinum Malaysian Green Real Estate (GreenRE) Certification.

While the relevant Subject Properties have thus far complied with the requirements for the renewal and maintenance of these certifications and accreditations and there are annual ISO (International Organisation for Standardisation) audits on these Subject Properties to ensure compliance, the renewal requirements of such certifications or accreditations may change from time to time and may become more stringent. In such event, IOIPG REIT may not be able to renew or maintain any such certification or accreditation, and the loss or downgrade of such certification or accreditation may result in the property being less operationally efficient and certain existing key tenants determining not to renew their tenancies. For example, the Office Properties may become less competitive as compared to other office properties in the market, as such certification or accreditation may be an important factor in a key or potential tenant determining whether to renew or enter into its tenancy when considering various office properties in the market. The lack or downgrade of any such building certification or accreditation may also adversely affect IOIPG REIT's ability to attract new tenants. As such, the loss or downgrade of one or more building certifications or accreditations of the Subject Properties may have an adverse effect on the business, financial condition, results of operations and prospects of IOIPG REIT.

5.2 RISKS RELATING TO THE RETAIL PROPERTY AND OFFICE PROPERTIES

5.2.1 The Retail Property and its tenants face competition from other retail properties located within their catchment areas as well as other retail channels and may be adversely affected by changes in consumer behaviour patterns in Malaysia

The Retail Property faces competition from other retail developments operating in the same catchment areas. Shopping malls compete aggressively to attract quality tenants as well as shoppers. Other retail centres also compete with IOIPG REIT's retail tenants for customers, affecting the cash flows of such tenants and thus affecting their ability to pay rent. The financial performance of the Retail Property may have a material adverse effect if competing retail developments are substantially upgraded and refurbished or are more successful in attracting tenants and shoppers.

Changes in consumer behaviour patterns in Malaysia may also adversely affect IOIPG REIT's business, prospects, financial condition and results of operations. Shopping malls have evolved from traditional retail and dining venues into comprehensive experiential destinations that cater to a broad demographic, and any failure to keep pace with such evolving expectations may adversely affect the business, prospects, financial condition and results of operations of the Retail Property. The increasing trend of consumers shifting their preference from retail shopping to internet shopping coupled with increasing competition from other forms of retailing, such as catalogues, warehouse sales, and telemarketing, and other types of retail spaces, such as small lifestyle retail parks and mixed-use development properties, may also lead to a decrease in shopper traffic to the Retail Property and to retail malls in Malaysia as a whole. This would lead to a downturn in the businesses of tenants of the Retail Property and affect their ability to make rental payments to IOIPG REIT (including percentage rent) as some of the tenants' rent payments are based on the amount of sales revenue that they generate, in turn adversely affecting the Total Revenue.

Consumers may be affected by rising inflation and shrinking purchasing power due to the rise in prices for goods and services stemming from the expansion of sales and service tax, increased electricity tariffs and subsidy rationalisation of the RON95 petrol price, which may result in consumers prioritising essential goods and services and reducing spending over discretionary items such as fashion, electronics and luxury goods. This may adversely affect the businesses of the tenants of the Retail Property and consequently, the business, prospects, financial condition and results of operations of IOIPG REIT.

5.2.2 The Office Properties operate in a highly competitive environment which may be affected by changes in working trends

The office property market in Malaysia is highly competitive and the Klang Valley office market is currently experiencing oversupply which has created a tenant-favourable environment. Economic uncertainties have further impacted leasing activity as well. IOIPG REIT also competes for tenants with numerous developers, owners and operators of office properties, many of which own properties similar to those of IOIPG REIT.

In addition, Malaysia's office property market may be facing significant changes, with greater focus being placed on flexible workspace arrangements in light of companies adopting hybrid work models. Over the past decade, technology has enabled employees to work from almost any location, and the COVID-19 pandemic has also resulted in an increase in work from home arrangements and virtual meetings in Malaysia. The recent global energy crisis has also seen the Government implementing a work from home policy for federal civil servants in Putrajaya, Kuala Lumpur, Selangor and all state capitals who live more than 8 kilometres from their workplace (other than those in the security, defence, health and education sectors).

With flexible working potentially being the norm, needs towards office space may change such as preference for flexible working space and reduction in total space requirement in the longer term. As such, new working trends could adversely affect demand for traditional office space. In addition, tenants may demand for more flexible lease terms, as well as a differentiation strategy in building specification that facilitates this changing work pattern or tenancy packages that meet tenants' needs. IOIPG REIT may be required to keep up with evolving needs from the tenants of the Office Properties in order to maintain its occupancy and rental rates and to remain competitive in the market and attract new tenants. Such changes in working trends in Malaysia and an inability to compete effectively could reduce the Total Revenue and thus adversely affect IOIPG REIT's business, financial condition and results of operations. The past performance of the Office Properties is not indicative of future results.

Furthermore, the Klang Valley office market, once predominantly driven by government agencies and oil and gas companies, is now experiencing a shift in demand, with emerging sectors such as financial technology, global business services and digital enterprises becoming the main drivers of office space demand. However, these companies typically require less physical space and place a higher emphasis on flexibility, both in terms of office design and lease structures.

5.2.3 The Retail Property and Office Properties have tenancy cycles in which a substantial number of the tenancies expire in certain years

Tenancies in respect of the Retail Property are generally for terms of one year to 3 years and the tenancies in respect of the Office Properties are generally for terms of 3 years, which exposes the Retail Property and Office Properties to significant rates of tenancy expiries each tenancy cycle. Please refer to **Section 2.14** "Retail Property" of this Prospectus and **Section 2.16** "Office Properties" of this Prospectus for details of the tenancy expiries of the Retail Property and Office Properties.

The concentration of tenancy expiries in certain years heightens IOIPG REIT's exposure to the typical risks associated with tenancy expiries, including the risk of vacancies following non-renewal of tenancies, reduced occupancy rates and lower rental income. If key tenants or a large number of tenants decide not to renew their tenancies and in the event that new tenants are unable to be secured or are secured after a long vacancy period or at lower rates, the income of IOIPG REIT and distributions to the Unitholders will be adversely affected.

5.2.4 There can be no assurance that the Retail Property and Office Properties will be able to maintain rental rates at prevailing market rates

The rental rates of the Retail Property and Office Properties will depend upon various factors, including but not limited to, prevailing supply and demand condition, the overall performance of the domestic economy, tourism activity, as well as the location, quality and design of the Retail Property and Office Properties. For instance, there is an oversupply of retail and office space in the Klang Valley which may increase competition for tenants and in turn declining rental rates. There can also be no assurance that the Manager will be able to procure new tenancies or renew existing tenancies at prevailing market rates.

The rental income from the Retail Property and Office Properties will be dependent on the ability of the Retail Property and Office Properties to compete against other retail properties and office properties (as the case may be) for tenants. If competing retail properties or (as the case may be) office properties are able to offer lower rental rates in the future to attract the existing tenants of the Retail Property and Office Properties (as the case may be), the rental income from the Retail Property and Office Properties (as the case may be) could be reduced, thereby adversely affecting IOIPG REIT's cash flow and amount of funds available for distribution to the Unitholders.

5.2.5 The Retail Property and Office Properties might be adversely affected if the Manager and the Property Manager do not provide adequate management and maintenance

In the event the Manager and the Property Manager fail to provide adequate management and maintenance, the value of the Retail Property and Office Properties might be adversely affected and this may result in the loss of tenants or lower rental rates, which will adversely affect the financial condition of IOIPG REIT and its ability to make distributions to the Unitholders.

Failure to provide adequate management and maintenance to the Retail Property and Office Properties may also lead to a decrease in tenancy rates and footfall traffic, with tenants and shoppers being attracted to the competitors of the Retail Property and Office Properties. This will affect the financial performance of IOIPG REIT.

5.3 RISKS RELATING TO THE HOTEL PROPERTIES

5.3.1 The hospitality industry is competitive and the performance of IOIPG REIT may be affected by increasing supply of hospitality assets in its key markets

The hospitality industry is highly competitive and ongoing completion of new hotels or renovations of competing hotel properties and the large number of short-term rental accommodation units (such as Airbnb) and other types of leisure accommodation available in the market (such as heritage hotels and "home stay" accommodations) can reduce the competitiveness of older or existing properties. The Hotel Properties and future hospitality assets of IOIPG REIT will experience competition primarily from similar grade hotels in their immediate vicinity, and also with other hotels in their geographical market. For example, Courtyard by Marriott Penang faces competition from new and boutique hotels and an increase in short-term rental accommodation units on Penang island. The level of competition is affected by various factors, including (i) changes in local, regional and global economic conditions, (ii) changes in local, regional and global populations, (iii) the supply and demand for hospitality properties, and (iv) changes in patterns and preferences or customs. The success of a hotel, including the Hotel Properties, will largely depend on its ability to compete in areas such as quality of accommodation, room rates, level of service, brand recognition, convenience of location and the quality of lobby areas, F&B facilities, meeting rooms, event halls and other amenities. Competing hotels may offer more facilities at their premises at similar or more competitive prices compared to the facilities offered at the Hotel Properties. Competitors may also significantly lower their rates or offer greater convenience, services or amenities to attract more customers. If these efforts are successful, the results of operations at the Hotel Properties may be adversely affected.

If the Hotel Properties are not able to compete effectively, this could adversely affect the business, prospects, financial condition and results of operations of IOIPG REIT and in turn, its ability to make distributions to the Unitholders.

5.3.2 IOIPG REIT may be affected by adverse developments or negative publicity affecting the brands of the Hotel Managers

The financial performance of IOIPG REIT depends on the gross operating revenue and gross operating profit of the Hotel Properties. In respect of each of the Hotel Properties, the relevant Hotel Managers enjoys, subject to certain limitations, full discretion in the operation of the hotel. Accordingly, the financial performance of IOIPG REIT is dependent on the performance of the Hotel Managers. There is therefore no assurance that the Hotel Properties will continue to be operated, managed, maintained, branded or marketed well in the future.

In addition, the Hotel Properties will be managed by the Hotel Managers under different brand names. Any degradation, adverse market developments or negative publicity relating to the brand names of the Hotel Managers and their respective affiliated brands could adversely affect the business, prospects, financial condition and results of operations of IOIPG REIT as such degradation or adverse market developments may adversely affect the reputation of the Hotel Properties and their attractiveness to hotel guests and customers, thereby affecting the occupancy rates of the Hotel Properties.

Any changes in the strategic priorities of the Hotel Managers and Marriott International, including any downsizing of its operations, shifts in brand positioning, or changes in management capability, which will not be within the control of IOIPG REIT, could adversely affect the performance of the Hotel Properties and in turn adversely affect the business, prospects, financial condition and results of operations of IOIPG REIT.

5.3.3 The hospitality industry is service-oriented and the Master Lessees may be affected by any shortage of skilled hospitality employees

The hospitality industry is a service-oriented industry and is labour-intensive. Competitors may compete aggressively for skilled hospitality employees, which would increase the operating cost of the Hotel Properties. In addition, the hospitality staff of the Master Lessees and/or the Hotel Managers may be poached by existing or new competitors in the market, which may have an adverse effect on the operations of the affected Hotel Property. A shortage of manpower may translate to lower service quality, which may in turn affect hotel guests' lodging experience and lead existing customers to prefer alternative accommodation from competitors of IOIPG REIT.

5.3.4 IOIPG REIT's hospitality business is susceptible to cyclicality and other factors outside its control

The hospitality business is cyclical and sensitive to external and economic changes. There are several factors which are common to the regional and global hospitality industries and wholly or partly beyond the control of IOIPG REIT and the Manager. These factors, which could affect the financial performance of IOIPG REIT, include but are not limited to:

(i) the condition of, and changes in, the domestic, regional and global economies, including, but not limited to, factors such as the political or geopolitical landscape, environmental conditions and epidemics that result from the spread of infectious diseases that may result in reduced occupancy rates, room rates and demand;

(ii) increases in transportation or fuel costs, increased threat of terrorism, terrorist events, aviation-related strikes, hostilities between countries, increased risk of natural disasters and/or adverse weather conditions such as smog from forest fires that may affect travel patterns and reduce the number of business and commercial travellers and tourists in Malaysia or any other countries where IOIPG REIT's hospitality and hospitality-related operations may be located;

(iii) unexpected increase in new supply of hotels and hence increased competition in the markets in which IOIPG REIT operates, which could adversely impact the occupancy levels and revenue of the Hotel Properties or future hospitality and/or hospitality-related assets of IOIPG REIT;

(iv) changes in government laws and regulations, fiscal policies and zoning ordinances, labour laws and the related costs of compliance with laws and regulations, fiscal policies and ordinances affecting IOIPG REIT;

(v) the nature and length of a typical hotel guest's stay as hotel guests typically stay on a short-term basis and there is no assurance of long-term occupancy for hotel rooms. Factors which may affect the above include:

   (a) seasonality patterns in tourism arrival numbers throughout the year;

   (b) decrease in longer-term business travel and corporate executives requiring mid- to long-term accommodation;

   (c) frequency of events or conferences in the surrounding vicinity of each Hotel Property or future hospitality or hospitality-related assets of IOIPG REIT; and

   (d) slowdown in tourism, business and conferences where the Hotel Properties are located, which may adversely affect the length of a traveller's stay;

(vi) unfavourable publicity in relation to the Hotel Properties and the reputation and standing of their service providers, such as restaurants located within the Hotel Properties and future hotels and hospitality and hospitality-related assets of IOIPG REIT;

(vii) dependence on business, commercial and leisure travel and tourism, which may fluctuate and tend to be seasonal and are subject to the adverse effects of national and international market conditions, all of which may affect the length of a traveller's stay;

(viii) the provision of existing or planned amenities and transportation infrastructure near the Hotel Properties and/or future hospitality and hospitality-related assets of IOIPG REIT;

(ix) the booking of hotel rooms of the Hotel Properties through internet travel intermediaries which may be able to obtain reduced room rates or other contract concessions for their customers, while simultaneously earning commission for providing these services; and

(x) other matters not yet known to the Manager or not currently considered material by the Manager.

These factors could lead to deterioration in the ability of the Hotel Managers to generate income and the amount of the rental payments from the Master Lessees. This would have adverse effects on the business, financial condition, results of operations and prospects of IOIPG REIT and reduce its ability to make distributions to the Unitholders.

5.3.5 The Hotel Properties are exposed to various operational risks

The operating results of the Hotel Properties are affected by occupancy and room rates, the Hotel Managers' ability to manage costs efficiently (including increases in labour costs and any F&B-related operational costs), as well as any change in the number of available hotel rooms through acquisition, development and disposition. The ability to manage costs efficiently could be adversely impacted by an increase in the cost of energy, insurance and other operating expenses, resulting in lower operating margins. In this regard, the Hotel Properties use significant amounts of electricity and other forms of energy, and any substantial increases in the cost of energy in the markets where IOIPG REIT operates could also hence negatively impact the operating results of the Hotel Properties.

The effectiveness of the Hotel Managers' central procurement system could also affect food costs and quality. Any health or hygiene incidents could adversely affect F&B sales and result in temporary suspension of restaurants and F&B outlets' operations. These could affect the success of the Hotel Properties' F&B operations and the reputation of the Hotel Properties.

5.3.6 The hospitality business is regulated and operations of the Hotel Properties require licences, and any failure to obtain, renew or obtain the transfer of, such licences may adversely affect the business of the Hotel Properties

The operation of hotels is generally subject to various local laws and regulations which hotels in Malaysia are required to be licensed under, such as the business (composite) license (Local Authority- Sepang), the Fire & Life Safety regulations of the Fire and Rescue Department of Malaysia and registration requirements of the Ministry of Tourism, Arts and Culture of Malaysia. In addition, there are licensing requirements in Malaysia in relation to the sale of alcohol on the premises. Such laws and regulations may require IOIPG REIT, its subsidiaries, the Master Lessees and/or the Hotel Managers to be licensed and to obtain other approvals to own, operate and lease the Hotel Properties. The withdrawal, suspension or non-renewal of any approvals and/or licences, or the imposition of any penalties, as a result of any breach or non-compliance with any laws, rules or regulations applicable to the Hotel Properties, will have an adverse impact on the businesses at the Hotel Properties and their results of operations. Further, any changes in such laws, rules and regulations may also impact the businesses at the Hotel Properties and may result in higher costs of compliance. Any failure to comply with new or revised laws, rules and regulations could result in the imposition of fines or other penalties by the relevant authorities. This could have an adverse impact on the revenue and profits of the Hotel Properties or their operations.

5.4 RISKS RELATING TO IOIPG REIT'S OPERATIONS

5.4.1 IOIPG REIT is exposed to economic and real estate market conditions (including uncertainties and instability in global market conditions and increased competition in the retail property market)

The Subject Properties are located in Malaysia. As a result, IOIPG REIT's results of operations depend, to a large extent, on the performance of Malaysia's economy and the Malaysian real estate market conditions. A decline in Malaysia's economy could adversely affect IOIPG REIT's results of operations and future growth. Historically, the Malaysian property market has been cyclical and Malaysian property values, rents and occupancy rates have been affected by, among other factors, the rate of economic growth in Malaysia, interest rates and inflation. The performance of IOIPG REIT may also be adversely affected by a number of local real estate market conditions, such as the competitiveness of competing retail properties, office properties and hospitality properties or the supply and demand of retail properties, office properties and hospitality properties. There can be no assurance that the Malaysian economy will continue to improve, that property values, rents and occupancy rates will not decline, or that interest rates or inflation will not rise in the future. An economic decline in Malaysia, a decline in real estate market conditions in Malaysia or other developments outside the control of IOIPG REIT and the Manager, would have a material adverse effect on IOIPG REIT's business, prospects, financial condition and results of operations.

In addition, the Malaysian economy is affected by global economic conditions. In recent years, the global economy has experienced high levels of volatility and uncertainty arising from, among others, the COVID-19 pandemic, the US-China trade war, adverse changes in laws, regulations and/or policies (including tariff policies), political unrest in certain countries within the Southeast Asian region (such as Myanmar) and geopolitical conflicts (such as the Ukraine-Russia conflict). Geopolitical risks in the Middle East have also emerged, such as the recent outbreak of conflict between Israel and Iran, with the involvement of the United States, and the Israel-Hamas armed conflict in Gaza which, in each case, may result in heightened tension and further eruption of conflicts in the Middle East, which could result in the imposition of trade and economic sanctions and disruption in global trade. The Israel and Iran conflict has caused disruption to the flow of supplies through key trading routes, which resulted in a strain on the energy market leading to an increase in oil prices. Numerous airspace closures have also impacted tourism and aviation globally. This could in turn undermine the stability of global economies and increase uncertainty in the global economic outlook. The above factors could all or each have a material adverse effect on global economic conditions, including a disturbance in oil supply, fluctuation in fuel costs, oil prices and energy prices, disruption to international trade and transportation, heightened inflationary pressures, supply chain disruptions, and increased volatility in financial markets, all of which could affect the Malaysian economy.

The deterioration of the Malaysian economy could in turn lead to significant declines in employment, household wealth, and consumer demand, which could adversely affect IOIPG REIT to the extent that it may result in:

(i) reduced shopper traffic, tenants and/or hotel guests (as the case may be) in the Subject Properties;

(ii) a negative impact on the ability of the tenants to pay their rents in a timely manner or continue their tenancies, thus reducing IOIPG REIT's revenue and/or cashflows;

(iii) an increase in counterparty risk involving parties such as, but not limited to, tenants, advertising customers, insurers, lenders as well as contractors and suppliers (in terms of any warranties provided); and/or

(iv) an increased likelihood that one or more of (a) IOIPG REIT's banking syndicates (if any), (b) banks or insurers providing bankers' guarantees or performance bonds for rental deposits or other types of deposits relating to or in connection with IOIPG REIT's properties or operations, or (c) IOIPG REIT's insurers may be unable to honour their commitments to IOIPG REIT.

In particular, in respect of the Subject Properties:

(a) Although the Government currently mitigates the higher price of goods through a combination of targeted subsidies, price controls and supply chain diversification, prolonged adverse effects on global economic conditions may result in a heightened inflationary risk, potentially leading to an increase of cost of doing business, increased operating and maintenance costs (including, energy, utilities, maintenance and insurance), and reduced consumer spending.

(b) *Retail Property* – With reduced purchasing power, households are likely to prioritise essential spending over discretionary items such as fashion, electronics and luxury goods. Nevertheless, the Visit Malaysia 2026 campaign (which has been extended to 2027) is expected to support retail activity by boosting domestic consumption and foreign tourists spending in Malaysia as it focuses on promoting Malaysia to high yielding tourists as well as domestic tourism. Tourists from the ASEAN region and China have consistently been Malaysia's largest source of tourist arrivals over the past decade. Furthermore, the favourable currency exchange, well-developed urban infrastructure, and Malaysia's reputation as a halal-friendly destination have helped sustain tourists' confidence to visit and spend in Malaysia.

(c) *Office Properties* – Prolonged adverse effects on global economic conditions will exacerbate inflation and economic uncertainty resulting in cautious business sentiment thus leading to companies delaying their office expansion plans, staff recruitment and re-evaluating their space requirements.

On the other hand, an instability in the Middle East such as with the conflict between Israel and Iran may drive investors to the region to divert their investments to stable and safer regions such as Malaysia. Malaysia's position as a net energy exporter, coupled with the relatively lower weighting of energy in its consumer price index, provides a degree of insulation from global energy price volatility compared to other markets. In addition, Malaysia's stable currency further enhances its attractiveness to investors. These factors are expected to increase demand for quality office space in strategic locations with good road, IT, and public transport connectivity, as well as well-established supporting amenities.

(d) *Hotel Properties* – Travel patterns have been disrupted due to operational disruptions, rerouted flights (including from the conflict areas in the Middle East) and rising fuel costs, resulting in increased airfares and longer travel times. Long-haul flights, particularly from Europe and Middle East region are expected to be affected significantly, leading to fewer tourist arrivals. These factors may place pressure on Malaysia's tourism targets, especially under the Visit Malaysia 2026 campaign. Nevertheless, the Malaysian Association of Tour and Travel Agents is working closely with the government to ensure that the campaign remains on track, including intensifying collaboration with ASEAN partners to boost intra-regional travel. Notably, the ASEAN region has remained Malaysia's top source of tourist arrivals (of about 70%) followed by tourists from China which made up 13% of the tourist arrivals in 2024 and increased to 15% of total tourist arrivals in 2025. Moreover, with Asia including Malaysia being a 'safe' travel destination, there is potential for tourists from the non-conventional and emerging regions (such as Central Asia, Scandinavia) to shift their travel plans to this region due to the ongoing crisis in the Middle East.

The Malaysian tourism base is also well diversified across ASEAN, East Asia, Europe with domestic tourists providing a natural buffer to the industry. Current travel disruptions are characterised by airlines reducing their flight frequencies rather than withdrawing routes, helping to preserve the overall air travel connectivity. Malaysia remains to be well positioned, with intra ASEAN and short haul travel demand tending to be more resilient during periods of airfare volatility. The passenger demand fundamentals remain supported by business travel and sustained leisure activity.

Nonetheless, in an economic downturn, IOIPG REIT may have difficulty accessing the financial markets, which could make it more difficult or expensive to obtain funding in the future. There can be no assurance that IOIPG REIT will be able to raise funds at a reasonable cost which could have a material adverse effect on IOIPG REIT's business, prospects, financial condition and results of operations.

In addition, IOIPG REIT is exposed to political risks in Malaysia. IOIPG REIT may be affected by changes in government policies as a result of a change of government administration and the political sentiment in Malaysia may change and affect IOIPG REIT adversely.

5.4.2 The Total Revenue earned from and the market value of the Subject Properties may be adversely affected by a number of factors

The Total Revenue earned from and the market value of the Subject Properties may be adversely affected by a number of factors, including, but not limited to:

(i) the ability to collect rent from the tenants on a timely basis or at all;

(ii) the amount and extent to which IOIPG REIT may grant rent free period or rental rebates to the tenants in certain circumstances;

(iii) defects affecting the Subject Properties which could affect the operations of tenants resulting in the inability of such tenants to make timely payments of rent or at all;

(iv) a drop in rental rates due to changes in rental rates of comparable malls or office properties, tenant mix, renewal options, size, location and configuration of NLA within the Subject Properties, shopper traffic to the Subject Properties, the level of both international and domestic tourism in Malaysia and the design of the Subject Properties;

(v) the tenants requesting waiver of interest on late payment of rent;

(vi) the tenants seeking the protection of bankruptcy laws which could result in delays in the receipt of rent payments, inability to collect rental income, or delays in the termination of the tenancy, or which could hinder or delay the re-letting of the space in question or the sale of the relevant property;

(vii) the general macroeconomic and supply and demand trends affecting the economic conditions of Malaysia and conditions in the real estate market sector in Malaysia;

(viii) reduced occupancy rates due to supply and demand trends affecting the retail real estate markets, the length of potential vacancy periods arising from tenancy expiries and early terminations, and rental rates of other competing properties;

(ix) the Manager's ability to provide adequate management and maintenance or to purchase or put in place adequate insurance;

(x) changes in laws and governmental regulations in relation to real estate, including those governing usage, zoning, taxes and government charges. Rights related to the properties may also be restricted by legislative actions, such as revisions to the laws relating to building standards or town planning laws, or the enactment of new laws related to condemnation and redevelopment; and

(xi) acts of God, wars, terrorist attacks, riots, civil commotions, widespread communicable diseases, natural disasters and other events beyond the control of the Manager.

5.4.3 Operating risks inherent to the retail, office and hospitality property industry and the increase in operating and other expenses of the Subject Properties could have an adverse effect on IOIPG REIT's financial condition and results of operations

IOIPG REIT's ability to maintain a certain level of distributions to the Unitholders could be affected if its operating and other expenses increase without a corresponding increase in revenue or tenant reimbursement of operating and other costs. In addition to other factors mentioned herein, factors which could increase operating and other costs of the Subject Properties, include, but are not limited to, the following:

(i) increase in utility costs (including any increase in preferential tariff granted by utility service providers);

(ii) increase in construction, repair and maintenance costs (including mechanical and engineering costs);

(iii) increase in third party sub-contracted service costs;

(iv) increase in insurance premiums;

(v) increase in payroll expenses;

(vi) increase in quit rent and assessments (property and related taxes) and other statutory charges;

(vii) increase in property management cost and management fees;

(viii) changes in statutory laws, regulations or government policies which increase the cost of compliance with such laws, regulations or policies;

(ix) increase in costs of financing for operating or capital requirements; and

(x) increase in the service charge and sinking fund contributions applicable to strata properties.

Additionally, capital expenditures and other expenses may be irregular since on-going repairs and maintenance involves significant and potentially unpredictable expenditures. Both the amount and timing of such expenditures will have an impact on the cash flow of IOIPG REIT. If the Subject Properties do not generate revenue sufficient to meet operating expenses, debt service and capital expenditures, IOIPG REIT's income and ability to make distributions may be materially and adversely affected. Many of these factors may have an adverse effect on the NPI derived from the Subject Properties. The valuation of the Subject Properties (to be obtained at least once every three years from the date of the last valuation pursuant to the REIT Guidelines) will reflect such factors and as a result, such valuation may fluctuate significantly upwards or downwards.

5.4.4 The amount IOIPG REIT may borrow is limited, which may affect the operations and expansion of IOIPG REIT

Under the REIT Guidelines, IOIPG REIT is only permitted to borrow up to 50.0% of the Total Asset Value at the time the borrowing is incurred. IOIPG REIT may, from time to time, require additional debt financing to meet its working capital requirements and to achieve its investment objectives. In the event that IOIPG REIT's borrowings reach 50% of the Total Asset Value or a decline in the value of the Deposited Property causes its borrowings to exceed the limit permitted under the REIT Guidelines, IOIPG REIT will be unable to obtain any further debt financing. In such circumstances, IOIPG REIT may be unable to proceed with its investment objectives and may face adverse business consequences such as:

(i) an inability to fund capital expenditure requirements in relation to IOIPG REIT's existing asset portfolio or in relation to IOIPG REIT's acquisitions to expand its portfolio; and

(ii) cash flow shortages (including with respect to distributions) which IOIPG REIT might otherwise be able to resolve by borrowing funds.

5.4.5 IOIPG REIT may face risks associated with debt financing and existing and future debt facilities and debt covenants may limit or affect IOIPG REIT's operations

Upon Listing, IOIPG REIT will have total indebtedness of approximately 34.1% but not more than the permitted borrowing threshold of 50.0% of the Total Asset Value. Further, a decline in the value of the Deposited Property may cause the borrowing limit under the REIT Guidelines to be exceeded, thus affecting IOIPG REIT's ability to incur further borrowings.

IOIPG REIT is also subject to risks associated with existing and future debt financing, including the risk that its cash flow will be insufficient to meet the required payments of principal and interest under such financing, and therefore be unable to make distributions to the Unitholders. If further debt funding is incurred, it would result in increased debt service obligations and may result in additional operating and financing covenants, or liens on the Subject Properties, that would restrict its operations. Please refer to **Section 3.9** "REIT Financing" of this Prospectus for further details on the debt financing of IOIPG REIT.

The Manager intends to distribute at least 90.0% of IOIPG REIT's Distributable Income. As a result of this distribution policy, IOIPG REIT may not be able to meet all of its obligations to repay any future borrowings through its cash flow from operations. IOIPG REIT may be required to repay maturing debt with funds from additional debt or equity financing or both. There can be no assurance that such financing will be available on acceptable terms or at all.

If principal amounts due for repayment at maturity cannot be refinanced, extended or paid with proceeds of other capital transactions, such as new equity capital, IOIPG REIT will not be able to repay all maturing debt. In such cases, if IOIPG REIT defaults under such debt facilities, the lenders may be able to declare a default and initiate enforcement proceedings in respect of any security provided, and/or call upon any guarantees provided. Any such default may also lead to cross default in IOIPG REIT's other borrowings. Further, if IOIPG REIT's properties are mortgaged, such properties could be foreclosed by the lender or the lender could require a forced sale of the properties. This would in turn have a material adverse effect on the financial condition and results of operations of IOIPG REIT and its ability to make distributions to the Unitholders.

Even if IOIPG REIT is able to secure new debt financing, IOIPG REIT may be subject to the risk that the terms of any refinancing undertaken will be less favourable than the terms of the borrowings sought to be refinanced (including bank borrowings or issuances of debenture and bonds). IOIPG REIT may also be subject to certain covenants that may limit or otherwise adversely affect its operations and its ability to make distributions to Unitholders. Such covenants may also restrict IOIPG REIT's ability to acquire properties or undertake other capital expenditure and may require it to set aside funds for maintenance or repayment of security deposits or require IOIPG REIT to maintain certain financial ratios (such as loan to value ratios). The triggering of any of such covenants may have an adverse impact on IOIPG REIT's financial condition.

Increases in interest rates could significantly affect IOIPG REIT's financial condition and results of operations. The interest rates of borrowings could be subject to changes based on the cost of funds of the respective lenders, which could be subject to renegotiation on a periodic basis. If the interest rates for IOIPG REIT's existing or future borrowings increase significantly, such as where IOIPG REIT's banking facilities are granted with floating interest rates, its cost of funds will increase if it is unable to obtain alternative facilities with comparable or more favourable terms, which may in turn adversely impact its results of operations, planned capital expenditure and cash flows.

Where appropriate, IOIPG REIT may seek to minimise its interest rate risk exposure by entering into interest rate swap contracts to swap floating interest rates for fixed interest rates over the duration of certain of its debts and borrowings. However, such hedging policy may not completely insulate IOIPG REIT from risks associated with interest rate fluctuations.

5.4.6 The Manager may not be able to successfully implement the investment objectives, including asset enhancements of IOIPG REIT

There can be no assurance that the Manager will be able to implement its investment objectives successfully or that it will be able to expand IOIPG REIT's portfolio at any specified rate or to any specified size. The success of implementation of its investment objectives depends on the identification of suitable assets and the ability to obtain financing. The Manager may not be able to make acquisitions or investments on favourable terms or within a desired time frame, which will impede the growth of IOIPG REIT.

IOIPG REIT's ability to make new property acquisitions under its acquisition growth strategy may be adversely affected by the emergence of competitors in the retail, commercial, office, industrial and hospitality property markets. There may be significant competition for investment opportunities from other property investors, including other REITs, commercial property development companies and private investment funds. There can be no assurance that IOIPG REIT will be able to compete effectively against such entities.

IOIPG REIT has been granted a ROFR by the Sponsor to purchase the Sponsor's Real Estate Assets located in Malaysia used for retail, office, industrial and hospitality properties in the future. Pursuant to the terms of the ROFR, acquisition of properties under the ROFR may be subject to consent from third parties. There can be no assurance that such parties will give such consent. If the Sponsor is unable to provide the support required by IOIPG REIT in relation to the exercise of the ROFR when applicable in future or if the Sponsor reduces its interests in IOIPG REIT and/or the Manager, the future growth of IOIPG REIT may be adversely affected.

In addition, Dato' Lee has undertaken to grant IOIPG and IOIPG REIT preferential rights in respect of acquisition of the Relevant Private Assets and qualifying third-party acquisition opportunities, in circumstances: (i) before Dato' Lee offers such Relevant Private Assets to third parties; (ii) when Dato' Lee receives a bona fide third-party offer for such Relevant Private Assets; and (iii) when Dato' Lee is presented with any opportunity to acquire such third-party assets which satisfy the TAV Threshold. There can be no assurance that IOIPG REIT will elect to or successfully purchase the Relevant Private Assets.

Even if IOIPG REIT were able to successfully acquire property or investments, there is no assurance that IOIPG REIT will achieve its intended return on such acquisitions or investments or that it will be able to effectively integrate them into the portfolio of IOIPG REIT.

Further, IOIPG REIT's external growth strategy and its asset selection process may not be successful and may not provide positive returns to Unitholders as the expected benefits, synergies or efficiencies from such acquisitions may take longer than expected to be achieved or may not be achieved at all. Acquisitions may also divert management's attention away from day-to-day operations and cause disruptions to IOIPG REIT's operations.

Even if the Manager can identify suitable assets and investment opportunities for IOIPG REIT, obtaining funding for such acquisitions and investments may be difficult. Potential vendors may view negatively the prolonged time frame and lack of certainty associated with the raising of equity capital to fund any such purchase. They may instead prefer other potential purchasers.

The Manager may from time to time initiate AEIs on some of the Subject Properties, such as the AEIs currently being carried out in respect of Four Points by Sheraton Puchong, W Kuala Lumpur and PFCC Towers 1 and 2 as mentioned in **Section 5.1.7** above.

There can be no assurance that such plans for AEIs will materialise, or in the event that they do materialise, they may not achieve their desired financial results. For further details on the asset enhancement plans of the Manager, please refer to **Section 2** "Subject Properties" of this Prospectus.

5.4.7 IOIPG REIT may not meet the requirements to enjoy tax exemptions under Section 61A of the Income Tax Act by virtue of (among other things) tax adjustments which could affect the requirement of 90.0% distribution of total income or changes in tax laws affecting the tax treatment applicable to Unitholders

Pursuant to Section 61A of the Income Tax Act, the total income of a REIT listed on Bursa Securities is fully exempted from tax for a year of assessment if it distributes at least 90% of its total income to its unitholders in the basis period for that YA. MIRB has given a concession for such distribution to be made within two months after the close of the financial year which forms the basis period for the tax assessment of the REIT. Where the abovementioned conditions pursuant to Section 61A of the Income Tax Act are met, the total income of IOIPG REIT will be exempted from Malaysian income tax. If less than 90% of the total income is distributed, IOIPG REIT's chargeable income will be taxed at the current prevailing rate of 24%, and distributions to Unitholders will carry a tax credit for the tax paid at IOIPG REIT level.

Notwithstanding the tax exemption at the IOIPG REIT level, distributions made by IOIPG REIT to its Unitholders may still be subject to Malaysian tax in the hands of the Unitholders, whether by way of withholding tax or assessment to tax, depending on the respective tax profiles and residency status of the Unitholders.

On 18 March 2026, MIRB issued the Practice Note No. 2/2026 which clarified that with effect from the YA 2026, the concessionary rate of 10% withholding tax previously applicable to distributions received by certain categories of unitholders (in particular, non-corporate Unitholders) has ceased and is not renewed. Consequently, all unitholders of a REIT will be, from YA 2026 onwards, required to declare distributions received in their tax filings and be subject to tax at the rates applicable to them based on their respective tax profiles, save for the non-resident corporate unitholders whose distributions will remain subject to a final withholding tax at the prevailing rate of 24%. For further details on Malaysian tax implications applicable to Unitholders, please refer to **Appendix C** "Tax Consultant's Letter on Taxation of IOIPG REIT and Unitholders" of this Prospectus.

There can be no assurance that IOIPG REIT will be able to meet or continue to meet the requirements to enjoy tax exemption under Section 61A of the Income Tax Act. In the event of a disagreement or dispute by the MIRB, it may make an upward adjustment to the total income of IOIPG REIT, which may result in IOIPG REIT no longer satisfying the 90.0% distribution threshold requirements of Section 61A of the Income Tax Act. Moreover, if IOIPG REIT was not originally exempt under Section 61A of the Income Tax Act, an upward adjustment to total income would result in IOIPG REIT being subject to more tax, which could adversely affect the amount available for distribution to the Unitholders.

The Malaysian tax laws affecting IOIPG REIT and the Unitholders may be subject to change. For example, the conditions for income tax exemption may become more restrictive for IOIPG REIT to meet, withholding tax mechanism may be reintroduced to deduct tax from distributions to foreign non-corporate Unitholders at 30% and/or any applicable tax exemptions may be varied or removed in the future. Any such changes could have an adverse effect on IOIPG REIT and/or the returns to Unitholders.

5.4.8 IOIPG REIT depends on certain key personnel and the loss of any key personnel may adversely affect its operations

IOIPG REIT's performance depends, in part, upon the continued service and performance of the executive officers of the Manager. Please refer to **Section 6.5** "Management team of the Manager" of this Prospectus for details of the executive officers of the Manager. These key personnel may leave the employment of the Manager. If the above were to occur, the Manager will need to spend time searching for a replacement and the duties which such executive officers are responsible for may be affected. The loss of any of these individuals could have a material adverse effect on IOIPG REIT's financial condition and results of operations.

5.4.9 The removal of the Manager could have an adverse effect on IOIPG REIT's financial condition and results of operations

There can be no assurance that the Manager will remain the manager of IOIPG REIT. In the event that the Manager ceases to be eligible to act as a REIT manager under the CMSA or is removed pursuant to the Deed or the Relevant Laws and Requirements, IOIPG REIT may need to appoint another manager, which may materially and adversely affect IOIPG REIT's operations, financial condition and results of operations.

5.4.10 IOIPG REIT may be adversely affected by the illiquidity of real estate investments and the lack of alternative uses and may be exposed to a higher level of risk compared to other types of unit trusts that have a more diverse range of investments

IOIPG REIT's focus on retail, commercial, office, industrial and hospitality properties involves a higher level of risk as compared to a portfolio which has a more diverse range of investments which are more liquid. Real estate investments are relatively illiquid and such illiquidity may affect IOIPG REIT's ability to vary its investment portfolio or liquidate part of its assets in response to changes in economic, real estate market or other conditions. IOIPG REIT may be unable to sell its assets on short notice or may be forced to give a substantial reduction in the price that may otherwise be sought for such assets if a quick sale is required. IOIPG REIT may face difficulties in securing timely and commercially favourable financing in asset-based lending transactions secured by real estate due to the illiquid nature of real estate assets. These factors could have an adverse effect on IOIPG REIT's financial condition and results of operations, with a consequential adverse effect on IOIPG REIT's ability to deliver expected distributions to the Unitholders.

A concentration of investments in Real Estate exposes IOIPG REIT to the risk of a downturn in the real estate market. Such downturns may lead to a decline in occupancy for properties or Real Estate-Related Assets in IOIPG REIT's portfolio. This will affect IOIPG REIT's rental income from the Subject Properties, and/or a decline in the capital value of IOIPG REIT's portfolio, which will have an adverse impact on distributions to the Unitholders and/or on the results of operations and the financial condition of IOIPG REIT.

5.4.11 A change of investment and acquisition strategies may adversely affect Unitholders' investments in IOIPG REIT

IOIPG REIT's policies with respect to certain activities, including investments and acquisitions, will be determined by the Manager. Unitholders and potential investors should note that, subject to the requirements of the Deed and the Relevant Laws and Requirements (including the requirement for Unitholders' approval to be obtained in the event of any change to the investment policies of IOIPG REIT), the Manager has discretion to determine the investment and acquisition strategies of IOIPG REIT. Furthermore, as with other investment decisions, there are risks and uncertainties with respect to the selection of investments and with respect to the investments themselves. Please refer to **Section 10.10** "Investments of IOIPG REIT" of this Prospectus for further details on the restrictions relating to the investment policies of IOIPG REIT.

5.4.12 Potential conflicts of interest among IOIPG REIT, the Manager and the Sponsor or its subsidiaries could result in corporate actions and business decisions that are not in the Unitholders' best interest

The Manager is wholly-owned by the Sponsor. In addition, the Sponsor will be a major Unitholder following the completion of the Offering. There can be no assurance that conflict of interest may not arise among IOIPG REIT, the Manager and the Sponsor or its subsidiaries in the future. Please refer to **Section 11** "Corporate Governance, Related Party Transactions and Conflict of Interest" of this Prospectus.

The Sponsor and its subsidiaries and/or associates are engaged in, and/or may engage in among others, investment in, and the development, management and operation of retail, commercial, office, industrial and hospitality properties which may compete with the Subject Properties (including in sourcing potential tenants for retail and office properties and attracting guests in respect of hospitality properties) and cause downward pressure on rental rates. Additionally, the Sponsor and the Manager may in the future sponsor, manage or invest in other REITs or other vehicles which may also compete directly with IOIPG REIT.

In addition, pursuant to the ROFR and given the business portfolio of the Sponsor, the Manager may in the future recommend that IOIPG REIT acquire additional properties from the Sponsor and/or its subsidiaries. In such cases, the Manager is required to obtain valuations from independent property valuers and to comply with all other requirements applicable to such transactions pursuant to the REIT Guidelines.

Any potential conflict of interest between IOIPG REIT and the Sponsor may have a negative effect on IOIPG REIT's financial condition. However, the REIT Guidelines provide that any related party transaction must be made on terms which are the best available for the REIT and which are no less favourable to the REIT than an arm's length transaction between independent parties. Dato' Lee has also provided certain undertakings to address, resolve, mitigate and/or eliminate any actual or potential conflict of interest situation arising from Dato' Lee being (i) a director and major shareholder of the Sponsor, (ii) a director of the Manager, and (iii) a Unitholder, as elaborated in **Section 11.4.2** "Undertaking provided by Dato' Lee". In addition, the Sponsor and the Manager have implemented policies to address and minimise potential conflicts of interests among IOIPG REIT, the Manager, the Sponsor and/or its subsidiaries. However, there can be no assurance that any conflicts of interest which may arise among IOIPG REIT, the Manager and the Sponsor or its subsidiaries in the future will be appropriately addressed under these policies. Please refer to **Section 11.4.1** "The Sponsor" of this Prospectus and **Section 11.4.3** "Manager's policies on related party transactions and dealing with conflict of interest situations" of this Prospectus for further details.

5.4.13 IOIPG REIT and the Manager are newly established entities without an established operating history

IOIPG REIT was constituted by the Deed and established following the registration of the Deed with the SC on 11 September 2026, and the Manager was incorporated on 11 June 2025. Neither IOIPG REIT nor the Manager has sufficient operating history by which its performance may be judged. The lack of an established operating history will make it more difficult for investors to assess their likely future performance. There can be no assurance that IOIPG REIT will be able to generate sufficient income from operations to make distributions or that such distributions (if any) will be in line with those set out in **Section 4.5** "Profit Projection" of this Prospectus. Pro forma financials and past financial results are not indicative of future results.

5.4.14 IOIPG REIT may incur unanticipated costs and liabilities in connection with environmental laws and regulations

Under various laws, an owner or operator of real property may become liable for the costs of removal of certain hazardous substances released on its property. These laws may impose liability without regard to whether the owner or operator knew of, or was responsible for, the release of such hazardous substances. The presence of hazardous substances on any Subject Property owned by IOIPG REIT may have an adverse effect on IOIPG REIT's ability to sell any of the Subject Properties or borrow using the Subject Properties as collateral. To the extent that IOIPG REIT becomes liable for costs of removing any hazardous substances, IOIPG REIT's ability to make distributions to Unitholders will be duly affected.

5.4.15 Occurrence of any acts of God, war and terrorist attacks may adversely and materially affect the business and operations of the Subject Properties

Acts of God, such as natural disasters like earthquakes, floods and pandemics, war and terrorist attacks are beyond the control of IOIPG REIT or the Manager. These may materially and adversely affect the economy, infrastructure and livelihood of the local population. IOIPG REIT's business, financial condition and results of operations may be adversely affected should such acts of God, war or terrorist attacks occur. There can be no assurance that any war, terrorist attack or other hostilities in any part of the world, potential, threatened or otherwise, will not, directly or indirectly, have an adverse effect on the operations, revenue and profitability of IOIPG REIT. The consequences of any of these acts of God, terrorist attacks or armed conflicts are unpredictable, and IOIPG REIT may not be able to foresee events that could have an adverse effect on its business, financial condition and results of operations.

Physical damage to the Subject Properties resulting from fire, earthquakes, floods, pandemics or other acts of God or acts of war, civil unrest, political disruption, terrorist attack, or other hostilities in any part of the world, potential, threatened or otherwise, may also directly or indirectly lead to a significant disruption to the business and operations of the Subject Properties. This may result in the loss of invested capital in the affected Subject Properties as well as anticipated future revenues and unbudgeted costs on IOIPG REIT as it may not be able to rent or sell the affected Subject Properties and any financial obligations secured by such Subject Properties may be accelerated.

5.4.16 The outbreak of an infectious disease or any other serious public health concerns in Asia and elsewhere could adversely impact the business, financial condition and results of operations of IOIPG REIT

The business of IOIPG REIT and the businesses of its tenants could be adversely affected by the risks, or the public perception of the risks, related to an epidemic, pandemic, outbreak, or other public health crisis, such as Avian Flu, Severe Acute Respiratory Syndrome, Middle East Respiratory Syndrome, the Zika virus and the outbreak of the COVID-19 Coronavirus. The risk, or public perception of the risk, of a pandemic or media coverage of infectious diseases or any government-imposed lockdowns and travel restrictions could cause customers to avoid retail and hospitality properties or the closure of offices, and with respect to the Subject Properties generally, could cause temporary or long-term disruptions in its tenants' supply chains and/or delays in the delivery of the tenants' inventory. Moreover, an epidemic, pandemic, outbreak or other public health crisis, such as the COVID-19 Coronavirus, could cause the on-site employees of the tenants to avoid the tenants' properties, which could adversely affect tenants' ability to adequately manage their businesses. Risks related to an epidemic, pandemic or other health crisis, such as the COVID-19 Coronavirus and other infectious diseases mentioned above, could also lead to the complete or partial closure of one or more of the tenants' facilities, stores or offices. Such events could adversely impact the tenants' occupancy, sales and/or cause the temporary closure of the tenants' businesses, which could severely disrupt their operations and the rental revenue IOIPG REIT generates from leases with them. The ultimate extent of the impact of any epidemic, pandemic or other health crisis on IOIPG REIT's business, financial condition and results of operations will depend on future developments, which are highly uncertain and cannot be predicted, including new information that may emerge concerning the severity of such epidemic, pandemic or other health crisis and actions taken to contain or prevent their further spread, among others. These and other potential impacts of an epidemic, pandemic or other health crisis, such as the COVID-19 Coronavirus and other infectious diseases mentioned above, could therefore adversely affect the business, financial condition and results of operations of IOIPG REIT.

A future outbreak of an infectious disease or any other serious public health concern in Asia and elsewhere may also cause reduced rental income, revenue, occupancy rates, room rates and demand for IOIPG REIT's properties and harm its business. There can be no assurance as to how these infectious diseases will affect the overall business climate of IOIPG REIT in Malaysia and elsewhere.

5.4.17 IOIPG REIT and the Hotel Managers rely on information technology in its operations, and any material failure, inadequacy, interruption or security failure of that technology could harm IOIPG REIT's business

IOIPG REIT and the Hotel Managers rely on information technology networks and systems, including the Internet, to process, transmit and store electronic information and to manage or support a variety of its business processes, including financial transactions and maintenance of records, which may include personally identifiable information of tenants and lease data, and in the case of the Hotel Properties, may also include personally identifiable information of hotel guests. IOIPG REIT and the Hotel Managers rely on commercially available systems, software, tools and monitoring to provide security for processing, transmitting and storing confidential tenant and hotel guest information, such as individually identifiable information relating to financial accounts. Although IOIPG REIT has taken steps to protect the security of the data maintained in its information systems, it is possible that such security measures will not be able to prevent the systems' improper functioning, or the improper disclosure of personally identifiable information such as in the event of cyber-attacks. Security breaches, including physical or electronic break-ins, computer viruses, attacks by hackers and similar breaches, can create system disruptions, shutdowns or unauthorised disclosure of confidential information. Any failure to maintain proper function, security and availability of the information systems could interrupt IOIPG REIT's operations (including the operations of the Hotel Properties by the Hotel Managers), damage its reputation, subject IOIPG REIT to liability claims or regulatory penalties and could materially and adversely affect it. Any failure to maintain proper function, security and availability of the information systems relevant to the operations of the Subject Properties could additionally subject the Hotel Managers and/or IOIPG REIT to liability claims or regulatory penalties arising out of potential breach or non-compliance with the Personal Data Protection Act, 2010, which in turn could have a material adverse effect on IOIPG REIT's business, prospects, financial condition and results of operations.

5.5 RISKS RELATING TO AN INVESTMENT IN THE UNITS

5.5.1 The actual performance of IOIPG REIT and the Subject Properties could differ materially from the forward-looking statements in this Prospectus and the Profit Projection in Section 4.5 of this Prospectus

This Prospectus contains forward-looking statements regarding, among others, profit projection and projected distribution/yield levels for the period from the Projection Period 2027. These forward-looking statements are based on a number of assumptions which are subject to uncertainties and contingencies which are outside of the Manager's control. As the actual results may differ materially from the projections, investors are advised to read and understand the assumptions, uncertainties and contingencies underlying the profit projection as set out in **Section 4.5.3** "Bases and Assumptions" of this Prospectus. IOIPG REIT's ability to achieve the profit projection and projected distributions/yields is subject to events and circumstances assumed which may not occur as expected, or events and circumstances not anticipated which may arise.

There can be no assurance that the assumptions will be realised and the actual distributions/yields will be as projected.

In addition, certain forward-looking statements regarding IOIPG REIT are subject to known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements to differ materially from the future results, performance or achievements expressed or implied in such forward-looking statements. The inclusion of a forward-looking statement in this Prospectus should not be regarded as a representation or warranty by the advisers or the Manager, that the plans and objectives of IOIPG REIT will be achieved.

5.5.2 The sale of a substantial number of Units by the Sponsor, VCSB and/or any of its transferees of the Units (following the lapse of the lock-up arrangements) could adversely affect the price of the Units

Upon Listing, IOIPG REIT will have 5,500,000,000 issued Units, of which up to 3,300,000,000 Units will be held by the Sponsor. VCSB has also provided an irrevocable written undertaking vide its Undertaking Letter to apply and subscribe, among others, for the VCSB Entitlement pursuant to the Restricted Offering. Please refer to **Section 3.5** of this Prospectus for further details on the undertaking from VCSB. If the Sponsor, VCSB and/or any of its transferees of the Units (following the lapse of the relevant respective lock-up arrangements, or pursuant to any applicable waivers) sells or is perceived as intending to sell a substantial amount of its Units, or if a secondary offering of the Units is undertaken in connection with a listing on another securities exchange, the market price for the Units could be adversely affected.

5.5.3 The Pro Forma Consolidated Statement of Financial Position and Pro Forma Consolidated Statements of Comprehensive Income as included in this Prospectus may not reflect actual financial position and results

IOIPG REIT's Pro Forma Consolidated Statement of Financial Position have been prepared to show the effects of the Acquisitions and the Offering based on the assumption that the events have been effected on the date of establishment of IOIPG REIT. As IOIPG REIT's Pro Forma Consolidated Statement of Financial Position is prepared for illustrative purposes only, such information, because of its nature, do not give a true picture of the effects of the formation of IOIPG REIT on the financial position of IOIPG REIT had the events occurred on the date of establishment of IOIPG REIT. Further, such information does not purport to predict IOIPG REIT's future financial position.

IOIPG REIT's Pro Forma Consolidated Statements of Comprehensive Income included in this Prospectus has been prepared on an aggregate basis as if the Subject Properties have been operated under IOIPG REIT throughout and as at the periods and dates presented. IOIPG REIT's Pro Forma Consolidated Statements of Comprehensive Income is also not necessarily indicative of the results of operations that would have been attained had IOIPG REIT actually existed earlier.

5.5.4 IOIPG REIT may not be able to make distributions to the Unitholders or the level of distributions may fall

The Distributable Income is dependent on:

(i) the NPI earned from real estate investments which depends on, among other factors (a) the amount of Rental Income and other property income received and (b) the level of property expenses incurred; and

(ii) the trust level expenses of IOIPG REIT, such as Management Fees and financing costs.

If the Subject Properties do not generate sufficient Distributable Income and cash flows, IOIPG REIT's ability to make distributions to the Unitholders could be adversely affected.

There can be no assurance to IOIPG REIT's ability to pay or maintain distributions. Neither is there any assurance that the level of distributions will increase over time, that there will be contractual increases in rent under the tenancies of the Subject Properties or that the receipt of Rental Income in connection with expansion of the properties or acquisitions of properties will increase IOIPG REIT's cash flow available for distribution to the Unitholders.

5.5.5 The NAV per Unit may be diluted if further issues are priced below the then current NAV per Unit

The Deed contemplates new issues of Units, the offering price for which may be above, at or below the then current NAV per Unit. The NAV per Unit may be diluted if new Units are issued and the use of proceeds from such issue of Units generates insufficient cashflow to cover the dilution. Where new Units, including Units which may be issued to the Manager in payment of the Management Fees, are issued at less than the NAV per Unit, the then current NAV of each existing Unit may be diluted.

5.5.6 Unitholders who do not or are not able to participate in future equity fundraising by IOIPG REIT will experience a dilution in their interest in IOIPG REIT

If Unitholders do not or are not able to participate in any future equity fundraising, such as rights issues or private placements, their proportionate interest in IOIPG REIT will be reduced. Any consideration received by such Unitholders in exchange for any rights under future equity fund raisings may not be sufficient to compensate for the dilution of their unitholdings as a result of the equity fund raising.

5.5.7 The price of the Units may decline after the Listing

The Final Retail Price and the Institutional Price may not be indicative of the market price for the Units upon the Listing. The trading price of the Units will depend on many factors, including, but not limited to:

(i) the perceived prospects of IOIPG REIT's business and investments and the market for the Real Estate Assets;

(ii) differences between IOIPG REIT's actual financial and operating results and those expected by investors and analysts;

(iii) changes in analysts' recommendations or projections, if any;

(iv) changes in general economic or market conditions;

(v) the market value of IOIPG REIT's assets;

(vi) the perceived attractiveness of the Units against those of other equity or debt securities, including those not in the real estate sector;

(vii) the balance of buyers and sellers of the Units;

(viii) the size and liquidity of the Malaysian REIT market;

(ix) any changes to the regulatory system, including the accounting standards and tax system, both generally and specifically in relation to Malaysian REITs;

(x) the ability on the Manager's part to implement successfully its investment and growth strategies; and

(xi) broad market fluctuations, including increases in interest rates and weakness of the equity and debt markets.

Units may trade at prices that are higher or lower than the NAV per Unit. To the extent that IOIPG REIT retains operating cash flow for investment purposes, working capital reserves or other purposes, these retained funds, while increasing the value of the Total Asset Value and NAV, may not correspondingly increase the market price of the Units. Any failure to meet market expectations with regards to future earnings and cash distributions may adversely affect the market price for the Units.

Where new Units are issued at less than the market price of the Units, the value of an investment in Units may be affected. The Units are not capital-protected/guaranteed products. There is no guarantee that Unitholders can regain the amount invested. If IOIPG REIT is terminated or liquidated, investors may lose a part or all of their investment in the Units.

5.5.8 Volatility in market and economic conditions may affect the price and demand for the Units

Volatility in domestic and international securities markets, economic conditions, foreign exchange rates and interest rates may affect the market price of, and demand for, the Units. In particular, an increase in market interest rates may have an adverse impact on the market price of the Units if the annual yield on the price paid for the Units gives investors a lower return compared to other investments.

There can be no assurance that the performance of the Malaysian securities markets will continue to improve. The Malaysian securities markets are smaller than certain other international securities markets. Malaysian stock exchanges have in the past experienced substantial fluctuations in the prices of listed securities.

5.5.9 The laws, regulations and accounting standards in Malaysia may change, including the introduction of new or revised legislation, regulations, guidelines or directives affecting REITs

IOIPG REIT may be affected by the introduction of new or revised legislation, regulations or accounting standards. Accounting standards in Malaysia are subject to change as they are further aligned with international accounting standards. The financial statements of IOIPG REIT may be affected by the introduction of such revised accounting standards. The extent and timing of these changes in accounting standards are unknown and subject to confirmation by the relevant authorities.

There can be no assurance that these changes will not:

(i) have a significant impact on the presentation of IOIPG REIT's financial statements;

(ii) have a significant impact on IOIPG REIT's results of operations;

(iii) have an adverse effect on the ability of IOIPG REIT to make distributions to the Unitholders;

(iv) have an adverse effect on the ability of the Manager to carry out IOIPG REIT's investment objectives; or

(v) have an adverse effect on the operations and financial condition of IOIPG REIT.

IOIPG REIT may also be affected by the introduction of new or revised legislation, regulations, guidelines or directives affecting REITs. There can be no assurance that new or revised legislation, regulations, guidelines or directives will not adversely affect REITs in general or IOIPG REIT specifically and hence have a corresponding adverse effect on the Unitholders.

5.5.10 The Malaysian Ringgit may be subject to exchange controls

From 1998 to 2005, BNM maintained a fixed exchange rate of RM3.80 to USD1.00. In 2005, BNM removed the peg and allowed the Malaysian Ringgit to operate in a managed float, with the value of the currency being determined by various economic factors. There can be no assurance that BNM will, or would be able to, intervene or maintain this managed float system in the future or that any such intervention or managed float system would be effective.

Furthermore, there can be no assurance that the Government will not impose more restrictive or other exchange controls. Any further imposition, variation or removal of exchange controls may adversely affect the market price of the Units or the ability of investors to repatriate the proceeds of any distributions or from the sale of any Units out of Malaysia.

5.5.11 Foreign investment in Malaysian assets may be subject to further controls

Foreign investment in Malaysian assets is regulated and monitored by the MOE. Currently, there is no restriction imposed on foreign investment in REITs which have invested in Malaysian assets. However, there can be no assurance that the MOE and/or the Government will not impose any restrictive or other controls relating to foreign investment in Malaysian assets. Any imposition or variation of such controls may affect the Unitholders' ability to sell the Units to foreign parties and may affect the liquidity of the Units. Such conditions may also limit IOIPG REIT's access to future sources of equity capital.

5.5.12 No right for Unitholders to request for redemption of their Units

Unitholders have no right to request the Manager to redeem their Units. Accordingly, apart from selling their Units through trading on the Main Market, Unitholders may not be able to realise their investments in Units.

5.5.13 The Units have never been publicly traded such that the listing of the Units on the Main Market may not result in an active or liquid market for the Units

There is no public market for the Units prior to the Offering and an active public market for the Units may not develop or be sustained after the Listing. Bursa Securities' approval for the admission of all the issued Units to the Official List of the Main Market and for permission to deal in and the listing of, and quotation for, all the issued Units was obtained on 30 September 2026. However, listing and quotation does not guarantee that a trading market for the Units will develop or, if a market does develop, the liquidity of that market for the Units. Prospective Unitholders must be prepared to hold their Units for an indefinite length of time.

5.5.14 Failure in the Listing may result in refund in monies without interest

The Listing is exposed to the risk that it may fail should any one or more of the following events occur:

(i) the Joint Managing Underwriters and Joint Underwriters, the Joint Global Coordinators and Joint Bookrunners exercise their rights pursuant to the Underwriting Agreement and the Placement Agreement, respectively, to discharge themselves from their obligations thereunder;

(ii) IOIPG REIT is unable to meet the Public Spread Requirement at the point of Listing or such other minimum public unitholding spread as may be approved by Bursa Securities; or

(iii) the relevant authorities revoke approvals for the Listing.

If the Offering is not completed and/or the Manager decides in its absolute discretion not to proceed with the Listing, any monies paid in respect of all applications under the Retail Offering will be refunded without interest.

5.5.15 There can be no assurance that the Units will remain listed on Bursa Securities and/or not be suspended from trading

Although it is intended that the Units will remain listed on Bursa Securities, there is no guarantee of the continued listing of the Units. Among other factors, IOIPG REIT may not continue to satisfy the Public Spread Requirement. Accordingly, Unitholders will not be able to sell their Units through trading on Bursa Securities if the Units are no longer listed on Bursa Securities and/or are suspended from trading for an indefinite period.

6. THE MANAGER

6.1 CORPORATE INFORMATION

Note:

(1) As at LPD, IRMSB is a dormant company.

The Manager is a wholly-owned subsidiary of the Sponsor with the principal activity of managing IOIPG REIT. The Manager is a CMSL holder, authorised to carry out fund management activities in relation to asset management restricted to REITs. As at the date of this Prospectus, the Manager only manages IOIPG REIT.

6.2 FUNCTIONS, DUTIES AND RESPONSIBILITIES OF THE MANAGER

The Manager shall, subject to the provisions of the Deed and the Relevant Laws and Requirements, carry out all activities as it may deem necessary for the management of IOIPG REIT and its business. The Manager's main responsibility is to manage activities in relation to IOIPG REIT.

The Manager shall, in managing IOIPG REIT, undertake primary management activities in relation to IOIPG REIT, including but not limited to overall strategy, new acquisition and disposal analysis, marketing and communications, individual asset performance and business planning, market performance analysis and other activities as provided under the Deed.

The Manager's functions, duties and responsibilities shall include the following:

(i) to carry on and conduct its business in a proper, diligent and efficient manner and ensure that IOIPG REIT is managed and administered in a proper, diligent and efficient manner and in accordance with the Deed and the Relevant Laws and Requirements and in accordance with acceptable and efficacious business practices in the real estate investment industry;

(ii) to exercise the degree of care and diligence that a reasonable person would exercise in the position of a management company and effectively employ the resources and procedures necessary for the proper performance of IOIPG REIT;

(iii) to observe high standards of integrity and fair dealing in managing IOIPG REIT to the best and exclusive interest of the Unitholders;

(iv) not to manage any other REIT which invests in the same type of properties as IOIPG REIT;

(v) not to take on, lease or otherwise acquire, any immovable property or any interest therein, except for the purposes of operating IOIPG REIT and those entered into in the ordinary course of business;

(vi) not to make improper use of its position in, or information acquired through, managing IOIPG REIT to gain, directly or indirectly, an advantage for itself or for any other person or to cause detriment to the interest of the Unitholders and to ensure that its officers and delegates comply with the same;

(vii) to submit or make available, or ensure that there is made available, to the Trustee such information as the Trustee requires with respect to all matters relating to IOIPG REIT to which the Deed relates;

(viii) to the same extent as if the Trustee were a Director of the Manager:

  (a) to make available to the Trustee or an authorised officer or employee of the Trustee or the auditor of IOIPG REIT appointed by the Trustee ("**Auditor**"), for inspection the whole of the books and records of the Manager in relation to IOIPG REIT wherever kept;

  (b) to make available to the Trustee or an authorised officer or employee of the Trustee or the Auditor, for inspection, all financial and other records of IOIPG REIT wherever kept; and

(c) to give to the Trustee or an authorised officer or employee of the Trustee or the Auditor such oral or written information, explanation or other assistance that they may require with respect to all matters relating to IOIPG REIT or any Deposited Property (whether acquired before or after the date of the Deed) or otherwise relating to the affairs of IOIPG REIT;

(ix) to ensure that IOIPG REIT has, at all times, an appointed trustee and a person responsible for ensuring compliance with the Deed and the Relevant Laws and Requirements;

(x) to appoint property manager(s) which has been approved by the Trustee to manage the Real Estate held by IOIPG REIT and which possesses adequate human resources with the necessary qualifications, expertise and experience in real estate management;

(xi) to ensure that all Real Estate held by IOIPG REIT is kept in good repair, that all valid notices from and requirements of proper authorities in relation thereto are observed and complied with and that they are let and otherwise dealt with to the best advantage;

(xii) to insure and keep insured in the name of the Trustee for such amounts as may be recommended by a qualified independent valuer duly appointed by the Trustee pursuant to the Deed against fire, explosion, storm, tempest, flood, lightning and other usual risks including loss of rent where applicable on all the Real Estate comprised in the Deposited Property and on request by the Trustee, produce for the inspection of the Trustee all insurance policies effected;

(xiii) to notify the Trustee of all announcements that the Manager makes to Bursa Securities as soon as practicable after the announcement is made to Bursa Securities;

(xiv) to take all necessary steps to ensure that the Deposited Property is adequately protected and properly segregated;

(xv) to take all reasonable steps and exercise due diligence to ensure that the assets of IOIPG REIT are correctly valued in accordance with provisions of the Deed and the Relevant Laws and Requirements;

(xvi) for the purpose of valuing the Deposited Property, to not do or omit anything that would or might confer on itself a benefit or advantage at the expense of the Unitholders or investors;

(xvii) to account to the Trustee for any loss suffered by the fund as a result of the Manager's failure to exercise the degree of care and diligence required in operating and managing IOIPG REIT;

(xviii) to ensure that its officers and delegates comply with all of its duties and obligations prescribed under the Relevant Laws and Requirements;

(xix) to ensure that the Deposited Property is clearly identified as IOIPG REIT's property and held separately from the assets of the Manager and any other fund managed by the Manager;

(xx) to establish and maintain risk management systems and controls to enable it to identify, assess, mitigate, control and monitor risks in relation to IOIPG REIT;

(xxi) to have adequate human resource with the necessary qualification, expertise and experience to carry on business as a management company;

(xxii) to have adequate and appropriate systems, procedures, and processes to undertake the business in a proper, diligent and efficient manner;

(xxiii) to pay the Trustee within 10 Market Days after its receipt any moneys payable by it to the Trustee under the Deed;

(xxiv) to appoint a full-time chief executive;

(xxv) to appoint a compliance officer who must directly report to the Board;

(xxvi) to appoint an individual as a designated person responsible for the real estate portfolio management of IOIPG REIT who must possess the necessary experience and expertise in real estate investment; and

(xxvii) where investments of IOIPG REIT involve Real Estate located outside Malaysia:

(a) to ensure that it has the necessary experience, capability, resources and competence to deal with the legal and other regulatory requirements of the Real Estate located outside Malaysia;

(b) to demonstrate that it has the requisite competence, experience and resources to:

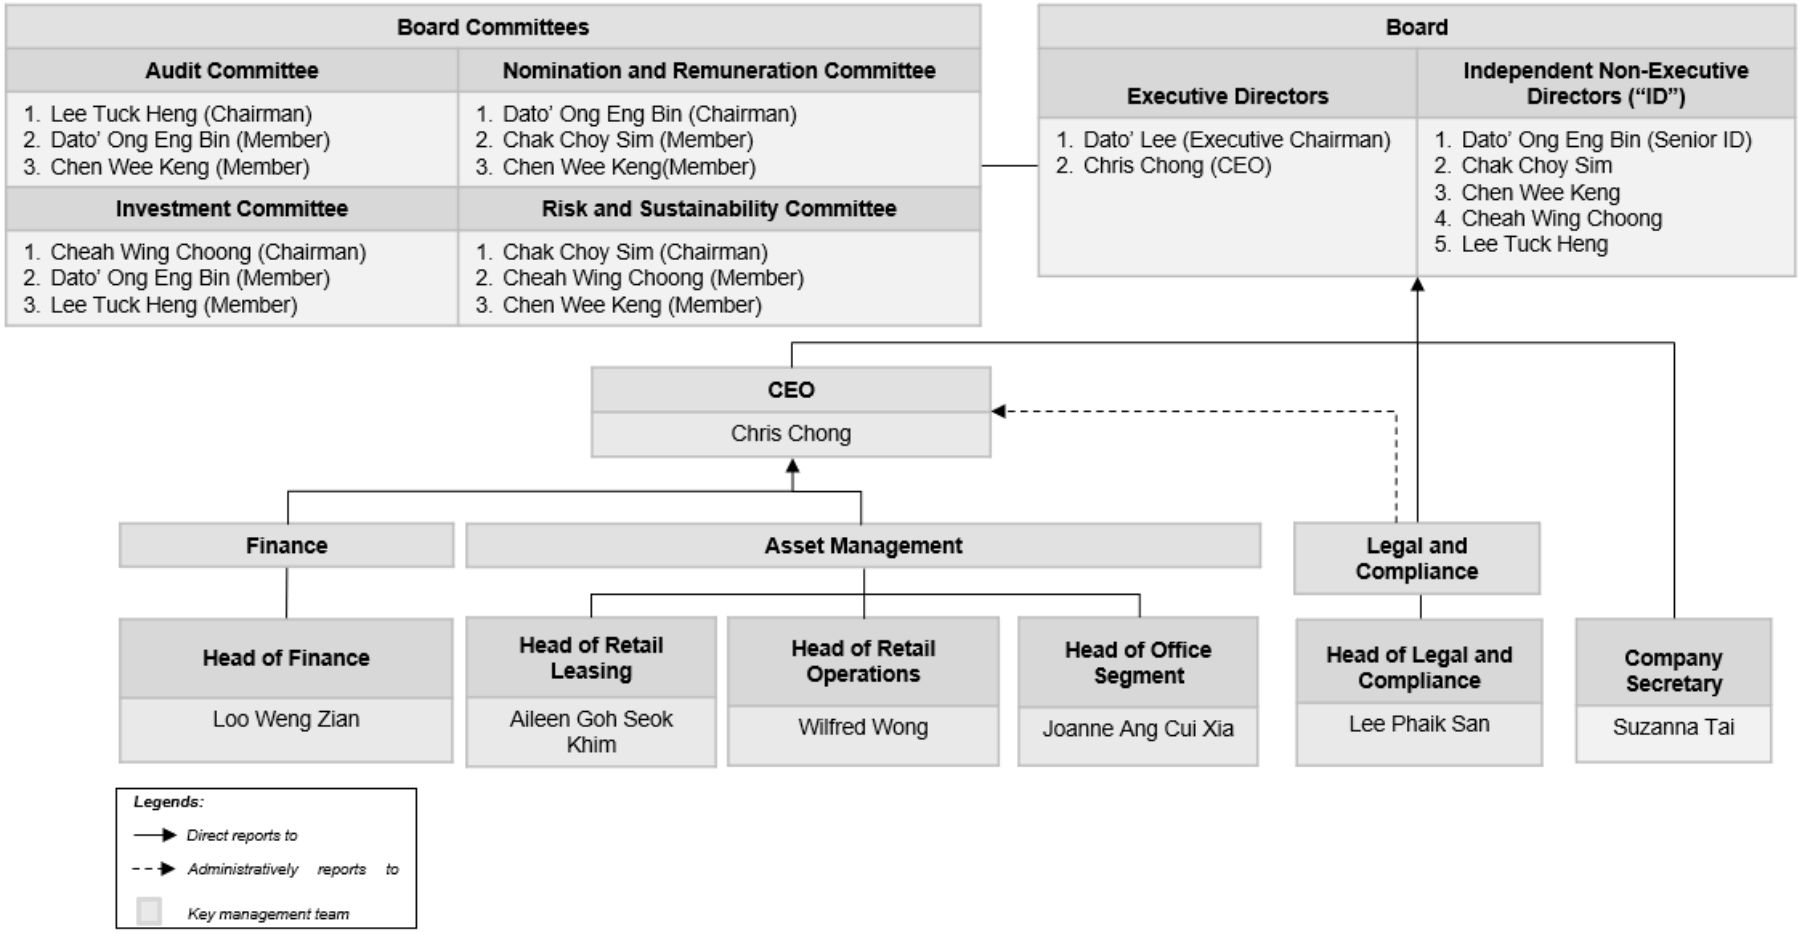

(i) analyse the issues and risks associated with foreign investments;

(ii) develop, implement and keep up-to-date a set of effective internal controls and risk management systems to deal with existing and foreseeable risks associated with foreign investments; and

(iii) inform investors in a clear, concise and timely manner of the investment profile and risk to IOIPG REIT; and

(c) to have a contingency plan that enables it to proactively respond to any urgent need that may arise in the course of its investment, management and divestment of such Real Estate.

Dato' Ong began his career as an Audit Assistant at Pricewaterhouse Malaysia (now known as PricewaterhouseCoopers Malaysia) ("**PwC**") in December 1986, where he was involved in audit work. He left PwC in June 1988.

Dato' Ong has 35 years of working experience with OCBC Bank (Malaysia) Berhad ("**OCBC Malaysia**"), having held various positions in different divisions of OCBC Malaysia. From June 1988 to December 1988, he joined OCBC Malaysia as a Trainee Bank Officer for corporate loans and corporate banking. Subsequently, he held the positions of Supervisor, Bank Officer and Assistant Manager in the Corporate Banking Division of OCBC Malaysia. In May 1990, he was transferred to OCBC Malaysia (Johor Bahru branch) where he assumed similar roles and responsibilities as those performed by him in the headquarter of OCBC Malaysia.

In January 1992, Dato' Ong returned to the headquarters of OCBC Malaysia in Kuala Lumpur as an Assistant Vice President of the Corporate Banking Division. Subsequently, he was promoted as the Vice President of the Corporate Banking Division in October 1996. In January 2004, he was appointed as the Head of Corporate Banking & Large Corporates, where he was responsible for leading a team of officers to provide corporate banking offerings, solutions and products to corporate clients. In April 2012, he was promoted to the position of the Head of Business Banking, where he was involved in corporate and commercial, emerging business and transaction banking, and financial institutions segment. From August 2014 to December 2022, he was appointed as the CEO of OCBC Malaysia. During his tenure as the CEO of OCBC Malaysia, he was also the Chairman of Pac Lease Berhad and OCBC Malaysia e2 Power Sdn Bhd as well as a council member of the Association of Banks in Malaysia. Subsequently, he retired in December 2022 and assumed the role of an adviser to the Chairman of OCBC Malaysia from January 2023 to June 2023.

Dato' Ong served as an Independent Non-Executive Director for both Paramount Corporation Berhad (from 1 July 2023 until his retirement on 25 May 2026) and Oriental Holdings Berhad (from 1 July 2023 until his retirement on 11 June 2026).

As at the LPD, Dato' Ong continues to serve as an Independent and Non-Executive Director of Inari Amertron Berhad and Crescendo Corporation Berhad. As the Independent and Non-Executive Director, he is responsible for overseeing the board practices as well as supervising corporate governance and compliance matters of the company. Dato' Ong is also appointed as the Chairman of the Investment Committee of Mapletree Emerging Growth Asia Logistics Development Fund, a logistics development fund of Mapletree Investments Pte Ltd that focuses on institutional grade logistics products in Malaysia, India and Vietnam.

(iii) **Mr. Lee Tuck Heng**, a Malaysian aged 66, is the Independent Non-Executive Director. He was appointed to the Board on 20 January 2026.

Mr. Lee completed the professional examination of the Malaysian Institute of Certified Public Accountants (*formerly known as Malaysian Association of Certified Public Accountants*) ("**MICPA**") in 1984. He is a member of the MICPA since November 1984 and was admitted as a Chartered Accountant of MIA since November 1987.

Mr. Lee has over 40 years of working experiences with PwC. He began his career as an Audit Assistant at PwC Malaysia in May 1980, where he was involved in the provision of audit and assurance services. Subsequently, he was promoted to various position, including Audit Senior, Qualified Accountant, Audit Assistant Manager and Audit Manager.

From October 1988 to July 1990, Mr. Lee was seconded to PwC's London office and held the position of an Audit Manager, where he was involved in audits of companies across various sectors. During his tenure with PwC's London office, he was promoted to the position of Audit Senior Manager.

In August 1990, Mr. Lee returned to Malaysia and held the position of an Audit Senior Manager in PwC Malaysia, where he assumed the similar roles and responsibilities that he had performed in PwC's London office. In January 1996, Mr. Lee was admitted as a Partner of PwC Malaysia, where he was responsible for audit engagements for both local and international clients across various sectors. He also advised clients on initial public offerings, mergers and acquisitions and corporate restructurings. Subsequently, he retired in June 2021.

As at the LPD, Mr. Lee is the Independent and Non-Executive Director of Genting Berhad and Boost Bank Berhad. As the Independent and Non-Executive Director, he is responsible for overseeing board practices as well as supervising corporate governance and compliance matters of the company.

(iv) **Ms. Chen Wee Keng**, a Malaysian aged 61, is the Independent Non-Executive Director. She was appointed to the Board on 20 January 2026.

Ms. Chen graduated from Universiti Sains Malaysia with a Bachelor of Management in August 1989. She is a Chartered Banker of the Asian Institute of Chartered Bankers since January 2022.

Ms. Chen began her career as an Officer at Ban Hin Lee Bank Berhad, Prai Branch in May 1989, where she was responsible for marketing and processing of trade finance and remittance transactions. She left the bank in April 1990.

From May 1990 to June 1993, Ms. Chen joined Standard Chartered Bank Malaysia Berhad as a Credit Analyst in the Corporate Services Division, where she developed her foundation in credit and cash management.

Subsequently, Ms. Chen joined Perwira Affin Merchant Bank Berhad as an Officer, Banking in July 1993, marking the beginning of her journey in capital market space. During her 7-year stint with the bank, she rose through the ranks to become a Senior General Manager in October 1999, where she led the team for marketing, structuring and execution of corporate loans and private debt securities. She left the bank in March 2001.

In April 2001, Ms. Chen joined Commerce International Merchant Bankers Berhad (now known as CIMB Investment Bank Berhad), where she spent over 18 years in various senior leadership positions. She joined the bank as an Associate Director, Capital Markets in April 2001 and was promoted to the positions of Director, Investment Banking in July 2003 and Managing Director, Customer Client Solutions in October 2013, where she co-led and drive the team to secure investment banking mandates and to execute major investment banking transactions. In April 2014, she served as the Senior Managing Director/Regional Sector Head, Customer Client Solutions, where she was responsible for leading and driving investment banking mandates in real estate and infrastructure sectors across the bank's regional branches.

In April 2015, she became the Head of Investment Banking Malaysia of CIMB Investment Bank Berhad, where she was responsible for leading the merged department of customer client solutions and corporate finance. In April 2016, she was appointed as the Senior Managing Director and Co-Head of the Senior Bankers Group, where she led the coverage teams to originate, structure and secure investment banking mandates from corporate clients until her departure in December 2019.

Ms. Chen then joined AmInvestment Bank Berhad in May 2020 as the Deputy CEO and Head of Capital Advisory, where she led the corporate finance, debt markets and equity capital market teams to originate, structure and secure investment banking mandates. She was appointed as the Acting CEO in July 2020 and subsequently as the CEO in October 2020, where she was responsible for stewarding and managing the bank's 6 lines of businesses comprising corporate finance, debt markets, equity capital market, private banking, stock broking and fund management. Subsequently, she retired in May 2025.

As at the LPD, Ms. Chen is the Independent Non-Executive Director of RCE Capital Berhad and CIMB Investment Bank Berhad.

(v) **Mr. Cheah Wing Choong**, a Malaysian aged 67, is the Independent Non-Executive Director. He was appointed to the Board on 20 January 2026.

Mr. Cheah graduated from Heriot-Watt University, Edinburgh, Scotland with a Bachelor of Science in Estate Management in 1982. He subsequently obtained a Master of Business Administration ("**MBA**") from University of Bath, England in 1994. He became a member of the Royal Institution of Surveyors Malaysia in 1987 and thereafter a fellow of the institution since 2006. He is also a member of the Royal Institution of Chartered Surveyors, United Kingdom since 2007. In addition, he is a valuer and an estate agent registered with the Board of Valuers, Appraisers, Estate Agents and Property Managers, Malaysia.

Mr. Cheah began his career as an Executive at Rahim & Co Chartered Surveyors Sdn Bhd in August 1982, where he was involved in management of high-rise commercial, residential and industrial properties and valuation of various categories of properties. He was subsequently promoted to various positions, including managerial roles in the Properties Department and the Valuation Department in the company, where he was responsible for the management and maintenance of properties, valuation of land and buildings and preparation of market and feasibility studies.

In 1990, Mr. Cheah joined Peat Marwick Consultants as a Manager, where he was primarily involved in the revival of abandoned housing schemes, including the appointment and management of the team of consultants as well as overseeing tender evaluations and appointment of contractors for such housing projects.

In 1992, Mr. Cheah joined Tan & Tan Developments Berhad as a Manager. He was involved in the initial public offering and listing of Tan & Tan Developments Berhad on the Main Board (now known as Main Market) of Bursa Securities in 1993. He was subsequently redesignated as the Head of Real Estate and Property Division in September 1996. Following the merger of Tan & Tan Developments Berhad with IGB Corporation Berhad ("**IGB**") in 2002, he was promoted to the position of Senior General Manager of the Asset Management Division in IGB, where he was involved in the development of commercial properties and the management of commercial and residential properties.

In September 2007, Mr. Cheah joined Tradewinds Corporation Berhad as the Chief Operating Officer, where he was involved in the overall asset management of all the commercial properties of the company in Malaysia. He was also involved in the master planning and design of a 907-acre development land in Nusajaya, Johor undertaken by the company, as well as the re-development of the company's commercial sites located in Kuala Lumpur and Penang.

Subsequently in 2009, Mr. Cheah joined Sunway City Berhad as the Chief Operating Officer (Property Investments), where he oversaw the development of commercial properties and management of commercial and residential properties. He was involved in the conceptualisation and implementation of the commercial projects of the company as well as the management of property and facilities of the completed residential and commercial properties of the company.

In September 2014, Mr. Cheah joined IOIPG as the Chief Operating Officer (Property Investment), where he led and oversaw the management and enhancement of the IOIPG Group's property investment portfolio. He played a key role in driving operational efficiencies, improving asset performance and strengthening tenant and stakeholder relationships across the IOIPG Group's property investment portfolio until his retirement in June 2020.

As at the LPD, Mr. Cheah does not hold any directorship in any public listed company.

(vi) **Ms. Chak Choy Sim**, a Malaysian aged 69, is the Independent Non-Executive Director. She was appointed to the Board on 20 January 2026.

Ms. Chak graduated from Universiti Sains Malaysia in June 1981 with a Bachelor of Science with Education. She subsequently obtained a MBA from the Asian Institute of Management, Philippines in May 1985 and completed the Graduate Diploma in Applied Finance and Investment from the Securities Institute of Australia in October 1998. She later earned her Doctor of Philosophy from Universiti Malaya in April 2012.

From July 1981 to June 1982, Ms. Chak began her career by serving as a secondary school teacher under the Ministry of Education, Malaysia.

In July 1982, Ms. Chak joined Coopers & Lybrand as an Audit Trainee, where she was involved in conducting audits for various companies. She left the firm in May 1983.

Upon completion of her master studies in May 1985, Ms. Chak returned to Malaysia and joined the National Population & Family Development Board ("**LPPKN**") as a Research Officer in March 1986. She was engaged to complete the first country report on the Malaysian Population and Family Survey 1984/85. She left LPPKN in July 1987.

Subsequently in August 1987, Ms. Chak joined the Asian and Pacific Development Centre as a Programme Assistant in Industrial Development, where she was responsible for initiating and co-ordinating research studies in the area of industrial development until her departure in January 1990.

In March 1990, Ms. Chak joined Telekom Malaysia Berhad as an Assistant Manager, Corporate Planning, where she was involved in the planning and analysis of the company's business and operations, as well as the evaluation of the feasibility of new business ventures. She left the company in September 1992.

Ms. Chak then joined Cellular Communications Network (M) Sdn Bhd as a Research Manager in October 1992, where she was responsible for the strategic planning of the company's business, as well as identifying and evaluating new product areas and business opportunities for the company. She left the company in May 1993.

In June 1993, Ms. Chak joined the SC as a Senior Executive Officer in the Economic Research Department, where she was responsible for monitoring and providing commentary on domestic and global equities markets for the senior management and commissioners. In March 1995, she was granted a 6-month sabbatical by the SC. During the 6-month sabbatical, she served the United Nations Industrial Development Organisation ("**UNIDO**") in Vienna, Austria, as an Industrial Development Officer, where she was involved in the finalisation of the Industrial Development Global Report 1995.

Upon completion of her contract with UNIDO, Ms. Chak returned to the SC as an Assistant Manager in the Regulations & Law Reform Department, where she conducted jurisdictional studies to formulate policies and introduce new products for the development of the fund management industry. In January 1997, she was promoted to the position of Manager in the Product Development Department, where she was responsible for initiating and overseeing the development and introduction of new financial products for the securities and futures markets and the fund management industry. She left the SC in November 1999.

Ms. Chak then joined Commerce International Merchant Bankers Berhad (now known as CIMB Investment Bank Berhad) as the Assistant General Manager in the Risk Management Unit in December 1999, where she developed policies and procedures for the prudent management of principal risks arising from the bank's business activities. She left the bank in December 2002 and took a career break due to health reasons.

In July 2003, Ms. Chak served the Employees Provident Fund Board as the General Manager in the Risk Management Department, where she established a risk management framework to oversee market and credit risks in the Employees Provident Fund Board's investment portfolio until her departure in July 2005.

Upon completion of her contract with Employees Provident Fund Board, Ms. Chak worked on her doctorate studies and became a freelance researcher for the Chartered Financial Analyst Institute and the Institute of Financial Planners of Hong Kong, focusing on corporate governance-related assignments.

From June 2014 to December 2024, Ms. Chak was the Independent Non-Executive Director of Franklin Templeton GSC Asset Management (Malaysia) Sdn Bhd. During her tenure with the company, she was also a member of the Investment Sub-Committee of the company.

As at the LPD, Ms. Chak does not hold any directorship in any public listed company.

(vii) **Mr. Chris Chong**, a Malaysian aged 47, is the Non-Independent Executive Director and CEO of the Manager. He was appointed as a director to the Board on 20 January 2026.

As at the LPD, Mr. Chris Chong does not hold any directorship in any public listed company.

6.4.2 Directorships of the Directors in other management companies

As at the LPD, none of the Directors holds directorships in any other management companies.

6.4.3 Role of the Board

The Board is collectively responsible for the proper stewardship of the business of IOIPG REIT with a view to enhance long-term Unitholder value and investor interests while taking into account the interests of other stakeholders and maintaining high standards of transparency, accountability and integrity.

The Directors, as stewards of the Manager and IOIPG REIT, shall exercise reasonable care, skill and diligence for a proper purpose and in good faith, in the best interest of IOIPG REIT. Directors are required to keep abreast of their responsibilities as Directors and of the conduct, business activities and development of IOIPG REIT.

Each Director has been appointed on the basis of their professional experience and ability to provide the proper guidance to IOIPG REIT.

The Board will have in place a set of internal controls which set out certain approval limits to facilitate operational efficiency as well as arrangements in relation to cheque signatories. To further facilitate operational efficiency, sub-limits are also delegated to various management levels.

The Audit Committee closely monitors any changes made to regulations and accounting standards. In order to keep pace with regulatory changes which have an important bearing on the Manager's or the Directors' disclosure obligations, briefings will be provided to the Directors either during Board meetings or at specially convened sessions involving relevant professionals.

Complete and adequate information will also be provided by the management to the Board in a timely manner through regular updates on financial results, market trends and business developments.

There are 5 Directors who are non-executive and independent. This allows the management to benefit from their external, diverse and objective perspective on issues that are brought before the Board to facilitate the making of informed and critical decisions.

The above would also enable the Board to interact and work with the management through a robust exchange of ideas and views to help shape the strategic process. This, together with clear identifiable roles of the Executive Chairman of the Board and the CEO of the Manager, provides a healthy professional relationship between the Board and the management, with clarity of roles and robust oversight as they deliberate on business activities of the Manager.

The positions of the Executive Chairman of the Board and the CEO of the Manager are separately held by 2 different individuals, Dato' Lee and Chris Chong respectively, so as to promote accountability and facilitate division of responsibilities between them. In this regard, no single individual can influence the Board's discussions and decision making.

The responsibilities of the Executive Chairman include, but are not limited to, the following:

(i) leading the Board, ensuring its effective performance, providing visionary leadership and strategic oversight to guide the Manager's business plans and long-term objectives;

(ii) responsible for leadership of the Board in ensuring effectiveness of all aspects of its role;

(iii) facilitating the effective functioning of the Board by ensuring well-structured, orderly, and professionally conducted Board meetings;

(iv) setting the Board agenda and ensuring that Board members receive complete and accurate information in a timely manner;

(v) encouraging active participation and allowing dissenting views to be freely expressed;

(vi) chairing general meetings of the Unitholders;

(vii) overseeing and facilitating effective communication and collaboration between the Board and management to ensure alignment on strategy; performance and key decisions;

(viii) ensuring that appropriate steps are taken to provide effective communication with stakeholders and that their views are communicated to the Board as a whole; and

(ix) leading the Board in establishing and monitoring good corporate governance practices in the Manager.

Please refer to **Section 6.5.2** "Roles of the Key Management Personnel of the Manager – CEO" of this Prospectus for the responsibilities of the CEO.

The Board has direct access to the advice and services of senior management and the company secretary. The Board may seek independent professional advice on any matter connected with the discharge of its responsibilities as it may deem necessary and appropriate.

Audit Committee

The Audit Committee comprises Lee Tuck Heng, Dato' Ong Eng Bin and Chen Wee Keng. Lee Tuck Heng is the Chairman of the Audit Committee.

The key duties and responsibilities of the Audit Committee are:

(i) to provide oversight to ensure the accuracy, completeness and integrity of the financial management and reporting of IOIPG REIT, including its annual and quarterly reports and any other formal announcement relating to IOIPG REIT's financial performance, and to review and where appropriate, provide constructive challenge, among others, with respect to the following matters:

(a) the consistency of, and any changes to, accounting policies and practices on a year-on-year basis and across IOIPG REIT;

(b) the methods used to account for significant or unusual transactions where different approaches are possible;

(c) whether the management has followed applicable accounting and auditing standards and made appropriate estimates and judgements in relation to IOIPG REIT, taking into account the views of the external auditors;

(d) the clarity of disclosure in IOIPG REIT's financial reports and the context in which statements are made;

(e) any significant financial reporting issues and judgments and all material information presented with the financial statements, such as significant adjustments resulting from the audit, and the going concern assumption and any qualifications;

(f) any significant or unusual items that are, or may need to be, reflected in financial reports and financial statements, and must give due consideration to any matters that have been raised by the staff responsible for the accounting and financial reporting function, compliance function or auditor (internal or external);

(g) to ensure that the financial impacts of material sustainability matters, including but not limited to significant climate-related risks, will be considered and where appropriate, are reflected in the financial statements; and

(h) compliance with the applicable approved accounting standards and relevant regulatory requirements;

(ii) to consider and make recommendations to the Board, in relation to the appointment, re-appointment and removal of IOIPG REIT's external auditors, oversee the selection process for new auditors and where required, investigate a resignation by the external auditors;

(iii) to oversee all relationships with the external auditors including but not limited to:

(a) to review of their remuneration (to be negotiated by management), whether fees for audit or non-audit services and that the level of fees is appropriate to enable an adequate audit to be conducted and approval of their terms of engagement, including any engagement letter issued at the start of each audit and the scope of the audit;

(b) to assess annually their independence, suitability, performance and objectivity, taking into account relevant professional and regulatory requirements and the relationship with the auditors as a whole;

(c) to assess annually their qualifications, expertise and resources and the effectiveness of the audit process which shall include a report from the external auditors on their own internal quality procedures, and to discuss with the external auditor the nature and scope of the audit and reporting obligations;

(d) to seek from the external auditors, on an annual basis, information about policies and processes for maintaining independence and monitoring compliance with relevant requirements, including provision of non-audit services and requirements regarding rotation of audit partners, the level of fees paid by IOIPG REIT compared to the overall fee income of the audit firm, and other related requirements; and

(e) to agree with the Board on the policy relating to the hiring of senior employees of the external auditor and monitor the applications of such policy, and to consider whether as a result of such hiring there has been any impairment of the auditor's judgement or independence in respect of an audit;

(iv) to meet with the external auditors (a) at least twice a year to discuss their remit and any issues arising from the audit of IOIPG REIT. Management of the Manager shall not be present for such discussions; and (b) regularly throughout the year (including at the planning stage before the audit and at the reporting stage after the audit) as the external auditors shall require. The external auditors may participate in such meetings virtually;

(v) to review and approve the annual external audit plan and ensure that it is consistent with the scope of the audit engagement;

(vi) to review the findings of the external audit with the external auditors (if necessary, in the absence of management), including but not limited to, the following:

(a) discussion of any major issues and recommendations which arose during the audit;

(b) any significant accounting and audit judgements;

(c) any levels of operational and financial misstatements identified during the audit; and

(d) any disagreements with management which if not satisfactorily resolved would result in the issue of a modified report on the financial statements (i.e., a qualified, adverse or disclaimer of opinion in their report);

(vii) to obtain comments of management regarding the responsiveness of the external auditors to the needs of the Manager, and to review the effectiveness of the audit of IOIPG REIT;

(viii) to review any representation letter(s) requested by the external auditors before they are signed by management;

(ix) to review the management letter and management's response to the external auditors' findings and recommendations and to ensure that management will provide a timely response to issues raised in the external auditors' management letter;

(x) for operational efficiency, the internal audit function of the Manager is outsourced to the internal audit department of IOIPG ("**IOIPG Group Internal Audit**"). IOIPG is the Sponsor and controlling Unitholder of IOIPG REIT.

To address perceived concerns regarding independence, objectivity and robustness of governance oversight as well as maintain full alignment with regulatory expectations, the following safeguards will be put in place:

(a) clear roles defined in the internal audit charter and the service agreement between the Manager and the Sponsor, among others, including:

(A) the roles, responsibilities, scope, and reporting lines of the internal audit function;

(B) the reporting obligations; and

(C) the independence of the team such that the internal audit team assigned to the Manager operates independently from the Sponsor's commercial operations;

The internal audit charter will be approved by the Audit Committee and adhere to the Global Internal Audit Standards issued by the Institute of Internal Auditors. The internal audit function will undergo external quality assurance reviews and will hold sessions with the Audit Committee without the presence of the Sponsor's management and Manager's management;

(b) direct reporting to the Audit Committee

The IOIPG Group Internal Audit shall assign to the Manager an internal audit team who will report functionally to the Audit Committee, but not to the management of IOIPG. Audit plans, reports, and follow-ups will be reviewed and approved exclusively by the Audit Committee;

(c) segregated audit resources

The IOIPG Group Internal Audit will allocate a dedicated internal audit team for the Manager, and such audit team will have full and unrestricted access to all records, personnel, and information required for the conduct of the internal audit. The dedicated internal audit team will maintain a separate audit work stream and documentation trail from the Sponsor and this internal audit team will be precluded from providing any services to the Sponsor which may impair its independence or conflict with its role as the internal audit team for the Manager;

(d) annual independence assessment

An annual declaration of independence will be provided by both the Head of the IOIPG Group Internal Audit and the internal audit team to the Audit Committee. The Audit Committee will assess the effectiveness and independence of the outsourced internal audit function annually;

(e) unilateral termination rights

The Audit Committee will reserve the right to unilaterally terminate or reassign the internal audit arrangement if it has ground to believe that the IOIPG Group Internal Audit's full independence is compromised;

(f) appointment and renewal of appointment of the internal audit function

The appointment and the renewal of appointment of the IOIPG Group Internal Audit as the internal auditor of the Manager will be deliberated and approved only by the Independent Directors of the Manager based on the recommendation from the Audit Committee; and

(g) remuneration of the internal audit function

The Audit Committee will be involved in reviewing and approving the annual internal audit budget of the internal audit function and the annual service fee payable to the Sponsor for the provision of the internal audit function as a safeguard to enhance independence;

(xi) to monitor and review annually the effectiveness of the IOIPG Group Internal Audit's function, in particular, ensure the adequacy of scope, resources, staff qualifications and experience, training programmes and budget;

(xii) to ensure co-ordination between the internal and external auditors and ensure that the internal audit function has the full cooperation and assistance from management within the Manager;

(xiii) to review and approve the annual internal audit plan and discuss with the internal auditor any significant findings and recommendations arising from the internal audit activities;

(xiv) to review and monitor management's responsiveness to the findings and recommendations of the internal audit;

(xv) to meet with the Head of the IOIPG Group Internal Audit (a) at least twice every year, to discuss their remit and any issues arising from the internal audits carried out on IOIPG REIT. Management shall not be present for such discussions; and (b) regularly throughout the year, as required;

(xvi) where consultants or internal group resources are engaged by management to review aspect(s) of IOIPG REIT's risk identification and/or risk management issues and/or internal control issues, the Audit Committee should have access to all such reports and presentations and if considered appropriate request that such consultant(s) present to the Audit Committee;

(xvii) to approve the internal audit charter and review its effectiveness on an annual basis;

(xviii) to review the performance evaluation of the Head of the IOIPG Group Internal Audit relating to IOIPG REIT;

(xix) to review and make recommendation on the appropriate course of action in relation to any investment or divestment proposal put forward by the CEO and/or any related party transactions and conflict of interest situations that arose, persist or may arise in relation to IOIPG REIT that is inconsistent with the Manager's Conflict of Interest Policy, including any transaction, procedure or course of conduct that raises questions of management integrity, and the measures taken to resolve, eliminate, or mitigate such conflicts as set out in the Conflict of Interest Policy.

With regard to an investment or divestment proposal put forward by the CEO, any related party transaction and/or conflict of interest situations that arose, persist or may arise in relation to IOIPG REIT that is inconsistent with the Manager's Conflict of Interest Policy, including any transaction, procedure or course of conduct that raises questions of management's integrity, shall be referred to the Audit Committee for review and recommendation on the next step;

(xx) to provide oversight of the implementation of the Manager's whistleblowing policy, ensuring its effective execution and compliance with established procedure;

(xxi) to investigate, on its own, for any such concern or allegation within the authority conferred under the terms of reference when the matter:

(a) poses a serious risk to IOIPG REIT's business; or

(b) involves any key management personnel, a member of the Board or individual within the Manager.

(xxii) to designate an investigating officer to investigate any reports received and authorise the investigating officer to lodge reports with the relevant authorities on any employee or director, or any of such other parties, if necessary;

(xxiii) to review the investigation report and decide on the appropriate actions to be taken. Where deemed necessary and appropriate, the investigation report and corresponding recommendations shall be tabled to the Board for its consideration;

(xxiv) to review its own performance and terms of reference to ensure it is operating at maximum effectiveness and recommend any changes it considers necessary to the Board for approval;

(xxv) to produce an annual report on its activities;

(xxvi) to enhance oversight of sustainability assurance activities, encompassing internal audit supervision and the selection and monitoring of external audit and other sustainability assurance providers;

(xxvii) to verify the allocation of options pursuant to employees' unit option scheme ("**Scheme**") in compliance with the criteria of the Scheme at the end of each financial year, if applicable;

(xxviii) to ensure that any matter which results in a breach of the Listing Requirements or the REIT Guidelines is reported to Bursa Securities or the SC, if it has not been satisfactorily resolved; and

(xxix) to investigate, discuss or review matters outside its terms of reference if required to do so by the Board.

Nomination and Remuneration Committee

The Nomination and Remuneration Committee comprises Dato' Ong Eng Bin, Chak Choy Sim and Chen Wee Keng. Dato' Ong Eng Bin is the Chairman of the Nomination and Remuneration Committee.

The key duties and responsibilities of the Nomination and Remuneration Committee are as follows:

Remuneration matters

(i) to review and recommend to the Board a formal and transparent remuneration policy and framework for the Directors and key management personnel of the Manager.

(ii) to ensure that remuneration packages (comprising of base salary, bonuses and where applicable, fixed allowances and benefits-in-kind) of key management personnel including Executive Director(s) are aligned with the following 4 principles which underpin the remuneration framework:

(a) simple – the framework should be simple and transparent for all stakeholders to understand;

(b) competitive and fair – retaining leaders of the necessary calibre requires remuneration arrangements that are competitive in the marketplace. As such, talents should be remunerated fairly at appropriate market rates for their skills and experience. To remain cognisant of the need to ensure value for money whilst simultaneously reflecting the status of IOIPG REIT as a leading REIT in the marketplace;

(c) performance-based – the remuneration packages should reward performance in areas that are of utmost important to Unitholders and other stakeholders; and

(d) aligned with the overall remuneration practices of the IOIPG Group – remuneration structures are aligned to the context of the broader employee remuneration of the IOIPG Group to ensure fair and responsible remuneration practices;

(iii) to review and make recommendations to the Board on the total individual remuneration package for Executive Director(s) and key management personnel including, where appropriate, bonuses, incentive payments and benefits based on individual performance;

(iv) to review and make recommendations to the Board on the remuneration (including benefits payable) of Independent Non-Executive Directors, particularly on whether the remuneration remains appropriate to each Director's contribution, by taking into account the level of expertise, commitment and responsibilities undertaken;

(v) to review and make recommendations to the Board in relation to any equity-based plans (i.e., any Scheme) or any long-term incentive schemes that may be set up from time to time;

(vi) to provide clarification to Unitholders during general meetings on matters pertaining to remuneration of the Directors and key management personnel, as well as the overall remuneration framework of the Manager; and

(vii) to consider other remuneration matters as prescribed to the Nomination and Remuneration Committee by the Board.

Nomination matters

(i) to establish a Board diversity policy (including diversity in gender, skills, experience and expertise, qualifications, age, profession & industry, irrespective of race, religion and culture);

(ii) to evaluate annually, and make recommendations to the Board the appropriate size of the Board, required mix of skills, experience and other qualities, including core competencies which Non-Executive Directors shall bring to the Board to ensure that they are in line with the Manager's requirements in managing IOIPG REIT;

(iii) to consider and recommend any policy regarding the tenure of Independent Non-Executive Directors;

(iv) to review the composition of each committee of the Board and make recommendations to the Board for the creation of additional committees or the dissolution of existing Board committees;

(v) to determine the process for search, nomination, selection and appointment of new board members and assess nominees or candidates for appointment or election to the Board, determining whether or not such nominee has the requisite qualifications and whether or not he or she is independent, guided by the Directors' Fit and Proper Policy of the Manager;

(vi) to consider relevant factors in the selection and appointment of Directors including:

(a) the composition of the Board;

(b) each Director's competencies, commitment, contribution and performance (e.g., attendance, preparedness, participation and candour);

(c) required skills, knowledge, expertise and experience;

(d) time commitment, character, professionalism and integrity;

(e) ability to work cohesively with other members of the Board;

(f) specialist knowledge or technical skills in line with the Manager's strategy to manage IOIPG REIT;

(g) diversity in age, gender and experience/background; and

(h) apart from the Manager, the number of directorships held by Directors in other companies outside the Manager, including directorships in non-listed companies;

(vii) to consider the need to appoint a Senior Independent Non-Executive Director, and if deemed appropriate, recommend to the Board for approval. In considering the candidate for the position of a Senior Independent Non-Executive Director, the Nomination and Remuneration Committee shall assess the required knowledge and other qualities necessary for the effective discharge of his or her roles and responsibilities;

(viii) to identify, consider and recommend suitable persons for appointment as Directors of the Manager (including alternate directors, if applicable) and members of the Board Committees, relying on sources from existing Board members, management, major unitholders, independent search firms and other independent sources;

(ix) if a person is proposed to be appointed as an alternate Director to an Independent Non-Executive Director, the Nomination and Remuneration Committee and the Board should review and conclude that the person would similarly qualify as an Independent Non-Executive Director;

(x) in relation to key management personnel, to:

(a) review and if deemed appropriate, endorse for the Board's approval, the recommendations of the CEO on the appointment, evaluation, promotion, resignation, disciplinary actions and termination of key management personnel position; and

(b) ensure that appointments of key management personnel are based on objective criteria, merit and with due regard for diversity in skills, experience, age, cultural background and gender;

(xi) to develop criteria to assess independence and these criteria to be applied upon Board's admission, annual review and whenever any new circumstances may affect a Director's independence;

(xii) on appointment, and thereafter, on an annual basis, every Independent Non-Executive Director shall declare his or her independence. The Nomination and Remuneration Committee shall review the declaration to assess if a Director is to be considered independent and make its recommendation to the Board;

(xiii) an Independent Non-Executive Director shall immediately notify the company secretary of any change in circumstances that may result in him or her not being able to meet the criteria for independence.

The Nomination and Remuneration Committee may, after considering the change in circumstances, require the resignation of the member, in compliance with provisions of terms of reference and/or any other applicable statutes, rules or regulations and makes its recommendations to the Board accordingly.

The Board may, due to Board vacancy, re-constitute the Nomination and Remuneration Committee at the soonest practicable time, within the timeline prescribed under the Listing Requirements;

(xiv) the Executive Chairman shall support the Nomination and Remuneration Committee in ensuring an effective succession planning framework, talent management and human capital development programme are in place for the key management personnel position. The Nomination and Remuneration Committee will also oversee initiatives aimed at enhancing the inclusiveness and diversity of key management personnel to strengthen the Manager's long-term talent pipeline. The Nomination and Remuneration Committee shall be apprised of the progress and effectiveness of the succession programme at least once a year;

(xv) to support and oversee the implementation of succession planning for the Chairman of the Board, Directors, Chairman and Members of the respective Board Committees to ensure leadership continuity and stability;

(xvi) to assist the Board in developing, maintaining, and reviewing the procedures, processes and criteria for the annual assessment of the effectiveness of the Board as a whole and each Board Committee (including its size and composition), as well as the contribution of each individual Director;

(xvii) to develop, maintain and review the criteria for evaluating the performance of the Board and Board Committees as well as each individual Director's performance;

(xviii) to conduct a Board evaluation of the performance and effectiveness of the Board and the key management personnel of the Manager;

(xix) to ensure that outcomes of the annual assessments are acted upon in a timely manner, to continuously enhance the Board and key management personnel's overall performance, and identify areas for development and improvement; and

(xx) to recommend suitable induction, educational and training programmes to continuously train and equip the existing and new Directors.

(b) **Performance fee**

3.00% per annum of the NPI.

After the Initial Financial Years, the base fee and the performance fee will be reviewed and adjusted from time to time, subject always to the approval of the Board and taking into consideration the Unitholders' interests, market conditions and IOIPG REIT's long-term sustainability.

For the avoidance of doubt, the base fee and the performance fee stated under **Section 6.6.1(i)** of this Prospectus shall represent the maximum permitted level of the base fee and the performance fee payable and shall not represent an automatic step-up mechanism, nor any obligation to adjust the base fee and the performance fee in any FYE towards such maximum levels. Any adjustments to the base fee and the performance fee will be undertaken on a qualitative, holistic and value-drive basis. The Board, in considering whether any adjustments to the base fee or performance fee is appropriate, shall take into account the recommendations of the Manager based on the guiding principles of:

(i) **Scale, growth and complexity of IOIPG REIT's portfolio**

Increases in portfolio size or asset count, expansion into new geographic markets with differing regulatory or operational requirements, and diversification of the asset mix that necessitates more complex or specialised asset management strategies (e.g. logistics, data centres or specialised industrial assets);

(ii) **Performance of IOIPG REIT**

Sustained improvements in financial performance metrics such as DPU, NPI and prudent capital management, as well as key operational performance indicators including occupancy rates, positive rental reversions, successful execution of AEIs and weighted average lease expiry;

(iii) **Market benchmarking and competitiveness**

Assessing the competitiveness of the base fee and performance fee against prevailing fee structures of comparable listed REITs on a regional basis, having regard to the need to ensure that such fees do not impose an undue cost burden on IOIPG REIT and its Unitholders, and recognising that fee structures may evolve as the REIT market matures; and

(iv) **Changes in cost structure and operational responsibilities**

Adapting to changes in regulatory requirements and operational arrangements that may result in additional costs or responsibilities for the Manager, including the introduction of new regulatory compliance obligations, the internalisation of previously outsourced functions, and structural or legislative changes affecting IOIPG REIT's governance or reporting requirements.

6.6.2 Acquisition fee and divestment fee

The Manager is also entitled under the Deed to the following fees (exclusive of tax, if any):

(i) Acquisition fee

1.0% of each of the following as is applicable (subject to there being no double-counting):

(a) in relation to an acquisition (whether directly or indirectly through the Trustee or one or more SPVs of IOIPG REIT) of any Real Estate, the transaction value of any Real Estate purchased by IOIPG REIT or its SPV (pro-rated to the proportion of IOIPG REIT's interest, if applicable); or

(b) in relation to an acquisition (whether directly or indirectly through the Trustee or one or more SPVs of IOIPG REIT) of any SPV or holding entities which holds Real Estate, the underlying value of any Real Estate as assessed in a valuation report by an independent qualified valuer duly appointed by the Trustee pursuant to the Deed ("**Underlying Value**") (pro-rated to the proportion of IOIPG REIT's interest, if applicable).

For the avoidance of doubt, no acquisition fee is payable with respect to the Acquisitions in connection with the Listing.

(ii) Divestment fee

0.5% of each of the following as is applicable (subject to there being no double-counting):

(a) in relation to a disposal (whether directly or indirectly through the Trustee or one or more SPVs of IOIPG REIT) of any Real Estate, the transaction value of any Real Estate disposed by IOIPG REIT or its SPV (pro-rated to the proportion of IOIPG REIT's interest, if applicable); or

(b) in relation to a disposal (whether directly or indirectly through the Trustee or one or more SPVs of IOIPG REIT) of any SPV or holding entities which holds Real Estate, the Underlying Value of any Real Estate (pro-rated to the proportion of IOIPG REIT's interest, if applicable.

For the avoidance of doubt, the amounts payable shall be net of applicable taxes, duties and levies impose by the relevant authorities in Malaysia. Further, the divestment fee is payable with respect to all transactions (including related party transactions and non-related party transactions and divestments to the IOIPG Group), as well as for compulsory acquisitions.

Any payment to third party agents or brokers in connection with the acquisition, sale or divestment of any Authorised Investments for IOIPG REIT shall not be paid by the Manager out of the acquisition fee or the divestment fee received or to be received by the Manager (but to be borne by IOIPG REIT).

In making the payment of the Management Fees mentioned above, IOIPG REIT shall also bear all applicable taxes or such other duties and levies whatsoever imposed on the Management Fees by the relevant authorities in Malaysia.

The Management Fees may only be varied upwards with the prior approval of the Unitholders obtained by way of a resolution of not less than two-thirds of the votes given on poll at the Unitholders' meeting duly convened and held in accordance with the Deed, or such other majority as may be required under the REIT Guidelines from time to time, and shall be effected by way of a supplemental deed in accordance with the requirements of the CMSA.

The Management Fees are payable to the Manager in cash, new Units or a combination thereof as the Manager may elect. Any payment of the Management Fees in cash must be paid within 14 days of (i) in respect of the base fee and the performance fee, the announcement of the relevant quarterly financial reports; or (ii) in respect of the acquisition fee and the divestment fee, the completion of the relevant acquisition or divestment (each, a "**Trigger Event**"). Any payment of the Management Fees in new Units must be paid as soon as practicable after obtaining Bursa Securities' approval for the listing of and quotation for the said Units. Where such approval cannot be obtained or where payment for such Management Fees in new Units would result in IOIPG REIT not complying with the Public Spread Requirement or result in adverse implications under Rules on Takeovers, then the payment of the Management Fees will be paid in cash.

On 30 September 2026, Bursa Securities has approved the listing of and quotation for up to 300,000,000 Units to be issued as payment of the Management Fees to the Manager. The 300,000,000 Units represents approximately 5.5% of the initial fund size of IOIPG REIT and will be issued on a staggered basis over a period of 10 years. The approval of the SC is not required for the issuance of such Units as payment of the Management Fees.

The Manager will ensure that the payment of the Management Fees in the form of new Units does not result in a conflict of interest by taking the following steps:

(i) The payment of the Management Fees in the form of new Units will be in accordance with the following formula:

$$\text{New Units to be issued as payment of the Management Fees} = \frac{\text{Management Fees payable in Units}}{\text{Market Price}}$$

For this purpose, "**Market Price**" means the volume weighted average market price for a Unit for all trades on Bursa Securities in the ordinary course of trading on Bursa Securities for the last 5 Market Days preceding the Trigger Event.

With reference to any Book Closing Date, where the Trigger Event is before but the issuance of the new Units relating to such Trigger Event is after the said Book Closing Date, the Market Price will be further adjusted for the entitlement relating to such Book Closing Date.

(ii) The Manager will make immediate announcements to Bursa Securities disclosing the number of new Units issued and the issue price of the new Units when new Units are issued as payment for the Management Fees. Payment of the Management Fees in Units shall be subject to IOIPG REIT complying with the Public Spread Requirement and there being no adverse implications under the Rules on Takeovers.

In determining whether to pay the Management Fees in the form of Units or cash or a combination of both, the Manager will be guided by, among others, the cash flows planning of the Manager, the potential capital appreciation through holding the Units, the alignment of interest with the Unitholders and the manner of payment of the Management Fees will not be detrimental to the Unitholders.

6.6.3 Illustration of the Management Fees Payable

To illustrate the Management Fees payable in any particular financial year, the following scenarios for IOIPG REIT's financial position and performance as well as acquisition and divestment activities are assumed:

Total Asset Value as at 31 May 2026	:	RM7,664 million
Estimated NPI for current financial year[(1)]	:	RM445 million
Acquisition activities during current financial year	:	Acquisition of a Real Estate for a purchase consideration of RM100 million
Divestment activities during current financial year	:	Divestment of a Real Estate for a sale consideration of RM100 million

Note:

(1) Estimated NPI is calculated by multiplying the NPI for the FPE 31 May 2026 (which comprises 335 days) of RM408.2 million by a factor of 365 / 335.

Based on the above, the Management Fees payable by IOIPG REIT are illustrated on the 2 following scenarios as set out in the table below:

Base case	:	Assuming the Management Fees are charged at the rate in line with the assumptions for the Profit Forecast	
Maximum case	:	Assuming the Management Fees are charged at the maximum rate provided for under the Deed	
Base fee	:	Base case 0.3% of the Total Asset Value = 0.3% of RM7,664 million = RM23.0 million	Maximum case 0.5% of the Total Asset Value = 0.5% of RM7,664 million = RM38.3 million
Performance fee	:	3.0% of the NPI = 3.0% of RM445 million = RM13.4 million	5.0% of the NPI = 5.0% of RM445 million = RM22.3 million
Acquisition fee	:	1.0% of transaction value (being the total purchase price) = 1.0% of RM100 million = RM1.0 million	
Divestment fee	:	0.5% of transaction value (being the total disposal price) = 0.5% of RM100 million = RM0.5 million	

Apart from the event driven fees (being the acquisition fee and the divestment fee), the aggregate annual Management Fees (being the base fee and performance fee) and its proportion as a percentage of the NPI based on the illustrations above are RM36.4 million (8.18% of NPI) and RM60.6 million (13.62% of NPI) for the Base Case and Maximum Case, respectively.

6.7 OUTSOURCING OF THE REGISTRAR FUNCTION

The Manager has entered into a service agreement with Boardroom Share Registrars Sdn Bhd to delegate the function of registrar to Boardroom Share Registrars Sdn Bhd.

Boardroom Share Registrars Sdn Bhd was incorporated in Malaysia under the Companies Act on 7 March 1996 and is deemed registered under the Companies Act. As at the LPD, the issued share capital of Boardroom Share Registrars Sdn Bhd is RM2,550,000.00 comprising 2,550,000 ordinary shares.

The principal services to be provided by the Registrar shall comprise, among others, the following:

(i) maintaining and updating the Principal Register of Unitholders in compliance with the Companies Act and the SICDA;

(ii) attending to relevant correspondences and enquiries from the Unitholders and any other interested parties pertaining to the principal register which include changes of names and addresses, replacement of lost certificates, registration of powers of attorneys, letters of administration, grant of probate, indemnities, court orders and any other matters ancillary thereto;

(iii) preparing, signing and despatching of distribution to the Unitholders and reconciling the distribution accounts unless surrendered to the Registrar of Unclaimed Moneys in accordance with the Unclaimed Moneys Act, 1965 (if applicable);

(iv) providing list of names and printing of address labels for the purposes of mailing the notices, circulars, documents and annual reports to the Unitholders;

(v) liaising with the Bursa Depository to facilitate depositing of Units, access to the Record of Depositors, statistics for the Unitholders' information and for the purposes of Unitholders' meeting or any other corporate actions, in compliance with the SICDA;

(vi) obtaining from Bursa Depository the list of Unitholders entitled to distribution;

(vii) providing statistic reports or detailed Unitholders' information for annual report disclosure and as may be required by the Manager or the relevant authorities on a regular basis or upon receipt of a written request, which shall include the following:

  (a) analysis of Unitholders by size and type;

  (b) list of thirty largest Unitholders; and

  (c) category of Unitholders;

(viii) preparing distribution master list, bonus master list, rights issue master list, list of major Unitholders, analysis of Unitholders and distribution in terms of size of unitholdings and percentage, unit capital ownership analysis and any other lists which are not specifically mentioned herein which is/are required by the Manager;

(ix) providing services for other corporate exercises (bonus issue/rights issues and distribution payment), which shall include the provision of information on the following:

(a) entitlement list;

(b) excess applicants list; and

(c) successful allotment list;

(x) acting as advisor to the Manager on all matters in relation to Bursa Depository or SICDA and be the official link between Bursa Depository and the Manager;

(xi) processing issue of new Units including computation and allotment, verification of data for crediting into the respective CDS accounts and the subsequent dispatching of new global certificates to Bursa Depository, notices of allotment and relevant confirmation letter(s) to the Unitholders; and

(xii) preparing for, handling the registration and administrative services for Unitholders' meeting which includes the following:

(a) providing registration and polling voting services; and

(b) handling lodgement and processing of proxy forms received up to providing the analysis of voting instruction based on proxy forms received.

Notwithstanding the above, the services of the Registrar are not intended, in anyway, to diminish the responsibilities of the Manager. The registrar function is the responsibility of the Manager.

6.8 OUTSOURCING OF THE INTERNAL AUDIT FUNCTION

The Manager will enter into a service agreement with the Sponsor to delegate the internal audit function to the IOIPG Group Internal Audit. Please refer to **Section 7** "Background Information on the Sponsor" of this Prospectus for further details of the Sponsor.

The principal services to be provided by the IOIPG Group Internal Audit shall comprise, among others, the following:

(i) developing an annual internal audit plan;

(ii) presenting the audit findings to the Audit Committee, and the Board as and when required;

(iii) conducting follow-up reviews to report on the status of implementation of management action plans arising from the internal audit review ("**IAR**") conducted (as necessary);

(iv) co-ordinating with the external auditors; and

(v) conducting the IAR on the effectiveness of governance, risk management and internal controls of the Manager and its operations on a periodic basis according to the internal audit plan, or as and when advised by the Manager. The IARs shall cover the following key business processes:

(a) procurement to payment of property operating expenses and property enhancement initiatives;

(b) tenancy management for the collection of rentals for the Retail Property and Office Properties, as well as master lease arrangement for the collection of master lease income for the Hotel Properties;

(c) acquisition and divestment of investment properties and fund management activities;

(d) all operational units, including but not limited to leasing, finance, building management, human resource, IT and safety and health;

(e) conducting follow-up reviews to report on the status of implementation of management action plans arising from the IARs conducted (as necessary);

(f) reviewing the reliability and integrity of financial and non-financial operating information and the means used to identify, measure, classify and reporting such information;

(g) reviewing the systems established to ensure compliance with those policies, plans, procedures, laws, regulations and contracts which could have significant impact on operations and reporting, and determine whether the Manager is in compliance;

(h) reviewing the means of safeguarding assets and as appropriate, verifying the existence of such assets;

(i) appraising the economy and efficiency with which resources are employed;

(j) reviewing operation or programs to ascertain whether results are consistent with established objectives and goals and whether the operations or programs are being carried out as planned;

(k) reviewing the risk management and governance processes and IT related controls including cybersecurity, sustainability reporting assurance; and

(l) as and when advised by the Manager, undertake special reviews and/or investigations with the approval/concurrence of the Audit Committee.

Notwithstanding the above, the primary obligation, accountability and responsibility with regard to the scope of internal audit services shall remain with the Board and the Manager at all times.

The Manager shall ensure that an audit approach is implemented for IOIPG REIT which is guided by the International Professional Practice Framework of the Institute of Internal Auditors Malaysia.

6.9 OUTSOURCING OF THE RISK MANAGEMENT FUNCTION

The Manager will enter into a service agreement with the Sponsor to delegate the risk management function to the IOIPG Group Risk Management.

The principal services to be provided by the IOIPG Group Risk Management shall comprise, among others, the following:

(i) performing agreed risk management activities on behalf of the Manager within the approved scope, including risk identification, assessment, analysis and related support, in line with the approved service agreement;

(ii) providing risk insights, analysis and reports to support the Management and Board oversight; and

(iii) coordinating with the Head of Legal and Compliance and relevant internal stakeholders as required.

Notwithstanding the above, the primary obligation, accountability and responsibility with regard to the scope of risk management shall remain with the Board and the Manager at all times.

The Manager shall ensure that a risk management approach is implemented for IOIPG REIT which is guided by the key principles of the MCCG and globally recognised enterprise risk management standards.

6.10 OUTSOURCING OF THE SUSTAINABILITY FUNCTION

The Manager will enter into a service agreement with the Sponsor to delegate sustainability function to the sustainability department of the Sponsor ("**IOIPG Group Sustainability**").

The principal services to be provided by the IOIPG Group Sustainability shall comprise, among others, the following:

(i) providing sustainability initiatives support in establishing, maintaining and enhancing sustainability performance, data collection processes, validation mechanisms and internal control systems;

(ii) performing materiality assessments to identify and prioritise key sustainability risks and opportunities impacting IOIPG REIT;

(iii) assisting in the preparation, compilation and timely submission of sustainability report and related disclosure in accordance with applicable sustainability reporting standards frameworks;

(iv) compiling, tracking and monitoring key sustainability metrics and key performance indicators (e.g. energy consumption, carbon emissions, water usage and waste management) across operations;

(v) analysing sustainability performance trends and highlight gaps or potential areas for improvement to the Management, the Risk and Sustainability Committee as well as the Board for review;

(vi) supporting compliance with applicable sustainability-related regulatory and disclosure requirements, including coordination with relevant stakeholders where necessary; and

(vii) assisting in internal audits, assurance engagement and responses to investor or stakeholder on sustainability related concern and queries.

Notwithstanding the above, the primary obligation, accountability and responsibility with regard to the scope of sustainability shall remain with the Board and the Manager at all times.

The Manager shall ensure that a sustainability approach is implemented for IOIPG REIT which is guided by the key principles adopted by the IOIPG Group. In this regard, sustainability is pivoted at the core of the business vision, mission and core values of the IOIPG Group. IOIPG REIT will accordingly strive to uphold the principles of crafting sustainable development and encouraging sustainable living for its employees, customers and communities.

As a responsible corporate citizen, enhancing society well-being and advocating environmental ethics, IOIPG REIT will seek to:

- deliver product and services excellence with innovative business strategies and responsible green products;
- achieve a sustainable long-term balance between preserving nature and meeting business goals;
- cultivate a conducive work environment that is inclusive, healthy and safe;
- commit to continually develop and invest in communities;
- comply with applicable legislations and regulations; and
- influence lifestyles through sustainability ownership.

6.11 UNITHOLDING OF THE SUBSTANTIAL SHAREHOLDERS, DIRECTORS AND KEY MANAGEMENT PERSONNEL OF THE SPONSOR AND THE MANAGER IN IOIPG REIT

IOIPG REIT was established on 11 September 2026. Prior to the Acquisitions and the Offering, the substantial shareholders, directors and key management personnel of the Manager and the Sponsor (collectively, "**Relevant Persons**") do not hold any Units, direct and/or indirect, in IOIPG REIT.

Scenario 1

The expected unitholding of the Relevant Persons in IOIPG REIT after the Acquisitions and the Offering, assuming they subscribe in full for the Pink Form Units allocated and the Restricted Offer Units based on their respective entitlements arising from their respective shareholdings in the Sponsor as at the LPD are set out below:

6.12 RETIREMENT, REMOVAL AND REPLACEMENT OF THE MANAGER

6.12.1 Retirement

The Manager may retire upon giving 6 months' written notice to the Trustee (or such shorter period as may be agreed upon with the Trustee) and the Trustee shall then appoint in writing any other corporation as the management company of IOIPG REIT in its place subject to the approval of the SC.

6.12.2 Removal and replacement

(i) If the Manager:

(a) has ceased to exist;

(b) ceases to be eligible to act as management company pursuant to the CMSA or its appointment to act as the management company of IOIPG REIT is revoked by the SC;

(c) fails or refuses to act as management company in accordance with the provisions or covenants of the Deed or the provisions of the CMSA;

(d) has a receiver appointed over the whole or a substantial part of its assets or undertaking and the Manager has not ceased to act under the appointment or a petition is presented for the winding up of the Manager (other than for the purpose of and followed by a reconstruction, unless during or following such reconstruction the Manager becomes or is declared to be insolvent);

(e) is under investigation for conduct amounting to fraud or of similar serious nature being a contravention of the Act or any Securities Law and is found guilty by the courts in Malaysia of such offence as charged;

(f) is required to be removed by the SC or is required to be removed pursuant to the provisions of the REIT Guidelines; or

(g) is required to be removed by the Unitholders by way of an ordinary resolution of a simple majority of the votes of the Unitholders (or otherwise in accordance with the requirements of the REIT Guidelines), passed at a Unitholders' meeting convened for that purpose on the grounds that the Manager is in breach of its obligations under the Deed and the Manager has failed to remedy the breach despite the request from the Trustee to remedy the breach,

the Trustee shall as soon as practicable after becoming aware of any of the above events take all reasonable steps to remove the Manager from its appointment under the Deed and appoint a replacement management company which is eligible to be appointed to act as a management company under the CMSA and which has been approved by the SC.

(ii) Without prejudice to the Trustee's right to appoint a replacement management company, the Manager shall have the right to nominate a new management company (which is eligible to be appointed to act as management company under the CMSA and duly approved as aforesaid) which shall not be a Related Corporation or an Associated Person (as defined in the Deed) of the Manager, within 14 days of its removal for consideration by the Trustee.

6.13 RELATED PARTY TRANSACTIONS AND CONFLICTS OF INTEREST

The Deed states that the Manager and the Trustee and any delegate thereof shall avoid conflicts of interest arising, and shall ensure that IOIPG REIT is not disadvantaged by such transaction. The Manager must not make improper use of its position in managing IOIPG REIT to gain, directly or indirectly, an advantage for itself or for any other person or to cause detriment to the interest of the Unitholders.

The Directors have a fiduciary duty towards IOIPG REIT to act in the best interest of IOIPG REIT. In addition, the executive and non-executive directors (including the CEO) and the Key Management Personnel of the Manager are expected to act with honesty and integrity at all times.

The Directors must ensure that any related party transactions carried out by IOIPG REIT shall be (i) carried out at arm's length; (ii) in the best interest of the Unitholders; (iii) in accordance with the REIT Guidelines, the Listing Requirements and the Relevant Laws and Requirements and with the approval of the Unitholders where stipulated under the REIT Guidelines, the Listing Requirements and the Relevant Laws and Requirements at all times; and (iv) adequately disclosed to the Unitholders pursuant to the Deed.

Under the Deed, the Related Parties (as defined in the Deed) of the Manager may hold Units. Unless otherwise permitted by the Relevant Laws and Requirements or by the SC, such Related Party of the Manager shall not have voting rights in respect of the Units held at any meetings of Unitholders and shall not be counted in a quorum for such a meeting, if it has an interest in the outcome of the transaction tabled for approval at the meeting which is different from the interest of other Unitholders, except at a meeting of Unitholders for the removal of the Manager.

Please refer to **Section 11** "Corporate Governance, Related Party Transactions and Conflict of Interest" of this Prospectus for further details on conflicts of interest and related party transactions.

6.14 CORPORATE GOVERNANCE

Please refer to **Section 11** "Corporate Governance, Related Party Transactions and Conflict of Interest" of this Prospectus.

6.15 MATERIAL LITIGATION AND ARBITRATION

As at the LPD, the Manager is not engaged in any material litigation and arbitration, either as plaintiff or defendant which has a material effect on its financial position and the Directors do not know of any proceedings, pending or threatened, or of any facts likely to give rise to any proceedings which might materially and adversely affect its financial position or business.

6.16 SUSTAINABILITY

As a wholly-owned subsidiary of the Sponsor, the Manager has adopted relevant sustainability practices from the Sponsor. IOIPG REIT is committed to creating long-term value for its stakeholders by balancing environmental stewardship, social responsibility and financial integrity.

6.16.1 Environmental aspect

The environmental sustainability practices are as follows:

(i) Energy efficiency: retrofit planning for significant energy users to enhance energy efficiency, pursuing green building certifications and setting targets for reducing energy intensity;

(ii) Renewable energy: adoption of renewable energy sources for all assets;

(iii) Climate risk management: conduct climate-related physical and transition risk assessments, review insurance adequacy, implement design adaptations as required;

(iv) Greenhouse gas emissions: measurement of scope 1 and scope 2 emissions, with progressive scope 3 inclusion; and

(v) Water and waste: implement efficiency measures and monitoring systems, recycling initiatives, and waste management practices, while engaging tenants on sustainability practices and joint green initiatives.

6.16.2 Social aspect

The Manager is committed to, among others, achieving the following:

(i) Health and safety: implement comprehensive health and safety policies and procedures across all assets;

(ii) Tenant and guest experience: conduct regular satisfaction surveys, green lease provisions, grievance channels; Ensure accessible and inclusive facilities across malls, hotels and offices;

(iii) Community engagement: implement corporate responsibilities initiatives, mall event support, and promote responsible development practices, including programmes for local employment, training or community partnerships at key locations; and

(iv) Labour practices: apply vendor screening, human rights due diligence and fair labour sourcing across the supply chain.

6.16.3 Governance sustainability

The Manager is committed to adhere to good corporate governance practices in accordance with the principles and practices of corporate governance as set out in the MCCG, which is fundamental in safeguarding the interest of the Unitholders.

The Board is also committed to, among others, achieving the following:

(i) Anti-bribery and corruption: adopt policies, provide training and obtain declaration from staff and vendors;

(ii) Whistleblowing mechanism: maintain an anonymous and independent channel open to all stakeholders including tenants;

(iii) Sustainability disclosures: provide annual reporting in line with requirements and reporting guide of Bursa Securities and global reporting initiative standards; and

(iv) Board diversity and skills: integrate sustainability literacy into board training for diverse and independent perspectives.

The Manager has adopted the recommendations under the Guidelines on Corporate Governance for Capital Market Intermediaries ("**GCGCMI**") and the MCCG to have a board comprising at least 50.0% independent directors and to have at least 30.0% women directors. As at the LPD, 5 out of 7 Directors or 71.4% of the Board are independent directors and 2 out of 7 Directors or 28.6% of the Board are female. Pursuant to paragraph 5.06 of the GCGCMI and its related frequently-asked-questions, the percentage composition of the female directors may be rounded up, provided that such rounding does not exceed 5%. In this regard, the current composition of women directors on the Board is in compliance with the recommendations under the GCGCMI. The Manager will endeavour to comply with the recommendations under the MCCG to have at least 30.0% women directors on the Board following the Listing.

Upon Listing, the Manager will make the relevant disclosures of the applicable practices prescribed under the MCCG as required under the Listing Requirements.

8.3 FUNCTIONS, DUTIES AND RESPONSIBILITIES OF THE TRUSTEE

The Trustee's functions, duties and responsibilities are set out in the Deed. The general functions, duties and responsibilities of the Trustee include, but are not limited to the following:

(i) at all times, through proper and adequate supervision, safeguarding the interests of the Unitholders and will actively monitor the administration of IOIPG REIT by the Manager to ensure that the interests of Unitholders are upheld at all times;

(ii) acting continuously as trustee under the trust created by the Deed until the trust is terminated as provided in the Deed or until the Trustee has retired from IOIPG REIT in the manner provided in the Deed;

(iii) ensuring that IOIPG REIT has, at all times, an approved Manager;

(iv) ensuring that the Manager does not make improper use of its position in managing IOIPG REIT to gain, directly or indirectly, an advantage for itself or for any other person or to cause detriment to the interest of the Unitholders;

(v) exercising all due care, skill, diligence and vigilance as can be reasonably expected from a person exercising the position of a trustee in carrying out its functions and duties and in safeguarding the rights and interests of the Unitholders in accordance with the Deed and the Applicable Laws and Requirements;

(vi) forwarding to the Manager all notices of meetings, reports, circulars, quit rent, assessment and premium notices, and other notices and documents which are at any time received by the Trustee in respect of any of the assets of IOIPG REIT within 5 Market Days of receipt;

(vii) ensuring at all times, through proper and adequate supervision, that IOIPG REIT is managed and administered by the Manager in accordance with IOIPG REIT's objectives, any prospectus or supplemental prospectus in relation to any issue of Units required to be issued pursuant to the CMSA (where applicable), the Deed and the Applicable Laws and Requirements and acceptable and efficacious business practices within the real estate investment industry. In ensuring compliance with the requirements and safeguarding the interests of the Unitholders, the Trustee covenants to conduct independent reviews and not only depend on the submission of information by the Manager. It covenants to exercise reasonable diligence in monitoring the function of the Manager in accordance with the provisions of the Deed and to do everything in its power to ensure that the Manager remedies any breach known to the Trustee of the provisions or covenants of the Deed, unless the Trustee is satisfied that the breach will not materially prejudice the Unitholders' interests;

(viii) notifying the SC as soon as practicable of any irregularity, breach of the Deed, the Applicable Laws and Requirements, or any inconsistency between the provisions of any prospectus or supplemental prospectus in relation to any issue of Units required to be issued pursuant to the CMSA (where applicable), and the provisions or covenants of the Deed or any other matter properly regarded by the Trustee as not being in the interests of Unitholders; and

(ix) taking all reasonable steps and exercising due diligence to ensure that the assets of IOIPG REIT are valued by the qualified valuer in accordance with provisions of the Deed and the Applicable Laws and Requirements.

8.4 FINANCIAL INFORMATION OF THE TRUSTEE

The following is a summary of the Trustee's audited financial performance for the past 3 FYEs 31 March 2024, 31 March 2025 and 31 March 2026:

	FYE 31 March		
	2024	**2025**	**2026**
	(RM'000)	**(RM'000)**	**(RM'000)**
Paid-up share capital	500	500	500
Shareholders' funds	4,226	4,249	4,687
Revenue	6,369	6,678	7,363
Profit before tax	1,184	1,395	2,010
Profit after tax	932	1,023	1,638

8.5 TRUSTEE'S FEE

In accordance with the Deed, IOIPG REIT will pay the Trustee an annual trusteeship fee of up to 0.012% per annum of the NAV (excluding service tax), as prescribed in the Deed.

The Trustee's fee is presently capped at RM700,000 per annum, being an amount agreed between the parties based on the current NAV of the Subject Properties. Accordingly, for so long as this capped fee remains applicable, the annual Trustee's fee payable shall be the lower of: (i) RM700,000 per annum; or (ii) 0.012% per annum of the NAV.

The RM700,000 per annum cap may be revised from time to time by mutual agreement between the parties, including but not limited to, circumstances involving future acquisitions resulting in an increase in the NAV or changes in the scope of the Trustee's duties.

The Trustee's fee rate of up to 0.012% per annum of the NAV may only be varied upwards with the prior approval of the Unitholders obtained by way of a resolution of not less than two-thirds of given on poll at the Unitholders' meeting duly convened and in accordance with the Deed (or such other majority as may be required under the REIT Guidelines from time to time) and shall be effected by way of a supplemental deed in accordance with the requirements of the Deed and the CMSA.

8.6 RETIREMENT, REMOVAL AND REPLACEMENT OF THE TRUSTEE

8.6.1 Retirement

The Trustee may retire upon giving 6 months' written notice to the Manager (or such shorter period as may be agreed upon with the Manager) whereupon the Manager shall within 3 months after becoming aware of the intention of the Trustee to retire, appoint by way of a deed, a replacement trustee who is eligible to be appointed to act as trustee under the CMSA and who has been approved by the SC.

8.6.2 Removal and replacement

If the Trustee –

(i) has ceased to exist;

(ii) has not been validly appointed;

(iii) ceases to be eligible to act as trustee pursuant to the CMSA and the CMSP Guidelines or its appointment as the trustee for IOIPG REIT is revoked by SC;

(iv) fails or refuses to act as trustee in accordance with the provisions or covenants of the Deed or the provisions of the CMSA;

(v) has a receiver appointed over the whole or a substantial part of its assets or undertaking and the Trustee has not ceased to act under the appointment, or a petition is presented for the winding up of the Trustee (other than for the purpose of and followed by a reconstruction, unless during or following such reconstruction the Trustee becomes or is declared to be insolvent); or

(vi) is under investigation for conduct that contravenes the Trust Companies Act, the Trustee Act 1949, the Act or any securities law,

the Manager shall as soon as practicable after becoming aware of any of the above events take all reasonable steps to remove the Trustee from its appointment under the Deed and appoint by way of deed a replacement trustee which is eligible to be appointed to act as trustee under the CMSA and which has been approved by the SC.

The Trustee may be removed on grounds that the Trustee is in breach of its obligations under the Deed and the Trustee has failed to remedy the breach despite the request from the Manager to remedy the breach and another trustee (which is eligible to be appointed to act as trustee under the CMSA and duly approved by the SC) shall be appointed if the Unitholders decide on such removal and replacement by a special resolution (or otherwise in accordance with the requirements of the REIT Guidelines), passed at a duly convened meeting which is requisitioned by the Unitholders in the manner provided in the Deed.

Nothing in the Deed limits the right of the SC under Section 292(2) of the CMSA to remove the Trustee and appoint a replacement on the SC's own accord, or on the application of the Manager or of a Unitholder, on any of the grounds stated in paragraphs (i) to (vi) above.

8.7 TRUSTEE'S RESPONSIBILITY STATEMENT

The Trustee has given its willingness to assume the position as trustee of IOIPG REIT and all the obligations in accordance with the Deed and all the Applicable Laws and Requirements.

8.8 MATERIAL LITIGATION AND ARBITRATION

As at the LPD, save as disclosed below, the Trustee and its delegates are not currently involved in any existing, pending or threatened litigation proceedings, claims, demands, disputes, mediation or arbitration proceedings, commenced, instituted or threatened by or against the Trustee or its delegates in their own capacity that might materially affect the business and financial position of the Trustee or its delegates, to act in the capacity as trustee of IOIPG REIT:

(i) Kuala Lumpur High Court Suit No.: WA-22NCvC-156-03/2022

Ling Ngong Hiang (as the plaintiff) v MTrustee Berhad (as the defendant)

On 21 March 2022, Ling Ngong Hiang had filed an action on behalf of himself and a group of investors against the Trustee, claiming for damages of approximately RM357,870,098.00. The claim is in respect of an alleged breach of trust by the Trustee in connection with the Golden Palm Growers Scheme, an interest scheme for which the Trustee was the appointed trustee.

On 22 December 2022, the Kuala Lumpur High Court ("**High Court**") allowed the application of the Trustee to strike out the plaintiff's claim with costs of RM15,000.00, subject to payment of the allocator fee. The plaintiff appealed against the decision of the High Court and on 27 October 2023, the Court of Appeal allowed the plaintiff's appeal with costs of RM25,000.00, subject to payment of the allocator fee. The Court of Appeal remitted the matter to the High Court, where the matter was fixed for trial on 28, 29 and 30 October 2024.

On 4 June 2025, following a full trial, the High Court dismissed the plaintiffs' claims. The plaintiffs have since filed an appeal, which is scheduled to be heard on 13 October 2026.

The Trustee's solicitors are of the view that based on a review of the prospectuses for the Golden Palm Growers Scheme, the trust deed and other related documents, the legal proceedings are misconceived as the allegations go beyond the defined and stated roles and responsibilities of the Trustee.

The Trustee's solicitors are also of the view that the Trustee's chances of successfully defending the claim are more than even.

(ii) Kuala Lumpur High Court Suit No.: WA-22NCvC-771-10/2023

Lee Wee Kwan & Anor (as plaintiffs) v Golden Palm Growers Berhad & 9 Ors (as defendants)

On 2 August 2023, Lee Wee Kwan and Suganthan a/l Sumelingam had filed an action on behalf of themselves and a group of investors against, among others, the Trustee, claiming for damages, exemplary damages and/or aggravated damages to be assessed by the High Court. The claim is in respect of an alleged breach of trust by the Trustee in connection with the Golden Palm Growers Scheme, an interest scheme for which the Trustee was the appointed trustee.

The Trustee had filed its defence on 3 October 2023. On 13 December 2023, the Trustee filed an application to strike out the plaintiffs' claim on the grounds that the plaintiffs' claim, amongst others, is barred by limitation and is an abuse of the court's process. All other defendants have also filed their respective applications to strike out the claim against them. On 2 August 2024, the High Court dismissed the striking out applications of the Trustee, including the Trustee's application.

The matter has proceeded to a full trial, which took place from 14 to 16 January 2026 and from 24 to 27 February 2026. The trial is scheduled to continue on 24 November 2026 and 4 December 2026.

The Trustee's solicitors are of the view that based on a review of the prospectuses for the Golden Palm Growers Scheme, the trust deed and other related documents, the legal proceedings are misconceived as the allegations go beyond the defined and stated roles and responsibilities of the Trustee.

The Trustee's solicitors are also of the view that the Trustee's chances of successfully defending the claim are more than even.

8.9 DELEGATION OF THE TRUSTEE'S FUNCTION

As at the LPD, none of the Trustee's function in relation to IOIPG REIT has been delegated.

9. PROPERTY MANAGER

The following information in this section (save where it relates to the Property Management Agreement) has been prepared and provided by the Property Manager. None of the Manager, the Sponsor, the Joint Principal Advisers, the Joint Global Coordinators and Joint Bookrunners, the Joint Managing Underwriters and Joint Underwriters and any other person have independently verified this information and therefore, none of the Manager, the Sponsor, the Joint Principal Advisers, the Joint Global Coordinators and Joint Bookrunners, the Joint Managing Underwriters and Joint Underwriters make any representation as to the correctness, accuracy or completeness of such information. Accordingly, prospective investors should not place undue reliance on such information.

9.1 PROPERTY MANAGER'S INFORMATION

The Property Manager, Henry Butcher Malaysia (Mont Kiara) Sdn Bhd was incorporated on 18 June 2015 under the Companies Act and is deemed registered under the Act. 9.2 FUNCTIONS, DUTIES AND RESPONSIBILITIES OF THE PROPERTY MANAGER

The Trustee, the Manager and the Property Manager entered into the Property Management Agreement on 14 September 2026 for the appointment of the Property Manager to provide property management services to manage, operate and maintain the properties acquired by the Trustee (as trustee for IOIPG REIT), including the Retail Property and Office Properties but excluding the Hotel Properties, commencing from the completion date of the Acquisitions as contemplated under the SPAs, upon the terms and conditions contained in the Property Management Agreement.

The services provided by the Property Manager for each property under its management include the following:

(i) property management and maintenance services, including operation, repair and maintenance of the property, recommending, engaging and/or reviewing third-party contracts for provision of property maintenance, supervision and control of maintenance and repairs, ensuring compliances with building and safety regulations and all statutes, laws, rules and regulations, orders and requirements of any government and appropriate departments, commissions, boards and offices, arranging and taking out property insurance, submitting applications to the appropriate regulatory authorities for the licences, permissions and consents required relating to the operation in timely manner, maintenance, management or improvement of the property, advising on improvement and upgrading to enhance income yields and capital value of the property and establishing preventive maintenance policies for the lifts, escalators, air-conditioning and mechanical ventilation systems, electrical apparatus, plumping apparatus, pumps, sanitary units, security system and fire protection apparatus;

(ii) financial management services, including assisting the Manager and/or the Trustee in respect of the financial, cost and budgetary coordination, administration and measurement, establishment and keeping of information and records to effect cost and budgetary control, preparation of budgets for management operation, procedures for monitoring budgetary performance and compliance and monthly and annual reports as well as analysis of operation performance;

(iii) letting and tenancy management services, including overseeing the leasing process, coordinating handover of premises and tenants' fitting-out requirements, administration of rental collection and management of rental arrears and rental collection policies and practices and formulating letting policies and advising on tenancy, lease, license and concession terms and conditions;

(iv) information technology services including provision of computers, software, networks and other technological tools to store, retrieve, transmit and manipulate information and data of IOIPG REIT or the properties of IOIPG REIT or any Intellectual Property (as defined in **Section 9.6(v)** of this Prospectus) (collectively, "**IT Solutions**"), systems maintenance, development and technology risk management including maintenance of all existing IT Solutions, software and systems to ensure smooth functioning of the operations, development of new systems where necessary, with the consultation and approval of the Manager, deployment and regular updating of cyber security software and measures and compliance with the data and information security policies of the Manager at all times;

(v) reporting system services, including submission of the relevant report relating to the management of the property to the Manager and/or the Trustee, either on a monthly, quarterly or annual basis, the frequency depending on the nature and types of reports; and

(vi) professional services, including advising on capital value, assessment value and consulting with other professionals in legal, technical, financial and accounting matters, if and whenever necessary.

Please refer to **Section 9.6** "Salient Terms of the Property Management Agreement" of this Prospectus for further details of the Property Management Agreement.

9.3 EXPERIENCE IN PROPERTY MANAGEMENT AND PROPERTIES MANAGED

Henry Butcher Malaysia (Mont Kiara) Sdn Bhd has extensive experience in property management since its incorporation in 2015. It offers a comprehensive array of services, ranging from building and maintenance management, financial and administrative management, insurance management, health, safety and emergency management, ensuring the highest standards of service across its diverse portfolio and has over 10 years of experience in property management. The Property Manager currently manages more than 100 prestigious properties across Malaysia, including landmark developments such as Pavilion Damansara Heights, Four Seasons Place Kuala Lumpur, Arcoris Mont Kiara, Star Residences, The Five @ KPD and The Stories of Taman Tunku, with the support of approximately 1,000 dedicated personnel. As at the LPD, the Property Manager's commercial property portfolio includes renowned assets held by Paradigm Real Estate Investment Trust and Pavilion Real Estate Investment Trust. The property management fee is payable to the Property Manager in the form of cash.

9.6 SALIENT TERMS OF THE PROPERTY MANAGEMENT AGREEMENT

(i) Subject to the right of termination under the Property Management Agreement, the appointment of the Property Manager shall commence from the date of completion of the Acquisitions and shall unless terminated in accordance with the Property Management Agreement, continue for an initial period of 3 years and may be extended for a further term of 2 years with the agreement of the Trustee and Manager on such terms and conditions as may be mutually agreed between the parties.

(ii) The functions, duties and responsibilities of the Property Manager under the Property Management Agreement is summarised in **Section 9.2** "Functions, Duties and Responsibilities of the Property Manager" of this Prospectus.

(iii) The Property Management Agreement may be terminated in accordance with the terms and conditions therein under any one of the following circumstances:

(a) any party has a resolution passed for its winding-up or an order is made for the winding-up, insolvency, administration, judicial management or similar order for the benefit of the creditors, dissolution or bankruptcy of that party otherwise than a resolution for reconstruction or amalgamation;

(b) a petition is presented or a proceeding is commenced for the winding-up, administration or rearrangement of a party and such petition is not withdrawn, stayed or set-aside within 60 days of its presentation;

(c) any party has a provisional liquidator, received, manager, judicial manager, administrator, trustee or similar officer appointed in respect of a substantial part of its business or assets on behalf of any creditor(s);

(d) any party is unable or admits its inability to pay its debts as they fall due or seeks to enter into any composition or other arrangement with its creditors or is declared or becomes bankrupt or insolvent; or if a creditor takes possession of all or any part of the business or assets of that party or any execution or other legal process is enforced against that party and is not stayed, set aside, settled or discharged within 60 days;

(e) where the Trustee fails to perform or fulfil any of its payment obligations due to the Property Manager or the service providers under and pursuant to the Property Management Agreement and the Trustee fails within 30 days of the date of receipt of notice from the Property Manager or the service providers to remedy the breach or the matter;

(f) where the Property Manager fails to fulfil its obligations on the provision of the management services under and pursuant to the Property Management Agreement and the Property Manager fails within 30 days of the date of receipt of notice from the Trustee or the Manager to remedy the breach or the matter alleged in such notice;

(g) upon occurrence of any force majeure event which results in the failure of the Property Manager to deliver a substantial majority of the management services for at least 2 months;

(h) the termination of IOIPG REIT in accordance with the provisions of the Deed;

(i) the Property Manager changes or threatens to change the nature or scope of its business, suspends, or threatens to suspend a substantial part of the present business operations;

(j) the revocation of the Property Manager's licence or the Property Manager is no longer legally qualified to act in its capacity as a property manager;

(k) the Manager ceases to act as the management company of IOIPG REIT; or

(l) the SC issues a direction to the Trustee, the Manager or the Property Manager for the termination of the appointment of the Property Manager or any service providers under securities laws, guidelines, guidance or practice notes issued by the SC.

For the purposes of this paragraph (iii), "**force majeure**" means any act of God, fire, flood, storm, earthquake, earth movement, landslide, insects, epidemic, pandemic, illness, disease, infestation, lightning, act / order / control by law or of government or state or other authorities, blockade, sanction, disruption, hostilities (whether war is declared or not), war, terrorist activities, riot, civil commotion, insurrection, embargo, strikes, lockout, lockdown, prohibitive governmental regulations or other similar causes beyond the control of the parties which renders performance of the Property Management Agreement impossible.

(iv) Notwithstanding paragraph (iii) above, either party shall have the right to terminate the Property Management Agreement for whatsoever reason and without having to assign any reasons by giving to the other party 2 months' prior notice in writing provided always that the party terminating the Property Management Agreement is not in breach of any of the provisions of the Property Management Agreement. Upon expiry of the 2 months' notice period, the Property Management Agreement shall cease to be of any binding effect on the parties save for any antecedent breaches and neither party shall be entitled to claim or recover any damages, losses or compensation derived from the termination pursuant to this paragraph (iv).

(v) The Trustee, the Manager and the Property Manager acknowledge and agree that, unless otherwise mutually agreed between the parties, the ownership and all proprietary rights relating to data or information generated in the performance of the management services by the Property Manager or through its service providers (whether registered or not, registrable or not, owned, to be ascertained or of future nature or whether subsisting) together with:

(a) the copyright and all other intellectual property rights in relation to any of such data and information and the copyright in any translation or adaptation of them;

(b) the right to apply for trademark or other protection in respect of any of such data and information; and

(c) the goodwill (whether existing at the date hereof or created pursuant to the Property Management Agreement) in respect of any of such data and information,

(collectively, "**Intellectual Property**") shall vest in IOIPG REIT ("**Intellectual Property Rights**"). IOIPG REIT shall have the right to make full use of the Intellectual Property in all aspects, including, without limitation, production, business operation, transfer or licensing to a third-party.

9.7 UNITHOLDING OF THE PROPERTY MANAGER IN IOIPG REIT

As at the LPD, the Property Manager may wish to apply for Units under the Institutional Offering.

9.8 SERVICE PROVIDERS TO PROVIDE PERSONNEL AND IT SOLUTIONS TO THE PROPERTY MANAGER

Pursuant to the Property Management Agreement, the Property Manager may appoint any third-party service provider to, among others, provide personnel in order for the Property Manager to carry out its services under the Property Management Agreement to the best of its abilities provided that the appointment of such third-party service providers has been approved by the Manager and the Trustee. The fees of such third-party service providers will be determined based on the approved annual business plan and budget or with any pre-approved expenditure limit as approved by the Trustee and the Manager for the Retail Property and Office Properties from time to time. The Property Manager is entitled to recover all costs and expenses properly incurred in the operation, maintenance and management of the Retail Property and Office Properties, including fees and similar permissible expenses payable to its service providers. Subject to the above, the Manager, with the consent of the Trustee and concurrence of the Property Manager, may in writing, and at the option of the Manager instruct the Trustee to make payment directly to the service providers.

The Property Manager shall ensure that the engagement letter(s) or service level agreement(s) to be executed between the Property Manager and any service providers contains the following principal terms and conditions:

(i) scope of services.

(ii) experience, knowledge, capability and facilities of such service providers.

(iii) experience and qualification of the key personnel of such service providers.

(iv) fees and related charges.

(v) back-up policies and procedures.

(vi) security policies, procedures and controls to enable the protection of confidentiality and security of the Unitholders.

(vii) contingency plans implemented by such service provider to mitigate any adverse impact arising from the discontinuity and disruption to the provision of the services provided by such service provider.

The Property Manager had on 14 September 2026 entered into the Service Provider Agreement with the Service Provider, where the Property Manager appointed the Service Provider to provide (1) personnel with necessary qualifications, expertise, experience and internal working and operational knowledge of the Retail Property, Office Properties and all new properties (other than hotels) acquired by the Trustee or the special purpose vehicle(s) of IOIPG REIT in respect of which the Property Manager and the Service Provider have agreed to engage the service of the Property Manager pursuant to the terms of the Property Management Agreement; (2) the IT Solutions including such information technology software, system and solutions which are necessary to assist the Property Manager in providing and carrying out the its services under the Property Management Agreement and payroll system, accounting software, leasing monitoring system and facility operations and management solution; and (3) such additional services to be mutually agreed upon by the Property Manager and the Service Provider from time to time, following the commencement date of the Property Management Agreement, in accordance with the terms and conditions of the Service Provider Agreement.

The personnel are site personnel who carry out such duties relating to day-to-day operations and maintenance of the Retail Property and Office Properties as may be assigned to them by the Property Manager. The Property Manager remains responsible for the supervision and direction of the personnel and for the provision and performance of the property management services under the Property Management Agreement.

All the IT Solutions including the data management and reporting systems specific to the Retail Property and Office Properties will be directly contracted by the Service Provider with the relevant third-party suppliers, granting IOIPG REIT the right to use these systems. The Service Provider will hold the license for these IT Solutions. All the intellectual property rights generated in the performance of the services through the Service Provider shall vest in IOIPG REIT under the terms of the Service Provider Agreement.

10. SALIENT TERMS OF THE DEED

The Deed is a complex document and the following is a summary only and is qualified in its entirety by, and is subject to, the contents of the Deed. Certain salient terms of the Deed are summarised in other sections of this Prospectus. Recipients of this Prospectus and all prospective investors in the Units should refer to the Deed itself to confirm specific information or for a detailed understanding of IOIPG REIT. The Deed is available for inspection at the registered office of the Manager.

10.1 THE DEED

IOIPG REIT is a REIT constituted in Malaysia under the Deed, as entered into between the Trustee and the Manager on 9 September 2026. The Deed came into effect on 11 September 2026 when it was registered with the SC.

Each Unitholder and all persons claiming through it shall be entitled to the benefit of and shall be bound by the terms and conditions of the Deed and any supplementary deed as if it had been a party thereto and as if the Deed contained covenants on the part of each Unitholder to observe and be bound by all the provisions thereto and an authorisation by each Unitholder to do all such acts and things as the Deed may require the Trustee or the Manager (as the case may be) to do.

Pursuant to the Deed, the Trustee shall hold the assets of IOIPG REIT upon trust for the Unitholders. The assets of IOIPG REIT are to be vested in and to the order of the Trustee but are held separate from the assets of the Trustee or the Trustee as trustee of all other assets.

The Manager and the Trustee shall in performance of their respective duties under the Deed with respect to IOIPG REIT at all times comply with applicable provisions of the Applicable Laws and Requirements, subject to compliance with any applicable waiver or exemption given by any relevant regulatory authority (including the SC or Bursa Securities, as the case may be) in respect of the Applicable Laws and Requirements.

Please refer to Information Summary – "Fees and Charges" of this Prospectus for a summary of fees payable to the Manager and the Trustee; **Section 6.6** "Management Fees" of this Prospectus for further details of the Management Fees payable to the Manager and **Section 8.5** "Trustee's Fee" of this Prospectus for further details of the fees payable to the Trustee, pursuant to the terms of the Deed.

The Deed is governed by, and shall be construed in accordance with, the laws of Malaysia.

10.2 NATURE OF UNITS

Each Unit is of equal value and represents an undivided right or interest in IOIPG REIT. There is only one class of Units in IOIPG REIT, and all issued Units rank *pari passu* provided the Issue Price is fully paid. A Unit shall not confer any interest in any particular Deposited Property held by the Trustee on the trust of the Deed but only such interest in IOIPG REIT as a whole as is conferred on a Unit under the provisions of the Deed, subject to the liabilities of IOIPG REIT.

10.3 RIGHTS OF UNITHOLDERS

The Units shall confer on the Unitholders the rights to receive distribution entitlements and such other rights, benefits, entitlements and privileges as are conferred on the Units or attached to the Units by the provisions of the Deed, including the right to take any action against the Manager and the Trustee for any breach of their respective duties as set out in the Deed.

10.4 LIMITATION ON LIABILITIES OF UNITHOLDERS

The liability of each Unitholder shall be limited to the Unitholder's investment in IOIPG REIT. Notwithstanding any other provisions of the Deed, no Unitholder shall be required to indemnify the Trustee or the Manager or any of their creditors against any liability of the Trustee or the Manager in respect of IOIPG REIT.

10.5 CREATION OF UNITS

The Manager is to ensure that any method of offering of Units for the Listing includes an offering of Units to the general public. Where the method of offering includes an offer for sale of existing Units, the Manager is to ensure that all expenses of such offer for sale is borne by the offerors and not IOIPG REIT. Where the method of offering is by way of issuance of new Units, the Manager is to ensure that all expenses is borne by IOIPG REIT. The Manager shall ensure that the offering of Units pursuant to the Listing shall be in compliance with the Applicable Laws and Requirements.

Applications for Units in relation to any listing shall be made in accordance with the Prospectus, unless the issue is of a nature that does not require a Prospectus under the Applicable Laws and Requirements. The Manager shall have the absolute discretion as to whether to allot and issue any Units pursuant to an application without assigning any reasons for its decision.

Subject to the Applicable Laws and Requirements, the Manager shall determine the issue price, on market-based principles, taking into account the best interest of IOIPG REIT and the Unitholders. Where Units are issued or offered to the Related Parties as part of the Listing, the price of the Units issued or offered to any such Related Parties must be at least the offer price to the general public. Upon the Listing, the price of the Units should be the price quoted on the Main Market of Bursa Securities.

A Unit shall be deemed to have been issued to the person entitled to such Unit when the name of such person has been entered into the Record of Depositors.

Any other issuance of additional new Units by IOIPG REIT (including additional new Units as payment for Management Fees) shall, unless otherwise permitted by Bursa Securities, be subject to the Trustee's written approval, the Unitholders' approval by way of an ordinary resolution and the Applicable Laws and Requirements.

10.6 SUSPENSION OF, DEALING IN AND ISSUE OF UNITS

(i) Suspension of dealing in Units

The Manager or the Trustee may, with the prior written approval of the other party and where it deems appropriate and subject to the Listing Requirements (for so long as IOIPG REIT is listed on Bursa Securities), suspend the dealing of the Units due to exceptional circumstances, where there is good and sufficient reason to do so, considering the interests of the Unitholders or potential investors.

This suspension will take effect forthwith upon the declaration in writing of the same by the Manager or the Trustee (provided that prior written approval of the other is obtained) and shall terminate upon the declaration in writing of the same by the Trustee on the day following the first Market Day on which the exceptional circumstance giving rise to the suspension ceases to exist but in any event no later than 21 days from the commencement of the suspension.

The Manager or the Trustee will further ensure that immediate notification of such suspension is made to the SC, stating the reason for suspension and the proposed resumption of dealings in the Units and the date of the proposed resumption. The Manager shall also ensure that immediate announcement of such suspension and its cessation is made to Bursa Securities.

(ii) Suspension of issue of Units

The Manager or the Trustee may, with the prior written approval of the other and subject to the Listing Requirements (for so long as IOIPG REIT is listed on Bursa Securities), suspend the issue of Units during exceptional circumstance which in the opinion of the Trustee and the Manager provide good and sufficient reason to do so, having taken into consideration the interests of the Unitholders. Such suspension will take effect forthwith upon the written approval by the Manager or the Trustee pursuant to any declaration in writing of the same by the other and shall terminate upon the written approval by the Manager or the Trustee pursuant to any declaration in writing of the same by the other which will be made after the exceptional circumstance giving rise to the suspension ceases to exist subject always to the Applicable Laws and Requirements.

10.7 REPURCHASE OF UNITS

The Manager is not obliged to repurchase the Units. In the event the Manager decides to repurchase the Units, such repurchase must comply with the Listing Requirements and the Applicable Laws and Requirements. The Manager may, subject to the Listing Requirements and the Applicable Laws and Requirements, suspend the repurchase of Units for any period when the issue of Units is suspended.

The Manager may repurchase the Units if it has obtained the prior approval of the Unitholders by way of an ordinary resolution ("**Unit Buy-back Mandate**"), in accordance with the provisions of the Deed but subject to the Listing Requirements and the Applicable Laws and Requirements.

The total number of Units which may be repurchased pursuant to any Unit Buy-back Mandate is limited to that number of Units which will result in IOIPG REIT holding an aggregate of not more than 10.0% of the total number of issued Units as at the date of the repurchases, subject to the Listing Requirements and the Applicable Laws and Requirements.

The repurchase price (or range of prices) to be paid for the Units will be determined by the Board in its absolute discretion, subject to the Listing Requirements and the Applicable Laws and Requirements.

Where all the Units or a specified number of Units held by a Unitholder have been repurchased by the Manager, any change in respect of such number of Units shall be notified by the Manager in writing to the Depository which shall, subject to the Rules of Depository, amend the Record of Depositors accordingly.

Units which are repurchased shall thereupon be cancelled and shall not thereafter be reissued but this shall not limit or restrict the right of the Manager to cause the creation and/or issue of further or other Units.

The Manager must ensure that any repurchase of Units is made wholly out of retained profits of IOIPG REIT, subject always to the Listing Requirements and the Applicable Laws and Requirements.

10.8 VENDOR UNITS

Subject to the Applicable Laws and Requirements, the Manager may offer Units to vendors as consideration (in whole or in part) for the Authorised Investments proposed to be acquired by IOIPG REIT at a price determined by the Manager and approved by the Trustee if the following conditions are met for so long as IOIPG REIT is listed on Bursa Securities:

(i) the terms and conditions of the acquisition are approved by the Unitholders pursuant to the REIT Guidelines;

(ii) neither the Manager nor the person to whom the Units are to be issued nor any associated person of that person votes in relation to the above approval of the Unitholders pursuant to the REIT Guidelines; and

(iii) if and to the extent required, the acquisition is approved by the SC and any other regulatory authority.

10.9 DISTRIBUTABLE INCOME

The Distributable Income of IOIPG REIT for each Distribution Period shall be the realised gains or realised income for the Distribution Period, being the Net Income for the Distribution Period adjusted (in whole or in part) as deemed necessary by the Manager in the interest of IOIPG REIT and the Unitholders for the following effects which may or may not have been recorded in the profit or loss for the relevant Distribution Period:

(i) the portion of Management Fees paid or payable in Units;

(ii) amortisation and other non-cash expenses or gains (including unbilled lease income, if any);

(iii) valuation gain/loss on investment properties and financial instruments;

(iv) depreciation or impairment of assets;

(v) any other entries, provisions, write-offs or adjustments required by the approved accounting standards;

(vi) expenses/loss which is charged to the profit or loss relating to the issuance of new Units or expenses that is capital in nature; and

(vii) unamortised costs which have been paid and incurred but had not been expensed off to the profit or loss other than those incurred for issuance of units or raising of funds.

The Distributable Income which the Manager may distribute for any Distribution Period shall, among others, take into consideration the following:

(i) total returns for the period;

(ii) income for the period;

(iii) cash flow for distribution;

(iv) stability and sustainability of distribution of income; and

(v) the investment objective and distribution policy of IOIPG REIT,

subject to meeting the requirement to distribute at least 90% of IOIPG REIT's total income (as defined under the Income Tax Act) to achieve tax transparency under Section 61A of the Income Tax Act.

All (or such lower percentage as determined by the Manager in its absolute discretion) of the Distributable Income will be distributed among the persons who on the relevant Book Closing Date for a Distribution Period are Unitholders, in proportion to their Units. Each Unitholder's entitlement to the Distributable Income is to be determined in accordance with the following formula:

Distribution Entitlement = % of DI x UH/UI

where:

DI	=	Distributable Income;
UH	=	the number of Units held by the Unitholder at the close of business on the Book Closing Date for the relevant Distribution Period adjusted to the extent it is entitled to participate in the Distributable Income; and
UI	=	the total number of Units in issue in IOIPG REIT at the close of business on the Book Closing Date for the relevant Distribution Period adjusted to the extent it is entitled to participate in the Distributable Income.

10.10 INVESTMENTS OF IOIPG REIT

10.10.1 Authorised Investments

Subject to investment limits as stated below in **Section 10.10.2** "Investment Limits" of this Prospectus and the REIT Guidelines, IOIPG REIT may invest in any Authorised Investments.

The Trustee must take into its custody, or under its control (in the event of delegation of custody), the Deposited Property and hold the Deposited Property for the Unitholders in accordance with the Deed and the Applicable Laws and Requirements. The Deposited Property shall be registered in the name of the Trustee for and on behalf of the Unitholders, or assigned to the Trustee for and on behalf of the Unitholders, or to the order of IOIPG REIT.

For the avoidance of doubt, the Manager may use financial derivatives including but not limited to entering into futures, forwards, options and swaps contracts for the purpose of hedging of its risk exposures of IOIPG REIT.

10.10.2 Investment Limits

(i) In exercising its powers to make investment on behalf of IOIPG REIT, and subject to limits as may be prescribed by the SC or the REIT Guidelines from time to time, the Manager must ensure that:

(a) at least 75% of the Total Asset Value must be invested in Real Estate Assets that generate recurrent rental income at all times;

(b) the aggregate investments in property development activities (property development costs) and real estate under construction must not exceed 15% of the Total Asset Value;

(c) where IOIPG REIT invests in Real Estate Assets where it does not have a majority ownership and control, the total value of these Real Estate Assets does not exceed 25% of the Total Asset Value at the point of Listing or acquisition, as the case may be, and the investment in these Real Estate Assets is in the best interest of the Unitholders; and

(d) such other investment or limits as may be permitted by the SC or under the REIT Guidelines,

(ii) Where IOIPG REIT fails to comply with any of the prescribed limits and restrictions under this **Section 10.10.2(i)** and/or the REIT Guidelines, the Manager must:

(a) notify the SC within 3 business days after it becomes aware of such breach;

(b) take all necessary steps and actions to rectify the breach, and must not enter into any transaction that could increase the extent of the breach; and

(c) notify the SC as soon as practicable where such breach has been rectified.

(iii) Subject to **Section 10.10.2(v)**, where the breach of limits and restrictions as prescribed in the REIT Guidelines is a result of an appreciation or depreciation of the Total Asset Value, the Manager must rectify such breach within a period of not more than 3 months from the date it becomes aware of such breach. Notwithstanding therewith, the 3-month period may be extended if it is in the best interest of the Unitholders and the Trustee's consent is obtained. In the event the 3-month period is extended, the Manager must notify the SC and Unitholders on the progress of the rectification of the breach through quarterly reports.

(iv) If IOIPG REIT fails to comply with investment limits set out in **Section 10.10.2(i)(a)** as a result of disposals of Deposited Property, divestments or issuance of new Units, the Manager shall take all necessary steps and actions to rectify the breach within a period of 12 months from the date of the breach.

(v) For investments in Non-Real Estate Assets, a 5% allowance in excess of any limit or restriction is permitted where the limit or restriction is breached through an appreciation or depreciation in the Total Asset Value.

(vi) Investments of IOIPG REIT in Non-Real Estate Assets are subject to the following investment limits and restrictions, or such other requirements as may be imposed under the REIT Guidelines and the CMSA:

(a) The securities must be traded in or under the rules of an eligible market, except for unlisted debt securities or sukuk.

(b) The value of IOIPG REIT's investments in securities issued by any single issuer must not exceed 5% of the Total Asset Value.

(c) The value of IOIPG REIT's investments in securities issued by any group of companies must not exceed 10% of the Total Asset Value.

(d) IOIPG REIT's investments in any class of securities must not exceed 10% of the securities issued by any single issuer.

The limits and restrictions under this item (vi) do not apply to securities issued or guaranteed by the Malaysian government or BNM.

10.10.3 Restrictions on Investments/Activities

Without limiting the generality of the following, and subject always to the provision of the REIT Guidelines, IOIPG REIT shall not at any time be involved in the following activities:

(i) the extension of loans, financing facilities or other credit facilities to any person;

(ii) acquisition of vacant land, except for the purpose of property development activities permitted by the SC pursuant to the REIT Guidelines; and

(iii) any other activity which does not comply with the REIT Guidelines and where no waiver from the SC is obtained to exempt compliance with the relevant guideline.

10.10.4 Investment Policy

(i) The principal investment policy of IOIPG REIT is to invest, both directly and indirectly in a diversified portfolio of income producing Real Estate Assets located in Malaysia used for retail, commercial, office, industrial and hospitality purposes and such other Non-Real Estate Assets in Malaysia. IOIPG REIT may also invest in other investments as permissible in the REIT Guidelines or as otherwise permitted by the SC.

(ii) The Manager may, subject to the Applicable Laws and Requirements, from time to time change the investment policy of IOIPG REIT.

(iii) The Trustee shall ensure that it is fully informed at all times by the Manager of the investment policies and of changes made by the Manager to the investment policies of IOIPG REIT.

(iv) Unless otherwise provided by the Applicable Laws and Requirements, any modification to the Deed involving any material change in the investment policy set out for IOIPG REIT must be approved by the Unitholders by way of a resolution of not less than two-thirds of the votes given on poll at the Unitholders' meeting duly convened and held in accordance with the Deed.

10.11 CONCERNING THE TRUSTEE

The Trustee is responsible for the safe custody of the Deposited Property. Any Authorised Investment forming part of the Deposited Property, whether in bearer or registered form, is to be paid, assigned or transferred to or to the order of the Trustee forthwith on receipt by the Manager and is to be dealt with as the Trustee may think proper for the purpose of providing for the safe custody of the same.

The Trustee may act as custodian of the Deposited Property itself or the Trustee may delegate this role to another person as custodian or joint custodians (with the Trustee if acting as custodian or with any other custodian appointed by the Trustee) of the whole or any part of the Deposited Property and (where the Trustee is custodian) may appoint or (where the Trustee appoints a custodian) may empower such custodian or joint custodian (as the case may be) to appoint with the prior consent in writing of the Trustee, sub-custodians. Any such delegation can only be carried out by the Trustee in compliance with the REIT Guidelines and the Trustee shall remain responsible for the actions and omissions of any delegate as though they were its own actions and omissions. Where this role of the Trustee is delegated, the Trustee should ensure that:

(i) it retains control over IOIPG REIT's property at all times; and

(ii) there are adequate arrangements to prevent the delegate from releasing the custody or control of IOIPG REIT's property without its prior consent.

The Trustee will be at liberty and no obligation to institute, acknowledge service of, appear in, prosecute or defend any action, suit, proceedings or claim in respect of the provisions of the Deed or in respect of the Deposited Property or any part thereof or any corporate or Unitholders' action which in its opinion would or might involve it in expense or liability unless the Manager shall so request in writing, and shall so often as required by the Trustee furnished it with an indemnity satisfactory to it against any such expense and liability.

Except if and so far as otherwise expressly provided in the Deed, the Trustee as regards all the trusts, powers, authorities and discretions vested in it has absolute and uncontrolled discretion as to the exercise of the same, whether in relation to the manner or as to the mode of and time for such exercise, and in the absence of fraud, negligence, wilful default, breach of the Deed or breach of trust, the Trustee shall not be in any way responsible for any loss, costs, damages or inconvenience that may result from the exercise or non-exercise of the same.

10.12 FUNCTIONS, DUTIES AND RESPONSIBILITIES OF THE TRUSTEE

Please refer to **Section 8.3** "Functions, Duties and Responsibilities of the Trustee" of this Prospectus for details of the functions, duties and responsibilities of the Trustee.

10.13 RETIREMENT, REMOVAL AND REPLACEMENT OF THE TRUSTEE

Please refer to **Section 8.6** "Retirement, Removal and Replacement of the Trustee" of this Prospectus for details of the retirement, removal and replacement of the Trustee.

10.14 LIMITATION OF LIABILITY AND INDEMNITY OUT OF THE DEPOSITED PROPERTY

It is expressly agreed that the Trustee enters into the Deed and any documents in relation thereto only in its capacity as trustee of IOIPG REIT. Any liability arising under the Deed and any such document shall be limited to and can be enforced against the Trustee only to the extent to which the Trustee can satisfy such liability out of the Deposited Property. Subject as expressly provided under the Deed and the Applicable Laws and Requirements and without prejudice to any right of indemnity at law given to the Trustee, the Trustee shall be entitled for the purpose of indemnity in full against any actions, costs, claims, damages, expenses or demands to which it may be put as Trustee to have recourse to the Deposited Property or any part thereof:

(i) if the same is not caused by any fraud, negligence, recklessness, wilful act or omission, a breach of the Deed or a breach of trust on the part of the Trustee or by its failure to show the degree of care, due diligence and vigilance required of a trustee in the execution or performance of its obligations under the Deed and/or any other documents in relation thereto; or

(ii) where a majority of not less than 3/4 of all Unitholders for the time being, voting at a meeting summoned for the purposes releases the Trustee with respect to specific acts or omission,

but this shall be without prejudice to the obligation of the Manager to indemnify and/or reimburse the Trustee on account of the Deposited Property pursuant to the provisions of the Deed.

10.15 CONCERNING THE MANAGER

The Manager shall, subject to the provisions of the Deed and the Applicable Laws and Requirements, carry out all activities as it may deem necessary for the management of IOIPG REIT and its business. Without limiting the generality of the foregoing, the Manager shall, in managing IOIPG REIT, undertake the following activities:

(i) develop a business plan for the Deposited Property in the short, medium and long term;

(ii) recommend to the Trustee in writing to purchase, transfer, acquire, hire, let, lease, license, exchange, dispose of, convey, surrender or otherwise deal with any Authorised Investment in furtherance of the investment policy and prevailing investment strategy of IOIPG REIT;

(iii) supervise and oversee the management of Deposited Property (including but not limited to lease audit, systems control, data management and business plan implementation) in accordance with the provisions of the Deed;

(iv) in accordance with the Applicable Laws and Requirements and the Valuers, Appraisers, Estate Agents and Property Managers Act, 1981, generally advise on and procure through property management companies, service providers or by itself (where permitted), the maintenance of any Real Estate, including but not limited to such repair, painting, alteration, rebuilding and/or improvement of any Real Estate which the Manager considers to be necessary or desirable;

(v) prepare annual budgets for IOIPG REIT and the management and operation of IOIPG REIT;

(vi) make the necessary announcements in relation to IOIPG REIT as may be required by the Listing Requirements;

(vii) lodge statutory returns;

(viii) manage all tax affairs of IOIPG REIT including the appointment of advisors as required;

(ix) give directions to the Trustee to ensure the smooth and efficient performance of the Trustee's duties under the Deed and under the Applicable Laws and Requirements;

(x) determine if any taxes, expenses, outgoings, losses, debts or obligations will be paid or borne out of the capital or income of IOIPG REIT;

(xi) institute, defend, conduct, settle, discontinue or compromise legal proceedings as the Manager, with the written approval of the Trustee, deems fit;

(xii) undertake primary management activities in relation to IOIPG REIT;

(xiii) manage Real Estate Assets through the procurement of service providers to carry out specified activities;

(xiv) manage the finances of IOIPG REIT;

(xv) develop and maintain investor relations;

(xvi) ensure legal and corporate compliance in relation to the Deposited Property;

(xvii) manage and supervise service providers appointed for the conduct, project leasing, marketing and customer relationship management activities;

(xviii) prepare such property market reports which the Manager considers to be relevant and appropriate;

(xix) prepare, issue and, if necessary, lodge any prospectus or any circular publicity material, sales literature or other documents in connection with IOIPG REIT and the issuance of Units; and

(xx) carry out such other activities as the Manager may consider necessary from time to time in discharging its obligations and duties as the Manager.

Unless otherwise expressly provided in the Deed, the Manager shall as regards all the powers, authorities and discretions vested in it have absolute and uncontrolled discretion as to the exercise thereof whether in relation to the manner or as to the mode of and time for the exercise thereof and in the absence of fraud, negligence, wilful default or breach of the Deed, the Manager shall not be in any way responsible for any loss, costs, damages or inconvenience that may result from the exercise or non-exercise thereof. Notwithstanding the above, the Manager shall be responsible at all times for the exercise or non-exercise of its powers, authorities and discretions in respect of the management of IOIPG REIT and the investment of the Deposited Property.

10.16 FUNCTIONS, DUTIES AND RESPONSIBILITIES OF THE MANAGER

Please refer to **Section 6.2** "Functions, Duties and Responsibilities of the Manager" of this Prospectus for details of the functions, duties and responsibilities of the Manager.

10.17 RETIREMENT, REMOVAL AND REPLACEMENT OF THE MANAGER

Please refer to **Section 6.12** "Retirement, Removal and Replacement of the Manager" of this Prospectus for details of the retirement, removal and replacement of the Manager.

10.18 LIMITATION OF LIABILITY AND INDEMNITY OF THE MANAGER

The Manager shall not be under any liability except such liability as may be assumed by it under the Deed nor shall the Manager (save as expressly provided in the Deed) be liable for any act or omission of the Trustee.

Subject as expressly provided in the Deed and without prejudice to any right of indemnity at law given to the Manager, the Manager shall be entitled, for the purpose of indemnity against any actions, costs, claims, damages, expenses or demands to which it may be put as Manager, to have recourse to the Deposited Property, save where such action, cost, claim, damage, expense or demand is occasioned by the fraud, negligence, wilful default or breach of the Deed by the Manager.

10.19 MANAGER'S FEES AND TRUSTEE'S FEE

The provisions on the Manager's fees and the Trustee's fee are set out in the Deed. Please refer to **Section 6.6** "Management Fees" and **Section 8.5** "Trustee's Fee" of this Prospectus for details of the Manager's fees and the Trustee's fee respectively.

10.20 PERMITTED CHARGES OF IOIPG REIT

The Trustee and/or the Manager shall in addition to their remuneration and rights to indemnification or reimbursement conferred under any other provision of the Deed or by law, respectively be indemnified and shall be reimbursed out of either the Income of IOIPG REIT or the capital of IOIPG REIT (as determined from time to time by the Manager after consultation with the Auditor, if required/necessary) for all expenses, or part thereof, reasonably and properly incurred by or on behalf of the Trustee or the Manager, as the case may be, that are directly related and necessary in operating and administering IOIPG REIT, including but not limited to the following:

(i) maintenance of Real Estate;

(ii) taxes and other duties charged on IOIPG REIT by the Government of Malaysia and other authorities from time to time on or in respect of the Deed;

(iii) fees and other expenses properly incurred by the Auditor appointed for IOIPG REIT;

(iv) fees and expenses properly incurred by the persons appointed under the Deed, including any property manager and any Qualified Valuer for the valuation of any Investment of IOIPG REIT for the benefit of IOIPG REIT;

(v) costs incurred for the modification of the Deed or for the preparation of any supplemental deeds, other than those for the benefit of the Manager and the Trustee;

(vi) costs incurred for any meeting of the Unitholders, including investor meetings or analyst briefings, non-deal roadshows to update investors, and carrying out any directions or resolutions of any such meeting, other than those convened for the benefit of the Manager or the Trustee;

(vii) fees and costs of engaging any expert or independent adviser by the Trustee in connection with any breach or default in the observance or performance by the Manager of the covenants, obligations, conditions and provisions of the Deed if incurred by the Trustee in engaging any expert or independent adviser in the interest of the Unitholders;

(viii) the fees and disbursements of the solicitors incurred by the Trustee or the Manager solely for the benefit and interest of IOIPG REIT;

(ix) bank fees and other charges (including but not limited to the bank account debits tax and charges in respect of the financial institution duty) incurred in connection with the keeping of or the transaction of business on the bank accounts for the Trustee or the Manager in relation to IOIPG REIT and its management;

(x) the cost of printing and sending out to the Unitholders, accounts, cheques, distribution statements, reports, circulars and other notices or documents as may be agreed upon by the Trustee and the Manager to be necessary or desirable to be circulated amongst or sent out to the Unitholders, the cost of keeping or causing to be kept proper books or accounts of IOIPG REIT (but excluding personnel cost of the Manager), including all reasonable costs associated with upgrading or converting any administrative and computer software facilities established for such purpose. For avoidance of doubt, such administrative and computer facilities shall not be for the purpose of the Trustee or the Manager's respective proprietary accounts and such software facilities shall at all times remain the property of IOIPG REIT;

(xi) cost of preparing and printing of this Prospectus or any other offering document registered in relation to IOIPG REIT or any letters of offer or other documents for the issue of Units required by law and all other costs and expenses incurred in relation to the Listing including underwriting brokerage and commissions, advisors fees and expenses, fees payable to regulatory authorities, printing and advertising charges provided that no management charge or upfront fee is payable to the Manger in connection with the Listing;

(xii) all outgoings which are a necessary or desirable incident of the investment or administration of IOIPG REIT, including but without limiting the generality of the foregoing, quit rent, assessments, water rates, repairs and maintenance, insurance, electricity, landscaping, capital enhancement cost, capital expenditure, subdivision costs, alterations, reasonable travel and accommodation, marketing and promotion costs, cleaning charges and cost of on-site personnel, leasing costs, information technology hardware, software and its maintenance charges, legal professional costs, photocopy charges, printing and stationery, postage and courier charges, security expenses, appointment of any process agent outside Malaysia and licence fees (including licence fees imposed by the relevant local authorities) incurred in relation to any Real Estate held by IOIPG REIT and shall not include any general overhead expenses incurred by the Trustee and the Manager in discharge of its respective duties under the Deed;

(xiii) all expenses incurred and transaction fees charged in relation to the acquisition, holding, registration and realisation of any Investment or the holding in the name of the Trustee or its nominee of any Investment or the custody of the documents of title thereto (including insurance of documents of title against loss in shipment, transit or otherwise and charges made by agents of the Trustee for retaining documents in safe custody) and where it relates to foreign Investments where it is not viable for the Trustee to be the sole custodian of such Investment, all fees and expenses of the custodians, joint custodians and/or sub-custodians appointed at the directions of the Manager pursuant to the provision of the Deed;

(xiv) costs incurred in connection with the removal or retirement of the Trustee or the Manager in accordance with the Deed;

(xv) costs incurred for the procurement and maintenance of credit rating for IOIPG REIT;

(xvi) costs incurred for the procurement of financing and related costs of financing;

(xvii) subject to the prior approval of the Trustee, costs incurred for or associated with the subdivision or consolidation of Units;

(xviii) costs incurred for or associated with the acquisition or incorporation of special purpose vehicle and the costs of maintaining, managing and administering such companies and, where applicable, the cost of liquidating such companies;

(xix) all fees, charges and expenses incurred in connection with the investigation, research, negotiation, acquisition, development, management, supervision, valuation, sale of or other dealing with an Investment (or attempting or proposing to do so) and the receipt, collection or distribution of income or other investments notwithstanding that such fees, charges and expenses may be incurred by or payable to the Manager or any related party of the Manager;

(xx) annual listing fees and any other fees, whether recurring or otherwise, payable to Bursa Securities and its related corporation;

(xxi) all issuing fees, costs and expenses, underwriting fees and expenses, placement fees and expenses and brokerage in connection with any subscription or sale of Units by any issue manager, underwriter or placement agent appointed in relation to any issue of Units;

(xxii) all other expenses, charges or fees properly and reasonably incurred by the Manager or the Trustee as a consequence of the due performance by the Manager or the Trustee of its obligations and duties under the Deed, including (without limitation) any expense, charge or fee incurred as a result of the introduction of any change in, or in the interpretation or application of, any law, regulation, rule or directive of any agency of state or regulatory or supervisory body;

(xxiii) any amounts required to indemnify the Trustee under **Section 10.14** of this Prospectus;

(xxiv) the Management Fees (comprising the base fee, the performance fee, the acquisition fee and/or the divestment fee, as set out under **Section 6.6** "Management Fees" of this Prospectus) and the remuneration of the Trustee;

(xxv) Registrar's fees (in the event that the Manager applies and procures an approval from the SC to allow the Manager to charge the Registrar's fees to IOIPG REIT) and all out-of-pocket expenses and disbursements incurred for the provision and maintenance of the Register;

(xxvi) all fees, costs and expenses incurred by the Manager and the Trustee in establishing, forming and terminating IOIPG REIT; and

(xxvii) such other costs and expenses that the Trustee accepts as being directly, in relation to and necessary to the business of IOIPG REIT.

General overheads and costs for services expected to be provided by the Manager must not be charged to IOIPG REIT.

The Trustee may recover from IOIPG REIT any expenses appropriately incurred in the performance of its duties and responsibilities as a trustee of IOIPG REIT.

10.21 MODIFICATION TO DEED

All modifications to the Deed must be made through a deed supplementary to the Deed and will take effect only upon registration of the supplementary deed with the SC. The Manager must submit any such supplementary deed to the SC for such registration pursuant to the CMSA. In addition to the foregoing, any material change to the investment objectives of IOIPG REIT must be approved by the Unitholders by way of a resolution of not less than two-thirds of the votes given on poll at the Unitholders' meeting duly convened and in accordance with the Deed (or such other majority as may be required under the REIT Guidelines and the CMSA from time to time) given at a meeting duly convened and held in accordance with the Deed.

10.22 TERMINATION AND WINDING UP OF IOIPG REIT

10.22.1 Termination events

(i) IOIPG REIT shall terminate on the earlier of:

(a) the occurrence of any of the events under **Section 10.22.1(iii)**;

(b) the date 999 years after the date of registration of the Deed with the SC; or

(c) the date on which IOIPG REIT is terminated by the Manager under **Section 10.22.1(ii)**.

(ii) IOIPG REIT may be terminated by the Manager in its absolute discretion by giving notice to all Unitholders and the Trustee not less than 3 months (or such shorter period if the circumstances reasonably necessitate earlier notice) in advance if IOIPG REIT is delisted by Bursa Securities. In the event the Manager elects not to terminate IOIPG REIT, the Manager will secure offers for the purchase of the Units then held by the Unitholders.

(iii) The Trustee shall terminate IOIPG REIT:

(a) if at a duly convened meeting of Unitholders a Special Resolution (or otherwise in accordance with the requirements of the REIT Guidelines), is passed that IOIPG REIT be terminated;

(b) if the Manager is in liquidation or where the Trustee is of the opinion that the Manager has ceased to carry on business or has, to the prejudice of the Unitholders, failed to comply with any provision or covenant of the Deed or contravened any provisions of any relevant laws, guidelines or regulatory requirements, and at a meeting duly summoned in accordance with Section 301 of the CMSA, a Special Resolution is passed that IOIPG REIT be terminated;

(c) if at any time during the life of IOIPG REIT, the Manager, after consultation with the Trustee, is of the opinion that changes in the economic climate or taxation law have caused or are likely to cause Unitholders to be detrimentally affected, the Manager requests the Trustee to summon a meeting of Unitholders and place a Special Resolution (or otherwise in accordance with the requirements of the REIT Guidelines), before such a meeting, setting out the action they recommend the meeting to endorse to meet such changes, and the meeting decides to terminate IOIPG REIT;

(d) if the Listing does not take place within 3 months from the date of the Prospectus for the Listing and a Special Resolution (or otherwise in accordance with the requirements of the REIT Guidelines), is passed at a duly convened meeting of Unitholders to terminate IOIPG REIT;

(e) if at any time after the date of Listing, the Units are unconditionally suspended from listing and not readmitted for listing within a continuous period of 90 Market Days after such suspension, IOIPG REIT will, notwithstanding any rights, powers or duties of the Manager or the Trustee and directions given by or resolutions of the Unitholders, immediately terminate. In this case, winding up of IOIPG REIT will immediately commence upon the end of such 90 Market Days; or

(f) if the SC's approval is revoked under Section 214A(2)(A) of the CMSA or if any law is passed which renders it illegal to continue IOIPG REIT.

(iv) If a termination event in paragraph (iii)(b) under **Section 10.22.1** occurs, the Trustee must apply to the court for an order confirming the Unitholders' resolution. The court may confirm the resolution if the court is satisfied that it is in the interests of the Unitholders to do and may make orders for the winding-up of IOIPG REIT (including but not limited to procedures for a voluntary winding-up of IOIPG REIT), which orders must be carried out by the Trustee.

10.22.2 Notice

Upon any such decision to terminate IOIPG REIT under the provisions of the Deed, the Manager and the Trustee shall notify all Unitholders of such termination, the reasons and the date of the decision to terminate IOIPG REIT. The notice of termination shall also be published in one national Bahasa Malaysia newspaper and one national English daily newspaper.

10.22.3 Consequence of termination

Upon termination of IOIPG REIT:

(i) Chapter 8 of the REIT Guidelines ceases to apply to IOIPG REIT;

(ii) dealings in, and creation and cancellation of Units must cease;

(iii) the Trustee must realise the Deposited Property remaining in its hands. After paying or retaining adequate amount for all liabilities payable and cost of termination, the Trustee must distribute to Unitholders the net cash proceeds available for the purpose of such distribution in proportion to the number of Units held by Unitholders respectively. In relation to any monies held by the Trustee that remain unclaimed after 24 months, the Trustee must transfer such monies to the Registrar of Unclaimed Moneys, in accordance with the requirements of the Unclaimed Moneys Act 1965;

(iv) the financial period continues to run and annual reports continue to be required, unless after consulting the auditor and the SC, the Manager has taken reasonable care to determine that timely production of an annual report is not required in the interests of Unitholders. The Manager must ensure that, in addition to the requirements of annual report provided under the REIT Guidelines, the annual report must contain information on the progress of the termination;

(v) the Trustee must also arrange for the auditor to conduct a final audit of the financial statements of IOIPG REIT upon completion of the termination of IOIPG REIT; and

(vi) a copy of the final audited financial statements, an explanation from the Manager as to how the Real Estate has been disposed of, salient terms of disposal and the net proceeds and the Trustee's report that the Manager has terminated IOIPG REIT in accordance with the REIT Guidelines and the Deed, must be provided to the Unitholders and submitted to the SC within 2 months of the completion of the termination of IOIPG REIT.

10.22.4 Winding-up of IOIPG REIT

Upon termination of IOIPG REIT under **Section 10.22.1** "Termination events" of this Prospectus other than due to the events in paragraph (iii)(b) under **Section 10.22.1** "Termination events" of this Prospectus, the following provisions shall have effect:

(i) The Trustee shall as soon as practicable sell, call in and convert into money the Deposited Property, and divide the proceeds of such sale, calling in and conversion less all proper costs and disbursement, commissions, brokerage fees, fees payable to the Manager and the Trustee on termination of IOIPG REIT and other outgoings including costs of final distribution of capital and income and all proper provisions for Liabilities of IOIPG REIT, among the Unitholders in proportion to the number of Units which they hold respectively at the date of the decision to terminate IOIPG REIT provided that the Trustee may at its discretion make a partial distribution of capital from time to time and the Trustee and Manager shall on termination of IOIPG REIT be deemed as preferential creditors as provided in the Act.

(ii) The Trustee shall as soon as practicable after the date of the notice in **Section 10.22.2** "Notice" of this Prospectus, give to each Unitholder notice of impending distribution.

(iii) The Trustee may postpone the sale, calling in and conversion of any part of the investment and property comprised in IOIPG REIT for such time as it thinks it desirable so to do in the interest of the Unitholders and shall not be responsible for any loss attributable to such postponement except to the extent that such loss may be attributable to the Trustee's own neglect or default.

(iv) The Trustee may retain in its hands or under its control for as long as it thinks fit such part of IOIPG REIT as in its opinion may be required to meet any outgoings of IOIPG REIT or any of the investments thereof provided that any investments or monies so retained to the extent that they are ultimately found not to be so required shall remain subject to IOIPG REIT for conversion and distribution in accordance paragraph (i) above.

(v) The Trustee and the Manager are entitled to:

(a) be paid from the proceeds of realisation of IOIPG REIT before any payment is made to the Unitholders, all costs incurred:

(1) by the Trustee and the Manager before the winding up of IOIPG REIT which has not been recouped;

(2) by the Trustee and the Manager in connection with the winding up of IOIPG REIT and the realisation of the Deposited Property;

(3) by or on behalf of any creditor of the Trustee or the Manager in relation to IOIPG REIT; and

(4) by or on behalf of any agent, solicitor, banker, accountant or other person employed by the Trustee or the Manager in connection with the winding up of IOIPG REIT; and

(b) following the termination of IOIPG REIT and until the winding up is completed, their remuneration provided for in the Deed.

For the avoidance of doubt, the provisions of the Deed shall continue to apply (where applicable) pending the completion of the winding up process unless provided otherwise.

10.23 MEETING OF UNITHOLDERS

Either the Trustee or the Manager may convene a meeting of Unitholders by giving notice to the Unitholders in accordance with the Deed, which notice shall specify the general nature of the business to be transacted. The Manager shall within 21 days after a requisition has been delivered to the Manager at its registered office, being a requisition by not less than 50, or 1/10 in number, whichever is lesser, of all Unitholders, convene a meeting of Unitholders in accordance with the Deed.

The Manager is entitled to receive notice of and to attend, speak and participate at any meeting of the Unitholders but the Manager shall not be entitled to exercise its voting rights in respect of Units which it or its nominee holds or is deemed to hold for such meeting, except at a meeting held for the removal of the Manager, or unless otherwise permitted by the SC or the Applicable Laws and Requirements.

A Related Party of the Manager shall not exercise the voting rights in respect of the Units held at any Unitholders' meeting and shall not be counted in a quorum for such a meeting, if it has an interest in the outcome of the transaction tabled for approval at the meeting which is different from the interest of other Unitholders, except at a meeting held for the removal of the Manager.

Every question arising at a meeting of Unitholders shall be decided by poll and the result of such poll shall be deemed to be the resolution of the meeting. Upon any question decided by poll, each Unitholder present in person or by proxy shall have one vote for each Unit it holds. The poll may be conducted manually by signing voting slips or electronically using various forms of electronic voting devices or means. Such votes shall be counted by the poll administrator and verified by the scrutineer(s), as may be appointed for the purpose of determining the outcome of the resolution(s) to be decide on poll. Any vote cast by way of electronic polling shall also be constituted a vote by the Unitholder or proxies. At any meeting of the Unitholders, a declaration by the Chairman that a resolution has been carried by any particular majority or lost or not carried by any particular majority shall be conclusive evidence of the fact. An instrument of proxy may be in any common form or in any other form which the Manager approves and need not be witnessed. Any form of proxy issued by IOIPG REIT shall be so worded that a Unitholder may direct his proxy to vote either for or against any of the resolutions to be proposed. The proxy shall be deemed to have the right to demand, or join in demanding, a poll. Unless the contrary is stated thereon, an instrument appointing a proxy, whether in the usual common form or not, shall be valid as well for any adjournment of the meetings as for the meeting to which it relates. In the case of an equality of votes, the chairman of the meeting shall have a casting vote in addition to its votes (if any) as a Unitholder.

11. CORPORATE GOVERNANCE, RELATED PARTY TRANSACTIONS AND CONFLICT OF INTEREST

11.1 CORPORATE GOVERNANCE

The Manager has adopted a corporate governance framework that meets best practices of good governance on structures and internal processes by adopting the requirements and guidelines set out in the REIT Guidelines and the Listing Requirements, in the performance of its obligations and duties as described in the Deed. The Manager is also committed to adhere to good corporate governance practices in accordance with the principles and practices of corporate governance as set out in the MCCG. Please refer to **Section 6.16.3** "Governance Sustainability" of this Prospectus for details.

11.2 EXISTING AND ON-GOING RELATED PARTY TRANSACTIONS

Pursuant to the REIT Guidelines, a related party transaction means any transaction between the REIT and its related parties. A "related party" includes:

(i) the management company of the REIT;

(ii) the trustee of the REIT;

(iii) a major unitholder of the REIT;

(iv) a director, chief executive officer or major shareholder of the management company; or

(v) a person connected with any director, CEO or major shareholder of the management company, or a person connected with the management company, the trustee or major unitholder of the REIT.

In relation to a director, chief executive officer or major shareholder of the management company, the management company, trustee or major unitholder of the REIT, a "person connected" is defined to include a body corporate in which the director, chief executive officer or major shareholder of the management company, the management company, the trustee or major unitholder of the REIT, and/or persons connected to him are entitled to exercise, or control the exercise of, not less than 20.0% of the votes attached to the voting shares in such body corporate.

All rights and obligations of the Vendors pursuant to these transactions will be transferred to and/or assumed by IOIPG REIT following the completion of the SPAs. As such, these transactions will constitute related party transactions involving IOIPG REIT in view that:

(i) the respective transacting related parties are persons connected with the Sponsor; and

(ii) the Manager is a wholly-owned subsidiary of the Sponsor.

Save as disclosed above, there is no existing and on-going transaction between the Vendors, the Sponsor, the Master Lessees and the Manager and/or persons connected with the Vendors, the Sponsor, the Master Lessees and/or the Manager relating to the Subject Properties.

11.3 POTENTIAL RELATED PARTY TRANSACTIONS

11.3.1 Management Fees

The Manager is a wholly-owned subsidiary of the Sponsor. Accordingly, the payment of the Management Fees by IOIPG REIT to the Manager will be a related party transaction.

11.3.2 Potential acquisitions

In the event of any acquisition pursuant to the exercise of the ROFR by the Trustee, on behalf of IOIPG REIT, the salient terms of which are set out in **Section 14.4** "Salient Terms on the ROFRs" of this Prospectus, the sale and purchase agreement for such proposed acquisition will be a related party transaction. Potential conflict of interest may arise between IOIPG REIT and the vendors of such assets during the negotiation on the terms of such sale and purchase agreements.

Please refer to **Section 11.4.3** "Manager's Policies on Related Party Transactions and Dealing with Conflict of Interest Situations" of this Prospectus on the Manager's policy on related party transactions including acquisition of properties from the IOIPG Group.

11.3.3 Services to be provided by the IOIPG Group to IOIPG REIT

The Trustee (on behalf of IOIPG REIT), the Manager and the Property Manager entered into the Property Management Agreement on 14 September 2026 for the appointment of the Property Manager to provide property management services to manage, operate and maintain all the properties (other than the Hotel Properties) acquired by the Trustee (as trustee for IOIPG REIT), including the Subject Properties, commencing from the completion date of the Acquisitions as contemplated under the SPAs, upon the terms and conditions of the Property Management Agreement. Please refer to **Section 9.6** "Salient Terms of the Property Management Agreement" of this Prospectus for further details.

In connection to this, the Property Manager had, on 14 September 2026, entered into a service provider agreement with IOIPG REIT Management Services Sdn Bhd, a wholly-owned subsidiary of the Sponsor, where the Property Manager appoints IOIPG REIT Management Services Sdn Bhd to provide (1) personnel with necessary qualifications, expertise, experience and internal working and operational knowledge of the properties; (2) the IT Solutions including such information technology software, system and solutions which are necessary to assist the Property Manager in providing and carrying out its services under the Property Management Agreement and payroll system, accounting software, leasing monitoring system and facility operations and management solution; and (3) such additional services to be mutually agreed upon by the Property Manager and IOIPG REIT Management Services Sdn Bhd from time to time, commencing from the commencement date of the Property Management Agreement. The personnel are site personnel and remain employees of IOIPG REIT Management Services Sdn Bhd and act under the supervision and direction of Property Manager, which remains responsible for the performance of the property management services under the Property Management Agreement. IOIPG REIT Management Services Sdn Bhd is not appointed as the property manager of IOIPG REIT and does not assume any of the obligations of the Property Manager under the Property Management Agreement. Pursuant to the Property Management Agreement, the Property Manager is entitled to recover all costs and expenses incurred in the maintenance and management of the Subject Properties on behalf of IOIPG REIT in accordance with the terms and conditions of the Property Management Agreement. Notwithstanding the above, the Trustee and/or the Manager can make payment directly to IOIPG REIT Management Services Sdn Bhd subject to the recommendation from the Property Manager.

The IOIPG Group may also be involved in providing services such as repair, maintenance and related construction services in relation to the Subject Properties. Accordingly, such services will be related party transactions.

11.4 POTENTIAL CONFLICT OF INTEREST

11.4.1 The Sponsor

The Sponsor and its subsidiaries are engaged in, and/or may engage in among others, investment in, and the development, management and operation of properties which may compete with the Subject Properties. Further, the Sponsor and its subsidiaries may also sponsor, manage or invest in other REITs or other SPVs which may compete directly with IOIPG REIT.

To demonstrate the Sponsor's support towards the growth of IOIPG REIT and to mitigate potential conflicts of interest, the Sponsor has granted IOIPG REIT the ROFR, which subject to certain terms, provides IOIPG REIT with the first right to acquire from the Sponsor any Real Estate Assets located in Malaysia used for retail, office, industrial and/or hospitality purposes and any Real Estate Asset which may in the future be identified and targeted for acquisition by the IOIPG Group, which meet the investment objectives and investment criteria of IOIPG REIT. Please refer to **Section 14.4** "Salient Terms on the ROFR" of this Prospectus for further details of the ROFR.

Dato' Lee, being the Non-Independent Executive Chairman of the Manager, sits on the board of directors of the Sponsor. As a result, the strategies and activities of IOIPG REIT may be influenced by the overall interest of the Sponsor. There can be no assurance that conflict of interest may not arise among IOIPG REIT, the Manager and the Sponsor in the future. However, the Board is able to demonstrate and uphold Board independence to manage, handle and mitigate such potential conflict of interest situation based on the following justifications:

(i) there are clear delineation of roles and responsibilities between the Executive Chairman and the CEO, where the positions will be held by different individuals. The Executive Chairman will be primarily responsible for providing visionary leadership and strategic oversight of the business plans and ensure that the business plans align with both IOIPG REIT's goals and the Sponsor's strategic direction. The Chief Executive Officer, however, will be primarily responsible for managing the overall daily operations of IOIPG REIT and implementing its strategies and business plans;

(ii) as the role of the Executive Chairman will not involve running the day-to-day operations of the Manager, his appointment is not expected to create a conflict and/or affect his contribution to the Sponsor and the Manager;

(iii) Dato' Lee will be able to discharge his duties effectively as Group Chief Executive Officer of IOIPG and Non-Independent Executive Chairman of the Manager as he is supported by a dedicated and separate/independent management teams for both IOIPG and the Manager, all of whom are experienced in their respective businesses and industries. Several management roles/position in the Sponsor previously held by the key management personnel of the Manager have been replaced by other existing personnel of the Sponsor;

(iv) a Senior Independent Director, being Dato' Ong Eng Bin, is appointed to provide independent oversight and counterbalance the roles of the respective members of the Board, considering that Dato' Lee holds a non-independent and executive chairman position in the Manager. The role of the Senior Independent Director includes acting as a sounding board for the Executive Chairman, acting as an intermediary for other Directors when necessary, acting as the point of contact for the Unitholders and other stakeholders when necessary or deemed appropriate and providing leadership support and advice to the Board in the event the Board is undergoing a period of stress. The appointment of a Senior Independent Director will further enhance the Manager's corporate governance;

(v) the Executive Chairman shall abstain and ensure that all the persons connected with him will abstain from deliberating and voting on matters and resolutions pertaining to related party transactions between the Sponsor and the Manager, as well as any matters which could create conflict of interest situation;

(vi) more than two-thirds of the Board comprises only Independent Non-Executive Directors, with Dato' Lee and Chris Chong being the Board members with executive capacity; and

(vii) Dato' Lee will not be part of the committees of the Board.

In addition, the Manager will conduct a Board effectiveness evaluation ("**BEE**") internally on a yearly basis to assess the performance of the Board, the committees of the Board and each of the individual Directors as to whether they have discharged their duties and responsibilities in line with their respective roles within the governance framework. The Manager will appoint an independent facilitator every 3 years to strengthen the independence and effectiveness of the BEE exercise.

As a listed company on the Main Market, the Sponsor has its separate guidelines and procedures in relation to related party transactions which would also include transactions with IOIPG REIT.

The Listing Requirements oblige the Sponsor to make prompt announcements for related party transactions and disclosures in its annual reports in relation to recurrent related party transactions.

In order to mitigate any potential conflict of interest, the IOIPG Group has established internal review and approving procedures to ensure that related party transactions are entered into on an arm's length basis which are not more favourable than those with third parties and are not detrimental to the interest of the minority shareholders of the Sponsor, which are summarised as follows:

(i) all related party transactions entered into or any award of contracts to/by the related parties shall only be offered/accepted by the IOIPG Group after obtaining the approval of the board of directors of IOIPG with prior review by the audit committee of IOIPG ("**IOIPG Audit Committee**"). Any interested Director must inform the board of directors of IOIPG, of the details of the nature and extent of his/her interest, including all matters in relation to the proposed related party transaction that he/she is aware or should reasonably be aware of, which could be perceived as having potential conflict of interest with IOIPG REIT and shall abstain from deliberation and voting in respect of such transaction(s).

(ii) any tender, quotation, award letters or contract proposed to be submitted to/entered into/executed with the related parties (including IOIPG REIT) shall be subject to the following policies and procedures:

   (a) the pricing for the contracts to be tendered by and/or services to be provided by the IOIPG Group to related parties is determined in accordance with the IOIPG Group's normal business practices and policies, consistent with the usual profit margin which would have been earned for the same or substantially similar type of transactions entered into by the IOIPG Group with third parties after adjusting for the then prevailing market conditions, the nature and complexity of the contract works and/or services required by the related parties; and

   (b) where applicable, practical and feasible, the terms and pricing for at least 2 other contemporaneous or comparable transactions with third parties for similar contract works, services and/or quantities will be used as comparison to determine whether the price and terms offered to the related parties are fair and reasonable and comparable to those offered to the third parties for the same or substantially similar type of contract works, services and/or quantities.

(iii) the IOIPG Audit Committee will undertake the following annual review (or as and when necessary):

   (a) to ascertain whether the established guidelines and procedures for the related party transactions have been complied with; and

   (b) to ascertain whether the established guidelines and procedures for the related party transactions have become inappropriate, and/or are unable to ensure that the transactions will be on normal commercial terms, and/or prejudice the interests of the minority shareholders generally.

(iv) the internal auditors of IOIPG will conduct reviews on the related party transactions to ensure that the review and approving procedures pertaining to the transactions are adhered to. Any divergence will be reported by the internal auditors to the IOIPG Audit Committee and the board of directors of IOIPG accordingly.

(v) should the IOIPG Audit Committee during its review form an opinion that the related party transactions are not being conducted in accordance with the established guidelines and procedures or are not being conducted on an arm's length basis or on normal commercial terms, or are detrimental to the interests of the minority shareholders, the board of directors of IOIPG will be advised to take the necessary actions to remedy the non-compliance, including to convene a general meeting of shareholders to seek shareholders' approval for the related party transactions, if deemed necessary.

(vi) in the case of recurrent related party transactions, all such transactions will be recorded in a register to be maintained by the company secretary of IOIPG. In the event where the actual value of the recurrent related party transactions exceeds the estimated value by 10% or more, such transactions and the reasons for such deviation will be immediately announced by IOIPG via Bursa Securities.

11.4.2 Undertaking provided by Dato' Lee

To address, resolve, mitigate and/or eliminate any actual or potential conflict of interest situation arising from Dato' Lee being (i) a director and major shareholder of the Sponsor; (ii) a director of the Manager; and (iii) an unitholder of IOIPG REIT, Dato' Lee has undertaken as follows that insofar as (i) he remains a major shareholder and/or director of IOIPG (through his direct and indirect equity interest) or any Connected Person (as defined below) remains/is a major shareholder of IOIPG; and/or (ii) he remains a major Unitholder (through his direct and indirect equity interest) and/or a director or controller of the Manager or any Connected Person (as defined below) remains/is a major Unitholder, or a director or controller of the Manager:

(i) In respect of the disposal of Relevant Private Assets

(a) In the event that Dato' Lee is desirous of disposing or making available for sale any Qualifying Private Assets held or to be acquired by Dato' Lee in his personal capacity or via any of his Controlled Vehicle(s) and such Qualifying Private Assets have a purchase consideration or market value which exceeds the TAV Threshold, then Dato' Lee shall notify both IOIPG and IOIPG REIT of such disposal and sale of such Qualifying Private Assets.

Dato' Lee has undertaken that he shall grant a right of first refusal to both IOIPG and IOIPG REIT to purchase the Relevant Private Assets at a minimum sale price to be stipulated by Dato' Lee prior to offering to sell the Relevant Private Assets to any other third party.

In the event that both IOIPG and IOIPG REIT are desirous of purchasing the Relevant Private Assets, the party who offers the highest purchase price and most favourable terms of purchase (subject to the purchase price offered being no less than the Minimum Sale Price) shall be entitled to purchase the Relevant Private Assets. If however, neither IOIPG nor IOIPG REIT elects to purchase the Relevant Private Assets at a purchase consideration equal to or greater than the Minimum Sale Price, Dato' Lee shall then be entitled to dispose the Relevant Private Assets to any third party at a purchase consideration no less than the Minimum Sale Price.

(b) Dato' Lee has also undertaken that in the event that he receives a Third Party Offer, he will prior to accepting or otherwise acting to proceed with disposal of the Relevant Private Assets, notify both IOIPG and IOIPG REIT of his intention of accepting such Third Party Offer and shall grant a right of first refusal to both IOIPG and IOIPG REIT to purchase the Relevant Private Assets at the price offered by the Third Party Offeror. IOIPG and IOIPG REIT shall be entitled, but not obliged, to elect to match the Third Party Offer and to purchase the Relevant Private Assets on the same price and terms as the Third Party Offer. In the event that both IOIPG and IOIPG REIT are desirous of purchasing the Relevant Private Assets, both IOIPG and IOIPG REIT shall be given the opportunity to evaluate the purchase of such Relevant Private Assets concurrently and the party who offers the highest purchase price and most favourable terms of purchase (subject to the purchase price and terms offered being no less than the Third Party Offer) shall be entitled to purchase the Relevant Private Assets. If neither IOIPG REIT nor IOIPG elects to purchase the Relevant Private Assets, Dato' Lee shall be entitled to accept the Third Party Offer and to dispose the Relevant Private Assets to the relevant Third Party Offeror or any other third party on terms no less favourable than those of the Third Party Offer.

(ii) In respect of the acquisition of Third Party Qualifying Assets (as defined below)

In the event Dato' Lee is presented with an offer, or otherwise wishes to pursue an opportunity, to purchase Third Party Qualifying Assets, Dato' Lee undertakes that he shall present such opportunity concurrently to both IOIPG and IOIPG REIT for evaluation by IOIPG and IOIPG REIT prior to undertaking the purchase of such Third Party Qualifying Assets. In the event that either or both of IOIPG and IOIPG REIT is/are desirous of purchasing the Third Party Qualifying Assets, Dato' Lee shall not pursue the purchase of such Third Party Qualifying Assets. If however, neither IOIPG nor IOIPG REIT elects to purchase the Third Party Qualifying Assets, Dato' Lee shall be entitled to proceed to acquire the Third Party Qualifying Assets in his personal capacity upon such terms deemed fit, subject always to his compliance with applicable law, including but not limited to the Act and applicable listing rules/requirements.

For the purposes of computing the TAV Threshold of the Qualifying Private Assets and/or the Third Party Qualifying Assets, separate transactions may be aggregated and treated as if they were one transaction if the terms of such transactions were agreed upon within a period of 12 months. This shall include, but not be limited to, (a) transactions entered into with the same party or with parties connected with one another; or (b) transactions involving the acquisition or disposal of securities or interests by any Controlled Vehicle(s) in any 12-month period; or (c) transactions involving the acquisition or disposal of various parcels of Real Estate Assets contiguous to each other.

Furthermore, in order to ensure impartiality and to mitigate any conflict of interest, Dato' Lee has undertaken to refrain from making any recommendations or participating in any negotiations or evaluation in respect of the matters referred to above and to abstain from any deliberation and voting on any resolution in relation to such matters at the respective board of directors' meetings of IRMSB and/or IOIPG, and, if required by applicable law (including the Act and applicable listing rules/requirements), any Unitholder/shareholder general meetings of IOIPG REIT and/or IOIPG, and procure and ensure that any Connected Person will similarly abstain from deliberation and voting.

11.4.3 Manager's policies on related party transactions and dealing with conflict of interest situations

Upon Listing, IOIPG REIT will be subject to the REIT Guidelines and/or the Listing Requirements (where applicable) on related party transactions. Compliance of IOIPG REIT with the Listing Requirements and the REIT Guidelines will ensure that related party transactions will not prejudice the interests of the Unitholders as a whole.

The Listing Requirements provide, among others, where the percentage ratio of a related party transaction is 5.0% or more and the value of the consideration of the transaction is RM500,000.00 or more, an independent adviser who is permitted to carry on the regulated activity of advising on corporate finance under the CMSA must be appointed before the terms of the transaction are agreed upon and approval of the Unitholders in a general meeting must be obtained for the transaction. In addition, the REIT Guidelines also provides that related parties of the Manager should not vote or be counted as quorum at a meeting if they have interest in the outcome of a transaction tabled for approval, which is different from the interests of other Unitholders.

The Listing Requirements oblige the Manager to make prompt announcements and disclosures in IOIPG REIT's annual reports in relation to recurrent related party transactions. These transactions would include transactions between IOIPG REIT, the Sponsor and its subsidiaries in which case the Sponsor would be an interested party and its nominee director would be considered as interested director.

In order to mitigate any potential conflict of interest, the Manager has also instituted the following procedures:

(i) the Manager will not manage any other REIT which invests principally in the same type of properties as IOIPG REIT.

(ii) in respect of matters or transactions which a Director or a person connected to him or her has an interest (directly or indirectly), such Director shall not participate in any proceedings of the Board and shall abstain from voting in respect of such matter or transaction.

(iii) the majority of the Board comprise independent directors and the Audit Committee also comprise solely of independent directors, in line with the recommendation of the MCCG.

(iv) the Directors of the Manager owe fiduciary duties to the Manager and as such, the Directors will act in the best interest of the Unitholders and in the event of conflict between the Unitholders' interests and the Manager's interests, to give priority to the Unitholders' interests.

(v) any related party transaction, dealing, investment and appointments carried out on behalf of IOIPG REIT should be executed on terms which are the best available for IOIPG REIT and which are no less favourable to IOIPG REIT than arm's length transactions between independent parties. In addition, any event or transaction in which a conflict of interest arises or could arise should be adequately disclosed in this Prospectus and annual reports of IOIPG REIT.

11. CORPORATE GOVERNANCE, RELATED PARTY TRANSACTIONS AND CONFLICT OF INTEREST *(Cont'd)*

In order to mitigate any potential conflict of interest, the Manager has established internal review and approving procedures to ensure that related party transactions are entered into on an arm's length basis which are not more favourable than those with third parties and are not detrimental to the interest of the minority Unitholders, which are summarised as follows:

(i) all related party transactions (either individually or as part of a series of if aggregated with other transactions involving the same related party during the same financial year) with value equal to or exceeding RM500,000.00 are subject to review by the Audit Committee and prior to approval by the Board.

(ii) any interested Director must inform the Board of the details of the nature and extent of his/her interest, including all matters in relation to the proposed related party transaction that he/she is aware or should reasonably be aware of, which is not in the best interest of IOIPG REIT and shall abstain from deliberation and voting in respect of such transaction(s).

(iii) any tender, quotation, award letter or contract proposed to be submitted to/entered into/executed with the related parties shall be subject to the following policies and procedures:

  (a) the pricing for the contracts to be tendered by and/or services to be provided by IOIPG REIT to the related parties is determined in accordance with the IOIPG REIT's normal business practices and policies, consistent with the usual profit margin which would have been earned for the same or substantially similar type of transactions entered into by IOIPG REIT with third parties after adjusting for the then prevailing market conditions, the nature and complexity of the contract works and/or services required by the related parties; and

  (b) where applicable, practical and feasible, the terms and pricing for at least 2 other contemporaneous or comparable transactions with third parties for similar contract works, services and/or quantities will be used as comparison to determine whether the price and terms offered to the related parties are fair and reasonable and comparable to those offered to the third parties for the same or substantially similar type of contract works, services and/or quantities.

(iv) for the award of contracts/tenders for related services investment in and/or the development, management and operation of properties, the Manager shall prepare an internal budget which will be validated by a third party cost consultant/quantity surveyor to form the basis for comparison with tenders received and ensure that the contracts/tenders will be undertaken on normal commercial terms. The projects will be evaluated based on pricing as well as technical and financial capabilities of the tenderers. The project budgeting, tendering, evaluation and selection of tenderer will be reviewed and approved in accordance with discretionary authority limits policy adopted by the Manager.

(v) any rental or lease of properties / retail spaces to related parties will be at the prevailing market rate for the same or substantially similar type of properties and shall be on normal commercial terms. Where applicable, the Manager may consult with relevant third party independent consultants such as property valuers in order to determine the market norm for rental of properties/retail spaces.

(vi) the prior written consent of the Trustee will be required for proposals which involves:

  (a) the acquisition of any investments in which the Manager or any employee of the Manager has a financial interest or from which the Manager or any employee of the Manager derives a benefit; or

  (b) the acquisition of Real Estate Assets from, or disposal of Real Estate Assets to a related corporation or associated person of the Manager.

(vii) adherence to the Listing Requirements for related party transactions which may involve immediate announcement of related party transactions and/or requirement to seek the Unitholders' prior approval and provision of independent advice, depending on the materiality threshold.

(viii) the interested director and/or major Unitholder and/or persons connected with them must not vote in respect of their direct and indirect interest at the general meeting on the resolution pertaining to any related party transaction.

(ix) the Audit Committee will undertake the following annual review (or as and when necessary):

(a) to ascertain whether the established guidelines and procedures for the related party transactions have been complied with;

(b) to ascertain whether the established guidelines and procedures for the related party transactions have become inappropriate, and/or are unable to ensure that the transactions will be on normal commercial terms, and/or prejudice the interests of minority Unitholders/shareholders generally;

(c) to review the outsourced internal audit function's performance, adequacy and effectiveness, given the internal audit function is outsourced to the internal audit division of the Sponsor;

(d) to review and approve the internal audit charter to ensure that it adheres to the Global Internal Audit Standards issued by the Institute of Internal Auditors; and

(e) to review any related party transaction and conflict of interest situations that arose, persist or may arise including any transaction, procedure or course of conduct that raises questions of management integrity and the measures taken to resolve, eliminate or mitigate such conflicts.

(x) the internal audit function will review the internal controls of the Manager, including the internal controls governing conflicts of interest and related party transactions, to determine whether such internal controls are adequate and effective.

(xi) should the Audit Committee during its review form an opinion that the related party transactions are not being conducted in accordance with the established guidelines and procedures or are not being conducted on an arm's length basis or on normal commercial terms, or are detrimental to the interests of Unitholders/shareholders, the Board will be advised to take the necessary actions to remedy the non-compliance, including to convene a general meeting of the Unitholders to seek the minority Unitholders' approval for the related party transactions, if deemed necessary.

(xii) in the case of recurrent related party transactions, all such transactions will be recorded in a register to be maintained by the company secretary of the Manager. In the event where the actual value of the recurrent related party transactions exceeds the estimated value by 10.0% or more, such transactions and the reasons for such deviation will be immediately announced by the Manager via Bursa Securities.

The Manager has appointed BDO Governance Advisory Sdn Bhd, an independent professional services firm, to support the Board, the Audit Committee and the Risk and Sustainability Committee in discharging their oversight responsibilities by providing an independent assessment of the adequacy and effectiveness of the Manager's systems of risk management and internal control.

In line with sound corporate governance practices, the Audit Committee will, after the Listing, shall conduct a periodic and structured assessment of the suitability, objectivity, and independence of the internal audit function, including a review of its performance, scope of work, and remuneration, to ensure that it remains free from any conflict of interest and is adequately resourced to carry out its responsibilities effectively.

11.4.4 Executive Chairman

The Executive Chairman who also serves as the Group CEO of the Sponsor provides operational and strategic synergies between the Manager and the Sponsor, a listed issuer on the Main Market.

Dato' Lee as the Executive Chairman will primarily be responsible for leading the Board and providing visionary leadership and strategic oversight to guide the Manager's business plans and long-term objectives of IOIPG REIT, while ensuring that the objectives and IOIPG REIT's obligations to the Unitholders are met. Dato' Lee's experience and understanding of the property sector together with his in-depth knowledge of the initial asset portfolio of IOIPG REIT and its tenants, as well as the fact that the Manager and the Sponsor operate in similar business sectors will allow Dato' Lee to oversee both entities efficiently without undue duplication of effort.

Further, Dato' Lee's role as the Executive Chairman will not include running the day-to-day operations of the Manager. The Senior Independent Director, being Dato' Ong Eng Bin is appointed to act as the sounding board member for the Executive Chairman, an intermediary for other directors, when necessary, the point of contact for the Unitholders and other stakeholders when necessary or deemed appropriate and providing leadership support and advice to the Board in the event the Board is undergoing a period of stress. The day-to-day operations of the Manager will be handled by Chris Chong, being the Executive Director and CEO.

The factors above make Dato' Lee the ideal person for the role of the Executive Chairman who provides leadership to facilitate the Board's discussions while also having an executive role on the Board, the scope of which is set out in **Section 6.4.3** "Role of the Board" of the Prospectus.

11.4.5 Dealing in Securities

Pursuant to the internal practice of the Manager, the Directors, key management personnels and employees of the Manager who are in possession of price-sensitive information are prohibited from dealing in the Units.

The Directors, key management personnels and employees of the Manager are prohibited from directly or indirectly communicating any price-sensitive information to another person if he or she knows, or ought to reasonably know, that the other person would trade in the listed shares or the Units. This also applies to agents, referred to as anyone who trades on the behalf of the Directors, key management personnels and all employees of the Manager.

The Directors, key management personnels and employees of the Manager are required to submit an annual declaration to disclose their interest in the Units, as well as any related party transactions entered into, as at the year end. During the year, a declaration of specific transactions should be submitted within 2 business days after completing the trade or transaction.

All declarations shall be submitted to Head of Legal and Compliance and the company secretary of the Manager for compilation. The Head of Legal and Compliance and the company secretary of the Manager will refer the declarations to the appropriate governance party for review. All declarations shall be kept in a register by the Head of Legal and Compliance and the company secretary of the Manager.

11.5 INTERESTS OF DIRECTORS AND OTHER SUBSTANTIAL SHAREHOLDERS OF THE MANAGER IN OTHER CORPORATIONS CARRYING ON SIMILAR BUSINESS

As at the LPD, none of the Directors and substantial shareholders of the Manager hold any interests in other corporations or collective investment schemes carrying on similar businesses. For the purpose of this **Section 11.5**, "similar business" means the management of a REIT with an investment policy of investing in Real Estate used primarily for retail, commercial, office, industrial and hospitality purposes in Malaysia and overseas.

11.6 OTHER PERTINENT INFORMATION

The Manager will comply with all requirements as laid out in the REIT Guidelines on related party transactions including provisions contained in the Deed.

The Manager has established procedures that will ensure that such transactions are undertaken in full compliance to the REIT Guidelines and are carried out at arm's length, based on normal commercial terms and in the best interest of the Unitholders.

The Manager would have to demonstrate to the Audit Committee that transactions (whether purchase of services or properties) would be taken on normal commercial terms, which may include in the case of the purchase of services, the obtaining of quotations from parties unrelated to the Manager, or in the case of purchase of properties, the obtaining of valuation from an independent valuer.

The Trustee shall ensure that related party transactions are at arm's length, based on normal commercial terms and not prejudicial to the interest of the Unitholders. Furthermore, the Trustee has the ultimate discretion under the Deed to decide whether or not to enter into a transaction involving a related party of the Manager. If the Trustee is to sign any contract with a related party of the Manager, the Trustee will review the contract documentation to ensure it complies with the requirements and provisions relating to related party transactions contained in the REIT Guidelines and the Deed.

11.7 DECLARATIONS BY ADVISERS

11.7.1 Declaration by Maybank IB

Maybank IB, being (i) the Joint Principal Adviser to IRMSB for the REIT Establishment, the Acquisitions, the Offering and the Listing (collectively, "**Transactions**"); (ii) the Joint Global Coordinator, Joint Bookrunner, the Joint Managing Underwriter and Joint Underwriter for the Offering; and (iii) the joint principal adviser, joint lead arranger and joint lead manager for the Sukuk Programme, and its related and associated companies (collectively, "**Maybank Group**") is a diversified financial group and are engaged in a wide range of investment and commercial banking, brokerage, securities trading, assets and fund management and credit transaction services businesses.

In conjunction with the Transactions, Maybank IB also acts as the Joint Principal Adviser to IOIPG for the REIT Establishment, the disposals of the Subject Properties to the Trustee (on behalf of IOIPG REIT), the Offering and Listing.

The Maybank Group has engaged and may in the future, engage in transactions with and perform services for the IOIPG Group, IOIPG REIT, IRMSB, IOIPG REIT Capital Sdn Bhd ("**IRCSB**") and/or any of its affiliates. In addition, in the ordinary course of its business, any member of the Maybank Group may at any time offer or provide its services to or engage in any transaction (on its own account or otherwise) with the IOIPG Group and shareholders, IOIPG REIT and its Unitholders, IRMSB, IRCSB and/or its affiliates and/or any other entity or person, hold long or short positions in securities issued by the IOIPG Group, IOIPG REIT, IRMSB and/or any of its affiliates, and may trade or otherwise effect transactions for its own account or the account of its customers in debt or equity securities or senior loans. This is a result of the businesses of the Maybank Group generally acting independent of each other and accordingly, there may be situations where parts of the Maybank Group and/or its customers now have or in the future, may have interests or take actions that may conflict with the interests of IOIPG REIT. Nonetheless, the Maybank Group is required to comply with applicable laws and regulations issued by the relevant authorities governing its advisory business which require, among others, segregation between dealing and advisory activities and a Chinese wall between different business divisions.

As at the LPD, the Maybank Group has, in its ordinary course of business, extended credit facilities amounting to approximately RM7.15 billion to the IOIPG Group, of which RM4.91 billion is outstanding. However, the IOIPG Group intends to use approximately RM435.0 million of the proceeds from the Offering to fully repay the IOIPG Group's credit facilities extended by the Maybank Group for the acquisition of W Kuala Lumpur and Courtyard by Marriott Penang. The IOIPG Group also intends to use part of the proceeds to partly repay its other credit facilities, including those extended by the Maybank Group amounting to approximately RM995.6 million.

While the outstanding amount owing by the IOIPG Group to the Maybank Group of RM4.91 billion only represents 5.3% of the audited consolidated net assets attributable to equity holders of Malayan Banking Berhad ("**Maybank**") as at 31 December 2025 of approximately RM93.44 billion, the repayment of the credit facilities extended by the Maybank Group using the proceeds from the Offering has given rise to a conflict of interest situation for Maybank IB in its capacity as Joint Principal Adviser to IRMSB for the Transactions; (ii) the Joint Global Coordinator, Joint Bookrunner, Joint Managing Underwriter and Joint Underwriter for the Offering; and (iii) joint principal adviser, joint lead arranger and joint lead manager for the Sukuk Programme. Notwithstanding, Maybank IB is of the view that the conflict of interest situation has been resolved with the appointment of AmInvestment Bank as Joint Principal Adviser to IRMSB for the Transactions; (ii) the Joint Global Coordinator, Joint Bookrunner, Joint Managing Underwriter and Joint Underwriter for the Offering; and (iii) joint principal adviser, joint lead arranger and joint lead manager for the Sukuk Programme.

In addition, Shirley Goh who is the independent non-executive director of IOIPG is also an independent non-executive director of certain companies within the Maybank Group, namely Maybank, Maybank Asset Management Group Berhad, Maybank Asset Management Sdn Bhd, Maybank (Cambodia) Plc and Maybank Trustees Berhad. Notwithstanding, Maybank IB is of the view that her directorships do not give rise to a conflict of interest situation in its capacity as Joint Principal Adviser to IRMSB for the Transactions as she is not involved in the day-to-day management and operations of the IOIPG Group, IRMSB and the Maybank Group.

11.7.2 Declaration by AmInvestment Bank

AmInvestment Bank is a wholly-owned subsidiary of AMMB Holdings Berhad ("**AMMB**"). AMMB and its group of companies (collectively, "**AmBank Group**") form a diversified financial group and are engaged in a wide range of businesses relating to among others, investment banking, commercial banking, private banking, brokerage, securities trading, asset and funds management as well as credit transaction services. The AmBank Group's securities business is primarily in the areas of securities underwriting, trading and brokerage activities, foreign exchange, commodities and derivatives trade.

The AmBank Group has engaged, and may in the future engage, in transactions with and/or perform services for the IOIPG Group, IRMSB, IOIPG REIT, IRCSB and/or any of their affiliates. In addition, in the ordinary course of its business, any member of the AmBank Group may at any time extend services to or engage in any transaction (on its own account or otherwise) with the IOIPG Group and its shareholders, IRMSB, IOIPG REIT and the Unitholders, IRCSB, their affiliates and/or any other entity or person, hold long or short positions in securities issued by IOIPG, IOIPG REIT, IRMSB, IRCSB and/or any of their affiliates, make investment recommendations and/or publish or express independent research views on such securities, and may trade or otherwise effect transactions for its own account or the account of its clients, in debt or equity securities or senior loans. This is a result of the businesses of the AmBank Group generally acting independent of each other and accordingly, there may be situations where parts of the AmBank Group and/or its existing or future clients, may have interests or take actions that may conflict with the interest of the IOIPG Group, IRMSB, IOIPG REIT and IRCSB.

As at the LPD, the AmBank Group has, in its ordinary course of business, extended credit facilities with an aggregate credit limit of RM1.85 billion to the IOIPG Group, of which RM52.97 million has been drawn down and remains outstanding.

For information purposes, AmInvestment Bank has been appointed as (i) the Joint Principal Adviser to IRMSB for the Transactions; (ii) the Joint Global Coordinator, Joint Bookrunner, the Joint Managing Underwriter and Joint Underwriter for the Offering; (iii) the Joint Principal Adviser to IOIPG for the REIT Establishment, the disposals of the Subject Properties to the Trustee (on behalf of IOIPG REIT), the Offering and the Listing; and (iv) the joint principal adviser, joint lead arranger and joint lead manager for the Sukuk Programme.

Notwithstanding the above, AmInvestment Bank confirms that there is no conflict of interest situation that exists or is likely to exist in its roles as described above premised on the following:

(i) the credit facilities were provided by the AmBank Group in its ordinary course of business, and the total outstanding amount owed by the IOIPG Group from such credit facilities provided is not material when compared to the total audited consolidated loans, advances and financing of the AmBank Group as at 31 March 2026 of approximately RM145.09 billion;

(ii) the AmBank Group forms a diversified financial group and is engaged in a wide range of transactions as highlighted above. In addition, AmInvestment Bank is a licensed investment bank and its appointment in the respective roles as described above is in the ordinary course of its business;

(iii) the credit facilities granted to the IOIPG Group were not determined in contemplation of and are not conditional upon AmInvestment Bank being appointed as (a) the Joint Principal Adviser to IRMSB for the Transactions; (b) the Joint Global Coordinator, the Joint Bookrunner, the Joint Managing Underwriter and Joint Underwriter for the Offering; (c) the Joint Principal Adviser to IOIPG for the REIT Establishment, the disposals of the Subject Properties to the Trustee (on behalf of IOIPG REIT), the Offering and the Listing; and (d) the joint principal adviser, joint lead arranger and joint lead manager for the Sukuk Programme; and

(iv) each of the entities and departments of the AmBank Group are also subject to internal controls and checks, which regulate the sharing of information between the entities and departments. Additionally, each department and entities within the AmBank Group has separate and distinct operations and decisions are made independent of each other. In addition, the conduct of AmInvestment Bank is regulated by BNM.

11.7.3 Declaration by DBS Bank Ltd

DBS and its holding company DBS Group Holdings Ltd ("**DBSH**") together with DBSH's other subsidiaries, whether located in Singapore or elsewhere (collectively, the "**DBS Group**") are involved in a wide range of commercial banking, investment banking and other activities (including but not limited to wealth management, brokerage and securities trading and research). The DBS Group may in the future, engage in transactions with and perform services for the IOIPG Group, IOIPG REIT, the Manager and/or any of their affiliates in addition to the role set out in this Prospectus.

In particular, any member of the DBS Group may at any time, in the ordinary course of business, offer or provide its services to or engage in any transaction (on its own account or otherwise) with any member of the IOIPG Group, IOIPG REIT, the Manager and/or any of their affiliates, hold long or short positions in securities issued by any member of the IOIPG Group, IOIPG REIT, the Manager and/or any of their affiliates, make investment recommendations and/or publish or express independent research views on such securities, and may trade or otherwise effect transactions for the account of any member of the IOIPG Group, IOIPG REIT, the Manager and/or any of their affiliates or the account of its customers in debt or equity securities or senior loans of any member of the IOIPG Group, IOIPG REIT, the Manager and/or any of their affiliates. This is a result of the different teams or business units within the same entity or different entities within the DBS Group generally acting independently of each other, and accordingly, there may be situations where companies and business units of the DBS Group may possess information which could be relevant to DBS' engagement as the Joint Global Coordinator and Joint Bookrunner for the Offering, of which the Equity Capital Markets Singapore department in DBS may be unaware due to "Chinese Walls" within the DBS Group. The related companies of the DBS Group may also subscribe for the Offer Units to be offered under the Institutional Offering following the bookbuilding process.

As at the LPD, DBS Group has, in its ordinary course of business, extended credit facilities (including subscription of bonds) to the IOIPG Group amounting to approximately RM9.8 billion, of which approximately RM9.0 billion is outstanding.

Notwithstanding the above, DBS is of the view that the above do not give rise to any conflict of interest situation in its capacity as the Joint Global Coordinator and Joint Bookrunner for the Offering, due to the following reasons:

(i) the extension of credit facilities arose in the ordinary course of business of the DBS Group;

(ii) the credit facilities granted to the IOIPG Group are on an arm's length basis and on normal commercial terms, and were not conditional upon DBS being appointed as the Joint Global Coordinator and Joint Bookrunner for the Offering;

(iii) the conduct of the DBS Group's business is strictly regulated by the relevant banking and securities laws and regulations and the DBS Group's own internal controls and checks; and

(iv) the total outstanding amount owed by the IOIPG Group to the DBS Group from such credit facilities is not material when compared to the audited total net assets attributable to equity holders of the DBS Group as at 31 December 2025 of approximately SGD68.9 billion, equivalent to approximately RM217.6 billion translated based on the exchange rate of RM3.1572:SGD1.00, being the middle rate prevailing at 5.00 p.m. on 31 December 2025, as published by BNM.

Accordingly, DBS confirms that as at the LPD, there is no conflict of interest situation in its capacity as the Joint Global Coordinator and Joint Bookrunner for the Offering.

11.7.4 Declaration by Mah-Kamariyah & Philip Koh

Mah-Kamariyah & Philip Koh acted as (i) the legal adviser to the Manager as to Malaysian law in relation to the REIT Establishment and the Listing; and (ii) the legal counsels to the Sponsor in connection with the issuance of a circular to shareholders of the Sponsor seeking their approval for the disposals of the Subject Properties to the Trustee (on behalf of IOIPG REIT), the REIT Establishment, the Offering and the Listing ("**Circular to Shareholders**").

Mah-Kamariyah & Philip Koh confirms that as at the LPD, it is not aware of any circumstances which would or is likely to exist which would give rise to a possible conflict of interest in its capacity as (i) the legal advisers to the Manager as to Malaysian law in relation to the REIT Establishment and the Listing; and (ii) the legal counsels to the Sponsor in connection with the issuance of the Circular to Shareholders.

11.7.5 Declaration by Allen & Gledhill LLP

Allen & Gledhill LLP acted as the international legal adviser to the Manager in relation to the Listing.

Allen & Gledhill LLP confirms that as at the LPD, it is not aware of any circumstances which would or is likely to exist which would give rise to a possible conflict of interest in its capacity as the international legal adviser to the Manager in relation to the Listing.

11.7.6 Declaration by Christopher & Lee Ong

Christopher & Lee Ong acted as the legal adviser to the Joint Global Coordinators, Joint Bookrunners, Joint Managing Underwriters and Joint Underwriters as to Malaysian law in relation to the Listing.

Christopher & Lee Ong confirms that as at the LPD, it is not aware of any circumstances which would or is likely to exist which would give rise to a possible conflict of interest in its capacity as the legal adviser to the Joint Global Coordinators, Joint Bookrunners, Joint Managing Underwriters and Joint Underwriters as to Malaysian law in relation to the Listing.

11.7.7 Declaration by Clifford Chance Pte Ltd

Clifford Chance Pte Ltd acted as the legal adviser to the Joint Global Coordinators and Joint Bookrunners as to United States federal securities law in relation to the Listing.

Clifford Chance Pte Ltd confirms that as at the LPD, it is not aware of any circumstances which would or is likely to exist which would give rise to a possible conflict of interest in its capacity as the legal adviser to the Joint Global Coordinators and Joint Bookrunners as to United States federal securities law in relation to the Listing.

11.7.8 Declaration by CIMB Investment Bank Berhad

CIMB Investment Bank Berhad ("**CIMB IB**"), being the Joint Bookrunner and Joint Underwriter for the Offering, as well as its holding company, CIMB Group Holdings Berhad, and the subsidiaries, affiliated, related and associated companies of its holding company ("**CIMB Group**") form a diversified financial group and are engaged in a wide range of businesses relating to amongst others, retail banking, investment banking, commercial banking, brokerage, securities trading, assets and funds management and credit transaction services business. CIMB Group has engaged and may in the future, engage in transactions with and perform services for the IOIPG Group, IOIPG REIT, the Manager and/or any of their affiliates, in addition to the roles set out in the Prospectus.

In addition, in the ordinary course of business, any member of the CIMB Group may at any time offer or provide its services to or engage in any transactions (on its own account or otherwise) with the IOIPG Group, IOIPG REIT, the Manager and/or any of their affiliates, hold long or short positions in securities issued by the IOIPG Group, IOIPG REIT, the Manager and/or any of their affiliates, make investment recommendations and/or publish or express independent research views on such securities, and may trade or otherwise effect transactions for its own account or the account of its other clients in debt or equity securities or senior loans of any member of the IOIPG Group, IOIPG REIT, the Manager and/or any of their affiliates. This is a result of the businesses of the CIMB Group generally acting independent of each other, and accordingly, there may be situations where parts of the CIMB Group and/or its clients now have or in the future, may have interest or take actions that may conflict with the interest of the CIMB Group.

As at the LPD, the CIMB Group has extended credit facilities to the IOIPG Group amounting to approximately SGD498.0 million (or approximately RM1,586.1 million), of which SGD497.1 million (or approximately RM1,583.3 million) is outstanding.

The total aggregate outstanding amount owed by the IOIPG Group to the CIMB Group as at the LPD is not material when compared to the audited net assets of the CIMB Group as at 31 December 2025 of approximately RM70.4 billion.

In addition, Ms. Chen Wee Keng, an independent and non-executive director of the Manager, is also an independent and non-executive director of CIMB IB.

Notwithstanding the above, CIMB IB is of the view that there is no conflict of interest in respect of its capacity as the Joint Bookrunner and Joint Underwriter for the Offering due to the following:

(i) these credit facilities were extended on an arm's length basis and in the ordinary course of business of the CIMB Group;

(ii) Ms. Chen Wee Keng's capacities as director of both the Manager and CIMB IB are independent and non-executive, and she is not involved in the day-to-day management and operations of the Manager and CIMB IB;

(iii) CIMB IB is a licensed investment bank and its appointment as the Joint Bookrunner and Joint Underwriter for the Offering is in the ordinary course of its business and CIMB IB does not receive or derive any financial interest or benefits, save for the professional fees received in relation to the aforementioned appointment for the Offering;

(iv) the conduct of the CIMB Group in its banking business is strictly regulated by, among others, the Financial Services Act 2013, Islamic Financial Services Act 2013, the CMSA and the CIMB Group's own internal controls and checks; and

(v) CIMB IB is required under its investment banking license to comply with applicable laws, regulations and guidelines issued by the relevant authorities governing its business, which require, among others, clear segregation between dealing and advisory activities, implementation of the "Chinese Wall" policies between different business divisions and the formation of an independent committee to review its business operations.

CIMB IB confirms that there is no conflict of interest situation in its capacity as the Joint Bookrunner and Joint Underwriter for the Offering.

11.7.9 Declaration by Hong Leong Investment Bank Berhad

Hong Leong Investment Bank Berhad ("**HLIB**") has been appointed as the Joint Bookrunner and Joint Underwriter for the Offering.

HLIB and its subsidiaries and associated companies as well as their holding company, namely Hong Leong Financial Group Berhad, and the subsidiaries and associated companies (collectively, the "**Hong Leong Group**") form a diversified financial group and are engaged in a wide range of industries and businesses, including investment and commercial banking, brokerage, securities trading, assets and funds management, credit transaction services, manufacturing and distribution, and property development.

The Hong Leong Group may in the future, engage in transactions with and perform services for the IOIPG Group, IOIPG REIT, the Manager and/or any of its affiliates. In addition, in the ordinary course of business, any member of the Hong Leong Group may at any time offer or provide its services to or engage in any transaction (on its own account or otherwise) with IOIPG REIT, hold long or short positions in securities issued by IOIPG Group, IOIPG REIT, the Manager and/or any of its affiliates, make investment recommendations and/or publish or express independent research views on such securities, and may trade or otherwise effect transactions for its own account or the account of its customers in debt or equity securities or senior loans. This is a result of the businesses of the Hong Leong Group generally acting independent of each other and accordingly, there may be situations where parts of the Hong Leong Group and/or its existing or future clients, may have interests or take actions that may conflict with the interest of IOIPG REIT.

HLIB confirms that as at the LPD, it is not aware of any other circumstances that exists or is likely to exist to give rise to a possible conflict of interest situation in HLIB's capacity as the Joint Bookrunner and Joint Underwriter for the Offering.

11.7.10 Declaration by RHB Investment Bank Berhad

RHB Investment Bank Berhad ("**RHB Investment Bank**"), its subsidiaries and associated companies, as well as its holding company, RHB Bank Berhad, and the subsidiaries and associated companies of RHB Bank Berhad (collectively, the "**RHB Banking Group**") form a diversified financial group and may extend credit facilities or engage in private banking, commercial banking and investment banking transactions including, amongst others, brokerage, securities trading, asset and fund management and credit transaction service businesses in its ordinary course of business with the IOIPG Group, IOIPG REIT, IRMSB and/or any of its affiliates. The RHB Banking Group has engaged and may in the future, engage in transactions with and perform services for the IOIPG Group, IOIPG REIT, the IRMSB and/or any of its affiliates in addition to the roles set out in the Prospectus.

In addition, any member of the RHB Banking Group may at any time, in the ordinary course of business, offer to provide its services or to engage in any transaction (on its own account or otherwise) with IOIPG REIT, its Directors, its unitholders, its affiliates and/ or any other entity or person, hold long or short positions in securities issued by IOIPG, IOIPG REIT, IRMSB and/or any of its affiliates, make investment recommendations and/or publish or express independent research views on such securities, and may trade or otherwise effect transactions for its own account or the account of its customers in debt or equity securities or senior loans of any member of IOIPG REIT and/ or its affiliates.

This is a result of the businesses of the RHB Banking Group generally acting independently of each other and accordingly there may be situations where parts of the RHB Banking Group and/or its customers now have or in the future, may have interest or take actions that may conflict with the interests of IOIPG REIT. The related companies of the RHB Banking Group may also subscribe for the Offer Units to be offered under the Institutional Offering following the bookbuilding process.

Further, Lee Tuck Heng, an Independent Non-Executive Director of IRMSB, also serves as an Independent Non-Executive Director of Boost Bank Berhad, a digital bank in which RHB Bank Berhad holds a 40% equity interest. Boost Bank Berhad is not involved in the Offering and Lee Tuck Heng is not involved in the decision-making process of RHB Investment Bank in relation to the Offering.

As at the LPD, while the RHB Banking Group in its ordinary course of business, extended credit facilities to the IOIPG Group with a combined limit of approximately RM2.6 billion ("**RHB Facilities**"). The IOIPG Group will not be utilising any proceeds raised from the Offering to repay the RHB Facilities.

Notwithstanding the above, RHB Investment Bank is of the view that the abovementioned does not give rise to a conflict of interest situation in its capacity as the Joint Bookrunner for the Offering due to the following reasons:

(i) the RHB Facilities were provided by the RHB Banking Group on an arms' length basis and are in the ordinary course of business, and the RHB Facilities are not material when compared to the consolidated audited net assets attributable to the owners of RHB Bank Berhad as at 31 December 2025 of approximately RM34.1 billion (representing approximately 7.7% of RHB Bank Berhad's consolidated audited net assets attributable to the owners of RHB Bank Berhad);

(ii) the RHB Facilities are not conditional upon RHB Investment Bank being appointed as the Joint Bookrunner and the Joint Underwriter for the Offering;

(iii) the equity capital markets division of RHB Investment Bank ("**RHB ECM**") is required under its investment banking license to comply with strict policies and guidelines issued by the SC, Bursa Securities and BNM governing RHB Investment Bank's advisory operations. These guidelines require, among others, the establishment of Chinese wall policies, clear segregation between dealing and advisory activities and the formation of an independent committee to review its business operations. The team in charge of the Offering in RHB Investment Bank is independent from the team handling the credit facilities. Further, there is no involvement by RHB ECM for any credit application process undertaken by other departments within the RHB Banking Group;

(iv) RHB Investment Bank is a licensed investment bank and its appointment as the Joint Bookrunner and Joint Underwriter for the Offering is in its ordinary course of business. RHB Investment Bank does not receive or derive any financial interest or benefit save for the customary professional fees received in relation to its aforesaid appointment; and

(v) the conduct of the RHB Banking Group in its banking business is strictly regulated by the Financial Services Act 2013, Islamic Financial Services Act 2013, CMSA and its own internal controls and checks which includes, segregation of reporting structures, in that its activities are monitored and reviewed by independent parties and committees.

RHB Investment Bank confirms that it is not aware of any existing or potential conflict of interest or any circumstance which would give rise to a conflict of interest by virtue of its role as the Joint Bookrunner for the Offering.

11.7.11 Declaration by UOB Kay Hian (M) Sdn Bhd

UOB Kay Hian (M) Sdn Bhd confirms that as at the LPD, there is no existing or potential conflict of interest situation in its capacity as the Joint Bookrunner and the Joint Underwriter for the Offering.

11.7.12 Declaration by Oversea-Chinese Banking Corporation Limited

Oversea-Chinese Banking Corporation Limited ("**OCBC**") have been named as the Joint Bookrunner in the Prospectus.

OCBC and its affiliates ("**OCBC Group**") form a diversified financial services group. These entities engage in a wide range of retail, commercial and investment banking, brokerage, fund management and other activities for their own account and for the account of others. OCBC Group may be involved in the ordinary course of their business in commercial and investment banking with the IOIPG Group, IOIPG REIT, IRMSB, and/or any of its affiliates, the purchase and sale of securities, financing arrangements or financial advisory relationships which may create potential conflict of interest with the appointment of OCBC. Furthermore, any member of the OCBC Group may at any time offer or provide its services to or engage in any transactions (on its own account or otherwise) with the IOIPG Group, IOIPG REIT, IRMSB, and/or any of its affiliates and may trade or otherwise effect transactions for its own account or the account of its customers in debt or equity securities (or related derivative instruments) or senior loans. This is a result of the businesses of the OCBC Group generally acting independent of each other, and accordingly there may be situations where parts of the OCBC Group now have or in the future, may have interest or take actions that may conflict with the interests of IOIPG REIT.

OCBC Group, has, in the ordinary course of their banking business, granted credit facilities ("**Credit Facilities**") to the IOIPG Group.

OCBC is of the view that the Credit Facilities do not result in a conflict of interest situation in respect of its capacity as the Joint Bookrunner for the Institutional Offering due to the following:-

(i) OCBC is a licensed banking group and the Credit Facilities arise in the ordinary course of business and is negotiated on an arm's length basis by the OCBC Group;

(ii) there are established "Chinese Walls" between the departments and companies within the OCBC Group to ensure confidentiality of sensitive information, and each department and company within the OCBC Group has separate and distinct operations which are independent of each other;

(iii) the conduct of the respective businesses of the OCBC Group are regulated by the applicable laws and regulations issued by the relevant authorities governing their respective businesses, and their own internal control and checks; and

(iv) the total aggregate outstanding amount owed by the IOIPG Group to the OCBC Group of about SGD1,384.0 million as at the LPD is not material when compared to the audited consolidated assets of the OCBC Group as at 30 June 2026 of about SGD729.9 billion.

OCBC, named as the Joint Bookrunner in this Prospectus, confirms that there is no existing or potential conflict of interest situation in its capacity as the Joint Bookrunner for the Institutional Offering.

11.7.13 Declaration by PricewaterhouseCoopers PLT

PricewaterhouseCoopers PLT confirms that as at the LPD, it is not aware of any circumstances which would or is likely to exist which would give rise to a possible conflict of interest in its capacity as the Reporting Accountants of IOIPG REIT in relation to the Offering.

In its capacity as the Reporting Accountants, PricewaterhouseCoopers PLT has issued the Report on the Pro Forma Statement of Financial Position of IOIPG REIT and its subsidiary as at the date of establishment as set out in **Appendix D** "Reporting Accountants' Report on the Compilation of Pro Forma Consolidated Statement of Financial Position" of this Prospectus and the Report on the Prospective Financial Information of IOIPG REIT and its subsidiary for the financial period from 11 September 2026 to 30 June 2027 as set out in **Appendix E** "Reporting Accountants' Report on the Prospective Financial Information", respectively.

11.7.14 Declaration by PricewaterhouseCoopers Taxation Services Sdn Bhd

PricewaterhouseCoopers Taxation Services Sdn Bhd confirms that as at the LPD, it is not aware of any circumstances which would or is likely to exist which would give rise to a possible conflict of interest in its capacity as the Tax Consultant of IOIPG REIT.

In its capacity as the Tax Consultant, PricewaterhouseCoopers Taxation Services Sdn Bhd is responsible for preparing the Tax Consultant's letter on taxation of IOIPG REIT and Unitholders as set out in **Appendix C** "Tax Consultant's Letter on Taxation of IOIPG REIT and Unitholders" of this Prospectus.

11.7.15 Declaration by Jones Lang Wootton

Jones Lang Wootton confirms that as at the LPD, it is not aware of any circumstances which exist or is likely to exist which would give rise to a possible conflict of interest in its capacity as the Independent Property Market Researcher in relation to the Offering.

In its capacity as the Independent Property Market Researcher, Jones Lang Wootton was responsible for preparing the Independent Property Market Report as set out in **Appendix B** "Independent Property Market Report" of this Prospectus.

11.7.16 Declaration by Knight Frank Malaysia Sdn Bhd

13. OVERVIEW OF RELEVANT LAWS AND REGULATIONS IN MALAYSIA

13.1 OVERVIEW OF REGULATION OF REITS IN MALAYSIA

In Malaysia, REITs are governed and regulated by the SC and in addition, a listed REIT would also be subject to the purview of Bursa Securities. The SC is empowered to ensure compliance with the CMSA, the REIT Guidelines, the CMSP Guidelines, the Guidelines on Conduct for Capital Market Intermediaries ("**Conduct Guidelines**"), the Guidelines on Corporate Governance for Capital Market Intermediates ("**Corporate Governance Guidelines**") and the Rules on Take-Overs while Bursa Securities is empowered to ensure the compliance of the listed REITs with the relevant sections of the Listing Requirements. The appointments of the management company and the trustee are subject to the approval of the SC. The CMSA, the REIT Guidelines and the Listing Requirements serve to govern the operation and administration of REITs, the CMSP Guidelines serve to set out the requirements for the registration and conduct of the trustee, the Conduct Guidelines and the Corporate Governance Guidelines serve to set out the business conduct and corporate governance of a management company, and together with the Rules on Take-Overs serve to protect the interest of unitholders and to facilitate an orderly development of REITs. The trustee and the management company, including their officers and directors, must comply with the following laws, guidelines and requirement, whichever applicable:

(i) CMSA;

(ii) REIT Guidelines;

(iii) Listing Requirements;

(iv) CMSP Guidelines;

(v) Conduct Guidelines;

(vi) Corporate Governance Guidelines;

(vii) Rules on Take-Overs; and

(viii) all other Relevant Laws and Requirements.

13.1.1 Under the CMSA and/or the REIT Guidelines:

(i) **Management company** – A management company must, among others, be an entity incorporated in Malaysia and hold a CMSL for the regulated activity of fund management in relation to asset management restricted to REITs and be approved by the SC. The REIT Guidelines contain provisions on foreign investments, composition of the board of directors (including independent members), appointment of key personnel which consists of a designated person responsible for the real estate portfolio management of the REITs and compliance officer, property manager as well as roles and responsibilities of a management company.

(ii) **Trustee** – A trustee is also obliged by the CMSA to notify the SC as soon as practicable of any irregularity, any breach of the provisions or covenants of the trust deed and/or any contravention of the CMSA or any inconsistency between the disclosures in the prospectus and the provisions or covenants of the trust deed, which is in the trustee's opinion, may indicate that the interests of unitholders are not being served.

(iii) **Investment of the REIT** – The REIT Guidelines set out the investment perimeters of REITs in Malaysia including, among others, permissible investments by the REITs, the requirements and restrictions on investments and activities (in which at least 75.0% of a REIT's total asset value must be invested in real estate that generates recurrent rental income at all times) and the level of borrowings or financing facilities (which must not exceed 50.0% of the total asset value of the REITs at the time of the borrowings or financing facilities, or deferred payment arrangements incurred).

(iv) **Valuation** – Valuations of real estate in a listed REIT's portfolio must be carried out at least once a financial year. The REIT Guidelines also governs the valuation of Real Estate and Non-Real Estate Assets, appointment of a valuer and preparation of the valuation report, regulatory parameters on valuation of real estate and announcement/publication of NAV per unit of the REIT.

(v) **Fees** – The REIT Guidelines contain provisions for the remuneration of the management company, remuneration of the trustee and other expenses of the REITs. The management company and the trustee may only be remunerated by way of an annual fee charged to REITs, and the management company may charge a fee for the acquisition or disposal of real estate by the REITs (provided that it has clear justification for each type of fees payable to the management company), which must be permitted by the trust deed and clearly disclosed in the prospectus and only expenses (or part thereof) directly related and necessary in operating and administering the REITs may be paid out of the REITs including, but not limited to, the maintenance of real estate belonging to the REITs, taxes and other duties charged on the REITs by the government and other authorities, fees for the valuation of any investment of the REITs and listing expenses for listing on the stock exchange.

(vi) **Issue of securities by a REIT** – Any issue of new units by a REIT is subject to approval by the unitholders and, where relevant, the prior approval of the SC.

(vii) **Operational matters** – The chapter on operational matters in the REIT Guidelines is in relation to the issues such as the register of unitholders, the branch register of unitholders outside Malaysia, distribution of income, rebates and soft commission, creation and cancellation of units, termination of REITs, transfer schemes, unitholders' meetings, notice of meetings, voting rights at meetings, chairperson of meetings, quorum at meetings, corporate governance principles and best industry standards for all activities conducted in relation to the REITs.

13.1.2 Under the Listing Requirements:

In addition to the prescribing the admission procedures and requirements for the admission and listing of a REIT on the Main Market, the Listing Requirements also prescribe the following:

(i) **Board of directors of the management company** – The board of directors of the management company must have at least 2 independent directors or maintaining a minimum ratio of at least 1/3 independent directors, whichever is higher at all times;

(ii) **General meetings** – The trust deed of a listed REIT is required to be in compliance with the Listing Requirements in relation to notice, proxies and voting rights of the unitholders;

(iii) **Continuing listing obligation –** The chapter on continuing listing obligations cover the unitholding spread requirement of a listed REIT of at least 25.0% of the total number of listed units to be held by a minimum number of 1,000 public unitholders holding not less than 100 units each;

(iv) **Continuing disclosure –** The chapter on continuing disclosure requirements sets out the disclosure policy of Bursa Securities with a listed REIT is required to adhere to, immediate disclosure of any material information, preparation of announcements, financial statements and reports, and consequences for failure to comply;

(v) **Issue of securities by a REIT** – Any issuance of new units by a REIT is subject to approval by the unitholders and approval of Bursa Securities; and

(vi) **Transactions** – A REIT undertaking an acquisition or disposal of real estate from non-related parties and related parties are subject to the requirements set out in the Listing Requirements.

13.1.3 Under the CMSP Guidelines:

(i) **The trustee** – The requirements of a trustee include, among other things, that it must be a trust company registered under the Trust Companies Act or incorporated under the Public Trust Corporation Act 1995, be registered with the SC, have a minimum issued and paid-up capital of not less than RM500,000 and minimum shareholders' funds of RM1 million at all times, have adequate human resources with the necessary qualification, expertise, and experience and have adequate and appropriate systems, procedures and processes, to carry out its duties and responsibilities.

(ii) **Delegation and outsourcing –** A trustee may delegate and outsource its functions to third parties. Nonetheless, this does not relieve a trustee from its responsibilities. When delegation takes place, it is the duty of the trustee to ensure that adequate procedures are in place and that the trust deed, prospectus, guidelines and securities laws are complied with. Note also that the delegation of a management company's function requires notification to the SC in writing.

13.1.4 Under the Conduct Guidelines and/or Corporate Governance Guidelines:

(i) **Minimum standards of conduct** – A management company and its representatives must act with honesty and fairness, exercise reasonable care, skill and diligence when carrying on its capital market related services, use their best endeavours to identify and avoid any actual or potential conflict of interest, have proper safeguards in place to protect its clients' assets and information and at all times promote open and effective communication with its clients and regulators. The board of directors and senior management of a management company must, where applicable, establish, implement and maintain effective controls, policies and procedures for ensuring compliance with the minimum standards of conduct.

(ii) **Board of directors** – The appointment of the directors of a management company shall have due regard to any actual or potential conflicts of interest arising from the appointment and his standing with any relevant regulator. The board of a management company must comprise individuals with appropriate mix of skills, knowledge, experience and independence that fit the objectives and strategic goals of the management company. The board of a management company must meet regularly to, among others, review the business operation and management of the management company, monitor the financial and non-financial performance of the management company and deliberate on strategic issues. The board of a management company must ensure that it has policies and processes to mitigate, manage and address actual and potential conflicts of interest situation that may arise including any transaction, procedure or course of conduct that raises questions of management integrity.

(iii) **Senior management** – The senior management of a management company must, among others, understand the nature of the business of the management company, establish a management structure that promotes accountability and transparency across the operations of a management company and preserves the effectiveness and independence of control function and promote a corporate culture which reinforces, among others, ethical prudent and professional behaviour honesty fairness, trust and high performance.

(iv) **Risk management, compliance and internal audit** – The board of a management company must determine its risk appetite and tolerance, including the nature and extent of the material risks, which the board of a management company is willing to take in achieving its strategic objectives. The board of a management company must ensure that the management company's risk governance framework, supported by appropriate policies, control procedures and processes commensurate with the management company's size, complexity and risk profile. The board of a CMSL holder must review and approve the internal audit charter that defines the remit for the internal audit function, including its purpose, authority and responsibility.

13.1.5 Under the Rules on Take-Overs:

The Rules on Take-Overs applies to REITs that are listed on Bursa Securities. Under the Rules on Take-Overs, any person acquiring an interest, either individually or with parties in concert, in more than 33.0% of the Units (being voting units in IOIPG REIT) is required to extend a mandatory offer for the remaining Units in accordance with the Rules on Take-Overs, unless otherwise exempted. A take-over offer is also required to be made if a person holding more than 33.0% but not more than 50.0% of the Units, either individually or with parties acting in concert, acquires more than 2.0% of the Units in any 6-month period under the Rules on Take-Overs, unless otherwise exempted.

As a result, acquisitions of Units which may result in a change in control of IOIPG REIT will be subject to the provisions of the Rules on Take-Overs, such as a requirement to make a mandatory offer for Units.

13.2 OVERVIEW OF LAND LAW

13.2.1 The Land System

In Malaysia, land law is based on the Torrens system of South Australia which operates on the principle of "title by registration". Notwithstanding the adoption of Torrens system in Malaysia, some lands in the state of Penang and Malacca are still governed by the deed system. The National Land Code (Penang and Malacca Titles) Act 1963 ("**NLCPM**") was thus enacted to govern such lands and to convert the deed system in Penang and Malacca to the Torrens system used under the National Land Code (Revised 2020) ("**NLC**").

Pursuant to the Federal Constitution of Malaysia ("**Constitution**"), land matters generally lie within the jurisdiction of the state governments. However, the Constitution specifically provides for federal legislation in such matters for the purposes of ensuring uniformity of law and policy in various aspects of land matters which are not exercisable with regard to the states of Sabah and Sarawak.

The following are the primary pieces of legislation governing land law in Malaysia, the operation of which is supplemented by various subsidiary legislations such as the various state land enactments and ordinances which are in force in the respective states in Malaysia:

(i) the NLC;

(ii) the NLCPM;

(iii) Strata Titles Act 1985 ("**STA**");

(iv) Strata Management Act 2013 ("**SMA**");

(v) Sarawak Land Code (Cap 81) ("**Sarawak Land Code**"); and

(vi) Sabah Land Ordinance (Cap 68) ("**Sabah Land Ordinance**").

The NLC is an act which amends and consolidates the laws relating to land and land tenure, the registration of title to land and dealings therewith and the collection of revenue therefrom within the states of Johor, Kedah, Kelantan, Malacca, Negeri Sembilan, Pahang, Penang, Perak, Perlis, Selangor, Terengganu, the Federal Territory of Kuala Lumpur, the Federal Territory of Putrajaya and the Federal Territory of Labuan, and for purposes connected therewith while in the states of Sabah and Sarawak, the respective Sabah Land Ordinance and Sarawak Land Code apply.

The rest of this **Section 13.2** of this Prospectus will cover land law applicable to the states in Peninsular Malaysia and the Federal Territories of Malaysia.

The NLCPM was enacted to provide for the conversion of the system of registration of deeds practiced prior to 1966 to the Torrens system.

The STA is an act to facilitate the subdivision of buildings or lands into parcels and the issuance of separate strata titles in relation to the same within Peninsular Malaysia and the Federal Territories and the disposition of titles thereto for the purposes connected therewith.

The SMA is an act which provides for the proper maintenance and management of buildings and common property within Peninsular Malaysia and the Federal Territories and for matters incidental thereto.

The NLC expressly provides that it shall not (unless expressly provided to the contrary) affect the provisions of:

(i) any law relating to customary tenure;

(ii) any law relating to Malay reservations or Malay holdings;

(iii) any law relating to mining;

(iv) any law relating to sultanate lands;

(v) any law relating to wakaf (relating to the endowment of property for religious and/or public purposes in accordance with Islamic teachings) or baitulmal (an Islamic non-profit financial organisation providing benefits to community members and organisations);

(vi) the Terengganu Settlement Enactment 1356;

(vii) the Padi Cultivators (Control of Rent and Security of Tenure) Act 1967;

(viii) the Kelantan Land Settlement Act 1955;

(ix) the Land (Group Settlement Areas) Act 1960;

(x) the Perlis Land Settlement Enactment 1966; and

(xi) any law for the time being in force relating to exemptions from the payment of land revenue.

13.2.2 Indefeasibility of Title

Pursuant to the NLC, a person will obtain an indefeasible title to or interest in the land after his/her proprietorship to or interest in land is being registered on the document of title. However, the indefeasibility of the title can be defeated under those circumstances as provided in Section 340(2) of the NLC, which include fraud, misrepresentation or forgery, or where the registration of title or interest is obtained by the use of an insufficient or void instrument or where the title or interest is unlawfully acquired.

13.2.3 Powers of the State Authority

The State Authority is vested with the entire property in all state lands under the NLC. Pursuant to the NLC, "State Authority" refers to the Ruler or Governor of the state, as the case may be, and "state land" refers to all land in the state (including so much of the bed of any river, and of the foreshore and the bed of the sea, as is within the territories of the state or the limits of territorial waters) other than land that has already been alienated or reserved (whether as forest of otherwise) or mining land.

Under the NLC, the State Authority has power to alienate land for either:

(i) a term not exceeding 99 years (commonly referred to as leasehold); or

(ii) in perpetuity (commonly referred to as freehold).

The power to alienate land by the State Authority is the most common method of disposal of land. The alienation of land by the State Authority is subject to certain conditions such as:

(i) payment of annual rent;

(ii) payment of premium (which is subject to exemption by the State Authority);

(iii) category of land use; and

(iv) such conditions and restrictions in interest which may be imposed by the State Authority.

Unless an application is made to the State Authority for the extension of the term and such application is approved by the State Authority usually upon the payment of a premium, land alienated for a term not exceeding 99 years shall upon the expiry of such term revert to the State Authority.

In addition to the power to alienate land, the State Authority also has the power to:

(i) reserve land and grant leases of reserve land for a specific purpose not exceeding 21 years;

(ii) permit temporary occupation of land;

(iii) permit the extraction and removal of rock material from land;

(iv) permit the use of air space on or above land; and

(v) dispose of underground land.

13.2.4 Categories of Land Use

Land in Malaysia is divided into 3 general categories of land use, namely agricultural, industrial and building. The category of land use is endorsed on the documents of title issued in respect of those land alienated by the State Authority pursuant to the NLC.

However, on approving the alienation of land, the State Authority may, if it is satisfied that the imposition of express conditions could better control the use of the land, direct that no category of land use be endorsed on the document of title.

An application may be made to the State Authority by the proprietor of any alienated land for the alteration of any category of land use to which the land is for the time being subject, or where it is not so subject, for the imposition of any category.

Each category of land use is subject to implied conditions as more particularly set out in the NLC. Additionally, specific uses may be specified in the documents of title to land. Failure to comply with express or implied conditions of land use may result in the forfeiture of land by the State Authority.

13.2.5 Dealings in Land

The NLC governs dealings in land and interest in land (which in the context of the NLC includes a registered lease, charge or easement as well as a statutory lien or a tenancy exempt from registration created in respect thereof). Dealings under the NLC may be divided into:

(i) dealings capable of registration which are transfers, charges, leases and easements; and

(ii) dealings not capable of registration which are tenancies exempt from registration and statutory liens which are protected by way of an endorsement and the entry of a lien-holder's caveat.

In Malaysia, no instrument effecting any dealing with respect to alienated lands and/or interests therein shall be effective until such instrument has been duly registered.

13.2.6 Restrictions in Interest

Restrictions in interest are restrictions expressly endorsed on the document of title to the land which limits the powers of the registered proprietor to deal with the land. An example of such a restriction is the restriction to transfer, charge or lease the land unless the prior consent of the State Authority has been obtained. It is common to find such restrictions in interest endorsed on the documents of title to lands alienated by the State Authority for the terms not exceeding 99 years as opposed to lands alienated by the State Authority in perpetuity. As restrictions in interest imposed on the document of title to the land binds the land, the restrictions therefore bind the owner(s) (whether present or future) of the land.

In the case of a property held or to be held under a strata title, where there is a restriction in interest endorsed on the document of title to the master land, such restriction will also apply to such property, whether or not the separate strata title to such property has been issued.

13.2.7 Restraints on Dealings

Restraints on dealings include the following:

(i) Private caveats

Private caveat is one of the restraints on dealings under the NLC. A person claiming title to or any registrable interest in any alienated land or any right to such title or interest may lodge a private caveat to protect this title or interest in such alienated land. Under the NLC, a non-citizen or foreign company is required to obtain the prior approval of the State Authority before lodging a private caveat.

Once a private caveat is lodged, the registered proprietor may not register or endorse any dealing on the document of title to his land without first removing such private caveat or first obtaining the consent in writing of the person who lodged such private caveat. However, the private caveat will not prevent any dealing made by the registered proprietor, the application for the registration or endorsement of which is made by the registered proprietor before the lodgement of such private caveat.

An application may be made to the Registrar of Titles/Land Administrator or the court by a registered proprietor (or any aggrieved person or body) for the removal of the private caveat. A private caveat will expire 6 years from the time of the lodgement of the same, unless earlier withdrawn or removed by the person who lodged such private caveat, the Registrar of Titles/Land Administrator or the court.

(ii) Trust caveat

A trust caveat is another type of restraint of dealing under the NLC and has the same legal effect as a private caveat. However, a trust caveat may only be lodged by a trustee, a beneficiary or any person or body by whom any land or interest is first transferred to trustees. A trust caveat will continue in force until it is cancelled by the Registrar of Titles/Land Administrator on an application made by the trustees for the time being and all person and bodies beneficially entitled under the trust.

(iii) Prohibitory orders

Pursuant to the NLC, "prohibitory order" means where land or an interest in land held by a judgment-debtor is to be sold in execution proceedings, an order made pursuant to rules of court by a court of competent jurisdiction prohibiting the judgment-debtor from effecting any dealing therewith or from effecting such dealing therewith as may be specified in the order.

A prohibitory order will take effect once it has been entered by the land registrar and endorsed on the document of title. The order will prohibit the following endorsement or entry:

(a) any instrument of dealing executed by or on behalf of the proprietor save and except for any certificate of sale relating thereto;

(b) any claim to the benefit of any tenancy exempt from registration granted by the proprietor; and

(c) any lien-holder's caveat.

However, a prohibitory order will not prohibit the registration, endorsement or entry of any instrument, claim or lien-holder's caveat where the instrument was presented, or the application for endorsement or entry received, prior to the time from which the order takes effect.

13.2.8 Malay reserve land and customary land

The Malay Reservation Enactments of the respective states in Malaysia were enacted to secure and protect the Malays' interest in lands reserved for Malays by prohibiting the disposition of such lands by the state and the dealings by the registered proprietors in favour of non-Malays. Any disposal, dealing or attempt to dispose of or deal in Malay reserve land in contravention of the respective Malay Reservation Enactments will be rendered null and void and no action for breach of contract shall be maintained in respect of such disposal or dealing.

The present Malay Reservation Enactments have adopted the policy of providing for exceptions to the prohibition by permitting disposals by the State Authority and dealings by the registered proprietors in favour of certain specified persons and bodies with the approval of the ruler of the state in council of the respective states.

In the same manner, customary land such as those in the state of Malacca, shall only be transferred, charged, leased or transmitted to a Malay pursuant to the NLCPM.

13.2.9 Charges

It is common for a financier to require an obligor to create a charge over the land or a lease of land of the obligor in favour of the financier as a security for the financing provided.

A registered proprietor's or registered lessee's power to charge the land or the lease, as the case may be, is subject to any prohibition or limitation imposed by the NLC or any other written law for the time being in force, any restrictions in interest to which the land in question is for the time being subject and in relation to leases, the provision thereof, express or implied.

Every charge created under the NLC shall take effect upon registration so as to render the land or lease in question liable as security in accordance with the provisions thereof, express or implied.

A chargee is required to comply with the NLC when enforcing the charge to obtain a sale of the land or lease to which the charge relates in the event of a breach by the obligor. The chargee is required, among other things, to serve a default notice in the form as prescribed by the NLC and apply to the court or the land office administrator, as the case may be, for an order for sale. Upon the registration of any certificate of sale given to a purchaser in respect of a charged land or lease, the title or interest of the registered proprietor/charger shall pass to and vest in the purchaser, free and discharged from all liabilities under the charge in question and any charge subsequent thereto.

13.2.10 Leases and Tenancies

Under the NLC, tenancies may be granted for terms not exceeding 3 years. There is no registration requirement for tenancies under the NLC but the interest of a tenant under a tenancy exempt from registration can be protected by way of an endorsement on the document of title to the land.

The proprietor of any alienated land may grant leases of the whole or any part of the land. A lease granted under the NLC must be more than 3 years and maximum term for which any lease may be so granted shall be:

(i) 99 years if it relates to the whole of the land; or

(ii) 30 years if it relates to a part only thereof.

The lease granted is required to be registered with the relevant land registry or land office in order to vest in the lessee the interest in respect of the said lease.

13.2.11 Sale and Purchase of Real Property

The sale and purchase of real property in Malaysia may be completed by way of transfer or legal assignment. Any transfer of a property with a separate document of title is effected by registration of an instrument of transfer in a format prescribed under the NLC at the relevant land registry or land office. For a property without a separate document of title having been issued, transfer of beneficial ownership of the property is made by way of a legal assignment in favour of a new purchaser of all the rights, interests and title in respect of the property under the principal sale and purchase agreement (made between the original proprietor of the land and/or the developer (as the seller) and the first purchaser).

13.2.12 Properties held under Strata Titles

(i) Under the STA, the following building or land shall be capable of being subdivided into parcels each of which is to be held under a strata title or an accessory parcel:

   (a) any building having 2 or more storeys on alienated land held as one lot under final title and any land on the same lot; and

(b) any alienated land having 2 or more buildings held as one lot under final title.

Where the original proprietor of a building has sold or agreed to sell any parcel comprised in the aforesaid building to any person, it shall be compulsory for the original proprietor to apply for an individual strata title to the parcel within the period stipulated in the STA.

(ii) The establishment and functions of the joint management body ("**JMB**"), the management corporation ("**MC**") and the subsidiary management corporation ("**Sub-MC**") for the purpose of managing and maintaining the common properties and the limited common properties of those buildings constructed on the land situated within West Malaysia and the Federal Territory of Labuan have been provided for in the SMA and Strata Management (Maintenance and Management) Regulations 2015 ("**SM Regulations**").

(a) JMB

Pursuant to the SMA, the JMB shall be established consisting of the developer and the purchasers upon the convening of the first annual general meeting of the JMB. Upon its establishment, the JMB is responsible for the maintenance and management of the common property. In the event the MC comes into existence before the first annual general meeting of the JMB is convened, the first annual general meeting shall not be required to be convened and no JMB shall be established for that development area and the provisions on MC shall apply to the development area.

Pending the establishment of the JMB, the developer shall be responsible for the maintenance and management of the common property.

The JMB shall elect a joint management committee, which shall consist of such number of persons as the joint management committee may determine in a general meeting but in any case, not less than 3 and not more than 14 natural persons to perform the duties of the JMB, conduct the business of the JMB on its behalf and for that purpose, to exercise the powers of the JMB under the SMA. The joint management committee shall include the developer.

The by-laws set out in the Third Schedule of the SM Regulations shall have effect in relation to every building or land intended for subdivision into parcels and the common property. The JMB may, by special resolution make additional by-laws, or make amendments to such additional by-laws, not inconsistent with the by-laws set out in the Third Schedule of the SM Regulations for regulating the control, management, administration, use and enjoyment of the building or land intended for subdivision into parcels and the common property.

The JMB will be deemed to be dissolved 3 months from the date of the first meeting of the MC.

(b) MC

Upon the opening of a book of the strata register in respect of a subdivided building or land, there shall come into existence the MC consisting of all the parcel proprietors including in the case of phased development, the proprietor of the provisional block or blocks. The MC shall, on coming into existence, become the proprietor of the common property and be the custodian of the issue document of title of the common property. Upon its establishment, the MC is responsible for, inter alia, the maintenance and management of the common property.

The by-laws set out in the Third Schedule of the SM Regulations shall have effect in relation to every subdivided building or land and common property. The MC may, by special resolution make additional by-laws, or make amendments to such additional by-laws, not inconsistent with the by-laws set out in the Third Schedule of the SM Regulations for regulating the control, management, administration, use and enjoyment of the subdivided building or land and the common property.

(c) Sub-MC

The MC may designate limited common property and create one or more Sub-MC for the purpose of representing the different interests of parcel proprietors by way of comprehensive resolution conducted under the SMA.

Limited common property designated by a comprehensive resolution shall describe, identify or define the boundaries or area of the limited common property in the special plan and specify each parcel comprised in that special plan whose proprietors are entitled to the exclusive benefit of the limited common property.

The Sub-MC is established upon issuance of the certificate by the Director of Lands and Mines certifying that the Sub-MC is a body corporate constituted under the STA on the day specified in the certificate. The Sub-MC shall comprise of all the proprietors of all parcels comprised in the development area for whose exclusive benefit the limited common property is designated.

A Sub-MC shall have the same powers and duties as the MC in relation to all matters which relate solely to the limited common property designated for the exclusive benefit of all proprietors comprising the Sub-MC. After the establishment of the Sub-MC, the MC shall retain its powers and duties in matters concerning common property of the development area which is not designated as limited common property.

A Sub-MC for any limited common property may manage and maintain any common property within that same development area or any other limited common property of another Sub-MC within that development area upon such terms and conditions as may be agreed between the Sub-MC and the MC or other Sub-MC, as the case may be.

The by-laws of the MC shall apply to the limited common property managed and maintained by the Sub-MC unless the by-laws have been otherwise amended by the Sub-MC pursuant to a special resolution passed at a general meeting of the Sub-MC and in respect of any matter that relates solely to that limited common property or Sub-MC. The Sub-MC may, by special resolution make additional bylaws, or make amendments to such additional by-laws, not inconsistent with the by-laws set out in the Third Schedule of the SM Regulations relating to the limited common property designated for the exclusive benefit of all the parcels in the Sub-MC.

The proprietors who constitute the Sub-MC may call and hold meetings and pass resolutions in the same manner as proprietors constituting a MC.

13.2.13 Acquisition of Property by a Non-Citizen or Foreign Company

Pursuant to Section 433B of the NLC, a non-citizen or foreign company is not allowed to, among others, acquire any land in Malaysia unless the prior approval of the State Authority has been obtained.

Under the NLC, a foreign company means:

(i) a company, corporation, society, association or other body incorporated outside Malaysia;

(ii) an unincorporated society, association or other body which under the law of its place of origin may sue or be sued, or hold property in the name of the secretary or other officer of the body or association duly appointed for that purpose and which does not have its head office or principal place of business in Malaysia;

(iii) a company incorporated under the Act with 50.0% or more of its voting shares bring held by a non-citizen, or by a foreign company referred to in paragraph (i) or (ii) above, or by both, at the time of the proposed acquisition of any land or any interest in land or at the time of the execution of the instrument or deed in respect of any alienated land or any interest therein, as the case may be; or

(iv) a company incorporated under the Act with 50.0% or more of its voting shares being held by a company referred to in paragraph (iii) above, or by a company referred to in paragraph (iii) above together with a non-citizen or a foreign company referred to in paragraph (i) or (ii) above, at the time of the proposed acquisition of any land or interest in land or at the time of the execution of the instrument or deed in respect of any alienated land or any interest therein, as the case may be.

Under the NLC, a non-citizen means a natural person who is not a citizen of Malaysia.

13.2.14 Guideline on the Acquisition of Properties

Pursuant to the Guideline on the Acquisition of Properties (with effect from 13 July 2022) ("**Guideline**") issued by the MOE, except for residential units, the following transactions shall require the approval of the MOE:

(i) direct acquisition of property valued at RM20.0 million and above, resulting in the dilution in the ownership of property held by Bumiputra interest and/or government agency; and

(ii) indirect acquisition of property by interests other than Bumiputera interest through acquisition of shares, resulting in a change of control of the company owned by Bumiputera interest and/or government agency, having property more than 50.0% of its total assets in value, and the said property is valued more than RM20.0 million.

In addition to the requirement that the said property must be registered in the name of a locally incorporated company, the following equity and paid-up capital conditions will be imposed on the acquiring company for the acquisitions of properties requiring prior approval of the MOE as set out above:

(i) the acquiring company must have at least 30.0% Bumiputera interest shareholdings; and

(ii) the acquiring company must have:

(a) a paid-up capital of at least RM100,000.00 if the acquiring company is owned by local interests; and

(b) a paid-up capital of at least RM250,000.00 if the acquiring company is owned by foreign interests.

(g) The total purchase consideration for Courtyard by Marriott Penang shall be RM166,000,000, which shall be paid in the following manner:

(1) The sum of RM107,900,000 payable by the issuance and allotment of 120,506,026 new Units as part of the satisfaction of the purchase consideration at an issue price of approximately RM0.90 per Unit credited to the depository accounts of IOIPG (as its nominee appointed pursuant to paragraph (vi) below) on or before the Completion Date; and

(2) The balance of the purchase consideration of RM58,100,000 payable in cash on the Completion Date.

(h) The total purchase consideration for IOI City Towers shall be RM540,000,000, which shall be paid in the following manner:

(1) The sum of RM351,000,000 payable by the issuance and allotment of 392,007,554 new Units as part of the satisfaction of the Purchase consideration at an issue price of approximately RM0.90 per Unit credited to the depository accounts of IOIPG (as its nominee appointed pursuant to paragraph (vi) below) on or before the Completion Date; and

(2) The balance of the purchase consideration of RM189,000,000 payable in cash on the Completion Date.

(i) The total purchase consideration for PFCC Towers shall be RM440,000,000, which shall be paid in the following manner:

(1) The sum of RM286,000,000 payable by the issuance and allotment of 319,413,562 new Units as part of the satisfaction of the purchase consideration at an issue price of approximately RM0.90 per Unit credited to the depository accounts of IOIPG (as its nominee appointed pursuant to paragraph (vi) below) on or before the Completion Date; and

(2) The balance of the purchase consideration of RM154,000,000 payable in cash on the Completion Date.

(vi) Vendors entitled to appoint nominee for Units

The parties to the SPAs acknowledge and agree that the Vendors have nominated and appointed IOIPG to receive and accept the entire purchase consideration in place of the Vendors. In view thereof, the Purchaser undertakes to:

(a) allot and issue the entire new Units to IOIPG; and

(b) pay, or cause to be paid, the entire Cash Consideration to IOIPG,

at the sole and absolute cost and expense of the Vendors and provided always that the Vendors shall fully indemnify the Purchaser from and against any and all costs and expenses and liabilities thereby incurred in respect thereof.

(vii) Completion

(a) Subject to the payment of the purchase consideration by the Purchaser in accordance with the provisions of the SPAs, completion shall take place on the Completion Date.

(b) On the Completion Date, in simultaneous exchange of the fulfilment or satisfaction by the Purchaser of its obligations to settle the purchase consideration:

(1) in respect of the Retail Property and Office Properties, vacant possession in the same state and condition as it was at the date of the SPAs (fair wear and tear excepted) shall be delivered by the Vendors to the Purchaser save and except those parts tenanted by the tenants in respect of which legal possession of the same shall be deemed to have been delivered by the Vendors to the Purchaser; and

(2) in respect of the Hotel Properties, legal possession shall be deemed to have been delivered by the Vendors to the Purchaser.

(c) The Vendors and the registered proprietors of the Subject Properties ("**Registered Proprietors**") (if applicable) acknowledge that on and from the Completion Date:

(1) The Purchaser is the sole and absolute beneficial owner of the Subject Properties, whereupon the Purchaser shall have the full rights, title and interests in and to the Subject Properties and is entitled to deal with the Subject Properties in any manner whatsoever as if the Purchaser is the absolute legal owner of the Subject Properties;

(2) The Vendors and the Registered Proprietors (if applicable) have no further rights, title and benefit in and to the Subject Properties and they shall hold the Subject Properties as bare trustee for and on behalf of the Purchaser pending the registration of the transfer in favour of the Purchaser; and

(3) In this regard, the Vendors and the Registered Proprietors (if applicable) irrevocably covenant and undertake that with effect from completion:

(A) the Vendors and the Registered Proprietors (if applicable) shall do or cause to be done all things to ensure that the Purchaser's rights, title and interest in and to the Subject Properties is protected at all times;

(B) the Vendors and the Registered Proprietors (if applicable) shall do all such acts and things in accordance with the provisions of the SPAs to enable the Purchaser to effectively deal with the legal title to the Subject Properties and to give effect to any such dealings as may be reasonably required by the Purchaser, being the sole beneficial owner of the Subject Properties;

(C) the Vendors and the Registered Proprietors (if applicable) shall not act in any manner so as to jeopardise the Purchaser's rights, title and interest in and to the Subject Properties;

(D) pending the registration of the transfer in favour of the Purchaser, the Vendors shall use their best endeavour to do such reasonable acts and execute such reasonable documents as may be necessary under the applicable laws/legislations for obtaining approvals from the appropriate authorities relating to the operation of the Subject Properties after the Vendors having received a written request from the Purchaser; and

(E) the Vendors and the Registered Proprietors (if applicable) shall not be entitled to and shall not deal with the Subject Properties in any manner whatsoever other than as stipulated in the SPAs.

(viii) Additional terms and conditions in respect of the SPAs in relation to Title 1 and Title 2

The additional terms and conditions in respect of the SPAs in relation to Title 1 and Title 2 are, among others, as follows:

(a) Beneficial ownership and retention of development rights

(1) The parties acknowledge and agree that the transaction contemplated under the SPAs in relation to Title 1 and Title 2 is strictly limited to the relevant Subject Properties and does not extend to or include any other part or portion of Title 1, Title 2 and any other part or portion under the IRC Title 2 Subdivision ("**Subdivided Land**") which does not comprise the Subject Properties ("**IRC Excluded Portion**").

(2) Notwithstanding the above and subject always to the additional terms and conditions under this **Section (viii)**, the Vendor shall cause the issue document of title for Title 1 and, upon issuance, the issue document of title for the Subdivided Land to be transferred and registered in the name of the Purchaser as and when such titles become available, for the sole purpose of giving effect to the transfer of the relevant Subject Properties in accordance with the SPAs.

(3) The registered proprietors shall be and remain the absolute beneficial owner(s) of the IRC Excluded Portion. The registered proprietors shall have the full rights and interests in and to the IRC Excluded Portion (and, upon issuance of the strata titles, the legal title to such IRC Excluded Portion) and are entitled to deal with the IRC Excluded Portion in any manner whatsoever as if the registered proprietors were the absolute legal owner(s) of the IRC Excluded Portion subject to such undertakings as may be specified by the Purchaser to be granted by the Vendor in respect of the exercise of any rights over the IRC Excluded Portion ("**IRC Undertakings**").

(4) The parties acknowledge and agree that the registered proprietors shall retain, and nothing in the SPAs shall be construed as selling or transferring to the Purchaser, any and all rights, entitlements, benefits, approvals, consents, liberties, authorities, discretions and privileges in respect of the development, redevelopment, improvement, enhancement, use, enjoyment, occupation, construction, alteration, subdivision, amalgamation, planning, layout, design, infrastructure, utilities, landscaping, access, signage, marketing or any other activity or process relating to or affecting the IRC Excluded Portion (collectively, the "**Development Rights**"). Such Development Rights shall be exercisable by the registered proprietors and/or such other entity or entities as may be nominated or identified in writing by IOIPG from time to time (collectively, the "**IRC Excluded Portion Beneficiaries**" and each an "**IRC Excluded Portion Beneficiary**") within the power granted under the Power of Attorney to Registered Proprietors or IRC Excluded Portion Beneficiaries and subject to the terms and conditions of the SPAs, the IRC Undertakings and the Power of Attorney to Registered Proprietors or IRC Excluded Portion Beneficiaries.

(5) The Purchaser shall have no rights and interests in and to the IRC Excluded Portion and shall hold the legal title to the IRC Excluded Portion as bare trustee for and on behalf of the registered proprietors pending the issuance of the relevant strata titles and the registration thereof in favour of the respective IRC Excluded Portion Beneficiaries.

(6) The Purchaser hereby irrevocably covenants and undertakes that, with effect from the registration of the transfer in favour of the Purchaser:

(A) the Purchaser shall do or cause to be done all things to ensure that the registered proprietors' rights and interests in and to the IRC Excluded Portion is protected at all times;

(B) the Purchaser shall do all such acts and things, including the execution of documents if necessary, in accordance with the provisions of the SPAs to enable the registered proprietors to effectively deal with the legal title to the IRC Excluded Portion and to give effect to any such dealings as may be reasonably required by the registered proprietors, being the sole beneficial owner(s) of the IRC Excluded Portion;

(C) the Purchaser shall not act in any manner so as to jeopardise the registered proprietors' rights and interests in and to the IRC Excluded Portion;

(D) pending the issuance and registration of the strata titles to the IRC Excluded Portion in favour of the respective IRC Excluded Portion Beneficiaries, the Purchaser shall execute in favour of any or all of the Registered Proprietors or the IRC Excluded Portion Beneficiaries (as the case may be) irrevocable and unconditional power(s) of attorney ("**Power of Attorney to Registered Proprietors or IRC Excluded Portion Beneficiaries**") granting to such registered proprietors or IRC Excluded Portion Beneficiaries (as the case may be) the power to fully deal with the IRC Excluded Portion and the Development Rights (including but not limited to the right to assignment of the IRC Excluded Portion or any part thereof) as if they were the true and rightful owner of the IRC Excluded Portion, provided always that:

(i) the registered proprietors shall not, and shall procure that the IRC Excluded Portion Beneficiaries do not, prior to the issuance and registration of the strata titles to the IRC Excluded Portion in their favour, transfer, charge or otherwise encumber the master title of the land comprising the relevant Subject Properties or any part thereof; and

(ii) in the event any other encumbrance is to be created over the IRC Excluded Portion, such encumbrance shall be subject to the prior written consent of the Purchaser (which the Purchaser shall be under no obligation to grant) and shall be subject to such terms and conditions as may be agreed by the Purchaser.

For the avoidance of doubt, the Power of Attorney to Registered Proprietors or IRC Excluded Portion Beneficiaries is granted solely to enable the registered proprietors and/or the IRC Excluded Portion Beneficiaries (as the case may be) to exercise their existing rights as the absolute beneficial owners of the IRC Excluded Portion, and shall not be construed as a sale, transfer, assignment or disposition (whether legal or beneficial) of the IRC Excluded Portion or the Development Rights by the Purchaser to the registered proprietors, the IRC Excluded Portion Beneficiaries or any other person; and

(E) the Purchaser shall not be entitled to and shall not deal with the IRC Excluded Portion in any manner whatsoever other than as stipulated in the SPAs.

(b) IRC Undertakings

The Vendors have irrevocably undertaken that, in relation to the parts of the lands held under Title 1 and Title 2 which do not form part of the Subject Properties, upon subdivision of Title 2 ("**IRC Title 2 Subdivision**") into 2 separate titles comprising (i) Phases 2 & 3 Title and (ii) Phase 4 Title, they shall procure the delivery of Phases 2 & 3 Title and execute all necessary documents to effect the transfer of the same. For the purposes of clarification, upon completion of the IRC Title 2 Subdivision, the resulting titles including Phase 4 Title will remain registered in the name of Vendors.

With effect from the Completion Date and pending the registration of the transfer of Title 1 and the Phases 2 & 3 Title, the Purchaser will be deemed the sole and absolute beneficial owner of the relevant Subject Properties under Title 1 and Title 2, whereupon the Purchaser shall have the full rights, title and interests in and to the relevant Subject Properties and will be entitled to deal with the relevant Subject Properties in any manner whatsoever as if the Purchaser is the absolute legal owner of the relevant Subject Properties and the registered proprietor shall have no further rights, title and interests in and to the relevant Subject Properties and that the registered proprietor shall hold the relevant Subject Properties as bare trustees for and on the Purchaser's behalf pending the registration of the transfer of the titles.

The Vendors further undertake to exercise all voting rights in respect of the properties in a manner consistent with the investment policies and interests of IOIPG REIT, and not to exercise such rights in any manner adverse to IOIPG REIT without its prior written consent. The Sponsor is required to obtain IOIPG REIT's prior written approval for specified matters, including those relating to management bodies, maintenance and sinking fund contributions, by-laws, use of common property, material contracts, capital expenditure, budgets and land dealings.

The Vendors further undertake to provide all necessary cooperation, assistance and support, and to take or procure the taking of all reasonable actions (including voting in favour of any relevant resolutions), in respect of any proposal, application, decision or matter concerning the properties that is reasonably required by the Purchaser and/or IOIPG REIT for the purpose of securing or preserving the Purchaser's legal and beneficial interests in the relevant Subject Properties or in order to comply with applicable laws, regulations or guidelines or any requirements under the Deed.

At such time as may be permitted under the applicable law, the Vendors shall, if required by IOIPG REIT, take all action as may be necessary or expedient to support and facilitate any application by the Purchaser and/or IOIPG REIT for the amalgamation of titles and any other applications, registrations, actions or matters relating to or arising from the relevant Subject Properties that may be required by the Purchaser and/or IOIPG REIT for the purpose of securing or preserving the Purchaser's legal and beneficial interests in the relevant Subject Properties, provided that in taking such actions, IOIPG REIT shall also, without prejudice to its obligation to act in the best interest of the Unitholders, reasonably take into consideration the commercial interests of the Vendors in respect of the completion of the remainder of the future developments.

Without the prior written consent of IOIPG REIT (which shall not be unreasonably withheld and which may subject to any conditions deemed fit or expedient by IOIPG REIT), do any acts or things in relation to the future developments which would result in a change to the total GFA, causing the share units held by IOIPG REIT to fall below 50.1%.

(c) IRC Title 2 Subdivision

(1) The parties acknowledge that, as at the date of the SPAs, temporary titles in respect of the IRC Title 2 Subdivision into 2 separate titles comprising (i) Phases 2 & 3 Title and (ii) Phase 4 Title have been issued in favour of MDSB.

(2) MDSB shall, at its sole cost and expense, take all steps and do all acts, deeds and things necessary to procure and ensure the completion of the IRC Title 2 Subdivision and the issuance of a separate issue document of title.

(3) MDSB shall keep the Purchaser fully informed of the progress of the IRC Title 2 Subdivision and shall provide copies of all correspondence and approvals issued by the relevant authorities upon written request from the Purchaser.

(d) Amalgamation of Title 1 and the Subdivided Land

(1) Subject to the completion of the IRC Title 2 Subdivision, the issuance of a separate document of title to the Subdivided Land and the successful registration of the Subdivided Land's transfer in favour of the Purchaser, the Purchaser shall submit an application to the land registry for the amalgamation of Title 1 and the Subdivided Land ("**Amalgamation**").

(2) All costs and expenses in connection with the Amalgamation shall be borne by the registered proprietors.

(3) The Purchaser shall keep IOIPG and the registered proprietors informed of the progress of the Amalgamation and shall provide copies of all correspondence and approvals issued by the relevant authorities upon written request from the registered proprietors.

(4) Subject to the completion of the Amalgamation and the issuance of the amalgamated title of Title 1 and the Subdivided Land ("**Amalgamated Title**"), the Purchaser shall submit an application to the land registry for the stratification of the Amalgamated Title, provided always that the form, layout and particulars of the proposed strata or subsidiary plans to be lodged in connection with the stratification shall first have been reviewed and agreed to in writing by all parties.

(e) Transfer of IRC Excluded Portion strata titles

Subject to the completion of the stratification and the issuance of strata or subsidiary titles in respect of the relevant Subject Properties and the IRC Excluded Portion (whether in one single set of titles or multiple titles), the IRC Excluded Portion Beneficiaries shall have the option, by written notice to the Purchaser (through the Vendor), to require the Purchaser to transfer to the respective IRC Excluded Portion Beneficiaries the legal title to any or all strata titles in respect of the IRC Excluded Portion, such transfer to be made at no consideration.

(f) Indemnity by the Vendors and ICMSB, MDSB and the Sponsor (collectively, as "Obligors")

The Vendors and Obligors jointly and severally undertake to indemnify, and cause the IRC Excluded Portion Beneficiaries (where applicable) to indemnify, and keep the Purchaser fully indemnified against all capital expenditure, losses, damages, costs, expenses and outgoings which the Purchaser may incur or be liable for in respect of any claim, demand, liability, action, proceedings or suits arising out or in connection with:

(1) the IRC Excluded Portion and/or the Development Rights made or brought by the IRC Excluded Portion Beneficiaries or any third party;

(2) any breach by the Vendors, the Obligors and/or the IRC Excluded Portion Beneficiaries of any of their representations, warranties, covenants or obligations under the SPA, the IRC Undertakings, the Power of Attorney to Registered Proprietors or the IRC Excluded Portion Beneficiaries or any applicable law or regulatory requirements;

(3) the exercise of any rights by the IRC Excluded Portion Beneficiaries under the Power of Attorney to Registered Proprietors or the IRC Excluded Portion Beneficiaries, including the manner in which such rights are exercised;

(4) any liability, cost or expense relating to or arising from the IRC Excluded Portion (including all outgoings levied on the IRC Excluded Portion prior to the issuance of strata titles and the registration of such titles in favour of the IRC Excluded Portion Beneficiaries);

(5) any claim by any authority or third party arising from acts or omissions by the Vendors, the Obligors, the IRC Excluded Portion Beneficiaries or any of their respective directors, officers, employees, agents, representatives, contractors, consultants, licensees or invitees with respect to the IRC Excluded Portion or any Development Rights; and

(6) any liabilities, damages, claims, losses, costs or expenses arising out of or in connection with the development, construction, maintenance or management activities on the IRC Excluded Portion, including but not limited to any accidents, safety or regulatory breaches, or any other impediments (whether foreseen or unforeseen) that may adversely affect the relevant Subject Properties or IOIPG REIT's interests, including loss of income suffered by IOIPG REIT.

(ix) Additional terms and conditions in respect of the SPA in relation to Putrajaya Marriott Hotel

The additional terms and conditions in respect of the SPA in relation to Putrajaya Marriott Hotel are, among others, as follows:

(a) Ownership of PMH Excluded Portion (as defined hereunder)

The parties acknowledge and agree that the transaction contemplated under the SPA in relation to Putrajaya Marriott Hotel is limited to Putrajaya Marriott Hotel and does not extend to or include any other part or portion of the land ("**PMH Excluded Portion**").

(1) Notwithstanding the above and subject always to the additional terms and conditions under this **Section (ix)**, the Vendor shall cause the issue document of strata title in respect of Putrajaya Marriott Hotel to be transferred and registered in the name of the Purchaser as and when such titles become available, for the sole purpose of giving effect to the transfer of the title in accordance with the SPA.

(2) The Vendor and/or such other entity or entities as may be nominated or identified in writing by IOIPG from time to time (collectively, the "**PMH Excluded Portion Beneficiaries**" and each an "**PMH Excluded Portion Beneficiary**"), as the case may be, shall be and remain the absolute legal and beneficial owner(s) of any other part or portion of the Excluded Portion. The parties agree that, upon issuance of the strata titles, the Vendor, IOIPG and/or the relevant PMH Excluded Portion Beneficiary (as the case may be) shall grant to the Purchaser undertakings as follows specified by the Purchaser in respect of the exercise of any rights over any other part or portion of the land which does not comprise the Subject Properties ("**PMH Undertakings**").

(b) PMH Undertakings

Putrajaya Marriott Hotel is situated on a parcel of land ("**PMH Subdivided Land**") that forms part of a master title held under Geran 332489, Lot 8, Pekan Bukit Bisa, District of Sepang, Selangor Darul Ehsan ("**PMH Land**"), on which other properties are also constructed or to be constructed ("**PMH Excluded Properties**") and the strata title to Putrajaya Marriott Hotel has not yet been issued and registered in favour of the Purchaser. The Vendor undertakes to subdivide the PMH Land into 2 separate strata titles ("**PMH Subdivision**") which after the registration of the subdivided land titles, the Vendor will submit the strata plan for the issuance of the strata titles in respect of Putrajaya Marriott Hotel.

With effect from the Completion Date and pending the registration of the transfer of the strata title in the Purchaser's favour, the Purchaser will be deemed the sole and absolute beneficial owner of Putrajaya Marriott Hotel, whereupon the Purchaser shall have the full rights, title and interests in and to Putrajaya Marriott Hotel and will be entitled to deal with Putrajaya Marriott Hotel in any manner whatsoever as if the Purchaser is the absolute legal owner of Putrajaya Marriott Hotel and wherein the registered owner shall have no further rights, title and interests in and to Putrajaya Marriott Hotel and that the registered owner shall hold Putrajaya Marriott Hotel as bare trustees for and on the Purchaser's behalf pending the registration of the transfer of the strata title in the Purchaser's favour.

The Vendor further undertakes to exercise all voting rights in respect of the properties in a manner consistent with the investment policies and interests of IOIPG REIT, and not to exercise such rights in any manner adverse to IOIPG REIT without its prior written consent. The Vendor is required to obtain IOIPG REIT's prior written approval for specified matters, including those relating to management bodies, maintenance and sinking fund contributions, by-laws, use of common property, material contracts, capital expenditure, budgets and land dealings.

The Vendor further undertakes to provide all necessary cooperation, assistance and support, and to take or procure the taking of all reasonable actions (including voting in favour of any relevant resolutions), in respect of any proposal, application, decision or matter concerning the properties that is reasonably required by the Purchaser and/or IOIPG REIT for the purpose of securing or preserving the Purchaser's legal and beneficial interests in the relevant Subject Properties or in order to comply with applicable laws, regulations or guidelines or any requirements under the Deed.

At such time as may be permitted under the applicable law, the Vendor shall, if required by IOIPG REIT, take all action as may be necessary or expedient to support and facilitate any application by the Purchaser and/or IOIPG REIT for the amalgamation of titles and any other applications, registrations, actions or matters relating to or arising from the relevant Subject Properties that may be required by the Purchaser and/or IOIPG REIT for the purpose of securing or preserving the Purchaser's legal and beneficial interest in the relevant Subject Properties, provided that in taking such actions, IOIPG REIT shall also, without prejudice to its obligation to act in the best interests of the Unitholders, reasonably take into consideration the commercial interests of the Vendor in respect of the completion of the remainder of the future developments.

(c) PMH Subdivision

(1) The parties acknowledge that, as at the date of the SPA, the PMH Subdivision is pending completion and the new separate titles have not yet been issued.

(2) The Vendor shall, at its sole cost and expense, take all steps and do all acts, deeds and things necessary to procure and ensure the completion of the Subdivision and the issuance of a separate issue document of title.

(3) The Vendor shall keep the Purchaser fully informed of the progress of the Subdivision and shall provide copies of all correspondence and approvals issued by the relevant authorities upon written request from the Purchaser.

(d) Stratification of the PMH Land

(1) Subject to the completion of the PMH Subdivision and the issuance of the separate titles, the Vendor shall submit an application to the land registry for the stratification, provided always that the form, layout and particulars of the proposed strata or subsidiary plans to be lodged in connection with the stratification shall first have been reviewed and agreed to in writing by all parties.

(2) All costs and expenses in connection with the stratification up to the issuance of the strata titles shall be borne by the Vendor and/or such other persons as may be agreed in writing by the relevant parties.

(3) The Vendor shall keep the Purchaser fully informed of the progress of the stratification and shall provide copies of all correspondence and approvals issued by the relevant authorities upon written request from the Purchaser.

(x) Additional terms and conditions in respect of the SPA in relation to W Kuala Lumpur

The additional terms and conditions in respect of the SPA in relation to W Kuala Lumpur are, among others, as follows:

(a) Vendor's obligations pending completion of the W Kuala Lumpur SPA

The parties acknowledge that W Kuala Lumpur is currently undergoing refurbishment works to increase the number of hotel rooms by an additional 9 rooms which will occupy the Void Area. It is a term and condition of the W Kuala Lumpur SPA that:

(1) pending completion, the Vendor will:

(A) not, save and except for emergency repairs or as disclosed to the Purchaser, commit or undertake any major external, structural or internal renovation in respect of W Kuala Lumpur without the prior written consent of the Purchaser; and

(B) complete the renovation works in respect of W Kuala Lumpur as agreed between the parties in accordance with the agreed scope and specifications and in proper and workmanlike manner at the costs and expenses of the Vendor.

(2) the Vendor further undertakes, represents and warrants to the Purchaser, amongst others, that the construction and completion of W Kuala Lumpur complies and will comply with all applicable laws, rules and regulations ("**Warranty**"). The Vendor undertakes to fully indemnify and keep the Purchaser fully indemnified against all losses, damages, costs, expenses and outgoings which the Purchaser may incur or be liable for in respect of any claim, demand, liability, action, proceedings or suits arising out or in connection with:

(A) a breach of the Warranty;

(B) the Warranty not being true and correct in all respects; or

(C) the Warranty being misleading in any respect.

(3) The rights and remedies of the Purchaser under **Section (x)(a)(2)** above shall be without prejudice to the Purchaser's right to rescind the W Kuala Lumpur SPA and/or to seek such other remedies available at law and/or in equity, if the Purchaser discovers any material breach on the part of the Vendor, any untruth or inaccuracy in or to the Warranty prior to completion and it shall not be a defence to any claim that the Purchaser knew or ought to have known that any matters warranted or represented were not as warranted or represented. If at any time after completion it should transpire that the Warranty was untrue or incorrect at the time they were given the Purchaser shall be entitled to claim compensation for all loss suffered by it in consequence of such breach, untruth or inaccuracy of the Warranty, taking into account in particular the resulting diminution as at completion in the value of W Kuala Lumpur.

(b) W Kuala Lumpur Void Area Leasing Arrangement

(1) The parties further acknowledge and agree that the Void Area does not form part of, and is excluded from, the property to be acquired by the Purchaser under the SPA in relation to the acquisition of W Kuala Lumpur. However, the Vendor shall, as a term and condition of the W Kuala Lumpur SPA, exercise the Vendor's right to nominate the Purchaser as its nominee to be granted the Leasing Arrangement by the W Kuala Lumpur Management Corporation in place of the Vendor in accordance with the terms of the Void Area Proprietors' Resolution (as defined below) ("**Void Area Nomination Right**") to ensure that the Purchaser shall be granted the Leasing Arrangement by the W Kuala Lumpur Management Corporation.

(2) The Vendor shall, at its own respective cost and expense, after the Unconditional Date but prior to the Completion Date:

(A) exercise the Void Area Nomination Right to ensure that the Purchaser is granted the Leasing Arrangement by the W Kuala Lumpur Management Corporation in place of the Vendor in accordance with the terms of the unanimous strata unitholders' resolution passed by the proprietors of W Kuala Lumpur ("**Parcel Owners**") pursuant to Section 17B of the Strata Titles Act 1985 at an annual general meeting of strata unitholders held on 24 June 2026, to approve the grant by the W Kuala Lumpur Management Corporation of the Leasing Arrangement to the Vendor together with the Void Area Nomination Right in respect of the Void Area for a period of 10 years from and inclusive of the commencement date ("**Initial Term**") and expiring on the Initial Term expiry date. The lessee shall have an option to renew the lease for a further term of 10 years upon the expiry of the Initial Term, commencing on the day immediately following the Initial Term expiry date ("**First Renewal Term**"), and upon the terms and conditions of the Void Area Proprietors' Resolution ("**Void Area Proprietors' Resolution**"). The salient terms of the Leasing Arrangement are as follows:

Rental rate

The rent payable for the Initial Term and the First Renewal Term shall be at RM100.00 per month (equivalent to RM1,200.00 per annum). Any rent payable for any Further Renewal Term (the further lease term of 10 years subsequent to the First Renewal Term arising from the exercise by the lessee of its option to renew the lease pursuant to the Leasing Arrangement) shall not be increased by more than 15% over the rent payable during the immediately preceding term.

Late payment charges

In the event the rent or any other monies payable by the lessee remain unpaid after the respective due date for payment, the lessee shall pay late payment charges thereon at the rate of 8% per annum calculated on a daily basis from the due date until the date of actual payment.

Forfeiture and appropriation

(i) The Security Deposit of RM300.00 (equivalent to 3 months' rent), together with any other deposits payable by the lessee to the lessor under the Leasing Arrangement (collectively, the "**Deposits**") shall not be deemed or treated as payment of the Rent.

(ii) Without prejudice to any other rights and remedies of the lessor, in the event of any material breach by the lessee which remains unremedied following the expiry of the applicable remedy period under the Leasing Arrangement, the lessor is entitled to apply the Deposits towards payment of any rent or other monies due and payable by the lessee or towards any loss, damage, cost or expense actually suffered or incurred by the lessor as a direct result of such breach, provided that the lessor shall first issue a written demand to the lessee specifying the amount claimed and the basis thereof, and the lessee shall have 30 days from the date of receipt of such demand to remedy the breach or dispute the amount claimed before any deduction is made. For the avoidance of doubt, no amount which is disputed by the lessee shall be deducted from the Deposits pending resolution of such dispute.

Default and termination

(i) Lessee's events of default

Upon the occurrence of any one or more of the following events:

a. the lessee fails to pay the rent or any part thereof or any other monies payable under the Leasing Arrangement and such default continues for a period of 30 days after receipt of written notice from the lessor requiring the same to be remedied;

b. the lessee is in material breach of any covenant therein and fails to remedy such breach within 60 days after receipt of written notice from the lessor specifying the breach and requiring the same to be remedied;

c. a petition is presented or an order is made or a resolution (other than for the purpose of reconstruction, amalgamation or corporate restructuring) is passed to wind up the lessee; or

d. the lessee enters into a compromise arrangement with its creditors,

then the lessor may serve a forfeiture notice on the Lessee, in which event the Leasing Arrangement shall be determined and the lessor shall be entitled to:

a. forfeit the Deposits;

b. claim from the lessee the Rent for the unexpired initial term, the First Renewal Term and, where applicable, the Further Renewal Term and any subsequent renewal terms as agreed liquidated damages;

c. claim late payment charges at the rate of 8% per annum; and

d. re-enter and repossess the Void Area.

(ii) Lessor's events of default

In the event that:

a. the lessor is in material breach of any covenant herein and fails to remedy such breach within 30 days after receipt of written notice from the lessee specifying the breach and requiring the same to be remedied;

b. any representation, warranty or authority given by the lessor under the Leasing Arrangement is untrue or misleading and, where capable of remedy, the same is not remedied within 30 days after receipt of written notice from the lessee specifying the same;

c. any resolution, decision or action of the lessor, the W Kuala Lumpur Management Corporation or the Parcel Owners derogates from, diminishes, restricts or impairs the Lessee's rights under the Leasing Arrangement and the same is not remedied within 30 days after receipt of written notice from the lessee;

d. the lessee is unable to enjoy quiet possession of the Void Area due to any act or omission of the lessor and such matter is not remedied within 30 days after receipt of written notice from the lessee; or

e. the lease or the lessee's continued occupation, use or enjoyment of the Void Area for the use of the Void Area for the operations of hotel accommodation and any purposes ancillary thereto ("**Permitted Use**"), becomes unlawful or incapable of performance by reason of any change in applicable law, order, direction or requirement of any governmental, semi-governmental, quasi-governmental, statutory or public authority, ministry, department, agency or body or organisation and includes, without limitation, all privatised corporations, bodies or persons authorised to act whether under any written law in force in Peninsular Malaysia or pursuant to any authorisation and having jurisdiction in respect of all matters arising from or relating to W Kuala Lumpur, the Void Area, the common property, the reconstruction works, the Permitted Use, the provision of utility services and facilities (including without limitation Tenaga Nasional Berhad, Telekom Malaysia Berhad, Pengurusan Air Selangor Sdn Bhd, Indah Water Konsortium Sdn Bhd and any licensed/authorised utility/service providers), the Strata Management Act 2013, the Strata Titles Act 1985, and any subsidiary legislation, by-laws, regulations, orders, circulars or guidelines issued thereunder, as amended from time to time, any other laws related thereto and/or any matter arising out of or in connection with Leasing Arrangement, or any decision or action of the W Kuala Lumpur Management Corporation or the Parcel Owners, and such matter is not capable of being remedied or the lessee is unable to continue the Permitted Use within a reasonable period,

the lessee shall be entitled to:

a. terminate the Leasing Arrangement by written notice to the lessor;

b. recover all Deposits and RM100.00 (equivalent to 1 month's rent) paid by the lessee to the lessor (which has not been applied towards the rent) paid by the lessee, together with any rent paid in advance for any period after the effective date of termination;

c. claim from the lessor all losses, damages, costs and expenses suffered or incurred by the lessee as a result of the relevant breach or event, including but not limited to the cost of the reconstruction works and the lessee's improvements, loss of profits, relocation costs and legal costs.

Holding over

If the lessee remains in possession of the Void Area after the expiry of the term (without having exercised the option to renew), the lessee shall be deemed to hold over as a monthly tenant at the rent payable immediately prior to such expiry, until vacant possession of the Void Area is redelivered by the lessee to the lessor.

The lessor shall not demand, levy or recover double rent, penalty or any additional rent, compensation or other amount in excess of the rent payable in respect of any holding over period;

(B) execute and procure that the W Kuala Lumpur Management Corporation executes the Leasing Arrangement; and

(C) procure that the W Kuala Lumpur Management Corporation executes the Void Area lease form and delivers or causes to be delivered the same, together with the Void Area lease documents (to the extent not already delivered).

(3) Following completion of the W Kuala Lumpur SPA, the relevant lease documents will be submitted for registration at the relevant land registry and the Vendor undertakes and covenants to execute all documents, do all acts and things and use the Vendor's best endeavours, and ensure that the W Kuala Lumpur Management Corporation uses its best endeavours, to ensure that the Leasing Arrangement is duly registered in favour of the Purchaser, upon the full payment of the purchase consideration in accordance with the W Kuala Lumpur SPA.

(xi) Termination

(a) Vendor's right to terminate

The Vendors will be entitled to terminate the SPAs by notice in writing to the Purchaser if:

(1) the Purchaser defaults in the satisfaction of the purchase consideration in accordance with the provisions of the SPAs, and the Purchaser fails within 14 days of receipt of a notice from the Vendors to remedy the breach or the matter; or

(2) at any time prior to completion, any of the other parties of the SPAs (but excluding IOIPG) is or becomes, or is adjudicated or found to be wound up or insolvent or had any winding-up (whether involuntary or voluntary) or insolvency proceedings commenced against it, otherwise than for the purpose of an amalgamation or reconstruction which the prior written consent of the Vendors has been obtained.

(b) Purchaser's right to terminate

The Purchaser will be entitled to, at any time after any such default arises and prior to completion, give notice to the Vendors terminating the SPAs if:

(1) any of the warranties and representations of the Vendors contained in the SPAs are found at any time to be untrue or incorrect;

(2) if a receiver, receiver and manager, special administrator, trustee or similar official is appointed over any of the assets or undertaking of the Vendors;

(3) if the Vendors enter into or resolve to enter into any arrangement, composition or compromise with, or assignment for the benefit of, their creditors or any class of them;

(4) the Vendors fail, neglect or refuse to complete the sale in accordance with the provisions of the SPAs;

(5) the Vendors fail, neglect or refuse to perform or comply with any of their obligations under the SPAs; or

(6) the memorandum of transfer for the Subject Properties in favour of the Purchaser cannot be presented or registered for any reasons caused by or attributable to any act, default or omission of the Vendors,

and the Vendors fail within 14 days of receipt of a notice from the Purchaser to remedy the breach or the matter; or

(A) at any time prior to completion, any of the other parties of the SPAs (but excluding IOIPG) is or becomes, or is adjudicated or found to be wound up or insolvent or had any winding-up (whether involuntary or voluntary) or insolvency proceedings commenced against it, otherwise than for the purpose of an amalgamation or reconstruction which the prior written consent of the Purchaser has been obtained; or

(B) the registration of the transfer in favour of the Purchaser is not or cannot be effected for any reason whatsoever not due to any fault of the Vendors or the Purchaser (except minor defects which can be remedied in which event the relevant party shall forthwith proceed to rectify the defect) and the parties have complied with the mitigation provisions under the provisions of the SPAs.

(xii) Capacity of the Trustee

Notwithstanding anything to the contrary contained in the SPAs and without prejudice to the provisions of the SPAs, it is expressly agreed that the Purchaser enters into the SPAs solely in its capacity as the Trustee and not in its personal capacity. Any liability arising on the part of the Purchaser (if any) under the SPAs is limited to and can be enforced against the Purchaser only to the extent to which the Purchaser can satisfy such liability out from the assets of IOIPG REIT and not out of the personal assets of the Purchaser or from any assets held by the Purchaser as trustee for any other trusts.

14.4 SALIENT TERMS OF THE ROFR

With effect from the Completion Date, IOIPG agrees to grant a ROFR to the Trustee (on behalf of IOIPG REIT) to purchase Real Estate Assets located in Malaysia used for retail, office, industrial and/or hospitality purposes and any Real Estate Asset which may in future be identified and targeted for acquisition by IOIPG or an entity within the IOIPG Group ("**IOIPG Entity**") ("**Relevant Assets**") in the event that:

(i) IOIPG or an IOIPG Entity intends for any reason whatsoever to sell or dispose of the Relevant Assets or any part(s) thereof. In such event, IOIPG or an IOIPG Entity shall notify the Trustee by way of a written notice, with a copy to the Manager, and will invite IOIPG REIT to bid for the acquisition of such Relevant Assets, along with any other parties that IOIPG or an IOIPG Entity may invite, at a price which is not lower than the minimum disposal price set by IOIPG or an IOIPG Entity for the Relevant Assets, based on an independent valuation carried out by an independent valuer appointed by IOIPG or an IOIPG Entity at its own cost and expense ("**Reserve Price**"); or

(ii) IOIPG or an IOIPG Entity receives any offer from a third party to purchase any part of the Relevant Assets which IOIPG or an IOIPG Entity is willing to consider.

The grant of the ROFR –

(i) shall be subject to any overriding contractual obligations which IOIPG or an IOIPG Entity may have in relation to the Relevant Assets and/or to the third parties that hold interests in these Relevant Assets;

(ii) shall not be applicable in the event of an intra-group transfer of the Relevant Assets, or reconstruction, amalgamations, restructurings, mergers and analogous events involving IOIPG or an IOIPG Entity; and

(iii) shall be subject to the applicable laws, regulations and government policies.

In the event that IOIPG or an IOIPG Entity decides that it wishes to sell and dispose of any Relevant Assets pursuant to (i) a bid or offer made by any other bidder which is more favorable than the bid or offer made by the Trustee or the Manager for and on behalf of IOIPG REIT for the acquisition of the Relevant Assets; or (ii) any offer from third party to purchase any part of the Relevant Assets, (severally, the "**Third Party Offer**"), IOIPG or an IOIPG Entity shall within a reasonable timeframe issue a notice of offer to the Trustee, with a copy to the Manager ("**ROFR Offer**") informing the Trustee of its intention to sell and dispose such Relevant Asset pursuant to the Third Party Offer.

The Trustee has 10 business days from the date of the Trustee's receipt of the ROFR Offer, to accept the ROFR Offer by delivering to IOIPG or an IOIPG Entity a written notification confirming its acceptance of the purchase of the Relevant Assets on the terms and conditions no less favourable than those contained in the Third Party Offer ("**Acceptance Notice**").

In the event that the Trustee accepts the ROFR Offer within the prescribed period, IOIPG or an IOIPG Entity shall be obliged to give effect to the sale and disposal of the Relevant Assets to the Trustee upon terms and conditions no less favourable than those contained in the Third Party Offer and IOIPG or an IOIPG Entity, as the case may be, shall complete the sale and the Trustee shall complete the purchase of the Relevant Assets at the purchase price stipulated in the Third Party Offer on or before the Completion Date.

In the event that the Trustee fails to issue an Acceptance Notice by the expiry of the prescribed period of 10 business days or the Trustee confirms in writing that it rejects the ROFR Offer to purchase the Relevant Assets, whichever is earlier, then the Trustee shall be deemed to have rejected the ROFR Offer, and IOIPG or an IOIPG Entity, as the case may be, shall be entitled to accept the Third Party Offer and to proceed to sell the Relevant Asset which is the subject-matter of the ROFR Offer to the relevant third party, on the same terms and conditions as those disclosed in the ROFR Offer.

The grant of the ROFR by IOIPG or an IOIPG Entity in favour of the Trustee to purchase the Relevant Assets shall remain effective and binding for so long as:

(i) the Manager remains as the management company of IOIPG REIT;

(ii) IOIPG and/or any of its subsidiaries or related corporations, alone or in aggregate, holds direct and/or indirect interest of 50.0% or more in the Manager;

(iii) IOIPG and/or any of its subsidiaries or related corporations, alone or in aggregate, holds direct and/or indirect interest of 33.0% or more in IOIPG REIT; and

(iv) IOIPG REIT remains listed on Bursa Securities.

14.5 SALIENT TERMS OF THE HOTEL MASTER LEASE AGREEMENT

*For the purpose of this **Section 14.5**, the term "**Lessor**" refers to the Trustee which is empowered to hold the Hotel Properties on trust for IOIPG REIT and for the benefit of the Unitholders in accordance with and subject to the terms and conditions of Deed.*

(i) Grant of lease

In consideration of the Master Lessees' agreement to pay the total rent and other monies payable to the Lessor under the Hotel Master Lease Agreements and to perform their obligations thereunder, the Lessor grants leases of the Hotel Properties, together with all the FF&E, for a period of 10 years commencing on the Completion Date of their respective SPAs ("**Terms**"), with an option to renew for a term of 10 years commencing on the expiry of the Terms.

For the avoidance of doubt, all FF&E situated in or on the Hotel Properties as at the commencement date of the respective Hotel Master Lease Agreements shall form an integral and indivisible part of the Hotel Properties for the purposes of the Hotel Master Lease Agreements.

(ii) Rent

The Master Lessees shall pay to the Lessor the total rent which, in respect of a fiscal year, shall be the higher of:

(a) the Variable Rent; or

(b) the Guaranteed Rent, being:

(1) in respect of Putrajaya Marriott Hotel, a fixed monthly rental of RM670,000, equivalent to an annual rental of RM8,040,000;

(2) in respect of Le Méridien Putrajaya, a fixed monthly rental of RM875,000, equivalent to an annual rental of RM10,500,000;

(3) in respect of Moxy Putrajaya, a fixed monthly rental of RM625,000, equivalent to an annual rental of RM7,500,000;

(4) in respect of Four Points by Sheraton Puchong, a fixed monthly rental of RM500,000, equivalent to an annual rental of RM6,000,000;

(5) in respect of W Kuala Lumpur, a fixed monthly rental of RM1,000,000, equivalent to an annual rental of RM12,000,000; and

(6) in respect of Courtyard by Marriott Penang, a fixed monthly rental of RM570,000, equivalent to an annual rental of RM6,840,000.

(iii) Covenants

The Master Lessees, to the intent that the obligations may continue throughout the term of the leases, agree, covenant and undertake with the Lessor, among others:

(a) to make every payment to the Lessor under and in accordance with the terms of the Hotel Master Lease Agreements without any set off, counterclaim, withholding or deduction;

(b) to use and occupy the Hotel Properties solely as hotels, including all uses which are reasonably ancillary to or associated with the business of the hotel ("**Permitted Use**");

(c) to observe and comply, and ensure that their agents, employees, licensees, contractors, authorised representatives and invitees comply, with all laws in connection with the use of the Hotel Properties, the Master Lessees' properties, the Permitted Use and the hotel business, including all laws relating to occupational health and safety, except where such law requires Capital Improvements;

*"**Capital Improvements**" means:*

(aa) any improvement or replacement works, alterations or works to the plant, services infrastructure or to the essential fabric of the hotel being the foundations, load bearing walls, structural columns, structural floors and structural ceilings including the facade of the Hotel and the replacement of plant and services infrastructure, but excluding any FF&E;

(bb) any improvements, alterations or works to the premises to increase capacity of productive assets at the hotel including hotel rooms, restaurants, meeting and banquet spaces and other additions and extensions to the structure of the premises; and

(cc) all improvements, alterations or works to the premises in all-embracing projects to reposition and to develop new concepts for existing productive assets of the hotel; and

(d) to maintain and upkeep, or cause to be maintained and upkept, the operation and readiness of all fire protection systems on the Subject Properties;

(e) save for any operating services agreement and any other related hotel agreements in relation to the hotels, to ensure that any contracts entered into by the Master Lessees in relation to the Subject Properties after the commencement date of the leases contain a provision requiring termination of the contracts on or before the expiry or terminating date of the leases; or, for each contract that does not expire on or before the expiry or terminating date of the Hotel Master Lease Agreements, that such contract is capable of termination without penalty or other compensation to the other party, upon not more than 30 business days' written notice;

(f) to take all reasonably necessary precautions and other measures to secure the Hotel Properties and to protect the Lessor's properties and safety of all persons within the Hotel Properties;

(g) upon the Master Lessees becoming aware, to promptly give the Lessor notice of any material damage to or defect of which the Master Lessees are aware in the Hotel Properties or any services provided by the Lessor, any infectious diseases or pests in the Hotel Properties, any notice from an appropriate authority (other than accounts for services provided to the Hotel Properties) and any circumstances likely to cause any such material damage or defect;

(h) not to do anything which could prejudice the Lessor's interest in the Hotel Properties;

(i) to keep the Hotel Properties in good and substantial repair and working order and available subject to (1) the need for any replacement works which comprise of Capital Improvements and (2) fair wear and tear;

(j) to keep the Hotel Properties and FF&E at all times in good and substantial condition and repair and in working order including repairing, repainting and replacing FF&E required for the hotel business but excluding any works which are in the nature of capital improvements;

(k) to obtain and maintain all business licences required by applicable law or any relevant authority in order to carry out the Master Lessees' obligations under the leases, to conduct the Permitted Use at the Hotel Properties and to manage and operate the Master Lessees' business from the Hotel Properties;

(l) where applicable, to take out and maintain or cause to be taken out and maintained public liability insurance policy, worker's compensation insurance, contract works and contract works liability insurance and property insurances;

(m) at the expiration or sooner determination of the leases, novate or assign the tenancies between the Master Lessees and their sublessees under the leases, in favour of the Lessor and pay over to the Lessor all security deposits, utilities deposits and rent revenues paid to the Master Lessees under the said tenancies; and

(n) at the expiration or sooner determination of the leases, yield up and vacate the Subject Properties in accordance with the provisions of the Hotel Master Lease Agreements.

(iv) Events of default

The Master Lessees will be in default under the Hotel Master Lease Agreements if:

(a) the Master Lessees do not pay the total rent by the day on which the same become due for payment in accordance with the provisions of the Hotel Master Lease Agreements;

(b) the Master Lessees do not pay the outgoings or any amount that is due and payable by them under the Hotel Master Lease Agreements by the due date for payment or within 10 days of receiving a demand for payment from the Lessor where the invoice for the particular item of outgoings is received directly by the Lessor;

(c) the Master Lessees breach or fail to comply with any of the following essential terms of the leases in accordance with the applicable provisions:

(1) to pay the total rent;

(2) to pay the outgoings;

(3) to pay the service tax;

(4) to use the Hotel Properties for the Permitted Use;

(5) to carry on the hotel business;

(6) to obtain all consents to carry on the Permitted Use;

(7) to keep the Hotel Properties in the condition required in order to operate the hotel business;

(8) to obtain and comply with all material conditions and obligations of any consents to carry on the Permitted Use;

(9) to maintain the Hotel Properties;

(10) to take out and maintain insurances under paragraph (iii)(l) above;

(11) to obtain the prior consent of the Lessor where required;

(12) to deliver to the Lessor the rental deposit; or

(13) to comply with the Master Lessees' Obligations under paragraphs (iii)(m) and (n) above;

(d) the Master Lessees repudiate their obligations under the leases;

(e) the Master Lessees do not comply with any other express or implied covenants or obligations under the leases;

(f) the Master Lessees cease to conduct the hotel business for 3 consecutive fiscal years, without any break between such fiscal year;

(g) the Hotel Properties are closed for operations or cease to be open to the members of the public for 3 consecutive fiscal years, without any break between such fiscal years; or

(h) an insolvency event occurs in respect of the Master Lessees,

and the event of default is capable of being remedied by the Master Lessees but is not remedied within 15 business days after the date of service of a written notice from the Lessor requiring the Master Lessees to remedy such event of default or within such further period as may be mutually agreed between the Lessor and the Master Lessees.

(v) Capacity of the Trustee

Notwithstanding anything to the contrary contained in the Hotel Master Lease Agreements and without prejudice to the provisions of the Hotel Master Lease Agreements, it is expressly agreed that the Lessor enters into the Hotel Master Lease Agreements solely in its capacity as the Trustee and not in its personal capacity. Any liability arising on the part of the Lessor (if any) under the Hotel Master Lease Agreements is limited to and can be enforced against the Lessor only to the extent to which the Lessor can satisfy such liability out from the assets of IOIPG REIT and not out of the personal assets of the Lessor or from any assets held by the Lessor as trustee for any other trusts.

Dear Sir / Madam,

VALUATION CERTIFICATE FOR THE ASSETS TO BE HELD BY MTRUSTEE BERHAD, AS THE PROPOSED TRUSTEE OF IOIPG MALAYSIA REAL ESTATE INVESTMENT TRUST
(COLLECTIVELY HEREINAFTER REFERRED TO AS THE "SUBJECT PROPERTIES")

We were instructed by IOIPG REIT Management Sdn Bhd (on behalf of MTrustee Berhad, as the proposed trustee of IOIPG Malaysia Real Estate Investment Trust ("**IOIPG REIT**")) (hereinafter referred to as the "**IOIPG / Client**") to ascertain the Market Value of the respective legal interests in the Subject Properties listed herein.

The valuation certificate is prepared for the inclusion in the prospectus of IOIPG REIT in relation to the proposed establishment and listing of IOIPG REIT on the Main Market of Bursa Malaysia Securities Berhad.

This valuation certificate is prepared in conformity with the Asset Valuation Guidelines issued by the Securities Commission Malaysia and the Malaysian Valuation Standards published by the Board of Valuers, Appraisers, Estate Agents and Property Managers, Malaysia.

This valuation certificate is prepared in accordance with the general principles adopted and limiting conditions as enclosed at the end of our formal valuation reports. For all intents and purposes, this valuation certificate should be read in conjunction with our formal valuation reports.

The basis of valuation adopted is the **Market Value** which is defined as "the estimated amount for which an asset or liability should exchange on the valuation date between a willing buyer and a willing seller in an arm's length transaction after proper marketing and where the parties had each acted knowledgeably, prudently and without compulsion".

Accordingly, we have inspected the Subject Properties on various occasions; the latest being on 31 October 2025. As such, we have adopted **31 October 2025** as the material date of valuation. We have conducted title searches at the relevant land offices on various dates but this is done to establish title particulars relevant to these valuations only.

The Subject Properties comprise the following:

Retail Property	Hotel Properties	Office Properties
• IOI City Mall	• Moxy Putrajaya	• IOI City Tower 1 & 2
	• Le Méridien Putrajaya	• PFCC Tower 1, 2, 4 & 5
	• Putrajaya Marriott Hotel	
	• W Kuala Lumpur	
	• Courtyard by Marriott Penang	
	• Four Points by Sheraton Puchong	

In arriving at our opinion of the Market Value(s) of the Subject Properties, we have adopted the **Income Approach by Discounted Cash Flow Method** (in respect of hotel properties) or **Income Approach by Investment Method** (in respect of retail and office properties) as the primary approach supported by the **Comparison Approach** for all properties.

Brief details of the methodology adopted are defined below.

a) Income Approach by Discounted Cash Flow (DCF) Method – Applicable to Hotel Properties

In usual circumstances where a hotel is subject to a master lease arrangement with a fixed rental stream, the Income Approach by Investment Method would typically be adopted. However, for the hotel properties, the proposed Hotel Master Lease Agreement is subject to the total rent payable based on the **higher of Variable Rent or Guaranteed Rent**, with Variable Rent directly linked to the hotel's operating performance (i.e. **Gross Operating Profit**). Accordingly, projection of the hotel's annual operating cash flows is required to estimate Gross Operating Profit and derive Variable Rent over the lease term. In view of the performance-linked rent mechanism and the need for explicit cash flow projections, the **Income Approach by Discounted Cash Flow (DCF) Method** has been adopted for this valuation.

Under the proposed Hotel Master Lease Agreement ("MLA") for the hotel properties, the Lessor has agreed to grant a lease of the premises to the Lessee for a period of **10 years** with an option to renew for a further **10 years**. Total rent payable is based on the higher of:

(a) **Variable Rent**, being **90% of (Gross Operating Profit** [Note] **less the Master Lease Expenses)**; or

(b) **Guaranteed Rent.**

Note: The computation of GOP under the Hotel Master Lease Agreement includes all revenues, receipts, and income of every kind derived directly or indirectly from the operations of the Hotel (hereinafter referred to as "MLA GOP").

Accordingly, under the DCF method, we projected the hotel's annual operating cash flows to estimate MLA GOP. Variable Rent is derived as 90% of the estimated MLA GOP less Master Lease Expenses, and the rent receivable by the Lessor is taken as the higher of Variable Rent or Guaranteed Rent. From the established rent receivable, we then deduct the Lessor's expenses (including service charges, quit rent, assessment and fire insurance) to derive the net property income. The resulting net cash flows (after taking into account of owner's expenses, noting that the Lessor is also the owner of the Subject Property) are then discounted to the valuation date to derive the net present value of the property.

Total Rent *(the higher of **Variable Rent** or **Guaranteed Rent**)*

(less) Lessor's Outgoings

- *service charges & sinking fund (for stratified property)*
- *property taxes*
- *insurance*

Net Property Income

Discounted Cash Flow incorporates the estimation of future annual cash flows over an investment horizon (forecasted/projected period) from the valuation date by referencing to expected revenue growth rates, operating expenses and terminal value. The present value of future cash flow is then determined by the application of an appropriate discount rate to derive a net present value of the property as at the valuation date.

In our assessment, we have carried out a DCF analysis over a 10-year investment horizon, where we have projected the property to achieve a stabilised / optimum level of growth at the end of Year 10 (terminal year). We have included a Terminal Value at the terminal year to represent the value of the asset at the end of the explicit projection period. This form of analysis allows an investor or owner to make an assessment of the long-term return that is likely to be derived from a property in such a manner as to attain the desired level of investment return commensurate with the risk of that asset class.

In undertaking this analysis, we have also used a wide range of assumptions for the property including the growth of revenues during the holding period and other related property expenses.

b) **Income Approach by Investment Method – Applicable to Retail and Office Properties**

For the retail and office properties, we have adopted Income Approach by Investment Method, which this approach involves capitalisation of the net annual income stream that is expected to be received from the property after deducting the annual outgoings and other operating expenses incidental to the property with allowance for void by using an appropriate market derived capitalisation rate.

c) **Comparison Approach**

This approach considers the sale of similar or substitute properties and related market data, and establishes a value estimate by processes involving comparison. In general, a property being valued is compared with sale of similar properties that have been transacted in the open market.

d) **Reconciliation of Values**

Taking into consideration that the Subject Properties are commercial and income generating, we have thus adopted the Market Value(s) as derived from the **Income Approach by DCF Method** (in respect of hotel properties) and **Income Approach by Investment Method** (in respect of retail and office properties) as a fair representation for the Subject Properties supported by the Market Value(s) derived from the Comparison Approach.

In a valuation of a homogeneous real estate such as vacant lands and residential homes, the Comparison Approach is the most appropriate method of valuation as there are less adjustments and analysis on comparable(s). However, in the case of more complex real estate such as shopping complexes, hotels, office buildings and other income generating or investment properties, qualitative and quantitative adjustments are more difficult to be computed or gauged to reflect the differences of the comparable(s) and the property being valued. Therefore, we have considered the Income Approach by DCF Method or Investment Method as the preferred method of valuation in our opinion of Market Value(s) for the Subject Properties.

The remainder of this page is intentionally left blank

We are of the opinion that the Market Value(s) of the interest(s) in perpetuity in the Subject Properties, subject to the **Terms of Reference and bases/assumptions stated for the respective properties in this valuation certificate**, the proposed Hotel Master Lease Agreement (in respect of hotel properties) and the existing / committed tenancies entered to-date (in respect of retail and office properties) and the titles / forthcoming strata title(s) when issued, being free from all encumbrances, good, marketable and registrable, as at 31 October 2025 are as follows:-
